Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Plan management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified or provided by Reliance Trust Company, the current trustee of the Plan, and Wells Fargo Bank, N.A., the former trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the trustees hold the Plan's investment assets and execute investment transactions. The plan administrator has obtained certifications from the current trustee as of December 31, 2019, and for the period from August 1, 2019 through December 31, 2019, and the former trustee as of December 31, 2018, and for the period from January 1, 2019 through August 1, 2019, and as of December 31, 2018, that the information provided to the plan administrator by the trustees is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplemental schedule of assets (held at end of year) as of December 31, 2019, and the supplemental schedule of delinquent participant contributions for the year ended December 31, 2019, are required by the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and are presented for the purpose of additional analysis and are not a required part of the financial statements. The supplemental schedules are the responsibility of the Plan's management. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on these supplemental schedules.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified or provided by the current and former trustees, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements were prepared on a modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

JAVITCH BLOCK LLC 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

Note 1 – Plan Description

The following description of the Javitch Block LLC 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan which was formed for the purpose of providing retirement benefits to all employees of Javitch Block LLC (the Company). Employees become eligible to participate in the Plan upon reaching age 21 and completing one month of service, as defined. Effective August 1, 2019, employees become eligible to participate in the Plan upon reaching age 21 and enter the Plan the first day of the month coinciding with or next following the date the eligibility requirements are met. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The members of the Company (Members) are responsible for oversight of the Plan and determine the appropriateness of the Plan's investment offerings and monitor investment performance.

Contributions

Each year, participants may contribute up to 75% of their pre-tax annual compensation, or make Roth contributions, as defined in the Plan. Participants who have attained age fifty (50) before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified retirement plans, as defined (rollover contributions). The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated fund until changed by the participant. The Company may, at its discretion, make matching contributions. Also at the discretion of the Company's members, additional discretionary profit sharing contributions may be authorized for the related year. These profit sharing contributions are funded in the year subsequent to their authorization. Allocations of the Company's profit sharing contribution are given only to participants who have completed at least 500 hours of service during the Plan year, and are based on participants' compensation for the Plan year relating to the contribution. Participants do not need to be employed at the end of the Plan year to receive profit sharing contributions. No Company discretionary matching or profit sharing contributions were authorized or made for 2019. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contributions and (b) Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participant-Directed Investment Options

Upon enrollment in the Plan, a participant may direct the investment of their contributions into any of several investment options with varying degrees of risk and volatility, allowing participants to allocate their investments in accordance with their own risk tolerances and time horizons. Participants may change their investment options at any time.

JAVITCH BLOCK LLC 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

Note 1 – Plan Description (Continued)

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's discretionary matching and profit sharing contributions is based on years of service, as defined. A participant is 100% vested after six years of credited service.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balances in the participants' account. Such loans bear interest at a reasonable rate commensurate with current interest rates charged for loans made under similar circumstances by persons in the business of lending money as determined by the plan administrator. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits

Upon termination of service due to death, disability, retirement, or other reasons, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or in substantially equal installments as specified in the Plan document. If the vested portion of a participant's account does not exceed \$5,000 upon termination of service, the Plan is permitted to make a lump-sum distribution to the participant under certain conditions. An in-service distribution of all or part of a participant's vested account may be made for participants age 59½ and older. Distributions of a participant's account balance may be authorized at any time by the plan administrator under certain hardship conditions.

Forfeited Accounts

Forfeited nonvested accounts are used to pay administrative expenses or to reduce future employer contributions. At December 31, 2019 and 2018, forfeited non-vested accounts totaled \$4,775 and \$7,023, respectively. During 2019, \$4,550 of forfeitures were used to pay Plan administrative expenses.

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the modified cash basis of accounting which is an other comprehensive basis of accounting; investment income is recognized when received, disbursements are recognized when made and contributions are recognized when received. Additionally, investments are reflected at fair value. Accordingly, the financial statements are not intended to present the net assets available for benefits and changes in net assets available for benefits of the Plan in conformity with accounting principles generally accepted in the United States of America.

JAVITCH BLOCK LLC 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

Note 2 – Summary of Significant Accounting Policies (Continued)

Use of Estimates

The preparation of financial statements on the modified cash basis of accounting requires management to make estimates and assumptions that affect reported amounts of net assets available for benefits and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Members determine the Plan's valuation policies utilizing information provided by the investment advisors and the trustees. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded when received. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2019 and 2018.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Expenses of maintaining the Plan, are paid either by the Plan or the Company, as provided by the Plan document. Expenses that are paid by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan are paid by the Plan and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Subsequent Events

Plan management has evaluated subsequent events through October 15, 2020, the date the financial statements were available to be issued.

