Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information referred to in Note C, which was certified by Reliance Trust Company and AdvisorTrust, Inc., the trustees of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that AdvisorTrust, Inc. held the Plan's investment assets and executed investment transactions from November 1, 2019 to December 31, 2019, and that Reliance Trust Company held the Plan's investment assets and executes investment transactions as of December 31, 2018, and for the period January 1, 2019 to October 31, 2019. The plan administrator has obtained certifications from the trustees as of and for the years ended December 31, 2019 and 2018, that the information provided to the plan administrator by the trustees is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplemental schedule H, line 4i - schedule of assets held for investment purposes at end of year - modified cash basis as of December 31, 2019, is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Basis of Accounting

We draw attention to Note B of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedule are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

EDM MANAGEMENT, INC. 401(k) PROFIT SHARING PLAN

December 31, 2019 and 2018

NOTE A - DESCRIPTION OF PLAN

The following brief description of EDM Management, Inc. 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution 401(k) plan covering substantially all employees of EDM Management, Inc., Ashley Enterprises LLC, EDJ LLC, Ironwood Assisted Living Center LLC, Market Street Assisted Living Center LLC, and Poland Way Assisted Living LLC (the Companies), a controlled group of companies, who have one year of service and have reached 21 years of age. The Plan was adopted by EDM Management, Inc. on January 1, 2004. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Companies' Boards of Directors are responsible for oversight of the Plan including appropriateness of investment offerings and monitoring of investment performance.

Contributions:

Each year, participants may contribute up to 80 percent of pretax annual compensation, up to \$25,000 and \$24,500 in 2019 and 2018, respectively, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Companies' contributions are discretionary and are based on a percentage of the employee's base compensation. The Companies' contributions were 50 percent of the first 3 percent of base compensation that the participant contributed to the Plan. Additional amounts could be contributed at the option of the Companies' Boards of Directors. Contributions are subject to certain limitations.

Participant Accounts:

Each participant's account is credited with the participant's contribution and allocations of (a) the Companies' contribution and, (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Plan Assets:

The Plan's assets consist of registered investment companies, which invest in various mutual funds as administered by the trustee. The participants of the Plan are responsible for making investment elections. Participants may direct employee contributions to any or all of the investment options available under the Plan.

Forfeitures:

Forfeitures are applied to reduce the contributions of the employer to the Plan. Forfeited nonvested accounts totaled \$1,696 for 2019 and \$0 for 2018.

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

Vesting:

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Companies' matching and discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service with the participant being fully vested after 6 years of credited service.

Payment of Benefits:

Upon termination of service, due to death, disability, retirement, termination of the Plan, termination of the employer's business, or upon attainment of age 59 1/2, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or have the vested amount rolled over to either another 401(k) plan or an IRA. Financial hardship withdrawals for medical expenses, burial or funeral expenses, a primary residence or college tuition are allowed but are limited to the participant's contributions excluding earnings and any matching contributions or non-elective contributions.

Participant Notes Receivable:

Participants may borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. Loan transactions are treated as a transfer to (from) the investment funds from (to) the participant notes fund. Generally, loans must be paid back within 5 years. The loans are secured by the balance in the participant's account and bear interest similar to those rates offered in commercial lending, determined at the date of the loan, which rate applies throughout the entire term of the loan. Principal and interest is paid ratably through monthly payroll deductions.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting:

The accompanying financial statements have been prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than U.S. generally accepted accounting principles and, accordingly, certain revenue and related assets are recognized when received rather than when earned and certain expenses are recognized when paid rather than when the obligation is incurred. The modified cash basis differs from the cash basis because security investments are recorded at fair value.

Investment Valuation and Income Recognition:

Investments held by the Plan are reported at fair value, except for fully benefit-responsive investment contracts which are reported at contract value. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under terms of the Plan.

EDM MANAGEMENT, INC. 401(k) PROFIT SHARING PLAN

December 31, 2019 and 2018

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investment bought and sold as well as held during the year.

Notes Receivable from Participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2019 and 2018. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and benefit payment is recorded.

Payments of Benefits:

Benefits are recorded when paid.

Use of Estimates:

The preparation of financial statements in accordance with the modified cash basis of accounting requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Subsequent Events:

Management evaluated all activity of the Plan through October 12, 2020, the date the financial statements were available to be issued and concluded that no subsequent events have occurred that would require recognition or disclosure in the financial statements or notes, except as described below.

