## NOTES TO FINANCIAL STATEMENTS

### **Note 1. Description of the Plan**

The following description of The James B. Oswald Company Employee Stock Ownership Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

#### **General**

The James B. Oswald Company ("Company") initially established the Plan, effective November 25, 1968, as The James B. Oswald Company Profit Sharing Plan and Trust for the benefit of its employees. As of January 1, 1985, the Plan was amended to operate, in relevant part, as an employee stock ownership plan ("ESOP"), and was designed to comply with Section 4975(e)(7) of the Internal Revenue Code, as amended, and the related regulations thereunder. The Plan was amended and/or restated over the years to comply with legislative and regulatory requirements, with the most recent amendment and restatement being effective January 1, 2015. The Plan was a defined contribution plan subject to the applicable provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Effective November 15, 2019, the Company's Board of Directors elected to terminate the Plan. The final liquidation of Plan occurred through the end of the Plan year. Participants were given the option to have their account balances distributed to them or rolled over into The James B. Oswald Company 401(k) Plan and Trust ["Company 401(k) Plan"], which is a defined contribution plan sponsored by the Company. As a result of this liquidation, total assets of \$37,584,574, were transferred to Voya Retirement Insurance and Annuity Company, the custodian for the Company 401(k) Plan. No assets remained in the Plan as of December 31, 2019.

#### **Administration**

The Plan was administered by an administrative committee whose members were designated by the Board of Directors of the Company.

#### **Eligibility and Participation**

All employees of the Company were eligible to participate in the Plan beginning on the December 31 on which, or after, such person had completed six months of service. To receive an allocation, participants were required complete 1,000 hours of service, as was defined by the Plan, each year.

#### **Contributions**

Contributions to the Plan were at the discretion of the Board of Directors of the Company, were determined annually and may be made in cash or shares of JBO Holding Company stock.

#### **Participant Accounts**

Participant accounts were credited with such participant's pro-rata share of the Company's contributions and investment earnings. Income earned on investments was allocated to participants' accounts based on each participant's account balance in relation to the total of all participants' account balances. A stock and a cash account were maintained to reflect the interest of each participant. To the extent that cash was available in the Plan or if and when the Company achieved certain financial criteria, the Plan provided for the repurchase of stock at the then appraised value from participants that had terminated on or before December 31 of any given year. As a result, the stock of certain terminated participants was repurchased by other participants as of December 31, 2019 and 2018. The benefit to which a participant was entitled was the benefit that could be provided from the participant's vested account.

## NOTES TO FINANCIAL STATEMENTS (CONTINUED)

### Note 1. Description of the Plan (Continued)

#### **Diversification**

Participants who were at least age 50 with at least ten years of participation in the Plan were able to elect to diversify a portion of their account. Participants were able to diversify up to 50% of their shares during the first five years and up to 75% in subsequent years, less any previous shares diversified. Participants who elected to diversify were able to directly rollover to another qualified plan or take a cash distribution.

#### **Vesting**

The vesting schedule under the Plan with respect to participants' accounts was as follows:

| <u>Years of Service</u>    | <u>Vested Percentage</u> |
|----------------------------|--------------------------|
| Less than 2                | 0%                       |
| At least 2 but less than 3 | 20%                      |
| At least 3 but less than 4 | 40%                      |
| At least 4 but less than 5 | 60%                      |
| At least 5 but less than 6 | 80%                      |
| 6 or more                  | 100%                     |

For purposes of the above vesting schedule, a "year of service" was a measuring period beginning from the employee's date of hire. Generally, an employee was credited with a "year of service" for each Plan year in which the employee completed 1,000 hours of service beginning on the employee's date of hire and ending on his or her last day of employment with the Company.

#### **Payment of Benefits**

The Plan provided that a participant's vested account balance was to be distributed upon termination of employment, at the time and in the manner determined by the administrative committee. A participant with an account balance greater than \$5,000 was not able to receive the accumulated account balance without the participant's consent. Upon retirement, disability or death, distribution of a participant's vested account balance was able to begin no later than December 31 of the year following the year of normal retirement (age 65), early retirement (after age 55 and 10 years of service), disability or death. If a participant terminated for any other reason, distribution was able to commence no later than December 31 of the sixth year after termination. The participant's account balance could be paid either in a lump-sum or in installments over a period not to exceed five years. Distributions could be made in cash, JBO Holding Company Stock or a combination of the two.

Under the provisions of the Plan, distributions of stock were only made if the participant agreed, prior to the distribution, to sell the shares back to JBO Holding Company immediately after the distribution.

#### **Forfeitures**

Forfeitures of nonvested account balances were allocated to the accounts of the remaining eligible participants. During 2019, 178 shares and \$294,134 were forfeited and allocated in accordance with the Plan provisions.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

**Note 1. Description of the Plan (Continued)**

**Plan Termination**

Effective November 15, 2019, the Company terminated the Plan. All assets of the Plan were distributed to participants or rolled over to the Company 401(k) Plan.

**JBO Holding Company Dividends**

If the Board of Directors of JBO Holding Company declared cash dividends payable on JBO Holding Company common stock, the dividends allocated to participants' accounts were paid out to such participants at the discretion of the Board of Directors. Such distribution, if any, of cash dividends was limited to participants who were still employed by the Company, were limited to dividends on shares which were then vested or were applicable to all shares allocated to participants' accounts. During 2019, the Board of Directors of JBO Holding Company declared a cash dividend and, in accordance with the direction from the Board of Directors, the dividend allocated to participants' accounts was paid out to the participants that were employed as of the dividend date of record, on all shares allocated to such participants' accounts. The \$602,890 dividend allocated to participants' accounts is included in interest and dividends and the \$489,698 paid out is included in distributions paid directly to participants on the Statement of Changes in Net Assets Available for Benefits.

