J. Fletcher Creamer & Son, Inc. 401(k) Profit Sharing Plan

Notes to Financial Statements

Period Ended April 30, 2020 and Year Ended December 31, 2019

Note 1 - Description of Plan

The following brief description of the J. Fletcher Creamer & Son, Inc. 401(k) Profit Sharing Plan (the "Plan"), is provided for general information purposes only. Participants should refer to the Plan agreement for a more comprehensive description of the Plan's provisions.

a. Plan Termination

The Plan sponsor elected to terminate the Plan as of April 30, 2020. As of the date of termination, all participants with balances in the plan became 100 percent vested in their accounts. All the assets of the Plan were deemed distributed to participants as of April 30, 2020. As of December 31, 2019, all assets of the Plan were frozen. Employee pre-tax and Roth contributions, employer non-elective safe harbor and matching contributions were ceased. Distributions were still allowed.

b. General

The Plan is a defined contribution plan covering all eligible employees of J. Fletcher Creamer & Son, Inc. (the "Company"). Employees not covered by a collective bargaining agreement which provides for retirement benefits are eligible to participate in the Plan upon attainment of age 21 provided they have completed the required service. Required service for elective deferrals is completion of three consecutive months of service having worked at least 250 hours in such period. Entry date for elective deferrals is the first payroll after satisfaction of eligibility. Employees are eligible to receive a profit sharing contribution upon completion of 1,000 hours of service during a plan year. Entry into the profit sharing component of the plan is the first day of the plan year when the eligibility requirement has been satisfied. Employees are eligible to receive a safe harbor non-elective contribution upon completion of one year of consecutive employment and 21 years of age. The entry date for the safe harbor provision is the first pay period of the calendar quarter coincident with or next following satisfaction of the eligibility requirement. The Plan is subject to the Employee Retirement Income Security Act of 1974 ("ERISA").

The Plan assets are currently held by Great-West Life & Annuity Insurance Company, Custodian of the Plan, with the exception of the life insurance policies which are held at MetLife. Company contributions, participant elective deferrals, and participant accounts are also held by the Custodian, who invests cash received and income from investments based on written instructions from the Company and participants, and makes distributions to participants. The Plan trustees are responsible for oversight of the Plan and for determining the appropriateness of the Plan's investment offerings and monitoring investment performance. The Plan trustees are also responsible for oversight of the insurance policies and the payment of insurance premiums associated with these policies as well as handling the distributions of any cashed in policies.

The Plan was amended effective January 1, 2015 to allow participants to make Roth 401(k) contributions as well as exclude casual employees from the Plan as defined in the employee handbook. In addition, subsequent to January 1, 2015, the Plan provides for automatic enrollment on the participant's entry date. Unless the employee elects otherwise, 1% of their eligible compensation will be automatically deferred into the Plan for the benefit of the employee.

Notes to Financial Statements

Period Ended April 30, 2020 and Year Ended December 31, 2019

Note 1 - Description of Plan - Continued

c. Contributions

Pre-tax employee contributions are made pursuant to salary deferral agreements. Each year, participants may contribute a percentage of their pre-tax annual compensation, subject to certain limitations as defined by the Plan and the Internal Revenue Code ("IRC"). The maximum participant deferral for the period ended April 30, 2020 and year ended December 31, 2019 was \$19,500 and \$19,000, respectively. Participants age 50 and over are also eligible to make catch-up contributions. Participants may also contribute rollover amounts representing distributions from other qualified plans.

The Company provides for a safe harbor non-elective contribution based on 3% of eligible compensation. A safe harbor contribution is a minimum contribution made by the Company that allows the Plan to be exempt from 401(k) non-discrimination tests.

The Company, at its discretion, may also make non-elective profit sharing contributions. The Plan sponsor has elected to make discretionary profit sharing contributions in the amount of \$-0- and \$1,341,349 for the period ended April 30, 2020 and year ended December 31, 2019, respectively.

d. Participant Accounts

Each participant's account is credited with the participant's contribution and Company's safe harbor non-elective contribution as well as allocations of (a) the Company's discretionary profit sharing and forfeiture contributions, (b) the Plan's investment earnings (losses), net of investment, and administrative expenses, paid by the Plan. Allocations are based on participant earnings or account balances as defined. The benefit to which a participant is entitled is the amount that can be provided from the participant's vested account.

e. Vesting

Participants are 100% vested immediately in their elective deferral amounts, rollover contributions, and the Company's safe harbor non-elective contribution, plus actual earnings thereon. Vesting in the Company's discretionary contribution is based on years of service. A participant is 100% vested upon: (1) disability; (2) death; (3) normal retirement at age 65 and fifth anniversary of becoming a participant; or (4) termination of the Plan. If a participant's employment with the Company is terminated before age 65 for any reason other than disability or death, the participant shall be entitled to an amount equal to the "vested percentage" of his or her account balance. A participant shall have a vested and nonforfeitable interest in the employer's discretionary contribution portion of his or her account balance determined by the number of years of credited service as follows:

2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years	100%

As of April 30, 2020, all participants became 100% vested in their account balances due to the plan termination.

