NOTE 1 – PLAN DESCRIPTION

The following description of the Abaco Drilling Technologies LLC 401(k) Plan (the "Plan") (formerly known as BasinTek LLC One 401(k) Plan) provides only general information. Effective January 1, 2019, the Plan was amended to change its name from BasinTek LLC One 401(k) Plan to Abaco Drilling Technologies LLC 401(k) Plan. Participants should refer to the Plan Document or Summary Plan Description for a more complete description of the Plan's provisions.

General – The Plan, which commenced effective January 1, 2015, is a defined contribution plan that provides retirement savings benefits to eligible employees of BasinTek LLC. Effective January 1, 2019, the Company's name changed to Abaco Drilling Technologies LLC (the "Company" or "Employer"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and the Internal Revenue Code ("IRC").

Plan Custodian and Trustee – Effective January 1, 2019, the Plan was amended and restated and a new trustee, Reliance Trust Company ("Reliance" or "Trustee") was appointed. Among other duties, the Trustee receives the contributions, holds and invest the fund assets in accordance with the directions of participants, and makes disbursements as directed by the Plan Administrator. ADP Retirement Services was appointed as the new record-keeper. Prior to January 1, 2019, John Hancock Life Insurance Company ("John Hancock") was the custodian and record-keeper of the Plan and an employee of the Company served as the trustee of the Plan.

Due from Broker for Securities Sold and Plan Amendment – On December 31, 2018, the pooled separate accounts held by the Plan were liquidated and transferred to Reliance in preparation for the change in custodian and recordkeeper. The transfer was finalized on January 2, 2019, the trade date for the sale of securities. Plan assets transferred to Reliance were transferred into funds comparable to those offered by John Hancock. The conversion initiated a "Black Out" period beginning December 24, 2018 and continued through February 15, 2019. During this period, funds could not be applied to the employee selected funds with Reliance or withdrawn from the Plan until Reliance had time to accurately complete the conversion. Employee contributions continued to be made through payroll deductions and the contributions were deposited and held in a fund until the completion of the Black Out period. At the end of the Black Out period, these funds were invested in funds as requested by each participant.

Eligibility – Except those under collective bargaining agreements and non-resident aliens who receive no U.S.-source income, employees are eligible to participate in the Plan after the employee has reached 21 years of age and completed three months of service. Effective January 1, 2019, the Plan was amended and restated to provide for the following changes: leased employees are no longer allowed to participate in the Plan; the minimum age requirement to be eligible to participate in the Plan changed to 18 years of age. Employees are permitted to enter the Plan monthly, upon the first day of each month coincident with or following satisfaction of the eligibility requirements.

Participant Contributions – The Plan permits eligible employees to contribute, on a before-tax or Roth basis, up to 90% of eligible compensation as defined by the Plan and subject to the annual IRC limit which was $19,000 for 2019. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions of up to the maximum allowed annually by the IRC which was $6,000 for 2019. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. Participants direct the investment of their contributions into various investment options offered by the Plan. Effective January 1, 2019, the Plan was amended to provide for an automatic escalation feature. Each year on July 1st, participants with a deferral rate below 5% will have their deferral contribution rate increased by 1% until it reaches a maximum of 5% of eligible compensation, unless they elect otherwise.

NOTE 1 – PLAN DESCRIPTION – continued

Rollover Contributions – Participants also may contribute amounts representing distributions from other qualified defined benefit or defined contribution plans ("rollover").

Employer Contributions – The Company makes Safe Harbor Employer matching contributions in an amount equal to 100% of the first 3% of participant's eligible compensation and 50% of the next 2% of participant's eligible compensation contributed to the Plan as employee contributions. Contributions are subject to certain limitations under the IRC. The Company may make discretionary matching or profit-sharing contributions to the Plan. There were no such contributions for the year ended December 31, 2019.