Due to national and world-wide disruptions caused by COVID-19, the Plan may be adversely impacted. At this time, any financial impact of potential COVID-19 related disruptions are not known.

JAVITCH BLOCK LLC 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

Note 3 – Information Prepared and Certified by the Trustees

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedules, including investments and notes receivable from participants held at December 31, 2019 and 2018, and net appreciation in fair value of investments, interest and dividends, for the year ended December 31, 2019, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Reliance Trust Company (Reliance), the current trustee, and Wells Fargo Bank, N.A. (Wells Fargo), the former trustee.

Note 4 – Fair Value Measurements

Accounting standards establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; or
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in valuation methodologies used at December 31, 2019 and 2018.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

JAVITCH BLOCK LLC 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

Note 4 – Fair Value Measurements (Continued)

Stable value collective trust fund: A stable value fund that is composed primarily of fully benefit-responsive investment contracts that is valued at the NAV of units of the collective trust fund. The NAV as provided by the trustee is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily with no notice.

Interest-bearing Cash: Valued at fair value based on quoted market prices.

Common / collective trusts: Valued based on the NAV of units of the collective trust fund. The NAV as provided by the trustee, is used as a practical expedient to estimating fair value. The NAV is based on the fair value of the underlying investments held by the trust less its liabilities. This practical expedient is not used when it is determined to be probable that the Plan will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily with no notice.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Assets measured at fair value by level, within the fair value hierarchy, are comprised of the following at December 31, 2019 and 2018:

NOTES TO THE FINANCIAL STATEMENTS

Note 4 – Fair Value Measurements (Continued)

- (a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

For the year ended December 31, 2019, the Plan did not hold any Level 3 assets.

Note 5 – Related Party and Party-in-Interest Transactions

Certain Plan investments were managed by Wells Fargo, from January 1, 2019 to July 31, 2019, and T. Rowe Price Retirement Plan Services, Inc. (T. Rowe Price) from August 1, 2019 to December 31, 2019. Wells Fargo is the former trustee and recordkeeper, Reliance Trust Company is the current trustee and T. Rowe Price is the current recordkeeper as defined by the Plan and, therefore, such transactions and associated expenses qualify as party-in-interest transactions.

Wells Fargo provided certain administrative services to the Plan pursuant to a Master Plan Services Agreement (MSA) between the Company and Wells Fargo. T. Rowe Price provides certain administrative services to the Plan pursuant to an Administrative Services Agreement (ASA) between the Company and T. Rowe Price. Wells Fargo and T. Rowe Price receive revenue from mutual fund and collective trust fund service providers for services Wells Fargo and T. Rowe Price provide to the funds. This revenue is used to offset certain amounts owed to the Wells Fargo and T. Rowe Price for its administrative services to the Plan.

If the revenue received by Wells Fargo or T. Rowe Price from such mutual fund or collective trust fund service providers exceeds the amount owed under the MSA or ASA, Wells Fargo or T. Rowe Price remits the excess to the Plan's trust on a quarterly basis. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. During 2019, there were \$1,132 of excess amounts which is reported on the accompanying statement of changes in net assets available for benefits as other income. The Plan or the Company may make a payment to Wells Fargo or T. Rowe Price for administrative expenses not covered by revenue sharing.

Additionally, the Plan holds party-in-interest receivables of \$123,687 and \$208,225 as of December 31, 2019 and 2018, respectively, in the form of notes receivable from participants.

Note 6 – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

NOTES TO THE FINANCIAL STATEMENTS

Note 7 – Tax Status

DST Retirement Solutions LLC, sponsor of the Volume Submitter Profit Sharing Plan, has obtained an opinion letter dated June 1, 2015, in which the IRS stated that the volume submitter plan document was in compliance with applicable requirements of the Internal Revenue Code (IRC). The plan sponsor amended and restated the Plan and adopted this volume submitter plan document on August 1, 2019. The volume submitter plan opinion letter has been relied upon by this Plan. The plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax exempt.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the 2019 statement of net assets available for benefits.

As of December 31, 2019, the Plan held \$4,282,939 of T. Rowe Price funds, which was approximately 64% of total investments. Therefore, net assets available for benefits are particularly sensitive to changes related to these investments.
