Tax Deferred Annuity Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of The Rock and Roll Hall of Fame and Museum, Inc. Tax Deferred Annuity Plan (the Plan), which comprise the statements of net assets available for benefits as of December 31, 2019 and 2018, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matters described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the United States Department of Labor Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified or provided by State Street Bank and Trust Company (State Street), the former custodian, for the period January 1, 2018 through June 10, 2018, and Reliance Trust Company (Reliance) as of and for the period June 11, 2018 through December 31, 2018 and as of and for the year ended December 31, 2019, and Massachusetts Mutual Life Insurance Company (MassMutual) as of and for the years ended December 31, 2019 and 2018, the current custodians of the Plan, except for comparing this information with the related information included in the financial statements and supplemental schedules. We have been informed by the Plan Administrator that the custodians hold the Plan's assets and execute transactions. The Plan Administrator has obtained certifications from the custodians as of December 31, 2019 and 2018, and for the years then ended that the information provided to the Plan Administrator by MassMutual and State Street is complete and accurate, and that the information provided to the Plan Administrator by Reliance is complete and accurate to the best of their knowledge and belief.

Independent Auditor's Report (Continued)

In addition, certain annuity or custodial accounts may have been issued to current or former employees without the Plan Administrator's knowledge prior to January 1, 2009; therefore, the Plan has not maintained accounting records and supporting documents relating to these accounts. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the financial statements may have been affected by these conditions.

Further, as described in Note 9, the Plan may have excluded from investments in the accompanying statements of net assets available for benefits certain annuity and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. The investment income and distributions related to such accounts, if any, may have also been excluded from the accompanying statements of changes in net assets available for benefits. The amount of these excluded annuity and custodial accounts and the related income and distributions, if any, are not determinable. Accounting principles generally accepted in the United States of America require that these accounts and the related income and distributions be included in the accompanying financial statements.

Disclaimer of Opinion

Because of the significance of the matters described in the Basis for Disclaimer of Opinion paragraphs, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter - Report on Supplementary Information

The supplemental schedules of assets (held at end of year) and delinquent contributions as of or for the year ended December 31, 2019 are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and are presented for the purposes of additional analysis and are not a required part of the financial statements. The supplemental schedules are the responsibility of the Plan's management. Because of the significance of the matters described in the Basis for Disclaimer of Opinion paragraphs, we do not express an opinion on the supplemental schedules.

Tax Deferred Annuity Plan**

Notes to Financial Statements

Note 1. Description of Plan

The following description of The Rock and Roll Hall of Fame and Museum, Inc. Tax Deferred Annuity Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General: The Plan is sponsored and administered by The Rock and Roll Hall of Fame and Museum, Inc. (the Plan Sponsor or Company). The Plan is subject to provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The Plan is a defined contribution plan covering all eligible employees of the Company. To be eligible to participate in employer non-elective contributions, the participant must have completed one-year of service with the Company but is not required to have employee elective deferrals withheld. One year of service is defined as having completed 1,000 hours of service within the Plan year.

Contributions: Eligible employees may make contributions to the Plan immediately upon hiring or upon the next Plan entrance date, as applicable. Effective March 1, 2019, upon meeting the eligibility requirements, participants are automatically enrolled to contribute 3% of eligible compensation. Unless otherwise elected, the automatic deferral rate increases by 1% each Plan year on March 1, up to a maximum of 10%. Each year, participants may contribute up to the maximum percentage of pretax annual compensation, as defined by the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. Participants who attain age 50 before the end of the Plan year are eligible to contribute additional catch-up contributions. Contributions are subject to certain limitations.

In addition, the Plan Sponsor contributes, on behalf of eligible employees, a non-elective, safe harbor contribution equal to 3% of their eligible compensation. Upon written request from the employee, the Plan Sponsor will also contribute annually an amount equal to the participant's unused vacation time. Such contributions shall be limited to the compensatory value of the participant's unused vacation time for a minimum of five days and a maximum of ten days.

Participant accounts: Each participant's account is credited or charged with the participant's contributions and allocations of (a) the Company's contributions, (b) Plan earnings and (c) administrative expenses. Allocations are based on account balances or employee compensation, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants immediately vest in their contributions plus actual earnings thereon. Participants become 100% vested in employer non-elective contributions upon meeting eligibility requirements to participate in such non-elective contributions.

