Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Reliance Trust Company, the custodian of the Plan's investment assets, except for comparing such information with the related information included in the financial statements. We have been informed by the Plan Administrator that the custodian holds the Plan's investment assets and executes investment transactions. The Plan Administrator has obtained certifications from the custodian as of December 31, 2019 and 2018, and for the year ended December 31, 2019, that the information provided to the Plan Administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. CBAI 401(k) MULTIPLE EMPLOYER PLAN

Notes to Financial Statements

December 31, 2019 and 2018

NOTE 1 - DESCRIPTION OF THE PLAN

The CBAI 401(k) Multiple Employer Plan (the Plan) was effective January 1, 2014. The Plan has been amended and restated to comply with current legislation. The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

Community Bankers Association of Illinois (CBAI) has adopted the Plan to allow its member banks to adopt this profit sharing and retirement savings plan. Adopting member banks are Fisher National Bank (G30), Princeville State Bank (G31), Sauk Valley Bank & Trust (G32), Table Grove State Bank (G33), Western Illinois Bancshares, Inc. (G34), Farmers State Bank of Danforth (G35), Community Trust Bank (G36), State Bank of Whittington (G38), Illini State Bank (G45), Bank of Stronghurst (G46), Goodfield State Bank (G47), State Bank of Graymont (G48), First Security Bank (G50), Midland Community Bank (G52), People First Bank (G54), Rushville State Bank (G71), and The Harvard State Bank (G72). See Note 6 for adopting employers who elected to enter or withdraw from the Plan during 2019.

The Plan is a defined contribution plan and covers substantially all employees of the adopting member banks. Eligibility provisions vary by adopting employer. Employees may participate in the Plan after attainment of age 18 or 21 (other than G72, which does not have an age minimum), and meeting service requirements ranging from one hour to one year of service (1,000 hours). Additionally, certain adopting employers require employees to be employed on the last day of the Plan year to receive discretionary profit sharing contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The CBAI Multiple Employer Plan Oversight Committee (Oversight Committee) is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings, and monitors investment performance.

Prior to December 31, 2019, the Plan operated as a closed multiple employer plan, as described in the preceding paragraphs. Effective December 31, 2019, the Plan changed to an open multiple employer plan, whereby each adopting employer effectively spun-off its respective net assets, and is responsible for the oversight of its own individual Plan, determines the appropriateness of its own individual Plan's investment offerings, and monitors investment performance.

Contributions

Participants may elect to contribute up to 100% of their pre-tax or Roth after-tax compensation, within statutory limits, as defined in each adopting employer's adoption agreement. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans. Participant contributions are paid to the Plan after each pay period.

NOTE 1 - DESCRIPTION OF THE PLAN (continued)

Contributions (continued)

Certain participant employers are required to make non-discretionary matching contributions between 4% and 10% of eligible compensation. At the discretion of certain participating employers, matching and safe harbor matching contributions may be authorized each year. Discretionary matching contributions for 2019 and 2018 were 6% of eligible compensation. Safe harbor matching contributions for 2019 and 2018 ranged from 3% to 6% of eligible compensation. Matching contributions are paid to the Plan each pay period or annually in the following year. 2019 matching contributions of approximately \$791,000 were earned, of which approximately \$745,000 were paid in 2019 and approximately \$46,000 were paid in 2020. 2018 matching contributions of approximately \$711,000 were earned, of which approximately \$655,000 were paid in 2018 and approximately \$56,000 were paid in 2019.

At the discretion of certain participating employers, profit sharing contributions may be authorized each year and are paid to the Plan in either the current or following year. Seven participating employers elected to make discretionary profit sharing contributions for 2019 of approximately \$406,000, of which approximately \$71,000 were paid in 2019 and approximately \$335,000 were paid in 2020. Six participating employers elected to make discretionary profit sharing contributions for 2018 of approximately \$374,000, of which approximately \$65,000 were paid in 2018 and approximately \$309,000 were paid in 2019.

Participant Accounts

Individual participant accounts are maintained by Pentegra Services, Inc. (Pentegra Services), the Plan Administrator and record keeper (Note 5). Each account is credited or charged with the participant's contribution, the employer's contributions, if any, and allocations of investment income and losses on the individual account balances. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Loan and distribution fees are deducted from the respective participants' accounts. Allocations are based on participant compensation, account balances, or specific participant transactions, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Participants direct employee and employer contributions among various mutual funds and collective trusts held by Reliance Trust Company (RTC).

