Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described below in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 2019 and the period from October 1, 2017 to December 31, 2018, that the information provided to the Plan administrator by the trustee is complete and accurate.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Treecon Resources, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan for the benefit of all employees of Treecon Resources, Inc. ("the Plan Sponsor") and its subsidiaries along with other commonly controlled corporations. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees oversees governance of the Plan.

Contributions and Funding Policy

Each Plan year, participants may contribute a percentage of their pretax annual compensation, as defined in the Plan. However, the total deferrals in any taxable year may not exceed a dollar limit that is set by law. The limit for 2019 and 2018 is $19,000 and $18,500, respectively. Participants who have attained age 50 or older before the end of the Plan year are eligible to make catch-up contributions up to $6,000 for Plan years 2019 and 2018. Roth deferrals are permitted by the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans but will not become a participant in the Plan until the eligibility and entry date requirements are met. Participants direct the investment of their contributions into various investment options offered by the Plan. Participant contributions up to 4% are eligible to receive a Safe Harbor matching contribution equal to 100%. The Plan Sponsor may make an employer match at their discretion based on the amount the participant contributes. The Plan Sponsor shall determine the amount of any additional 401(k) contribution to be made to the Plan out of current or accumulated net profits. These will be discretionary contributions.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Plan Sponsor's Safe Harbor contribution, (b) Plan earnings (losses), and (c) charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Participants may borrow from their contribution accounts up to a maximum equal to the lesser of $50,000 or 50% of their vested account. Participants may have only one loan outstanding at any time and the maximum term of the loan is 5 years unless the loan is made for the purchase of a primary residence. Participant accounts are pledged as collateral for participant loans. The interest rate will be the prime interest rate plus one percentage point (1.0%) at the time the loan is made.

Principal and interest are paid ratably through monthly payroll deductions. If any payment of principal and interest, or any portion thereof, remains unpaid by the end of the calendar quarter following the calendar quarter in which the loan payment is due, they will be considered to be "in default." For purposes of Code Section 72(p), the Participant shall then be treated as having a deemed distribution regardless of whether or not a distributable event has occurred.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Plan Sponsor's contribution portion of their accounts plus actual earnings thereon is based on years of continuous service.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF THE PLAN - (Continued)

Vesting – (continued)

The schedule below determines the vesting percentage for all other contributions:

Years of Vesting Service	Vested Percentage
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5	100%

In addition, certain special contributions that are made to the Plan on the employee's behalf will always be 100% vested. If any of these special contributions are made to the Plan, the employee will always have an immediate ownership interest in such contributions. Examples of special contributions that may be made to the Plan include Safe Harbor Contributions and Qualified Employer Contributions (QNECs).

Payment of Benefits

Upon termination of service due to death, disability, retirement or other reasons, a participant may elect to receive either a lump-sum equal to the value of the participant's vested interest in his or her account or in the form of an annuity.

Distributions must commence no later than the first day of April following the calendar year in which the later of termination of employment or age 70½ occurs.

Forfeited Accounts

Forfeited nonvested accounts will reduce employer contributions. As of December 31, 2019 and 2018, the Plan had no forfeited nonvested accounts.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A brief summary of the significant accounting and reporting policies followed by the Plan in the preparation of its financial statements is presented below.

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (Continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2019 and 2018, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant's note receivable is recorded as a benefit payment based on the terms of the Plan document.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Operating Expenses

Certain operating expenses of maintaining the Plan are paid by the Plan Sponsor and therefore excluded from these financial statements. Investment related expenses are included in administration expenses. Fees for the administration of notes receivables from participants are paid and charged directly to the participant.

NOTE 3 - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs are based primarily on quoted prices for similar assets or liabilities in active or inactive markets and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 2 inputs were available to the Plan, and Level 3 inputs were only used when Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 or 3 inputs for the periods presented.