Participant Accounts – Each participant's account is credited with the participant's contributions, the Company's Safe Harbor Employer matching contributions, and Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Participants are immediately vested in in their contributions, Safe Harbor Employer matching contributions, and any discretionary contributions plus actual earnings thereon.

Notes Receivable from Participants – Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their account balance. Loans must be repaid over a period not exceeding five years from the date of the loan, except for loans used for the purchase of a principal residence. The maximum loan term for a principal residence loan is 20 years. The maximum number of loans that a participant may have outstanding at any given time is two. The loans are secured by the balance in the participant's account. The loan interest rate is set at 2% above the Prime rate, as defined. Principal and interest are paid ratably through payroll deductions at least quarterly. Effective January 1, 2019, the loan interest rate is set at 1% above the Prime rate; and the maximum number of loans that a participant may have outstanding at any given time is one.

Payment of Benefits – Upon separation of service due to death, disability, normal retirement, or termination of employment, a participant may elect to receive a lump sum payment from the vested portion of their account balance. If a terminated employee has an account balance exceeding $5,000, the participant may elect to maintain their balances within the Plan.

A participant may withdraw all or a portion of their pre-tax deferrals or rollover contributions in the event of a financial hardship, as defined by the Plan. Additionally, upon attainment of age 59 ½, participants are permitted in-service withdrawals from their pre-tax deferrals or rollover contributions.

Forfeited Accounts – At December 31, 2019, and 2018, forfeited nonvested accounts totaled $20 and $0, respectively. These accounts will be used to reduce future employer contributions. Also, in 2019, employer contributions were reduced by $10,548 from forfeited nonvested accounts.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The Plan's financial statements are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates – The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, changes in those assets and liabilities, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – continued

Investment Valuation and Income Recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2019 and 2018. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan Agreement.

Payment of Benefits – Benefit payments are recorded when paid.

Administrative Expenses – Loan origination fees associated with notes receivable from participants, check fees associated with distributions, and certain expenses incurred maintaining the Plan are paid by the Plan and are reflected in the financial statements as Plan expenses. Investment management fees are charged to the Plan as a reduction of investment return and are included in net appreciation of fair value of investments. All other expenses of the Plan are paid by the Company.

Recent Accounting Pronouncements – In August 2018, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") 2018-13, *Fair Value Measurement (Topic 820): Disclosure Framework – Changes to the Disclosure Requirements for Fair Value Measurement.* The amendments in this ASU modify the disclosure requirements on fair value measurements in Topic 820, including the removal, modification, and addition of certain disclosure requirements. The updated guidance is effective for fiscal years beginning after December 15, 2019, with early adoption permitted. The Plan has elected not to early adopt ASU 2018-13 and does not expect the ASU to have a material impact on its financial statements or disclosures.

Subsequent Events – See Note 9. The Plan has evaluated all events and transactions that occurred through September 4, 2020, the date these financial statements were available to be issued.

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under FASB Accounting Standards Codification ("ASC") 820 are described as follows:

- **Level 1** – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.
- **Level 2** – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

NOTE 3 – FAIR VALUE MEASUREMENTS – continued

- **Level 3** – Inputs in the valuation methodology are unobservable and significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2019 and 2018:

- *Mutual Funds* – These investments are public investment vehicles valued using the net asset value ("NAV") provided by the administrator of the fund. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The NAV is a quoted price in an active market and classified in level 1 of the valuation hierarchy.
- *Stable Value Collective Trust Fund* – A stable value fund that is comprised primarily of fully benefit-responsive investment contracts that is valued at the NAV of units of the bank collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2019 and 2018. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

	Assets at Fair Value as of December 31, 2019			
	Level 1	**Level 2**	**Level 3**	**Total**
Mutual funds	$ 7,111,919	$ -	$ -	$ 7,111,919
Total assets in fair value hierarchy	7,111,919	-	-	7,111,919
Investments measured at NAV*	-	-	-	180,046
Total Investments, at fair value	$ 7,111,919	$ -	$ -	$ 7,291,965