NOTE 1 - DESCRIPTION OF THE PLAN (continued)

Vesting

Participants are immediately vested in their own contributions plus actual earnings thereon. Vesting in employer contributions is based on years of credited service, as defined in the Plan document, with vesting as follows for each adopting member:

Adopting Member	Years of Service						6 or more
	Less than 1	1	2	3	4	5	
G30, G32, G33, G36, G38, G45, G46, G47, G48, G50, G52, G54, G72	0%	0%	20%	40%	60%	80%	100%
G31, G71	0%	20%	40%	60%	80%	100%	100%
G34	0%	33%	66%	100%	100%	100%	100%
G35	100%	100%	100%	100%	100%	100%	100%

In general, upon normal retirement (65), death, or disability, participants become fully vested in all benefits. G35 and G48 have elected to allow early retirement at age 55 and 10 years of service, as defined in the Plan document. G36 has elected to allow participants to become fully vested in all benefits upon early retirement at age 55 and 6 years of service, as defined in the Plan document, and normal retirement at the later of age 62 or fifth anniversary of the Plan year in which participation commenced. G50 has elected to allow participants to become fully vested in all benefits upon early retirement at age 59 ½.

Notes Receivable from Participants

Participants may borrow from their account a minimum of \$1,000 up to the lesser of \$50,000 or 50% of their vested account balance. Terms of the notes receivable may not exceed five years, except for the purchase of a primary residence. The notes receivable are secured by the balance in the participant's account and bear interest at rates commensurate with local prevailing rates as determined by the Plan Administrator at the time of issuance. Interest rates ranged from 4.25% to 10.5% on notes receivables outstanding as of December 31, 2019. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Benefits may be distributed upon retirement, death, disability, or other termination of employment. Benefits equal to the value of the participant's vested account are paid in a lump-sum or installments. Under certain hardship circumstances or attainment of age 59 ½, participants may request a lump-sum distribution of their vested pre-tax or after-tax deferral account balances prior to retirement.

Forfeited Accounts

Upon termination, participants' non-vested account balances are forfeited. Forfeitures may be used to pay administrative expenses or reduce employer contributions. Forfeited non-vested accounts totaled approximately \$15,000 and \$18,000 at December 31, 2019 and 2018, respectively. Forfeitures of approximately \$10,000 were used during 2019 to pay administrative expenses and \$7,000 were used to reduce employer contributions.

NOTE 1 - DESCRIPTION OF THE PLAN (continued)

Administrative Expenses

The Plan's investment fund options are subject to investment management fees and certain revenue sharing fees, as disclosed in each fund's prospectus. A majority of these fees are charged directly against each fund's investment performance and, therefore, are included in net appreciation in the accompanying Statement of Changes in Net Assets Available for Benefits – Modified Cash Basis. Revenue sharing fees are collected from various mutual fund companies by service providers and are used to offset the Plan's administrative fees. Participant loan and distribution transaction fees charged by service providers are deducted from the accounts of the respective Plan participants and are recorded as expenses by the Plan. Certain Plan administrative, trustee, and custodial expenses may be paid by the adopting employer and, therefore, are excluded from these financial statements. Any remaining unpaid Plan administrative, trustee, and custodial expenses, including the annual audit fee, are paid by either forfeitures or Plan participants, and are recorded as expenses by the Plan.

Subsequent Events

The date to which events occurring after December 31, 2019, have been evaluated for possible adjustment to the financial statements or disclosure therein is October 15, 2020, which is the date on which the financial statements were available to be issued.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

The following are significant accounting policies used by the Plan:

Basis of Accounting

The accompanying financial statements have been prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America (GAAP). That basis differs from GAAP in that contributions are recorded when received instead of when withheld from employees or due from the employer and expenses are recognized when paid instead of when incurred.