On January 30, 2020, the World Health Organization ("WHO") announced a global health emergency because of a new strain of coronavirus originating in Wuhan, China (the "COVID-19 outbreak") and the risks to the international community as the virus spreads globally beyond its point of origin. In March 2020, the WHO classified the COVID-19 outbreak as a pandemic, based on the rapid increase in exposure globally. The full impact of the COVID-19 outbreak continues to evolve as of the date of this report. As such, it is uncertain as to the full magnitude that the pandemic will have on the Company's financial condition, liquidity, and future results of operations. Management is actively monitoring the global situation on its financial condition, liquidity, operations, suppliers, industry, and workforce.

The full impact of the COVID-19 outbreak continues to evolve as of the date of this report. This pandemic has adversely affected global economic activity and greatly contributed to instability in financial markets. Because the values of the Plan's individual investments may fluctuate in response to changing market conditions, the amount of losses that will be recognized in subsequent periods, if any, and related impact on the Plan's liquidity cannot be determined at this time.

NOTE C - CERTIFIED INFORMATION

The trustees, AdvisorTrust, Inc. for the period from November 1, 2019 to December 31, 2019 and Reliance Trust Company as of December 31, 2018, and for the period January 1, 2019 to October 31, 2019, have certified to the plan administrator that the annual account provided by the trustees, including the list of the investments, notes receivable from participants and investment income, as of and for the years ended December 31, 2019 and 2018 is complete and accurate.

NOTE D - FAIR VALUE MEASUREMENTS

FASB ASC 820 requires the Plan to classify its assets and liabilities based on valuation methods using three levels. Level 1 inputs are based on quoted prices in active markets for identical investments. Level 2 inputs are based on significant observable market inputs, such as quoted prices for similar investments and quoted prices in inactive markets. Level 3 inputs are based on significant unobservable inputs that reflect the Plan's determination of assumptions that market participants might reasonably use in valuing the investments. The valuation levels are not necessarily an indication of risk or liquidity associated with the underlying investments.

Assets at December 31, 2019 are comprised of the following:

Assets at Fair Value		
	Level 1	Total
Self directed investment account:		
Registered investment companies:	<u>\$ 3,528,856</u>	<u>\$ 3,528,856</u>

NOTE E - GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan held a synthetic investment contract. This contract meets the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses. The following represents the disaggregation of contract value between types of investment contracts by the Plan.

The key difference between a synthetic investment contract and a traditional investment contract is that the Plan owns the underlying assets of the synthetic investment contract. A synthetic investment contract includes a wrapper contract, which is an agreement for the wrap issuer, such as a bank or insurance company, to make payments to the Plan in certain circumstances. The wrapper contract typically includes certain conditions and limitations on the underlying assets owned by the Plan. With traditional investment contracts, the Plan owns only the contract itself. Synthetic and traditional investment contracts are designed to accrue interest based on crediting rates established by the contract issuers.

The synthetic investment contract held by the Plan included a wrapper contract that provides a guarantee that the credit rate will not fall below zero percent. Cash flow volatility (for example, timing of benefit payments) as well as asset underperformance can be passed through to the Plan through adjustments to future contract crediting rates. Formulas are provided in each contract that adjusts renewal crediting rates to recognize the difference between the fair value and the book value of the underlying assets. Crediting rates are reviewed monthly for resetting.

NOTE E - GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY (CONTINUED)

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. These events may be different under each contract. Examples of such events include the following:

1. The Plan's failure to qualify under Section 401(a) of the Internal Revenue Code or the failure of the trust to be tax-exempt under Section 501(a) of the Internal Revenue Code
2. Premature termination of the contracts
3. Plan termination or merger
4. Changes to the Plan's prohibition on competing investment options
5. Bankruptcy of the plan sponsor or other plan sponsor events (example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following:

1. An uncured breach of the Plan's investment guidelines
2. A violation of a material obligation under the contract
3. A material misrepresentation
4. A material amendment to the contract without the consent of the issuer.

NOTE F - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Substantially all administrative expenses of the Plan are paid by the Companies.

NOTE G - INCOME TAX STATUS

The Plan obtained its latest determination letter dated March 31, 2008, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. Although the Plan has been amended since, the plan administrator believes that the Plan is designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code.