Period Ended April 30, 2020 and Year Ended December 31, 2019

Note 1 - Description of Plan - Continued

f. Participant Notes

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000, or 50% of their vested account balance, whichever is less. Participant notes are secured by the balance in the participant's accounts and bear interest at a rate commensurate with the local prevailing rates, which was 6.50% in 2020 and 2019, as determined by the Plan administrator. Principal and interest are paid ratably through regular payroll deductions. In general, loans must be repaid within five years unless the loan is used to purchase a principal residence. The Plan only allows one outstanding loan.

g. Payment of Benefits

On termination of service, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account or elect to rollover funds into an IRA or other retirement account. Annuities are not allowed by the plan. If the participant does not elect a distribution upon termination and their vested account balance is between \$1,000 and \$5,000, the balance will be directed into an IRA. Prior to termination, a participant may withdraw their elective contributions and non-elective profit sharing contributions in the event of undue financial hardship. Non-elective safe harbor contributions are not available to be withdrawn in the event of undue financial hardship. The Plan also provides for in-service distributions for participants who have attained age 59½.

h. Forfeited Accounts

Forfeited non-vested accounts, which will be allocated to participants as well as used to pay administrative expenses of the Plan, totaled of \$-0- and \$240,283 at April 30, 2020 and December 31, 2019, respectively. These non-vested accounts are invested in the Guaranteed Portfolio Fund. In 2020 and 2019 the plan's trustees elected to reallocate forfeitures to participants in the amount of \$-0- and \$365,181 at April 30, 2020 and December 31, 2019, respectively. The Company transferred the remaining balance in the forfeiture account at April 30, 2020 in the amount of \$116,487.

Note 2 - Summary of Significant Accounting Policies

a. Basis of Accounting and Financial Statement Presentation

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") for defined contribution plans. For the period ended April 30, 2020, and the year ended December 31, 2019, the Plan's basis of accounting was accrual basis.

b. Estimates

The preparation of financial statements in conformity U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

c. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan trustees determine the Plan's valuation policies utilizing information provided by the investment advisors and Trustee.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

d. Participant Notes

Notes receivable from participants are stated at their unpaid principal balance plus any accrued, but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of April 30, 2020 or December 31, 2019. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded. Loans treated as distributions totaled \$-0- and \$115,995 for the period ended April 30, 2020 and the year ended December 31, 2019, respectively. Loans distributed out of the Plan to another plan during the period ended April 30, 2020 totaled \$459,321.

e. Payment of Benefits

Benefits are recorded when paid.

f. Administrative Expenses

Certain administrative expenses of the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

g. Subsequent Events

The Plan has evaluated subsequent events for potential recognition or disclosure through November 16, 2020, the date the financial statements were available to be issued.

Notes to Financial Statements

Period Ended April 30, 2020 and Year Ended December 31, 2019

Note 3 - Information Certified and Provided by Plan Trustee (Unaudited)

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Great-West Life & Annuity Insurance Company, the Custodian of the Plan, as complete and accurate, except for comparing such information certified by the Custodian to information included in the Plan's financial statements and supplemental schedule:

	<u>April 30,</u> <u>2020</u>	<u>December 31,</u> <u>2019</u>
Mutual funds	\$ -	\$ 44,988,749
Fixed annuities	\$ -	\$ 8,194,240
	<u>Period Ended</u> <u>April 30,</u> <u>2020</u>	<u>Year Ended</u> <u>December 31,</u> <u>2019</u>
Investment income (loss)		
Interest and dividends	\$ 163,280	\$ 2,276,080
Net appreciation (depreciation) in fair value of investments	\$ (6,019,209)	\$ 7,241,933

Note 4 - Investments and Fair Value Measurement

The Plan's investments are reported at fair value, which represents liquidation value at April 30, 2020, in the accompanying statements of net assets available for benefits. The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; or
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

J. Fletcher Creamer & Son, Inc. 401(k) Profit Sharing Plan

Notes to Financial Statements

Period Ended April 30, 2020 and Year Ended December 31, 2019

Note 4 - Investments and Fair Value Measurement - Continued

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes to the methodologies used at April 30, 2020.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Fixed Annuities: The fair value of fixed annuities is recorded using the reported values for fixed annuity options based on the valuation method disclosed in the annuity contract, as calculated by the annuity provider.