Use of Estimates

The preparation of financial statements on the modified cash basis of accounting requires the Plan to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the investment advisor and trustee. See Note 3 for discussion of fair value measurements.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment Valuation and Income Recognition (continued)

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2019 and 2018. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

NOTE 3 - FAIR VALUE MEASUREMENTS

The modified cash basis of accounting establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of fair value hierarchy are described as follows:

Level 1 Fair Value Measurements

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Fair Value Measurements

Inputs to the valuation methodology include (1) quoted prices for similar assets or liabilities in active markets; (2) quoted prices for identical or similar assets or liabilities in inactive markets; (3) inputs other than quoted prices that are observable for the asset or liability; (4) inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Fair Value Measurements

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTE 3 - FAIR VALUE MEASUREMENTS (continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2019 and 2018.

Mutual funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective trust funds – Valued at the NAV of units of each bank collective trust. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the collective trust less its liabilities. This practical expedient would not be used if it is determined to be probable that the Plan will sell the investment for an amount different from the reported NAV.

The following table sets forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2018:

	Assets at Fair Value as of December 31, 2018			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 18,933,902	\$ -	\$ -	\$ 18,933,902
Total assets in the fair value hierarchy	18,933,902	-	-	18,933,902
Investments measured at NAV (collective trust funds)				11,724,476
Investments at fair value	\$ 18,933,902	\$ -	\$ -	\$ 30,658,378

Investments Measured Using the NAV per Share Practical Expedient

The following table summarizes the investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2018. There are no participant redemption restrictions for these investments, and the redemption notice period is applicable only to the Plan.

	December 31, 2018			
	Fair value	Unfunded commitments	Redemption frequency (if currently eligible)	Redemption notice period
Collective trust funds	\$ 11,724,476	n/a	Daily	0-30 days

NOTE 4 - INFORMATION CERTIFIED BY CUSTODIAN

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. RTC, the custodian, has certified that the following data included in the accompanying financial statements and notes is complete and accurate:

- 1) Investments at fair value as of December 31, 2019 and 2018.
- 2) Net appreciation in fair value of investments and dividends for the year ended December 31, 2019.

The Plan's independent auditor did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and notes.

NOTE 5 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Pentegra is the Plan Administrator and named fiduciary. Pentegra Trust Company (PTC) provides directed trustee services under a discretionary agreement with the Oversight Committee. Certain Plan investments are units of participation in a collective trust managed by RTC. Community Bankers Association of Illinois (CBAI) has been appointed by the CBAI fiduciary committee to provide services to the Plan. Therefore, transactions with Pentegra, PTC, RTC, and CBAI qualify as party-in-interest transactions. Revenue sharing received by Pentegra from various mutual fund companies is retained for service costs. Fees paid by the Plan to Pentegra and PTC amounted to approximately \$127,000 and fees paid by the Plan to CBAI amounted to approximately \$18,000 for administrative expenses for the year ended December 31, 2019. In addition, approximately \$88,000 was paid to the Plan's other service providers for investment advisory services during 2019.

NOTE 6 – TRANSFER OF ASSETS

Effective October 1, 2019, G71 and G72 elected to participate in the Plan and transferred assets of approximately \$5,002,000 to RTC and reinvested in the Plan's investment options, in accordance with participant elections. Activity prior to the date of transfer is accounted for under the previous plans.

Effective November 8, 2019, G54 elected to withdraw from the Plan and spin-off its assets from the Plan into a successor plan. As a result, approximately \$1,558,000 of assets were transferred from the Plan to a successor plan.

Effective December 17, 2019, G35 elected to withdraw from the Plan and spin-off its assets from the Plan into a successor plan. As a result, approximately \$1,207,000 of assets were transferred from the Plan to a successor plan.

As a result of the change from a closed multiple employer plan to an open multiple employer plan, effective December 31, 2019 (Note 1), all remaining assets in the Plan were spun-off to each individual employer. As a result, approximately \$40,601,000 of assets were transferred from the Plan to the successor plans.

NOTE 7 - TAX STATUS

The Plan operates under provisions of a prototype plan which received an opinion letter from the Internal Revenue Service dated March 31, 2014, which stated that the prototype plan, as then designed, was acceptable under the applicable sections Internal Revenue Code (IRC) for use by employers for the benefit of their employees. Although the Plan has been amended since the date of the opinion letter, the Plan Administrator believes that the Plan is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan was qualified and the related trust was tax exempt as of the financial statement date.

The modified cash basis of accounting requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan allows participants to invest in investment securities that are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with the investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.
