Independent Auditor's Report

To the Administrative Committee of the
Pasadena Refining System, Inc. Employees' Savings Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Pasadena Refining System, Inc. Employees' Savings Plan ("Plan"), which comprise the statements of net assets available for benefits as of December 31, 2019 and 2018, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility for the 2019 Financial Statements

Our responsibility is to express an opinion on the 2019 financial statements based on conducting the audit in accordance with auditing standards in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the 2019 financial statements.

Auditor's Responsibility for the 2018 Financial Statements

Our responsibility is to express an opinion on the 2018 financial statements based on conducting the audit in accordance with auditing standards in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion on the 2018 Financial Statements paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion on the 2018 Financial Statements

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator has not

us not to perform, and we did not perform, any audit procedures with respect to the information summarized in Note 4, which was certified by T. Rowe Price Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 2018, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion on the 2018 Financial Statements

Because of the significance of the matter described in the Basis of Disclaimer of Opinion on the 2018 Financial Statement paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the 2018 financial statements.

Opinion on the 2019 Financial Statements

In our opinion, the financial statements referred to above, of Pasadena Refining System, Inc. Employees' Savings Plan as of December 31, 2019 and for the year then ended, present fairly in all material respects, the net assets available for benefits of the Plan as of December 31, 2019, and the changes in net assets available for benefits for the year ended December 31, 2019, in accordance with accounting principles generally accepted in the United States of America.

Report on Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of assets held as of December 31, 2019 is presented for the purpose of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosures under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the 2019 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Report on Form and Content of the 2018 Financial Statements in Compliance with DOL Rules and Regulations

The form and content of the information included in the 2018 financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Notes to Financial Statements
December 31, 2019 and 2018

Note 1 – Description of Plan

The following description of the Pasadena Refining System, Inc. Employees' Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

Pasadena Refining System, Inc. ("Employer") maintains a defined contribution retirement plan with an originally effective date of January 1, 2005. The Plan was most recently restated effective January 1, 2018. The Plan restatement is compliant with the most recent law changes as required by the Pension Protection Act of 2006.

The Plan covers all eligible employees, (with the exception of union employees, leased employees, and employees who are residents of Puerto Rico) who are age 21 or older.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Each year, participants may contribute a percentage of their pre-tax annual compensation, as defined by the Plan. Participants may also make voluntary contributions to the Plan on an after-tax basis. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover).

The Employer contributes an amount equal to 100% of the employee contributions to the Plan limited to the first 4% of base compensation that a participant contributes to the Plan. The safe-harbor contribution is an enhanced employer match contribution. The employer match contribution is invested in the same ratio of investment options as the participant's contributions.

The Employer may make a discretionary nonelective contribution, to be determined annually. Historically, the amount has been 3% of eligible compensation. A participant is eligible for this contribution if they are employees on the last day of the plan year and have completed at least 1,000 hours of service during the plan year. The amount of the nonelective contribution made was \$ 519,964 and \$ 527,947 for the plan year 2019 and 2018, respectively. See Note 6, for more related to 2019 nonelective contribution.

Participants direct the investment of their contributions into various investment options offered by the Plan.

Participants Accounts

Each participant's account is credited with the participant's contribution and the Employers contribution, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or

Pasadena Refining Systems, Inc. Employees' Savings Plan
Notes to Financial Statements

specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately fully vested in their contributions, rollovers, safe harbor matching and discretionary employer contributions, plus earnings on contributions.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$ 1,000 up to a maximum equal to the lesser of \$ 50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account.

The loans bear a reasonable rate of interest determined by prime rate plus one point and the rate remains fixed for the duration of the loan. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Under the terms of the Plan agreement, participants are eligible for distributions on retirement or at date of termination, if earlier. Distributions are made as lump sum cash payments, installment payments, annuity payments, or rollover to other qualified Plans. The Plan also makes provisions for death and disability payments.

In-Service distributions are permitted from the Plan if the Participant has reached age 59½.

The Plan allows hardship withdrawals in accordance with Internal Revenue Service regulations. Among other requirements, the withdrawal must be necessary in light of immediate and heavy financial needs of the employee and is limited to certain purposes.

Forfeitures

Forfeitures of non-vested participant plan benefits are used to reduce future employer contributions and/or to pay Plan expenses.

As of December 31, 2019, and 2018, forfeitures available totaled \$ - and \$ -. During 2019 and 2018, \$ - and \$26,951 of forfeited participant accounts were used to reduce the Employers contributions or pay plan expenses.

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of Pasadena Refining System, Inc. Employees' Savings Plan have been prepared on the accrual basis of accounting.

Pasadena Refining Systems, Inc. Employees' Savings Plan
Notes to Financial Statements
December 31, 2019 and 2018

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United State of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Please see Note 3 for a discussion of Fair Value Measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are recorded as distributions as required by the Plan.

Benefit Payments

Benefits are recorded as paid.

Plan Costs

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid directly by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. Fees related to the administration of distributions and certain administrative fees related to investments are charged directly to the participant's account and are included as administrative Plan expenses in the financial statements. Investment related expenses are included in net appreciation (depreciation) of the fair value of investments.

The Plan paid a total of \$ 1,318 and \$ 990 for 2019 and 2018, respectively in administrative expenses for the year as reported on the statements of changes in net assets. These expenses are in addition to investment related expenses.

Subsequent Events

The Plan has evaluated subsequent events through October 15, 2020, the date the financial statements were available to be issued.