NOTE H - PLAN TERMINATION

Although it has not expressed any intent to do so, the Companies have the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE I - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits - modified cash basis.

NOTE J - BENEFIT CLAIMS PAYABLE

Net assets available for benefits at December 31, 2019 and 2018 include \$474,455 and \$130,826, respectively, that were allocated to the accounts of individuals who as of or prior to that date had been terminated from the Plan. The benefit claims will be paid to these individuals in accordance with the Plan provisions.

NOTES TO FINANCIAL STATEMENTS - MODIFIED CASH BASIS

EDM MANAGEMENT, INC. 401(k) PROFIT SHARING PLAN

December 31, 2019 and 2018

NOTE A - DESCRIPTION OF PLAN

The following brief description of EDM Management, Inc. 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution 401(k) plan covering substantially all employees of EDM Management, Inc., Ashley Enterprises LLC, EDJ LLC, Ironwood Assisted Living Center LLC, Market Street Assisted Living Center LLC, and Poland Way Assisted Living LLC (the Companies), a controlled group of companies, who have one year of service and have reached 21 years of age. The Plan was adopted by EDM Management, Inc. on January 1, 2004. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Companies' Boards of Directors are responsible for oversight of the Plan including appropriateness of investment offerings and monitoring of investment performance.

Contributions:

Each year, participants may contribute up to 80 percent of pretax annual compensation, up to \$25,000 and \$24,500 in 2019 and 2018, respectively, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Companies' contributions are discretionary and are based on a percentage of the employee's base compensation. The Companies' contributions were 50 percent of the first 3 percent of base compensation that the participant contributed to the Plan. Additional amounts could be contributed at the option of the Companies' Boards of Directors. Contributions are subject to certain limitations.

Participant Accounts:

Each participant's account is credited with the participant's contribution and allocations of (a) the Companies' contribution and, (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Plan Assets:

The Plan's assets consist of registered investment companies, which invest in various mutual funds as administered by the trustee. The participants of the Plan are responsible for making investment elections. Participants may direct employee contributions to any or all of the investment options available under the Plan.

Forfeitures:

Forfeitures are applied to reduce the contributions of the employer to the Plan. Forfeited nonvested accounts totaled \$1,696 for 2019 and \$0 for 2018.

EDM MANAGEMENT, INC. 401(k) PROFIT SHARING PLAN

December 31, 2019 and 2018

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

Vesting:

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Companies' matching and discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service with the participant being fully vested after 6 years of credited service.

Payment of Benefits:

Upon termination of service, due to death, disability, retirement, termination of the Plan, termination of the employer's business, or upon attainment of age 59 1/2, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or have the vested amount rolled over to either another 401(k) plan or an IRA. Financial hardship withdrawals for medical expenses, burial or funeral expenses, a primary residence or college tuition are allowed but are limited to the participant's contributions excluding earnings and any matching contributions or non-elective contributions.

Participant Notes Receivable:

Participants may borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. Loan transactions are treated as a transfer to (from) the investment funds from (to) the participant notes fund. Generally, loans must be paid back within 5 years. The loans are secured by the balance in the participant's account and bear interest similar to those rates offered in commercial lending, determined at the date of the loan, which rate applies throughout the entire term of the loan. Principal and interest is paid ratably through monthly payroll deductions.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting:

The accompanying financial statements have been prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than U.S. generally accepted accounting principles and, accordingly, certain revenue and related assets are recognized when received rather than when earned and certain expenses are recognized when paid rather than when the obligation is incurred. The modified cash basis differs from the cash basis because security investments are recorded at fair value.

Investment Valuation and Income Recognition:

Investments held by the Plan are reported at fair value, except for fully benefit-responsive investment contracts which are reported at contract value. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under terms of the Plan.

NOTES TO FINANCIAL STATEMENTS - MODIFIED CASH BASIS (CONTINUED)

EDM MANAGEMENT, INC. 401(k) PROFIT SHARING PLAN

December 31, 2019 and 2018

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investment bought and sold as well as held during the year.

Notes Receivable from Participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2019 and 2018. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and benefit payment is recorded.

Payments of Benefits:

Benefits are recorded when paid.

Use of Estimates:

The preparation of financial statements in accordance with the modified cash basis of accounting requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Subsequent Events:

Management evaluated all activity of the Plan through October 12, 2020, the date the financial statements were available to be issued and concluded that no subsequent events have occurred that would require recognition or disclosure in the financial statements or notes, except as described below.

