INDEPENDENT AUDITORS' REPORT

Plan Participants and Plan Administrator
Chevron Employee Savings Investment Plan

Report on the Financial Statements

We have audited the accompanying financial statements of the **Chevron Employee Savings Investment Plan** (the Plan), which comprise the statements of net assets available for benefits as of December 31, 2019 and 2018, and the related statement of changes in net assets available for the year ended December 31, 2019, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. generally accepted accounting principles; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with U.S. generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits as of December 31, 2019 and 2018, and the changes in net assets available for the year ended December 31, 2019, in accordance with U.S. generally accepted accounting principles.

Report on Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets held as of December 31, 2019 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of Plan management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. generally accepted auditing standards. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

CHEVRON EMPLOYEE SAVINGS INVESTMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2019 AND 2018

NOTE 1 - Description of the Plan

The following description of the Chevron Employee Savings Investment Plan (ESIP or the Plan), provides only general information. Participants should refer to the Plan document or Summary Plan Description for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan that is intended to be a qualified profit-sharing plan under section 401(a) of the Internal Revenue Code (the Code), a qualified cash or deferred arrangement under section 401(k) of the Code, and, effective December 1, 1989, to include a leveraged Employee Stock Ownership Plan (ESOP) qualified under section 4975(e)(7) of the Code.

Plan Sponsor/Administrator. Chevron Corporation (the Corporation) is the Plan Sponsor and the Plan Administrator of the ESIP. It has the authority to appoint one or more trustees to hold the assets of the Plan and to appoint a recordkeeper. In its capacity as fiduciary, the Corporation makes such rules, regulations and computations and takes whatever action is necessary to administer the Plan in accordance with provisions of the Code and the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Eligibility. Employees of the Corporation and each other participating company (Company) or employees who are represented by a labor organization that has bargained for and agreed to participation in the Plan are eligible to join the Plan if they are on the U.S. payroll.

Contributions. Participants may contribute up to 75 percent of regular pay as combined basic (1 or 2 percent) and supplemental (up to 73 percent) contributions. For 2019, the maximum contribution amount on a before-tax and Roth 401(k) basis was the annual Code limit of \$19,000 for participants under age 50 and \$25,000 for participants age 50 and up. The Plan has a fixed match feature. The Company will match 4 percent of regular pay on the first 1 percent of the participant's basic contribution to the Plan or 8 percent of regular pay on the first 2 percent of the participant's basic contribution to the Plan. Both participant and company match contributions to the Plan ceased when a participant reached regular pay of \$280,000 for 2019.

The Company matching contribution is made in cash and distributed according to the participants' current payroll deduction distribution elections. Participants may elect to receive dividends on shares in their Chevron Stock and Chevron ESOP accounts as a taxable distribution or reinvest the dividends into their Chevron Stock account.

Vesting. Employees are always fully vested in all contributions to their accounts, as well as the investment income earned from all contributions to the Plan.

DECEMBER 31, 2019 AND 2018

NOTE 1 - Description of the Plan (Continued)

Participant Accounts. Contributions are invested in various investment options offered within the Plan. Employee contributions are comprised of basic and supplemental contributions and rollover contributions from other qualified retirement plans or from a rollover IRA, on a pre-tax, after-tax, or Roth 401(k) basis.

Trustee. Fidelity Management Trust Company and Fidelity Workplace Services, LLC are the Plan's trustee and the recordkeeper, respectively (collectively referred herein as Fidelity). Fidelity also performs the custodial and administrator functions for the Dodge & Cox Income Separate Account (Separate Account). The trustee has the authority to manage the assets of the Plan in accordance with the terms of the service agreements.

Notes Receivable from Participants. The Plan loan provision allows participants to borrow funds from their Plan account, subject to certain restrictions and limitations. Participants may borrow up to the lesser of \$50,000 or 50% of their total account balance or the value of the account(s) used to fund the loan. The minimum loan is \$1,000. The minimum term for repayment of any loan is 6 months and the maximum term is 5 years. However, the maximum term for repayment of a loan to purchase the participant's principal residence is 25 years. Loans bear a fixed rate of interest equal to 2 percent plus the average one-year jumbo certificate of deposit rate, as published in *The Wall Street Journal* on the last Wednesday of the preceding month. Interest rates charged during 2019 and 2018 ranged from 2.23% to 9.50%. Most loan repayments are made through payroll deductions and the principal and interest paid by the participants are reinvested in the participants' accounts. Notes receivable from participants totaled \$111,230,223 and \$113,659,420 as of December 31, 2019 and 2018, respectively.

