Texstars, LLC 401(k) for Bargaining Unit (formerly Texstars, LLC and Gemcor Automation, LLC 401(k) for Bargaining Unit)

Notes to Financial Statements

Note 1. Description of Plan

The following description of the Texstars, LLC 401(k) for Bargaining Unit (formerly Texstars, LLC and Gemcor Automation, LLC 401(k) for Bargaining Unit) (the Plan) provides only general information. Participants should refer to the Plan adoption agreement for a complete description of the Plan's provisions.

General: The Plan is a defined contribution plan established for the benefit of the bargaining unit employees of Texstars, LLC (Plan Sponsor) and Gemcor Automation, LLC (Participating Employer). The Plan is intended to satisfy all of the requirements for a qualified retirement plan under the appropriate provisions of the Internal Revenue Code (the IRC) and similar state tax laws. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective December 31, 2019, the Plan was frozen, all participants in the Plan as of December 31, 2019 were 100% vested in their entire account balance, further contributions to the Plan were ceased, and no new loans were permitted under the Plan.

Plan spinoff: Effective October 16, 2019, the Plan was amended to remove Gemcor Automation, LLC as a participating employer and to rename the Plan as Texstars, LLC 401(k) for Bargaining Unit. On November 18, 2019, the Plan recorded a spinoff of assets of \$672,134 related to the participating employees of Gemcor Automation, LLC. The assets were transferred to the Ascent Aerospace Holdings, LLC 401(k) Plan. The related spinoff and transfer out of assets of \$672,134 is reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2019.

Plan merger: Effective March 23, 2020, the Texstars, LLC 401k for Bargaining Unit merged with the PPG Industries, Inc. Employee Savings Plan. Plan assets were transferred out of this Plan and into the PPG Industries, Inc. Employee Savings Plan. The transfer out of assets of \$2,591,718 is reflected in the statement of changes in net assets available for benefits for the period ended March 23, 2020.

Eligibility: Employees who have reached age 18, completed 90 days of service, and who are not any of the following: leased employees, nonresident aliens, employees of any member of the controlled and/or affiliated service group employer whose employer does not affirmatively adopt this Plan, or any employee that became an employee as a result of Code Section 410(b)(6)(c) transaction during the transition period and nonunion employees, are eligible for the Plan.

Contributions: Eligible employees can make pre-tax and Roth elective deferrals in any amount up to the maximum percentage of compensation and dollar amount permissible under the IRC. For 2019, the contribution limit is \$19,000 with an additional \$6,000 catch up contribution allowable for eligible employees over age 50.

Texstars, LLC matches 50% of the eligible participant's elective deferrals, up to a maximum of 1% of eligible compensation. Texstars, LLC may also make a nonelective contribution. In 2019 and 2018, this was equal to 3% of eligible compensation for employees. Gemcor Automation, LLC matches 100% of the eligible participant's elective deferrals, up to a maximum of 2.5% of eligible compensation. Gemcor Automation, LLC may also make a nonelective contribution. This was equal to \$1.70 per hour up to 40 hours a week for the period of January 1, 2018 through September 8, 2018 and \$1.75 per hour up to 40 hours a week for the period of September 9, 2018 through December 31, 2018. There were no nonelective contributions made for the year ended December 31, 2019.

Notes to Financial Statements

Note 1. Description of Plan (Continued)

The Plan contains an automatic enrollment provision for all participants that consists of a pre-tax salary deferral of 3%. The provision goes into effect on the first Plan entry date after an employee meets the Plan's eligibility requirements. Participants have the right to elect not to have salary deferral contributions automatically made on their behalf or to elect to have such contributions made at a percentage that is different from the 3% designated.

A participant may make a rollover contribution to the Plan of amounts which he or she has received from another qualified plan.

Payment of benefits: A participant may receive a benefit payment through an in-service withdrawal, hardship withdrawal, termination withdrawal, minimum required distribution, or related to death or disability. Each benefit payment type has eligibility criteria as defined in the Plan adoption agreement.

Participant accounts: Each participant's account is credited with (a) the participant's contributions (b) the employer's contributions and (c) Plan earnings (losses), if any. Allocations are based on participant contributions, earnings or account balances, as defined by the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participants' investment options: Participants must direct the amounts contributed to selected investments as made available and determined by the Plan Administrator. Participants may change their investment options at any time throughout the year via direct phone or Internet access to Transamerica Retirement Solutions Corporation (Transamerica).

Notes receivable from participants: The Plan allows participants to borrow from the Plan provided that such a loan, when added to the outstanding balance of all loans to the participant, would not exceed the lesser of \$50,000 or 50% of the value of the participant's total vested account balance under the Plan. The number of outstanding loans that a participant can have at one time is two. Loans may be made from all contribution types, except prior after-tax employee nondeductible contributions. No loan shall be made in an amount less than \$1,000. All terms of the loans are defined in the Plan. The loans bear interest equal to the prime rate plus 1% and are repayable up to a five-year period, unless used to acquire a principal residence which may be repayable up to a fifteen-year period.

Vesting: All participants are immediately fully vested in their elective pre-tax and Roth deferrals and catch-up contributions plus actual earnings thereon. Employer contributions are 100% vested after one year of service under the hours of service method. A year of service is credited for 1,000 hours.

Administrative expenses: Administrative expenses, which include custodial and certain record-keeping fees are paid by the Plan.

Note 2. Summary of Significant Accounting Policies

The Plan's significant accounting policies are as follows:

Basis of accounting: The financial statements of the Plan are prepared under the accrual basis of accounting.