Notes receivable from participants: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of the lesser of 50% of their vested account balance or \$50,000. The loans are secured by the balance in the participant's account and bear interest at a fixed rate commensurate with local prevailing rates at the time of the loan. Participants may not have more than one loan outstanding at any time. Principal and interest is paid ratably through scheduled payroll deductions.

The Rock and Roll Hall of Fame and Museum, Inc.
Tax Deferred Annuity Plan

Notes to Financial Statements

Note 1. Description of Plan (Continued)

Payment of benefits: Participants who have attained normal retirement age of 65 or the age of 59½ may withdrawal in cash all or part of their account as defined by the Plan. Participants under the age of 59½ may withdrawal all or part of their tax-deferred contributions only for reasons of extreme financial hardship as defined under federal law. Upon termination or separation of service, a participant may receive a lump-sum amount equal to the value of their vested account balance.

Expenses: All expenses of maintaining the Plan are paid by the Plan or the Company, as determined by the Company.

Note 2. Summary of Significant Accounting Policies

Basis of accounting: The financial statements are prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of estimates: The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Investment valuation and income recognition: Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of benefits: Benefits are recorded when paid.

Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued interest. Delinquent loans are treated as distributions based upon the terms of the Plan document.

Risks and uncertainties: The Plan invests, at the direction of the participants, in various investment securities as offered by the Plan. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 2. Summary of Significant Accounting Policies (Continued)

Recently issued accounting pronouncement: In August 2018, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2018-13, *Fair Value Measurement (Topic 820): Disclosure Framework—Changes to the Disclosure Requirements for Fair Value Measurement*, which modifies the disclosure requirements for fair value measurements by removing, modifying, and adding certain disclosures. ASU 2018-13 is effective for the Plan for fiscal years beginning after December 31, 2019. The Plan is permitted to early adopt any removed or modified disclosures and delay adoption of the additional disclosures until their effective date. The Plan is currently evaluating the impact of this new standard on its financial statements.

Subsequent events: The Plan has evaluated subsequent events for potential recognition and/or disclosure through December 17, 2020, the date the financial statements were available to be issued.

Note 3. Information Certified or Provided by State Street, Reliance, and MassMutual

The following is a summary of the Plan's asset information as of December 31, 2019 and 2018, and for the years then ended, included throughout the Plan's financial statements and supplemental schedules that were prepared by or derived from information provided by the custodians and furnished to the Plan Administrator. The Plan Administrator has obtained certifications related to the following assets from the custodians that information provided to the Plan Administrator by MassMutual and State Street is complete and accurate and information provided by Reliance is complete and accurate to the best of their knowledge and belief. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental schedules related to the following assets.

	2019	2018
Mutual funds (Reliance)	\$ 9,786,373	\$ 7,553,366
Group annuity contract (MassMutual)	\$ 399,431	\$ 584,650
Notes receivable from participants (MassMutual)	\$ 61,259	\$ 62,228

The custodians also certified to the completeness and accuracy of the following for the years ended December 31:

	2019	2018
Net appreciation (depreciation) in fair value of investments	\$ 1,320,425	\$ (1,111,755)
Interest and dividends	\$ 517,629	\$ 609,030
Interest income on notes receivable from participants	\$ 4,017	\$ 1,997

Tax Deferred Annuity Plan

Notes to Financial Statements

Note 4. Fair Value Measurements

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In determining fair value, the Plan can use various methods including market, income and cost approaches. Based on these approaches, the Plan can utilize certain assumptions that market participants would use in pricing the asset or liability, including assumptions about risk and the risks inherent in the inputs to the valuation technique. These inputs can be readily observable, market corroborated, or generally unobservable inputs. The Plan utilizes valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs. Based on the observability of the inputs used in the valuation techniques, the Plan is required to provide information according to the fair value hierarchy. The fair value hierarchy ranks the quality and reliability of the information used to determine fair values.

The Plan's financial assets and liabilities carried at fair value include mutual funds, whose shares are valued at quoted market prices which represent the net asset value of shares held by the Plan at year-end. These are classified and disclosed as Level 1 inputs. There are no Level 2 or Level 3 financial assets or liabilities. There also have been no changes or transfers between levels during 2019 and 2018.