Plan Termination. The Corporation expects to continue the ESIP indefinitely but has the authority to amend or terminate the ESIP at any time. In the event of a plan termination, the trust fund shall continue until any previously unallocated assets of the Plan are allocated to accounts and distributed to participants or beneficiaries in accordance with applicable law and pursuant to written rules and procedures adopted by the Corporation prior to such termination. In addition, upon plan termination, neither the Corporation nor any other person shall have a liability or obligation to provide additional benefits. Participants or beneficiaries shall obtain benefits solely from the trust fund.

NOTE 1 - Description of the Plan (Continued)

Plan Expenses. In accordance with the Department of Labor's (DOL) rules under ERISA section 408(b)(2), total all-in fees are disclosed by the service provider. In accordance with these DOL rules, recordkeeping and trustee fees are unbundled and paid by the participants. Other administrative expenses relating to the Plan, including audit fees and participant education retirement services are paid by the Plan to the extent Plan forfeiture funds or Interest Credit Account funds are sufficient. If not, such fees are paid by the Corporation. Certain Chevron employee and administrative costs are being reimbursed to the Corporation by the Plan.

NOTE 2 - Summary of Significant Accounting Policies

The following are the significant accounting policies followed by the Plan:

Basis of Accounting. The financial statements of the ESIP are presented on the accrual basis of accounting.

Investment Valuation and Income Recognition. Investments are reported at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Investments in the core and supplemental options are valued on each business day on which the New York Stock Exchange is open for trading to reflect contributions, distributions, income, expenses, gains and losses. The difference between cost and market value represents unrealized appreciation or depreciation as of the reporting date. The valuation of the underlying securities in Fidelity BrokerageLink are determined by Fidelity Brokerage Service daily.

Net appreciation (depreciation) in fair value of investments includes realized gains (losses) and unrealized appreciation (depreciation).

Realized gains (losses) on investments are based on sales proceeds less average cost. Sales and purchases between participants are included in realized gains (losses). Security purchases and sales are recorded as of the trade date for such transactions.

Dividend income earned on investments held and interest income earned on funds pending investment are recorded on an accrual basis.

Notes Receivable from Participants. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan rules.

NOTE 2 - Summary of Significant Accounting Policies (Continued)

Use of Estimates. The preparation of financial statements in conformity with U.S. generally accepted accounting principles (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 3 - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets and liabilities measured at fair value. There have been no changes in the methodologies used at December 31, 2019 and 2018.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2019 AND 2018

NOTE 3 - Fair Value Measurements (Continued)

- Common and preferred stocks are valued at the closing price reported on the active market on which the individual securities are traded.
- Shares of registered investment companies are valued at the net asset value of shares held by the Plan at year end.
- Corporate bonds are valued at the closing price reported in the active market in which the bond is traded.
- Collective investment funds are stated at fair value as determined by the issuers based on the unit values of the funds. Unit values are determined by dividing the fund's net assets, which represents the unadjusted prices in active markets of the underlying investments, by the number of units outstanding at the valuation date.
- Mortgages are valued on the basis of their future principal and interest payments discounted at prevailing interest rates for similar investments.
- U.S. government securities are valued at the closing price reported in the active market in which the individual security is traded.
- Asset-backed securities are priced based on a compilation of primarily observable market information.
- Cash equivalents are valued at cost, which approximates fair value.
- Investments in Fidelity BrokerageLink hold shares of registered investment companies.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Fidelity BrokerageLink

Through the Fidelity Brokerage Services, LLC, a participant may choose from approximately 10,000 mutual funds from Fidelity and other companies, and Exchange-Traded Funds that are not included in the core or supplemental investment funds. There is a no annual fee charged to participants who use this option. Within each fund offered in the Fidelity BrokerageLink, additional fees may be charged, either accrued within a fund's pooled price or charged directly on deposits or withdrawals depending upon the investment.

