Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Sheet Metal, Air, Rail and Transportation Association Local Union No. 33 Youngstown District Annuity Fund as of December 31, 2019 and 2018, and the changes in net assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Supplemental Schedule

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule H, line 4i - schedule of assets held for investment purposes at end of year referred to as "supplemental schedule," is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NOTE A - DESCRIPTION OF PLAN

The following brief description of Sheet Metal, Air, Rail and Transportation Association Local Union No. 33 Youngstown District Annuity Fund (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

General:

The Sheet Metal, Air, Rail, and Transportation Association Local Union No. 33 Youngstown District Annuity Fund is a multi-employer defined contribution plan with a joint union-management Board of Trustees. The Plan was established June 1, 1986, for the benefit of members of the Sheet Metal Workers International Association Local Union in the Youngstown, Ohio area. Effective April 22, 2013, the Board of Trustees changed the name of the Plan from Sheet Metal Workers Local 33 Youngstown District Annuity Plan to Sheet Metal, Air, Rail, and Transportation Association Local Union No. 33 Youngstown District Annuity Fund. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Administration:

The Plan is administered by BeneSys, Inc. BeneSys Inc.'s powers and duties relate to the issuance of interpretive rules and regulations in accordance with the Plan document, including determination of the method and time of benefit distributions and authorization of disbursements from the Plan.

The assets of the various investment accounts are maintained and administered by Mass Mutual, the trustee, which is responsible for the custody of Plan assets. The Plan agreement provides that the trustee of the Plan shall hold, invest, reinvest, manage and administer all assets of the Plan for the exclusive benefit of participants and their beneficiaries.

Annuity Benefits:

The purpose of the Plan is to provide retirement, disability, hardship, death and severance pay benefits for eligible employees and their beneficiaries.

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

Period When Service Was Ended	Specified Rates Per Hour Worked by Participants				
	Class "A"	Class "B"	Residential	Apprentices

July 1, 2017 - May 31, 2018	4.35	2.99	2.88	1.09	2.18

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting:

The accounting records of the Plan are maintained on the accrual basis. Investments are stated at the current market price at the statement of net assets date. The change in the difference between the current value and the cost of investments is reflected in the statements of changes in net assets available for benefits as net appreciation or depreciation in fair value of investments.

Payment of Benefits:

Benefit payments to participants are recorded when paid.

Investment Valuation and Income Recognition:

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's trustees determine the Plan's valuation policies utilizing information provided by the investment advisors and custodians.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Cash Equivalents:

The Plan considers highly liquid debt instruments purchased with original maturity dates of three months or less to be cash equivalents.

December 31, 2019 and 2018

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Contributions Receivable:

Employer contributions are generally received by the Fund in the one month following the month in which the hours are worked by the members. Contributions received for hours worked through December are accrued at year-end and are included in the current year's income.

Income Taxes:

The Plan obtained its latest determination letter dated March 23, 2012, in which the Internal Revenue Service states that the Plan, as then designed, was in compliance with the applicable requirements under Section 401(a) of the Internal Revenue Code (IRC) and, therefore, the related trust is exempt from taxation. The Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

Use of Estimates:

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Administrative Expenses:

The Plan's expenses are paid by the Plan as provided by the plan document. Expenses incurred in connection with the administration of the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits.

Subsequent Events:

Management evaluated all activity of the Plan through October 2, 2020, the date the financial statements were available to be issued, and concluded that no subsequent events have occurred that would require recognition or disclosure in the financial statements or notes except as noted below.

On January 30, 2020, the World Health Organization ("WHO") announced a global health emergency because of a new strain of coronavirus (the "COVID-19 outbreak") and the risks to the international community as the virus spreads globally beyond its point of origin. In March 2020, the WHO classified the COVID-19 outbreak as a pandemic, based on the rapid increase in exposure globally.

The full impact of the COVID-19 outbreak continues to evolve as of the date of this report. This pandemic has adversely affected global economic activity and greatly contributed to instability in financial markets. Because the values of the Plan's individual investments may fluctuate in response to changing market conditions, the amount of losses that will be recognized in subsequent periods, if any, and related impact on the Plan's liquidity cannot be determined at this time.

NOTE C - INVESTMENTS AND FAIR VALUE MEASUREMENTS

FASB ASC 820 required the Plan to classify its assets and liabilities based on valuation methods using three levels. Level 1 inputs are based on quoted prices in active markets for identical investments. Level 2 inputs are based on significant observable market inputs, such as quoted prices for similar investments and quoted prices in inactive markets. Level 3 inputs are based on significant unobservable inputs that reflect the Plan's determination of assumptions that market participants might reasonably use in valuing the investments. The valuation levels are not necessarily an indication of risk or liquidity associated with the underlying investments.

Level 2 Fair Value Measurements

NOTE D - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

NOTE E - PLAN TERMINATION

Although it has not expressed any intent to do so, the trustees have the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

NOTE F - RELATED PARTY AND PARTY-IN-INTEREST

Certain Plan assets are invested in funds managed by custodians of the Plan. As described in Note B, the Plan paid certain expenses related to Plan operations and investment activity to various service providers. These transactions are party-in-interest transactions under ERISA.

NOTE G - CONCENTRATION OF CREDIT RISK

The Plan maintains its cash balance in one financial institution located in Ohio. The account is insured by the Federal Deposit Insurance Corporation subject to various limits and conditions. At times the balance may exceed the insured amount.