Note 3 – Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities within active markets that the Plan has the ability to access.
- Level 2 – Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2019 and 2018.

- Mutual funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- Managed income portfolio ("CCT") – A trust for the collective investment and reinvestment of assets contributed from various employee benefit plans maintained by more than one plan. The investments are composed primarily of fully benefit-responsive investment contracts that are valued at the net asset value ("NAV") of units of the bank collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the plan initiates a full redemption of the CCT, the issuer reserves the right to require a 12-month notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

Pasadena Refining Systems, Inc. Employees' Savings Plan

December 31, 2019 and 2018

- Stable value collective trust fund – A stable value fund that is composed primarily of fully benefit-responsive investment contracts that are valued at the net asset value (“NAV”) of units of the bank collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the plan initiates a full redemption of the collective trust, the issuer reserves the right to require a 12-month notification in order to ensure that securities liquidations will be carried out in an orderly business manner.
- Self-Directed Brokerage Accounts – These accounts primarily consist of mutual funds and common stocks that are valued on the basis of readily determinable market prices.

The following table details the Plan’s investments at fair value, by value within the fair value hierarchy, as of December 31, 2019 and 2018.

	<u>2019</u>			
	Fair Value	Level 1	Level 2	Level 3
Mutual funds	\$ -	\$ -	\$ -	\$ -
Common Collective Trust ^(a)	-	-	-	-
Self-Directed Brokerage Account	-	-	-	-
Total	\$ -	\$ -	\$ -	\$ -

	<u>2018</u>			
	Fair Value	Level 1	Level 2	Level 3
Mutual funds	\$ 27,997,309	\$ 27,997,309	\$ -	\$ -
Common Collective Trust ^(a)	1,458,938	-	-	-
Self-Directed Brokerage Account	53,076	53,076	-	-
Total	\$ 29,509,323	\$ 28,050,385	\$ -	\$ -

^(a) In accordance with FASB ASU Subtopic 820-10 certain investments that were measured at Net Asset Value (“NAV”) (or its equivalent) have not been classified in the fair value hierarchy. The amounts presented in the fair value table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets.

Gains and losses (realized and unrealized) included in changes in net assets available for benefits are reported in net appreciation in fair value of investments.

Investments Measured Using the NAV per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2018. There are no participant redemption restrictions for these investments (other than if an exchange is to be made to a competing fund in which the notice period is ninety days); the redemption notice period is applicable only to the Plan.

Description	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Common Collective Trusts ^(b)	\$ 1,458,938	\$ -	Daily	None

^(b) The Collective Trust is a Stable Value Fund ("fund") whose investment objective is to seek the preservation of capital and to provide a competitive level of income over time that is consistent with the preservation of capital. To achieve this objective, the Fund invests primarily in Guaranteed Investment Contracts, Bank Investment Contracts, Synthetic Investment Contracts, and Separate Account Contracts. The Fund attempts to minimize risk through diversification.

Note 4 – Information Certified by the Trustee

The Plan's administrator elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, as permitted under such election, the Plan administrator limited auditing procedures with respect to investment information and notes receivable from participants certified by T. Rowe Price Trust Company, the trustees, which included total investments and notes receivable from participants as of December 31, 2018, the total investment income for the year ended December 31, 2018.

Note 5 – Related-Party Transactions and Party-in-Interest Transactions

The following is a list of the known parties-in-interest that provided services to the Plan during 2019 and 2018:

- The Plan Sponsor provides administrative services to the Plan and absorbs administrative costs for the Plan.
- T. Rowe Price serves as recordkeeper of the Plan and custodian of the CCT, holding the Plan's investment assets and executing transactions.
- Charles Schwab serves as a custodian of the self-direct brokerage account, holding the Plan's investment assets.
- Lockton Investment Advisors, LLC serves as investment advisor of the Plan and aids the Plan in meeting the Plan's fiduciary duties.
- The Plan had participant loans.
- Calvin Martin & Company, PLLC serves as the Plan auditor.

All of the above transactions are exempt party-in-interest transactions from the prohibited transaction rules under ERISA.

Note 6 – Plan Termination

The Plan Sponsor was acquired in May 2019 by Chevron USA Inc. Effective December 31, 2019 the Plan was frozen and the Plan assets of \$36,337,682 were transferred into the Chevron Employee Savings Investment Plan EIN 94-0890210.

Pasadena Refining Systems, Inc. Employees' Savings Plan
Notes to Financial Statements
December 31, 2019 and 2018

The Plan is a safe-harbor plan with 100% vested employer contributions, so all of the employer contributions were fully vested at date of transfer. As of January 1, 2020, the Plan Sponsor was included as a "Participating Company" in the Chevron Employee Savings Investment Plan, effectively, terminating the Plan.

As of December 31, 2019, the participants of the plan were still entitled to receive a employer nonelective contribution in the amount of \$ 519,964. This amount was funded into the Chevron Employee Savings Investment Plan on May 5, 2020.

Note 7 – Tax Status

The IRS has determined and the Plan has received a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to risks such as interest rate, market, and credit risk. Because of the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 9 – Reconciliation of Financial Statements to Schedule H of Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500 for 2018:

	<u>2018</u>
Net assets available for benefits per the financial statements	\$ 30,653,366
Employer contribution receivable	(548,317)
Net assets available for benefits, per Schedule H, Form 5500	<u>\$ 30,105,049</u>