	Assets at Fair Value as of December 31, 2018			
	Level 1	**Level 2**	**Level 3**	**Total**
Mutual funds	$ -	$ -	$ -	$ -
Total assets in fair value hierarchy	-	-	-	-
Investments measured at NAV*	-	-	-	-
Total Investments, at fair value	$ -	$ -	$ -	$ -

(a) In accordance with ASC 820-10, certain investments (stable value collective trust fund) that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTE 4 – RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Plan investments are managed by the Trustee and Custodian; as such, these transactions qualify as party-in-interest transactions as defined by ERISA. Such transactions are permitted under the provisions of the Plan and are exempt from the prohibition of party-in-interest transactions under ERISA. There have been no known prohibited transactions with parties-in-interest. As described in Note 2, the Plan paid certain expenses related to Plan operations and investment activity to service providers.

The Plan has notes receivables from participants at December 31, 2019 and 2018. As a result, these receivables and all transactions relating to these receivables qualify as party-in-interest transactions. These transactions are exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE 5 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Employer contributions.

NOTE 6 – TAX STATUS

Effective January 1, 2019, The Plan adopted a volume submitter defined contribution plan (the "Prototype Plan") sponsored by ADP, LLC. The IRS has determined and informed the Prototype Plan Sponsor by letter dated July 16, 2014 that the Prototype Plan is designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC, and therefore believes that the Plan is qualified, and the related trust is tax-exempt.

Prior to January 1, 2019, the Plan adopted a volume submitter defined contribution plan (the "Volume Submitter Plan") sponsored by Nova Associates Inc. The IRS has determined and informed the Volume Submitter Plan sponsor by letter dated March 31, 2014 that the Volume Submitter Plan is designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC, and as such believes that the Plan is qualified, and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2019, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Plan management believes it is not subject to income tax examinations prior to 2016.

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8 – INFORMATION PREPARED AND CERTIFIED BY THE PLAN'S TRUSTEE AND CUSTODIAN

The Plan Sponsor has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the trustee and custodian have certified that the following data included in the accompanying financial statements and supplemental schedule are complete and accurate:

December 31,	**2019**	**2018**
Mutual funds	$ 7,111,919	$ -
Common collective trust	180,046	-
Notes receivable from participants	399,795	-

Year Ended December 31,	**2019**
Net appreciation in fair value of investments	$ 996,102
Dividends	261,072
Interest income on notes receivable from participants	20,308

The Plan's independent auditor did not perform auditing procedures with respect to this information except for comparing such information with the related information included in the financial statements.

NOTE 9 – SUBSEQUENT EVENTS

On March 11, 2020, the World Health Organization declared COVID-19 a pandemic. The COVID-19 pandemic and resulting global disruptions have caused significant economic uncertainty and volatility in financial markets. As a result, the COVID-19 pandemic has affected and may continue to affect the market price of Plan assets. The potential economic impact brought by COVID-19, and the duration thereof, are difficult to assess or predict and will depend on future developments that are highly uncertain.

The Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act"), which was signed into law on March 27, 2020, and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the "SECURE Act"), establish certain operational changes that may be made to the Plan. Among others, these changes include allowing certain eligible individuals to receive coronavirus-related relief for loan repayment, suspending required minimum distributions, and delaying the commencement date for required minimum distributions. These and other optional features within the acts are currently being assessed by Plan management on an ongoing basis and implemented as deemed appropriate. but have not been implemented to date. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.

The Plan was amended on January 1, 2020 to adopt the statutory changes pursuant to the Disaster Tax Relief and Airport and Airway Extension Act of 2017, the Tax Cuts and Jobs Act of 2017, the Bipartisan Budget Act of 2018, and Code Sections 401(k) and 401(m) 2019 Final Hardship Regulations and any related guidance.

Effective May 1, 2020, the Company suspended safe harbor matching contributions. The Company may, at the discretion of management, re-implement its safe harbor contributions at a future date.
