NOTE 1 – DESCRIPTION OF PLAN

The following description of the ADT Security Corporation Retirement Savings and Investment Plan (formerly named the ADT Corporation Retirement Savings and Investment Plan) (the “Plan”) provides only general information. Participants should refer to the plan document for a more complete description of the Plan’s provisions.

General: The Plan is a defined contribution plan and is available to certain salaried, union, and non-union hourly employees of The ADT Security Corporation (formerly named The ADT Corporation) (“ADT”, “Company” or “Employer”) who are age 18 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) and the Internal Revenue Code of 1986, as amended (the “IRC”).

The Plan is a successor to and continuation of the portion of the Tyco International Retirement Savings and Investment Plan (the “Tyco Plan”) representing the assets and liabilities of participants whose employment was transferred to the Company together with such assets and liabilities of participants who are former employees designated by Tyco (now known as Tyco Integrated Security, a subsidiary of Johnson Controls) as employees employed in the ADT North American residential security business. The Plan was spun off from the Tyco Plan effective September 28, 2012. Effective September 28, 2012, ADT LLC, a wholly-owned subsidiary of the Company, became the Plan Sponsor of the Plan.

On May 2, 2016, the Company became an indirect wholly-owned subsidiary of ADT Inc. ADT Inc. is majority-owned by Prime Security Services TopCo Parent, L.P. (“Ultimate Parent”). Ultimate Parent is majority-owned by Apollo Investment Fund VIII, L.P. and its related funds that are directly or indirectly managed by Apollo Global Management, Inc.

Contributions: Each year, participants may contribute a percentage of their eligible compensation up to a specified amount, subject to certain limitations as specified by the IRC. The following contribution limits apply: (i) non-highly compensated employees may contribute up to 50% of eligible compensation on a combined before-tax, Roth and/or after-tax basis; and (ii) highly-compensated employees may contribute up to 11% of eligible compensation on a before-tax and/or Roth basis and up to an additional 8% on an after-tax basis. Effective March 1, 2014, the Plan allows for Roth contributions. Union employees may have different contribution limits, refer to the plan document for more details. Certain participant contributions are eligible to receive matching employer contributions. The level of matching employer contributions varies for different participating divisions in the Plan, refer to the plan document or more details. Effective January 1, 2014, the Plan allows for discretionary employer contributions. For the Plan year ended December 31, 2019, no discretionary employer contributions were made.

Participant Accounts: Each participant’s account is credited and/or debited with the participant’s contributions, employer contributions, and a proportionate share of Plan earnings/losses, investment fees, and any other administrative expenses paid out of the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account. Each participant directs the investment of his or her account to any of the investment options available under the Plan.

Retirement, Death and Disability: A participant is entitled to 100% of his or her account balance upon retirement, death, or disability.

Vesting: Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the remainder of their accounts, plus earnings thereon, is based on years of service. Participants are fully vested in all employer contributions following completion of three years of vesting service. Employer contributions associated with employees of merged plans will vest according to the pre-merger plan documents.

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Payment of Benefits: On termination of service, death, disability, or retirement, a participant will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account, in accordance with the plan document. Effective in November 2019, the plan document was amended to eliminate a participant's option to elect an annuity form of payment.

Notes Receivable from Participants: Participants may borrow from their accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at rates that are commensurate with local prevailing rates as determined quarterly by the plan administrator. Principal and interest are paid through payroll deductions.

Forfeitures: Forfeitures of employer contributions are used to offset future employer contributions or administrative expenses of the Plan. The balances of forfeitures available to offset future employer contributions and administrative expenses as of December 31, 2019 and 2018 were \$360,164 and \$253,606, respectively. Total forfeitures used to reduce employer contributions and administrative expenses for the year ended December 31, 2019 were \$1,900,049.

Administrative Expenses: Trustee expenses, service charges, audit fees, and certain administrative fees are paid by the Plan and are reflected in the financial statements as administrative expenses. Origination fees and fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Expenses that are paid directly by the Company are excluded from these financial statements.

Plan Transfers: Effective March 20, 2019, the MSASI, LLC 401(k) Plan merged into the Plan. As a result of the merger, net assets in the amount of \$1,401,757 were transferred to the Plan. Effective May 13, 2019, the Secure Designs, Inc. 401(k) Plan merged into the Plan. As a result of the merger, net assets in the amount of \$455,267 were transferred to the Plan. Effective December 31, 2019, the Advanced Cabling Systems, LLC 401(k) Plan merged into the Plan. As a result of the merger, net assets in the amount of \$5,417,854 were transferred to the Plan. Effective December 31, 2019, the LifeShield LLC 401(k) Plan merged into the Plan. As a result of the merger, net assets in the amount of \$1,813,356 were transferred to the Plan. Effective December 31, 2019, the Red Hawk Fire & Security Employees Savings Plan merged into the Plan. As a result of the merger, net assets in the amount of \$76,522,231 were transferred to the Plan.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared under the accrual basis of accounting.

Investment Valuation and Income Recognition: The Plan's investments are reported at fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year. Certain investment transaction fees are offset against interest and dividends income.