On January 30, 2020, the World Health Organization ("WHO") announced a global health emergency because of a new strain of coronavirus originating in Wuhan, China (the "COVID-19 outbreak") and the risks to the international community as the virus spreads globally beyond its point of origin. In March 2020, the WHO classified the COVID-19 outbreak as a pandemic, based on the rapid increase in exposure globally. The full impact of the COVID-19 outbreak continues to evolve as of the date of this report. As such, it is uncertain as to the full magnitude that the pandemic will have on the Company's financial condition, liquidity, and future results of operations. Management is actively monitoring the global situation on its financial condition, liquidity, operations, suppliers, industry, and workforce.

The full impact of the COVID-19 outbreak continues to evolve as of the date of this report. This pandemic has adversely affected global economic activity and greatly contributed to instability in financial markets. Because the values of the Plan's individual investments may fluctuate in response to changing market conditions, the amount of losses that will be recognized in subsequent periods, if any, and related impact on the Plan's liquidity cannot be determined at this time.

NOTE C - CERTIFIED INFORMATION

The trustees, AdvisorTrust, Inc. for the period from November 1, 2019 to December 31, 2019 and Reliance Trust Company as of December 31, 2018, and for the period January 1, 2019 to October 31, 2019, have certified to the plan administrator that the annual account provided by the trustees, including the list of the investments, notes receivable from participants and investment income, as of and for the years ended December 31, 2019 and 2018 is complete and accurate.

NOTE D - FAIR VALUE MEASUREMENTS

FASB ASC 820 requires the Plan to classify its assets and liabilities based on valuation methods using three levels. Level 1 inputs are based on quoted prices in active markets for identical investments. Level 2 inputs are based on significant observable market inputs, such as quoted prices for similar investments and quoted prices in inactive markets. Level 3 inputs are based on significant unobservable inputs that reflect the Plan's determination of assumptions that market participants might reasonably use in valuing the investments. The valuation levels are not necessarily an indication of risk or liquidity associated with the underlying investments.

NOTE E - GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan held a synthetic investment contract. This contract meets the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses. The following represents the disaggregation of contract value between types of investment contracts by the Plan.

The key difference between a synthetic investment contract and a traditional investment contract is that the Plan owns the underlying assets of the synthetic investment contract. A synthetic investment contract includes a wrapper contract, which is an agreement for the wrap issuer, such as a bank or insurance company, to make payments to the Plan in certain circumstances. The wrapper contract typically includes certain conditions and limitations on the underlying assets owned by the Plan. With traditional investment contracts, the Plan owns only the contract itself. Synthetic and traditional investment contracts are designed to accrue interest based on crediting rates established by the contract issuers.

The synthetic investment contract held by the Plan included a wrapper contract that provides a guarantee that the credit rate will not fall below zero percent. Cash flow volatility (for example, timing of benefit payments) as well as asset underperformance can be passed through to the Plan through adjustments to future contract crediting rates. Formulas are provided in each contract that adjusts renewal crediting rates to recognize the difference between the fair value and the book value of the underlying assets. Crediting rates are reviewed monthly for resetting.

EDM MANAGEMENT, INC. 401(k) PROFIT SHARING PLAN

December 31, 2019 and 2018

NOTE E - GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY (CONTINUED)

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. These events may be different under each contract. Examples of such events include the following:

1. The Plan's failure to qualify under Section 401(a) of the Internal Revenue Code or the failure of the trust to be tax-exempt under Section 501(a) of the Internal Revenue Code
2. Premature termination of the contracts
3. Plan termination or merger
4. Changes to the Plan's prohibition on competing investment options
5. Bankruptcy of the plan sponsor or other plan sponsor events (example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following:

1. An uncured breach of the Plan's investment guidelines
2. A violation of a material obligation under the contract
3. A material misrepresentation
4. A material amendment to the contract without the consent of the issuer.

NOTE F - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Substantially all administrative expenses of the Plan are paid by the Companies.

NOTE G - INCOME TAX STATUS

The Plan obtained its latest determination letter dated March 31, 2008, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. Although the Plan has been amended since, the plan administrator believes that the Plan is designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code.

NOTE H - PLAN TERMINATION

Although it has not expressed any intent to do so, the Companies have the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE I - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks.