**Voting Rights**

Except under certain circumstances as specifically outlined in the Plan agreement, the shares of JBO Holding Company common stock held by the Plan were voted by First Bankers Trust Services, Inc., the Trustee of the Plan, in such manner as directed by the administrative committee.

**Note 2. Significant Accounting Policies**

**Basis of Accounting**

The accompanying financial statements have been prepared on the accrual basis of accounting.

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

**Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for a discussion of fair value measurements.

Purchases and sales of investment securities are recorded on a settlement basis. There is no significant difference between settlement and trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the record date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

## NOTES TO FINANCIAL STATEMENTS (CONTINUED)

### **Note 2. Significant Accounting Policies (Continued)**

#### **Payment of Benefits**

Benefits are recorded when paid.

#### **Administrative Expenses**

All expenses of maintaining the Plan were paid by the Company.

### **Note 3. Trustee of the Plan**

The Plan assets, which consist of JBO Holding Company common stock and other marketable investments, were held by First Bankers Trust Services, Inc. as Trustee of the Plan.

Company contributions were held and managed by the Trustee, which invested the cash received and interest and dividend income earned and made distributions to participants.

### **Note 4. Unaudited Information**

All investment information disclosed in the accompanying financial statements, notes to the financial statements and the supplemental schedule, including investments at December 31, 2019 and 2018, and net appreciation in fair value of investments, interest income and dividend income for the year ended December 31, 2019 were obtained or derived from information supplied to the plan administrator and certified as complete and accurate by the Trustee. This information has not been audited by independent accountants. All investments were non-participant directed.

The JBO Holding Company common stock was valued by an independent appraiser at \$753.50 and \$665.30 per share at November 15, 2019, and December 31, 2018, respectively.

### **Note 5. Fair Value Measurements**

The Plan estimated the fair value of financial instruments using available market information and other generally accepted valuation methodologies. The inputs used to measure fair value are classified into three levels:

- Level 1 – Quoted market prices in active markets for identical assets and liabilities
- Level 2 – Observable market-based inputs or unobservable inputs that are corroborated by market data
- Level 3 – Unobservable inputs for which little or no market data exists

The following is a description of the valuation methodologies used for plan assets measured at fair value:

*JBO Holding Company common stock:* Valued at the share price determined annually by an independent appraisal as of each Plan year end. Consistent with prior years, the appraisal was based upon a combination of the market and income valuation techniques.

# THE JAMES B. OSWALD COMPANY EMPLOYEE STOCK OWNERSHIP PLAN

## NOTES TO FINANCIAL STATEMENTS (CONTINUED)

### Note 5. Fair Value Measurements (Continued)

The appraiser took into account historical and projected cash flow and net income, market comparables and the fair value of assets and liabilities. The appraiser also took into account the fact that the JBO Holding Company common stock is not majority owned by the Plan and that a market participant would recognize a discount for lack of marketability.

The valuation process involves the selection of an independent appraiser each year by the administrative committee and the Plan's Trustee. The Plan's management accumulates the data for the appraiser from the audited financial statements of JBO Holding Company and other financial and operational reports. The appraiser prepares a preliminary report, which Plan management and the Plan's Trustee reviews in detail. After review, discussion and revisions as deemed necessary, the Plan's Trustee approves the independent appraisal. The JBO Holding Company common stock is classified as Level 3.

*Mutual funds:* Investments in mutual funds are based on their quoted closing market prices in active markets for identical investments, and are classified as Level 1.

*Money market fund:* Cash and cash equivalents are held in commingled funds, which have a daily net value derived from quoted prices for the underlying securities in active markets; these are classified as Level 2.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. There have been no changes in the methodologies used from 2018 to 2019. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

As discussed in Note 1, the Plan was terminated, all assets were distributed, and the Plan held no assets as of December 31, 2019.

The following table sets forth by level the Plan's assets at fair value as of December 31, 2018:

|                                   | Assets at Fair Value as of December 31, 2018 |                  |                      |                      |
|-----------------------------------|----------------------------------------------|------------------|----------------------|----------------------|
|                                   | Level 1                                      | Level 2          | Level 3              | Total                |

| Money market fund                 | -                                            | 50,122           | -                    | 50,122               |
| Total                             | <u>\$ 471,148</u>                            | <u>\$ 50,122</u> | <u>\$ 40,800,188</u> | <u>\$ 41,321,458</u> |

There were no purchases or sales of Level 3 assets during 2019. All Level 3 assets were distributed at the termination date of the Plan.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

**Note 6. Short-Term Loan/Related Party Transaction**

In December 2018, the Company made a loan to the Plan for \$690,000 so the Plan could fund certain distributions. The loan was unsecured, bore no interest or other fees and was payable as soon as practicable but no later than one year from the date of the loan. The loan was repaid during 2019. The loan was intended to comply with Department of Labor Prohibited Transaction Exemption Number 80-26.

**Note 7. Income Tax Status**

The Plan received a favorable determination letter, dated July 14, 2017, from the Internal Revenue Service and, as such, met the requirements of Section 401(a) of the IRC to qualify its income as exempt from Federal income taxes under Section 501(a), provided the Plan was operated in accordance with the Plan agreement. The Plan was amended since receiving the determination letter; however, the plan administrator believes that the Plan was designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes was included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
