Report on the Financial Statements

We have audited the accompanying financial statements of Defiance Hospital, Inc. d/b/a Defiance Regional Medical Center Tax Deferred Annuity Plan (the "Plan"), which comprise the statement of net assets available for benefits - modified cash basis as of January 1, 2020; December 31, 2019; and December 31, 2018 and the related statement of changes in net assets available for benefits - modified cash basis for the one-day period ended January 1, 2020 and the years ended December 31, 2019 and 2018, and the related notes to the modified cash basis financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility for the 2020 Financial Statements

Our responsibility is to express an opinion on the 2020 financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the 2020 financial statements.

Auditor's Responsibility for the 2019 and 2018 Financial Statements

Our responsibility is to express an opinion on the 2019 and 2018 financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion on the 2019 and 2018 Financial Statements* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Defiance Hospital, Inc.

Tax Deferred Annuity Plan

Basis for Disclaimer of Opinion on the 2019 and 2018 Financial Statements

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the investments held by American United Life Insurance Company (the "Trustee") and related transactions in those investments were excluded from the scope of our audits of the Plan's 2019 and 2018 financial statements except for comparing the information provided by the Trustee, which is summarized in Note 3, with the related information included in the financial statements.

Disclaimer of Opinion on the 2019 and 2018 Financial Statements

Because of the significance of the matter described in the *Basis for Disclaimer of Opinion on the 2019 and 2018 Financial Statements* paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the 2019 and 2018 financial statements.

Opinion on the 2020 Financial Statements

In our opinion, the 2020 financial statements referred to above present fairly, in all material respects, the net assets of the Plan as of January 1, 2020 and the changes in net assets for the one-day period then ended, on the modified cash basis of accounting described in Note 2.

Basis of Accounting

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements and supplemental schedule are prepared on a modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Emphasis of Matter

As explained in Note 8 to the financial statements, the Plan was merged into the ProMedica Health System, Inc. 403(b) Plan effective January 1, 2020. Our opinion has not been modified with respect to this matter.

Other Matter

The modified cash basis supplemental schedule of assets held at end of year as of December 31, 2019 is required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the *Basis for Disclaimer of Opinion on the 2019 and 2018 Financial Statements* paragraph, we do not express an opinion on this supplemental schedule.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the Trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Vesting

Participants' contributions and related earnings are fully vested at all times and are not subject to forfeiture for any reason.

Party-in-interest Transactions

Certain plan assets are investment funds and insurance contracts managed by American United Life Insurance Company (AUL) or its affiliates. AUL is the trustee of the Plan; therefore, these transactions qualify as party-in-interest transactions, as defined under ERISA guidelines.

Benefit Payments

On termination of service due to death, disability, or retirement, the participant or, in the case of death, the beneficiary may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or various installment annuities. Normal retirement age is 65. Provisions exist for early and deferred retirements.

Termination

While it has not expressed any intent to do so, the Hospital has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in the plan document and ERISA.

Note 2 - Summary of Significant Accounting Policies

Modified Cash Basis

The accompanying financial statements have been prepared on a modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America (GAAP). On this modified cash basis of accounting, revenue is recognized when cash is received, and expenses are recognized when paid. On a GAAP basis, revenue is recognized as earned, and expenses are recognized when the obligation is incurred. Investments are recognized at fair value, which is consistent with a GAAP basis of accounting.

Investment Valuation

The Plan's investments are stated at fair value except as noted below. The fully benefit-responsive unallocated contract is valued at contract value. Contract value represents deposits made to the contract, plus earnings at guaranteed crediting rates, less withdrawals and fees.

The pooled separate accounts are valued at net asset value per share (NAV) (or its equivalent) of the funds, which is based on the fair value of the funds' underlying assets. See Note 6 for additional information.

Benefit Payments

Benefits are recorded when paid.

Administrative Expenses

Various administrative costs are paid by the Hospital.

Use of Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America, requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein and the related disclosures. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

Reclassification

In 2019, it was determined that the investments classified as pooled separate accounts were valued using net asset value (NAV) as a practical expedient for fair value. As a result, the fair value hierarchy disclosure is no longer applicable. Previously, these investments were classified as Level 1 investments in the fair value hierarchy disclosure. Accordingly, the 2018 fair value disclosure has been reclassified.

Subsequent Events

The financial statements and related disclosures include evaluation of events up through and including October 14, 2020, which is the date the financial statements were available to be issued.

Note 3 - Unaudited Information

American United Life Insurance Company (the "Trustee") holds the Plan's investments and executes all investment transactions. The investment balances and related investment income and losses included in the accompanying modified cash basis financial statements as of December 31, 2019 and 2018 and supplemental schedule of assets held at end of year - modified cash basis as of December 31, 2019 are based solely on information certified by the Trustee.

Note 4 - Tax Status

The Internal Revenue Service (IRS) is not currently accepting applications for individual 403(b) plan determination letters. The plan administrator believes that the Plan is designed and is currently being operated in compliance with applicable requirements of Internal Revenue Code Section 403(b). Therefore, no provision for income taxes has been included in the Plan's financial statements.

Note 5 - Unallocated Insurance Contracts

The Plan has benefit-responsive unallocated insurance contracts with AUL. AUL maintains the Plan's contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The unallocated insurance contract issuer is contractually obligated to repay principal and a specified interest rate that is guaranteed to the Plan.

Interest rates are established and declared for new contributions that will be received in a calendar quarter. The rate is based on the return AUL expects on new investments made by AUL and held with the AUL general account. When establishing interest crediting rates for these contracts, AUL considers past general account investments, adjusted for portfolio turnover and withdrawals for benefit payments. The crediting rate will always equal or exceed the contractually guaranteed rate of 4.0 percent.

Liquidation of the entire contract may cause a one-time adjustment to the aggregate contract value, resulting in a fair value different from the contract value. This total liquidation is a contingent event, which cannot be initiated by the plan participants, and can only be initiated upon the termination of the Plan or complete termination of the contract.

Note 6 - Fair Value Measurements
