INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Enlighted, Inc. 401(k) Plan
Sunnyvale, California

Report on the Financial Statements

We have audited the accompanying financial statements of Enlighted, Inc. 401(k) Plan (the Plan), which comprise the statement of net assets available for benefits on a modified cash basis of accounting as of December 31, 2016, the related statement of changes in net assets available for benefits on a modified cash basis of accounting for the year ended December 31, 2016, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan on the modified cash basis of accounting as of December 31, 2016, and the changes in net assets available for benefits on the modified cash basis of accounting for the year then ended December 31, 2016, in accordance with the modified cash basis of accounting.

Basis of Accounting

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements and supplemental schedule are prepared on a modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Emphasis of Matter

As discussed in Note 1 to the financial statements, Enlighted, Inc. (a wholly-owned subsidiary of the Siemens Corporation since 2018), the Plan's Sponsor, approved a merger of the Plan into the Siemens Savings Plan. The legal rights and obligations to all Plan assets and liabilities were transferred on March 29, 2019. Our opinion has not been modified with respect to this matter.

Other Matter – Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule, Schedule H, Line 4i – Schedule of assets (held at end of year) as of December 31, 2016, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

ENLIGHTED, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Plan Description

The following description of Enlighted, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General:

The Plan, established on January 1, 2016, is a defined contribution plan sponsored by Enlighted, Inc. (a wholly-owned subsidiary of Siemens Corporation since 2018) (the Company) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). On January 1, 2016, certain individuals became employees of the Company that were previously leased from Trinet HR Corporation. These employees became eligible participants in the Plan. The assets related to impacted participants previously held in the Trinet 401k Plan, a multiple employer retirement plan sponsored by Trinet HR Corporation, were also transferred into the Plan during 2016.

On March 26, 2019, the Company approved a merger of the Plan into the Siemens Saving Plan. As a result, the participants of the Plan and the assets in their accounts were transferred to the Siemens Savings Plan. Contributions to the Plan ceased for pay dates after December 31, 2018. On March 29, 2019, the legal rights and obligations to all assets and liabilities of the Plan were transferred to the Siemens Savings Plan.

The following is a description of the significant terms of the Plan prior to the merger effective March 29, 2019.

Administration:

The Plan Administrator was responsible for oversight of the Plan, determining the appropriateness of the Plan's investment offerings, and monitoring investment performance.

Eligibility:

All employees of the Company were eligible to participate in the Plan on the first of the month following their date of hire.

Contributions:

The Plan allowed participants to make voluntary pre-tax and Roth contributions to the Plan up to 90% of their eligible compensation, as defined. In addition, the Plan allowed participants who are fifty years and older to make catch-up contributions. Participants were also allowed to contribute amounts representing distributions from other qualified plans (rollover).

Contributions were subject to certain limitations of the Internal Revenue Code (the Code). Participants directed the investment of contributions into various investment options offered by the Plan.

NOTES TO FINANCIAL STATEMENTS

Note 1. Plan Description (Continued)

Participant accounts:

Each participant's account was credited with the participant's contributions, an allocation of Plan earnings, reduced for benefits paid, and charged directly for loan origination and benefit processing fees, if applicable. Allocations of Plan earnings were based on the investments held by the participant. The benefit to which a participant was entitled was limited to that which can be provided from the participant's vested account.

Vesting:

Participants were vested immediately in their contributions plus actual earnings thereon.

Payment of benefits:

On termination of service due to death, disability, or retirement, a participant could elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, periodic payments, or partial withdrawals. Distributions were also permitted in the event of financial hardship, as defined by the Plan, and for participants who have attained age 59½.

Notes receivable from participants:

Participants could borrow from their account a minimum of \$500 up to a maximum loan equal to the lesser of \$50,000 or 50% of their vested account. A participant could not have more than three loans outstanding at any given time and only one loan with an initial term greater than five years could be outstanding at any time. The loans were secured by the balance in the participant's account and bore interest at a rate determined by the Plan Administrator. Loans were to be repaid in at least monthly installments over a maximum term of five years for personal loans and thirty years for the purchase of a participant's primary residence. Principal and interest were paid ratably through monthly payroll deductions.

