EBERL 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2019 and 2018

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Eberl 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution profit sharing plan and trust with a qualified cash or deferred 401(k) arrangement covering all employees of Eberl Claims Service, LLC (the "Company") except for non-resident aliens and those covered by a collective bargaining agreement. Participation in the Plan is discretionary for all eligible employees who have attained the age 21 and have completed one year of eligible service, as defined by the Plan. The defined contribution 401(k) profit sharing plan and trust was established by the Company on September 1, 2015, was restated effective August 1, 2019, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective August 1, 2019, the Plan was amended and restated, and a new custodian and record keeper were appointed. Plan assets transferred to the new custodian were transferred into funds comparable to those offered by the previous custodian. The conversion initiated a blackout period beginning August 1, 2019 and continuing through August 14, 2019. During this period, funds could not be applied to the employees-selected funds with the custodian or withdrawn from the Plan until the custodian could accurately complete the conversion. During this period, employee contributions continued to be made through payroll deductions, and the contributions were deposited and held in the Plan's guaranteed portfolio fund until the completion of the blackout period. At the end of the blackout period, such funds were transferred to the investment options requested by each participant.

Custodians

Principal Trust Company was the Plan's custodian from January 1, 2019 to July 31, 2019. Effective August 1, 2019, Great-West Life and Annuity Insurance Company is the Plan's custodian. Principal Trust Company and Great-West Life and Annuity Insurance Company invests all employee and employer contributions, as well as earnings thereon, pursuant to the terms of the Plan.

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Contributions

The Plan allows participants to elect to defer a portion of their compensation up to 100%, including any catch-up contributions for participants who have attained age 50, not to exceed the maximum amounts allowed for by the Internal Revenue Code and the Plan document. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions, including their employer contributions, into various investment options offered by the Plan. The amount of the participant's deferred compensation is treated as a participant elective contribution, allocated to that participant's elective account, and is 100% vested at the time of contribution. Any portion of this contribution can be elected by the participant as a Roth contribution. The Company may contribute a discretionary matching contribution, as determined annually, to the Plan each year. The Company may also make a discretionary profit-sharing contribution, to be determined annually. Temporary employees and highly compensated participants are excluded from receiving the discretionary match contribution. Contributions are accumulated and invested, as directed by participants, in a trust fund held by the custodian.

Participant Accounts

Each participant's account is credited with an allocation of (a) the Company's discretionary matching contribution; (b) the Company's discretionary profit-sharing contribution; (c) the participants' voluntary contributions, transfer contributions, and rollover contributions; and (d) Plan earnings. The accounts are charged for any withdrawals, distributions, and administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

The Plan provides that participants have no vested interest in the Company contributions until they have completed two years of service, at which time they become 20% vested. Vesting increases 20% each year up to 100% after six years of plan participation and service. An employee is considered to have completed one (1) year of service for purposes of vesting upon the completion of 1,000 hours of service at any time during a plan year. Participants are fully vested immediately with respect to employee contributions, rollovers, and earnings thereon.

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Forfeitures

Forfeitures are used to pay Plan expenses or reduce employer contributions. During the year ended December 31, 2019, forfeitures in the amount of $118 were used to pay Plan expenses and forfeitures in the amount of $1,997 were used to reduce employer contributions. There were no unallocated forfeitures at December 31, 2019. There were unallocated forfeitures of $2 at December 31, 2018.

Payment of Vested Benefits

Participants, or their beneficiaries, are entitled to receive the entire amount of their interest in the Plan upon retirement, death, total or permanent disability, employment termination, or reaching the age of 59 ½, as defined in the Plan. A participant will be considered to have suffered a disability if he or she is permanently unable to perform his or her customary duties for the employer due to a mental or physical condition which can be expected to result in death, or be of a long continued and indefinite duration as determined by the plan administrator. On termination of service, a participant may elect to receive either a lump-sum amount equal to the value of his or her account, or partial lump sum amounts less than the value of his or her account. If the participants vested balance is less than or equal to $5,000, the entire sum will be distributed as soon as possible following the participant's separation from service. If the participants balance is greater than $5,000, they can elect to receive a lump-sum distribution or installments. At December 31, 2019, there were no requested distributions that had not been paid as of the Plan year end.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum of the lesser of $50,000 or 50% of the vested balance in the participant's account. The loans are secured by the vested balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates as determined by the plan administrator. The term of such loans may not exceed five years except in the case of a loan for the purchase of a principal residence which may not exceed thirty years. Participants may have a maximum of one outstanding loan at a time. Temporary employees are not permitted to take out loans. Spousal consent is required for loans greater than $5,000. Principal and interest is paid ratably, through payroll deductions.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following is a summary of significant accounting policies followed in the preparation of these financial statements.

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians, and insurance company. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2019 and 2018. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan agreement.

Other Liability

Other liability consists of contributions received by the Plan during the year ended December 31, 2019, which are attributable to 2020.

Payments of Benefits

Benefits are recorded when paid.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the plan sponsor. Expenses paid by the plan sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants and participant distributions are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments. Personnel and facilities of the Company have been used by the Plan for its accounting and other activities at no charge to the Plan.