NOTE 3 - FAIR VALUE MEASUREMENTS – (Continued)

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end. The mutual funds held by the Plan are open-ended mutual funds registered with the U.S Securities and Exchange Commission. The funds must publish their daily net asset value and transaction at that price. The mutual funds held by the Plan are to be considered actively traded.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2019 and 2018:

December 31, 2019	Fair Value	Fair Value Measurements Using: Quoted Prices in Active Market for Identical Assets (Level 1)
Mutual Funds	$ 2,036,627	$ 2,036,627
Common collective trust	147,551	147,551
Bond	122,588	122,588
Total assets at fair value	$ 2,306,766	$ 2,306,766
December 31, 2018		
Mutual Funds	$ 1,303,207	$ 1,303,207
Common collective trust	85,123	85,123
Bond	78,924	78,924
Total assets at fair value	$ 1,467,254	$ 1,467,254

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2019 and 2018, there were no significant transfers between Levels 1 and 2 and no transfers into or out of Level 3.

NOTE 4 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 5 - TAX STATUS

The Plan is part of a prototype plan of ADP, LLC and the Internal Revenue Service ("IRS") has determined and informed the Plan by a determination letter on July 8, 2014, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included

NOTES TO THE FINANCIAL STATEMENTS

NOTE 5 - TAX STATUS – (Continued)

in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for a period beyond three years from the filings of those returns.

NOTE 6 - SEPARATED PARTICIPANTS

At December 31, 2019, accounts totaling $147,269 belong to separated participants who at the date of the financial statements have not directed disbursement of their accounts.

NOTE 7 – INFORMATION CERTIFIED BY THE CUSTODIAN OF THE PLAN

Reliance Trust Company as trustee and custodian of the Plan, held all of the Plan's investment assets and executed transactions therein. Financial information relating to the assets is included in the accompanying financial statements and is based on information provided by the custodian. The Plan administrator has instructed us not to examine the information certified as complete and accurate by the custodian. The custodian's certificate applies to substantially all Plan assets and transactions for the dates presented, as well as the Statement of Assets Held for Investment Purposes.

The following information was compiled from data certified by the custodian as being complete and accurate:

	2019	2018
Investments at fair value	$ 2,306,766	$ 1,467,254
Notes receivable from participants	68,377	42,044
Net appreciation (depreciation) in fair value of investments	268,680	(170,585)
Dividends and interest	107,878	120,802
Administrative expenses	1,449	1,305

NOTE 8 - RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9 – PLAN AMENDMENTS

Effective January 1, 2018, the Plan year was amended to a calendar year.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 10 – RELATED PARTY TRANSACTIONS

Certain Plan investments during the periods were shares of mutual funds managed by Reliance Trust Company, trustee and plan asset custodian as defined by the Plan; therefore, these transactions qualify as parties-in-interest. Fees paid by the Plan for the investment management services amounted to $1,449 and $1,305 for the year ended December 31, 2019 and the period from October 1, 2017 to December 31, 2018, respectively. All of these parties-in-interest are exempt from the prohibited transaction rules of ERISA.

NOTE 11 – RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets available for benefits per the accompanying financial statements to Schedule H of Form 5500:

NOTES TO THE FINANCIAL STATEMENTS

NOTE 12 - SUBSEQUENT EVENTS

As a result of the spread of COVID-19 coronavirus, economic uncertainties have arisen which have resulted in significant volatility in the investment markets, resulting in a substantial decline in the value of investments. The duration of these uncertainties and the ultimate financial effects cannot be reasonably estimated at this time.

The Plan has implemented certain requirements by the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act), which laws change the Plan to, among others, allow certain eligible individuals to receive coronavirus-related relief for loan repayment, suspend required minimum distributions, and delay the commencement date for required minimum distributions. The optional features within these acts are currently being assessed but have not been implemented to date. Written amendment to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance if needed. As of the date of the auditors' report, the plan has experienced no such transactions.

Management of the Plan is not aware and has evaluated the financial statements for subsequent events through the date of the auditors' report, the date the financial statements were available to be issued. Management is not aware of any subsequent events other than listed above which would require recognition or disclosure in the financial statements.