Life Insurance Policies: The fair value of life insurance policies is recorded at the cash surrender value ("CSV") of the policy investment.

The following tables set forth by level within the fair value hierarchy, the Plan's assets at fair value:

Due to the Plan Termination, all assets are \$-0- at April 30, 2020.

	December 31, 2019			
	Total	Level 1	Level 2	Level 3
Mutual funds	\$ 44,988,749	\$ 44,988,749	\$ -	\$ -
Fixed annuities	8,194,240	-	8,194,240	-
Life insurance policies	18,994	-	-	18,994
Total investments	<u>\$ 53,201,983</u>	<u>\$ 44,988,749</u>	<u>\$ 8,194,240</u>	<u>\$ 18,994</u>

J. Fletcher Creamer & Son, Inc.

401(k) Profit Sharing Plan

Notes to Financial Statements

Period Ended April 30, 2020 and Year Ended December 31, 2019

Note 4 - Investments and Fair Value Measurement - Continued

The following sets forth a summary of changes in the fair value of the Plan's unobservable (Level 3) assets for the period ended April 30, 2020 and year ended December 31, 2019:

January 1, 2019, balance, <i>beginning of year</i>	\$ 289,150
Increase in cash surrender value of participants' life insurance	26,440
Policies distributed to participants	<u>(296,596)</u>
December 31, 2019, balance, <i>end of year</i>	18,994
Decrease in cash surrender value of participants' life insurance	(215)
Policies distributed to participants	<u>(18,779)</u>
April 30, 2020, balance, <i>end of period</i>	<u><u>\$ -</u></u>

The Plan, up through July 31, 2011, allowed for a participant to elect having part of his or her account invested in life insurance. The life insurance insures the participant's life and/or the lives of others in whom the participant has an insurable interest and on whose life the participant elects to purchase such insurance. Any dividends or credits earned on insurance contracts are allocated to the participant's account. The premiums on the insurance contracts are charged to each participant's account. As of August 1, 2011, the Plan no longer provides for the purchase of life insurance.

Note 5 - Related Party and Party-In-Interest Transactions

The Company did not pay any expenses in connection with the administration of the Plan for the period ended April 30, 2020 and year ended December 31, 2019.

Certain administrative functions are performed by employees of the Company who do not receive compensation for such functions.

Certain Plan investments are managed by Great-West Life & Annuity Insurance Company, the Custodian of the Plan.

Note 6 - Tax Status

On March 31, 2014, the Internal Revenue Service stated that the prototype adopted by the Plan, as then designed, qualified under Section 401(a) of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

The Plan's management evaluates tax positions taken by the Plan and recognizes a tax liability or asset if an uncertain tax position was taken and it is more-likely-than-not that the tax position would not be sustained upon examination by taxing authorities. The Plan is subject to routine audits by taxing jurisdictions. The Plan is no longer subject to income tax examinations for years prior to 2017.

J. Fletcher Creamer & Son, Inc.
401(k) Profit Sharing Plan

Notes to Financial Statements

Period Ended April 30, 2020 and Year Ended December 31, 2019

Note 7 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 8 - Impact of COVID-19

On January 30, 2020, the World Health Organization declared the coronavirus outbreak ("COVID-19") a "Public Health Emergency of International Concern" and on March 11, 2020, declared it to be a pandemic. The COVID-19 pandemic has resulted in a downturn in and volatility of the financial markets, record-low interest rates and wide-ranging changes in consumer behavior in the United States and throughout the world. As a result, the Plan's investments incurred a significant decline of approximately \$6,000,000 in fair value from the start of the pandemic through April 30, 2020.

In response to the COVID-19 pandemic, in March 2020, the Coronavirus Aid, Relief, and Economic Security ("CARES") Act was enacted and signed into law. Certain provisions of the CARES Act allow defined contribution plans to waive required minimum distributions otherwise required to be paid in calendar year 2020. The CARES Act also permits tax-advantaged withdrawals and the suspension of certain loan repayments by certain participants affected by COVID-19. The Plan has not adopted these provisions.