Subsequent Events

The plan sponsor has performed a review of events subsequent to the statements of net assets available for benefits date through October 12, 2020, the date the financial statements were available to be issued, and has determined that there are no material events that have occurred during this period, except as disclosed in Note 10.

NOTE 3 – INFORMATION CERTIFIED BY THE CUSTODIANS (UNAUDITED)

Certain information related to investments and notes receivables from participants disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2019 and 2018, net appreciation of investments, interest and dividends for the year ended December 31, 2019, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Great-West Life and Annuity Insurance Company, the custodian of the Plan, as of December 31, 2019 and for the period August 1, 2019 through December 31, 2019 and from Principal Trust Company, the custodian of the Plan as of December 31, 2018 and for the period January 1, 2019 through July 31, 2019.

NOTE 4 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2019 and 2018.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Guaranteed portfolio fund: Valued at fair value by the insurance company by discounting related cash flows based on current yields of similar instruments with comparable durations considering the credit worthiness of the issuer.

Stable value collective trust funds: A stable value fund that is composed primarily of fully benefit-responsive investment contracts that is valued at the net asset value of units of the bank collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2019 and 2018.

	Assets at Fair Value as of December 31, 2019			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 4,654,059	$ -	$ -	$ 4,654,059
Guranteed portfolio fund	-	18,528	-	18,528
Total assets in the fair value hierarchy	4,654,059	18,528	-	4,672,587
Investments measured at net asset value [(a)]	-	-	-	161,626
Total assets at fair value	$ 4,654,059	$ 18,528	$ -	$ 4,834,213

	Assets at Fair Value as of December 31, 2018			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 798,508	$ -	$ -	$ 798,508
Investments measured at net asset value [(a)]	-	-	-	2,676,084
Total assets at fair value	$ 798,508	$ -	$ -	$ 3,474,592

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

For the years ended December 31, 2019 and 2018, there were no significant transfers between Levels 1 and 2 and no transfers in or out of Level 3.

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

The following table summarizes investments for which fair value is measured using the net asset per share practical expedient as of December 31, 2019 and 2018, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

December 31, 2019	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Stable value fund-Principal Stable Value Fund	$ 161,626	n/a	Daily	12 months

December 31, 2018	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Stable value fund-Principal Stable Value Fund	$ 90,044	n/a	Daily	12 months
Common investment trusts-Target funds	$ 2,586,040	n/a	Daily	12 months

NOTE 5 – TAX STATUS

The Plan uses a volume submitter plan sponsored by Qualified Plans, LLC. The Internal Revenue Service has determined and informed the plan sponsor by a letter dated March 31, 2014, that the volume submitter plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan itself is not required to and has not received a determination letter from the IRS. Although the Plan has been amended since receiving this letter, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 – PARTY-IN-INTEREST TRANSACTIONS

The Plan allows for transactions with certain parties who may perform services or have fiduciary responsibilities to the Plan, including the Company. During the year ended December 31, 2019, there were direct fees of $13,137, and during the years ended December 31, 2019 and 2018, there were transactions involving the investment of plan assets in investment funds maintained by Principal Trust Company and Great-West Life and Annuity Insurance Company, parties-in-interest as defined in Section 3(14) of ERISA. Indirect fees paid by the Plan for investment management services are included in the net appreciation of the fair value of investments.

NOTE 7 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 – RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500:

	December 31, 2019	December 31, 2018
Net assets available for benefits per the financial statements	$ 4,840,091	$ 3,491,570
Adjustment from contract value to fair value for the guaranteed portfolio fund	1,573	-
Net assets available for benefits per the Schedule H of Form 5500	$ 4,841,664	$ 3,491,570

The following is a reconciliation of the net increase in net assets per the financial statements for the year ended December 31, 2019 to Schedule H of Form 5500:

Net increase in net assets per the financial statements	$ 1,348,521
Change in adjustment from contract value to fair value for the guaranteed portfolio fund	1,573
Net increase in net assets per Schedule H of Form 5500	$ 1,350,094

NOTE 10 – SUBSEQUENT EVENTS

Subsequent to December 31, 2019, the stock market has fluctuated during 2020 due to growing concerns of COVID-19. However, as the values of individual investments fluctuate with market conditions, the amount of losses, if any, that will be eventually realized cannot be determined. These conditions could materially impact participant account balances and the amounts reported in the Plan's financial statements.

NOTE 10 – SUBSEQUENT EVENTS (Continued)

In response to the COVID-19 pandemic, on March 27, 2020, the Coronavirus Aid, Relief, and Economic Security (CARES) Act was passed by Congress. The CARES Act provides immediate and temporary relief for retirement plan sponsors and their participants with respect to employer contributions, distributions and participant loans. The provisions of the CARES Act may be effective and operationalized immediately, prior to amending the plan document. Plan management has evaluated the relief provisions available to plan participants under the CARES Act and has implemented the following provisions:

- Special coronavirus distributions up to $100,000.
- Suspended required minimum distributions for 2020.
- Increase the available loan amount as described in Note 1 to the lesser of $100,000 or 100% of the participant's vested account balance.
- Extend the period for loan repayments, if applicable, up to one year.