NOTE 5 - Income Taxes

The Plan received a determination letter dated October 23, 2013 from the Internal Revenue Service (IRS) stating that the Plan is qualified with the applicable requirements of the Code. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. Subsequent to this issuance of the determination letter, the Plan was restated and amended. The Corporation believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan, as restated and amended, is qualified and the related trust is tax exempt.

The Corporation has reviewed the Plan's administrative procedures and is of the opinion that they are in accordance with technical compliance requirements of ERISA.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that would not meet the more likely than not standard and be-sustained upon examination by the IRS. The Plan

administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2019, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2016.

NOTE 6 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes, both positive and negative, in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

As of June 17, 2020, the price of the Corporation's common stock was \$91.54 per share which represents a 24% decrease from the price of the Corporation's common stock of \$120.51 per share as of December 31, 2019.

NOTE 7 - Related Party Transactions

Plan investments include a Separate Account managed by Fidelity and shares of common stock of the Corporation. Transactions with Fidelity, as the trustee and recordkeeper and the Corporation as the Plan Sponsor and Plan Administrator, qualify as party-in-interest transactions.

Note 8 – Plan Merger

Effective December 31, 2019, the Pasadena Refining System, Inc. Employees Savings Plan (PRSI Plan) merged into the Plan. Total investments of \$35,692,606 and notes receivable from participants of \$645,075 were transferred from the PRSI Plan to this Plan as of December 31, 2019. Of the total investments transferred by T. Rowe Price Trust Company (trustee of the PRSI Plan), \$1,816,001 in TRP Stable Value N Fund was received by Fidelity as of December 31, 2019, and \$33,876,605 in various Target Date Retirement Funds according to the Transfer Instructions were physically received by Fidelity on January 2, 2020.

NOTE 9 - Subsequent Events

In preparing the Plan's financial statements, subsequent events and transactions have been evaluated for potential recognition. Plan management determined that there are no subsequent events or transactions that require disclosure to or adjustment in the financial statements except as disclosed below:

- Chevron adopted the following benefit plan provisions of the March 2020 Coronavirus Aid, Relief, and Economic Security Act (CARES):
 - Added an in-service withdrawal option for "coronavirus-related distributions" of up to \$100,000. Participants may repay all or a portion of distributions within three years, and repayments will not count towards annual contribution limits. Distributions under this option will not have tax withheld, and for those under 59 ½, will not be subject to a 10% early withdrawal penalty.
 - Increase limit on "coronavirus-related loans" to \$100,000 (from \$50,000) or 100% (from 50%) of the present value of the participant's vested benefit, during the 180-day period from March 27, 2020 through September 23, 2020.
 - Waive required minimum distributions otherwise due to be made in 2020.
- As a result of the spread of the COVID-19 coronavirus, economic uncertainties have arisen which are likely to negatively impact the Plan. However, the related financial impact and duration cannot be reasonably estimated at this time.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Plan Participants and the Plan Administrator
Chevron Employee Savings Investment Plan

Opinion on the Financial Statements

We have audited the accompanying statements of net assets available for benefits of the **Chevron Employee Savings Investment Plan** (the Plan) as of December 31, 2019 and 2018, and the related statement of changes in net assets available for benefits for the year ended December 31, 2019, and the related notes (collectively referred to as the financial statements). In our opinion, the financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2019 and 2018, and the changes in net assets available for benefits for the year ended December 31, 2019, in conformity with U.S. generally accepted accounting principles.

Basis for Opinion

These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on the Plan's financial statements based on our audits. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to the Plan in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audits in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. The Plan is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audits included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's control over financial reporting. Accordingly, we express no such opinion. Our audits included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audits also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audits provide a reasonable basis for our opinion.

Supplemental Information

The supplemental schedule of assets held as of December 31, 2019 has been subjected to audit procedures performed in conjunction with the audit of the Plan's financial statements. The supplemental information is the responsibility of the Plan's management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. In our opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.