Notes Receivable from Participants: Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest. The notes receivable from participants do not have an allowance for credit losses, as repayments of principal and interest are received through payroll deductions and the notes are collateralized by the participants' account balances.

Payment of Benefits: Benefits are recorded when paid.

(Continued)

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (“GAAP”) requires the plan administrator to make estimates and assumptions that affect amounts reported in the financial statements and the accompanying notes. Actual results could differ from those estimates.

Risks and Uncertainties: The Plan holds various investments. Investments are exposed to various risks such as interest rate, market, liquidity, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible, that changes in the fair values of investments will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 3 – RIGHTS UPON PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions and earnings thereon.

NOTE 4 – UNAUDITED INFORMATION – CERTIFIED INVESTMENTS AND NOTES RECEIVABLE FROM PARTICIPANTS

With exception of investments and notes receivable from participants that transferred into the Plan from the LifeShield LLC 401(k) Plan and the Red Hawk Fire & Security Employees Savings Plan effective December 31, 2019, substantially all of the information pertaining to the Plan’s investments and notes receivable from participants as of December 31, 2019 and 2018 and investment income for the year ended December 31, 2019, were obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Fidelity Management Trust Company (“Fidelity”), the trustee of the Plan. The Plan’s independent auditors did not perform auditing procedures with respect to this information. Investments in mutual funds totaling \$76,110,296 as of December 31, 2019, as well as notes receivable from participants totaling \$2,483,880 as of December 31, 2019, were not certified as complete and accurate.

NOTE 5 – FAIR VALUE MEASUREMENTS

Fair value is the price that would be received by the Plan for an asset or paid by the Plan to transfer a liability (an exit price) in an orderly transaction between market participants on the measurement date in the Plan’s principal or most advantageous market for the asset or liability. Fair value measurements are determined by maximizing the use of observable inputs and minimizing the use of unobservable inputs.

The hierarchy places the highest priority on unadjusted quoted market prices in active markets for identical assets or liabilities (Level 1 measurements) and gives the lowest priority to unobservable inputs (Level 3 measurements). The three levels of inputs within the fair value hierarchy are defined as follows:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

(Continued)

NOTES TO FINANCIAL STATEMENTS
December 31, 2019 and 2018

NOTE 5 – FAIR VALUE MEASUREMENTS (Continued)

Level 3: Significant unobservable inputs that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

In some cases, a valuation technique used to measure fair value may include inputs from multiple levels of the fair value hierarchy. The lowest level of a significant input determines the placement of the entire fair value measurement in the hierarchy.

The following descriptions of the valuation methods and assumptions used by the Plan to estimate the fair values of investments apply to investments held directly by the Plan.

Mutual Funds: The fair values of mutual fund investments are Level 1 measurements as they are determined by obtaining quoted prices on nationally recognized securities exchanges.

Collective Trusts: The fair values of participation units held in collective trusts are based on the net asset values reported by the fund managers as of the financial statement dates and recent transaction prices. Each collective trust provides for daily redemptions by the Plan at reported net asset values per share with no advance notice requirements.

The methods described above may produce a fair value measurement that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments measured at fair value on a recurring basis are summarized below:

*Investments measured at fair value using net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the hierarchy tables for such investments are intended to permit reconciliation of the fair value hierarchy to the investments at fair value line item presented in the statements of net assets available for benefits.

NOTE 6 – PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Certain investments of the Plan are managed by Fidelity Management Trust Company, the trustee for the Plan, through Fidelity Investments and Fidelity Institutional Asset Management Trust Company. As described in Note 1, the Plan paid certain administrative expenses related to plan operations and investment activity to various service providers. These transactions, as well as notes receivable from participants, are parties-in-interest transactions under ERISA.

NOTE 7 – TAX STATUS

The Internal Revenue Service has determined and informed the Plan by a letter dated April 24, 2017 that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

NOTE 8 – SUBSEQUENT EVENTS

Management has evaluated subsequent events for recognition and disclosure through October 15, 2020, which is the date the financial statements were available to be issued.

In March 2020, the COVID-19 outbreak was declared a pandemic by the World Health Organization (the “COVID-19 Pandemic”). The COVID-19 Pandemic has also led to extreme volatility in financial markets and has affected and may continue to affect the Plan’s assets. While the potential economic impact and the duration of the COVID-19 Pandemic may be difficult to assess or predict, the COVID-19 Pandemic could result in significant disruption of global financial markets. The extent to which the COVID-19 Pandemic impacts the financial markets will depend on future developments that are highly uncertain and cannot be predicted.

The Coronavirus Aid Relief, and Economic Security Act (the “CARES Act”) was passed by the U.S. Senate on March 25, 2020. Section 2202 of the CARES Act permits eligible Plan participants to request penalty-free distributions of up to \$100,000 for qualifying coronavirus-related reasons. These reasons include adverse financial consequences due to being quarantined, furloughed, laid off, having work hours reduced or being unable to work due to a lack of childcare due to the COVID-19 Pandemic. Plan management is in the process of reviewing the CARES Act and any resulting changes to the Plan due to the COVID-19 Pandemic.