Texstars, LLC 401(k) for Bargaining Unit (formerly Texstars, LLC and Gemcor Automation, LLC 401(k) for Bargaining Unit)

Notes to Financial Statements

Note 2. Summary of Significant Accounting Policies (Continued)

Use of estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment valuation and income recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments purchased and sold as well as held during the period.

Recent Accounting Pronouncement: In August 2018, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2018-13, *Fair Value Measurement (Topic 820): Disclosure Framework – Changes to the Disclosure Requirements for Fair Value Measurement*. This guidance eliminates, modifies, and adds certain disclosures on fair value measurements. The updated guidance is effective for fiscal years beginning after December 15, 2019, with early adoption permitted. The Plan adopted this ASU on January 1, 2019 and reflected the applicable changes within these financial statements. The adoption of this ASU did not have a material impact on the financial statements.

Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are recorded as distributions on the basis of the terms of the plan document.

Payment of benefits: Benefits are recorded when paid to the Plan's participants.

Note 3. Information Certified by Custodians

The following is a summary of the Plan's asset and income (loss) information as of March 23, 2020 and December 31, 2019, and for the period from January 1, 2020 to March 23, 2020 and the year ended December 31, 2019, included throughout the Plan's financial statements and supplemental schedules, that was prepared by or derived from information provided by the custodians, SSBT for the year ended December 31, 2019 and MFTC for the period from January 1, 2020 to March 23, 2020, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the custodians that the information provided to the Plan Administrator by the custodians related to the following assets is accurate and complete to the best of their knowledge and belief.

Texstars, LLC 401(k) for Bargaining Unit (formerly Texstars, LLC and Gemcor Automation, LLC 401(k) for Bargaining Unit)

Notes to Financial Statements

Note 3. Information Certified by Custodians (Continued)

Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental schedules related to the following assets, notes receivable from participants and related income (loss) for the period from January 1, 2020 to March 23, 2020 and for the years ended December 31, 2019 and 2018:

	March 23, 2020	December 31, 2019	December 31, 2018
Cash	\$ -	\$ 11,845	11,811
Investments:			
Mutual funds	-	2,930,885	2,738,262
Stable value fund	-	169,852	363,502
Notes receivable from participants	-	408,034	309,049

SSBT certified to the completeness and accuracy of the \$534,325 of net appreciation in fair value of investments, \$19,708 of interest income on notes receivable from participants, and \$74,205 of interest and dividends for the year ended December 31, 2019. MFTC certified to the completeness and accuracy of the \$622,761 of net depreciation in fair value of investments, \$3,953 of interest income on notes receivable from participants, and \$8,938 of interest and dividends for the period from January 1, 2020 to March 23, 2020.

Note 4. Fair Value Measurements

The Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Texstars, LLC 401(k) for Bargaining Unit (formerly Texstars, LLC and Gemcor Automation, LLC 401(k) for Bargaining Unit)

Notes to Financial Statements

Note 4. Fair Value Measurements (Continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used during the period ended March 23, 2020 and the years ended December 31, 2019 and 2018.

Mutual funds (registered investment companies): Fair values are based on unadjusted quoted prices in active markets for identical assets or liabilities. Prices are obtained from readily available sources for market transactions involving identical assets or liabilities and these investments are classified as Level 1.

Stable value collective trust fund: A stable value fund is valued at the net asset value of units of the collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes that its valuation methods are appropriate and consistent with those of other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of March 23, 2020, December 31, 2019 and 2018.

		Investments at Fair Value as of March 23, 2020			
		Level 1	Level 2	Level 3	Total
Mutual funds		\$ -	\$ -	\$ -	\$ -

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

Investments measured using the net asset value per share practical expedient: The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of March 23, 2020, December 31, 2019 and 2018. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

Note 5. Tax Status

The Plan has adopted a nonstandardized form of a prototype plan sponsored by Transamerica. The prototype plan has received an opinion letter from the Internal Revenue Service as to the prototype plan's qualified status. The prototype plan opinion letter, dated March 31, 2014, has been relied upon by the Plan. The Plan Administrator believes that the Plan is designed and is being operated in compliance with the applicable provisions of the IRC.

The Plan follows FASB ASC 740-10-5 on accounting for uncertainty in income taxes. The Plan Sponsor's management has evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require adjustments to the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements as of March 23, 2020, December 31, 2019 and 2018, for the period from January 1, 2020 to March 23, 2020 and for the year ended December 31, 2019.

Texstars, LLC 401(k) for Bargaining Unit (formerly Texstars, LLC and Gemcor Automation, LLC 401(k) for Bargaining Unit)

Notes to Financial Statements

Note 6. Related Party Transactions

The Plan holds cash in a reserve account with SSBT. The Plan allows for loans to be taken out by participants from their account. The Plan also holds a stable value fund managed by Transamerica. Transamerica is the third-party administrator, as defined by the Plan, and SSBT is the custodian and, therefore, these transactions qualify as exempt party-in-interest transactions as defined by ERISA.

These party-in-interest transactions are not deemed prohibited because they are covered by statutory and administrative exemptions from the IRC and the rules of prohibited transactions of ERISA.

Note 7. Risks and Uncertainties

The Plan invests in various investment securities that are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 8. Subsequent Events

The Plan has evaluated subsequent events through October 13, 2020, the date the financial statements were available to be issued.

On March 11, 2020, the World Health Organization declared the novel strain of coronavirus (COVID-19) a global pandemic. This has resulted in substantial volatility in financial markets. There was not a material impact on the Plan through the date of the Plan Merger. See Note 1.