Administrative expenses:

Certain expenses of maintaining the Plan were paid directly by the Company and are excluded from these financial statements. The Plan paid for fees related to the origination of notes receivable from participants and benefit processing fees which were charged directly to the participant's account. The Plan also paid for certain recordkeeping fees and broker-dealer fees. Investment expenses related to fund management were included in net appreciation in fair value of investments, as they were paid through revenue sharing, rather than a direct payment from the Plan.

NOTES TO FINANCIAL STATEMENTS

Note 2. Significant Accounting Policies

Basis of accounting:

The accounts of the Plan are maintained on the modified cash basis of accounting.

Income is recorded on the basis of cash receipts. Expenses are recorded on the basis of cash disbursements. Investments are reported at fair value. Therefore, receivables, payables, accrued income and expenses which would be recognized under accounting principles generally accepted in the United States of America, and which may be material in amount, are not recognized in the accompanying financial statements.

Investment valuation and income recognition:

Investments are reported at fair value. Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the Plan's trustee, Reliance Trust Company. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded when received. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes receivable from participants:

Notes receivable from participants are measured at their unpaid principal balance. Interest income is recorded when received. Related fees are recorded as administrative expenses when paid. No allowance for credit losses has been recorded as of December 31, 2016. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan document.

Benefits:

Benefits are recorded when paid.

Use of estimates:

The preparation of financial statements in conformity with the modified cash basis of accounting requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Subsequent events:

Subsequent events have been evaluated through November 9, 2020, which is the date the financial statements were available to be issued.

NOTES TO FINANCIAL STATEMENTS

Note 3. Fair Value Measurements

Accounting principles generally accepted in the United States of America establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds: Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The funds held by the Plan are deemed to be actively traded.

Common/collective trust funds: Valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is primarily based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily.

Note 3. Fair Value Measurements (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31, 2016. The classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 402,854	\$ -	\$ -	\$ 402,854
Common/collective trusts measured at NAV ^(a)				1,570,235
Investments at fair value				\$ 1,973,089

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in the table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2016. There are no participant redemption restrictions on these investments.

Investment	Fair value	Redemption Frequency	Redemption Notice Period
Collective trust funds – Growth and income	\$1,570,235	Daily	None

There were no unfunded commitments related to the collective trust funds at December 31, 2016.

Note 4. Tax Status

The Plan adopted a nonstandardized form of a prototype plan sponsored by ADP, LLC (ADP). The prototype plan has received an opinion letter from the Internal Revenue Service (IRS) as to the prototype plan's qualified status dated July 8, 2014. The prototype plan opinion letter has been relied upon by this Plan.

NOTES TO FINANCIAL STATEMENTS

Note 4. Tax Status (Continued)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan for any uncertain positions, and has concluded that as of December 31, 2016, there are no uncertain positions taken or expected to be taken that would require payment of income taxes or disclosure in the financial statements. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is subject to income tax examinations for all years since the Plan's inception in 2016.

The Company determined the 2016 Form 5500-SF was incorrectly filed and that Form 5500 should have been filed with financial statements audited by an independent qualified accountant. The Plan will refile its 5500 with audited financial statements. Other than the filing of the 2016 Form 5500, the Plan Administrator believes that the Plan was designed and operated in compliance with the applicable requirements of the Code.

Note 5. Party-In-Interest Transactions

A party-in-interest is defined under the Department of Labor's regulations as any fiduciary of the Plan, any party rendering services to the Plan, the employer, certain participants, and others. The Plan allows participants to take loans from their accounts in the Plan. Certain notes receivable from participants and income thereon qualify as party-in-interest transactions.

ADP and its affiliates provided certain recordkeeping and retirement advisory services to the Plan. Therefore, transactions with ADP qualify as party-in-interest transactions. Fees paid by the Plan to ADP for these services amounted to \$950 for the year ended December 31, 2016.

Note 6. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