Level 1 inputs are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth the Plan's assets measured at fair value at December 31:

	2019	2018
Mutual funds - Level 1	<u>\$ 9,786,373</u>	<u>\$ 7,553,366</u>

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another. In such instances, the transfer is reported at the end of the reporting period.

Note 5. Group Annuity Contract with Insurance Company

The Plan entered into a traditional investment contract with MassMutual. The contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses. The contract value of the traditional investment contract at December 31, 2019 and 2018 was \$399,431 and \$584,650, respectively.

The traditional investment contract held by the Plan is a guaranteed investment contract. The contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be greater than 3.00% or less than 1.00%. Such interest rates are reviewed on a quarterly basis for resetting. The contract does permit the insurance company to terminate the agreement prior to the scheduled maturity date.

The Rock and Roll Hall of Fame and Museum, Inc.
Tax Deferred Annuity Plan

Notes to Financial Statements

Note 5. Group Annuity Contract with Insurance Company (Continued)

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Examples of such events include the following:

1. The Plan's failure to qualify under Section 401(a) of the Internal Revenue Code or the failure of the trust to be tax-exempt under Section 501(a) of the Internal Revenue Code;
2. Premature termination of the contract;
3. Plan termination or merger;
4. Changes to the Plan's prohibition on competing investment; and
5. Bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures of spin-offs of a subsidiary) that significantly affect the Plan's normal operations.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Examples of such events include the following:

1. An uncured violation of the Plan's investment guidelines;
2. A breach of material obligation under the contract;
3. A material misrepresentation; and
4. A material amendment to the agreements without the consent of the issuer.

Note 6. Related-Party Transactions

The Plan invests in mutual funds and a group annuity contract managed by MassMutual. MassMutual is a custodian of the Plan; therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan to MassMutual and its affiliates amounted to \$8,537 and \$7,303 for the years ended December 31, 2019 and 2018, respectively.

Note 7. Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has a right to terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, participants shall be 100% vested in their accounts and the trustee shall distribute account balances to participants in accordance with the Plan.

Note 8. Tax Status

The Plan has been designed to qualify under Section 403(b) of the Internal Revenue Code (Code). The terms of the Plan have been prepared to conform with the sample language provided by the Internal Revenue Service (IRS) in Revenue Procedure 2007-71. The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for Plan participants under Section 403(b).

Notes to Financial Statements

Note 8. Tax Status (Continued)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. At December 31, 2019 and 2018, Plan management has evaluated the Plan's tax positions and concluded the Plan has taken no uncertain tax positions that would require recognition within the Plan's financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 9. Excluded Contracts

There may have been certain annuity and custodial accounts issued to current and former employees without the Plan Administrator's knowledge prior to January 1, 2009. As permitted by the United States Department of Labor's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*, these annuity and custodial accounts, if any, have been excluded from the Plan's investments. In addition, investment income and distributions, if any, related to such potential accounts have also been excluded from the statements of changes in net assets available for benefits. Accounting principles generally accepted in the United States of America require that these accounts and the related income and distributions be included in the accompanying financial statements. The Plan Administrator has not determined the amount of these excluded annuity and custodial accounts and the related income and distributions because records relating to these are not available or do not exist.

Note 10. Reconciliation of Financial Statements to Form 5500

Note receivables from participants are reported on the Form 5500 as participant loans and are considered to be Plan investments, while in the Plan's financial statements, they are classified as receivables from participants.

Note 11. Subsequent Events

In March 2020, the World Health Organization categorized Coronavirus Disease 2019 (COVID-19) as a pandemic, and the President of the United States declared the COVID-19 outbreak a national emergency. The COVID-19 pandemic has led to volatility in financial markets and has affected, and may continue to affect, the Plan assets. The potential economic impact brought by, and the duration of, COVID-19 is difficult to assess or predict and will depend on future developments that are highly uncertain and cannot be predicted.

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) was enacted to, amongst other provisions, provide emergency assistance for individuals, families and businesses affected by the coronavirus pandemic. The CARES Act also provides for certain optional relief measures that can be adopted by qualified retirement plans, including increased levels of participant loans for affected individuals for a limited time, and distributions with special tax treatment for affected individuals. Plans must also allow participants who are affected by the coronavirus to suspend loan payments through December 31, 2020, and required minimum distributions for participants over age 70 ½ can be omitted for 2020.

Effective August 3, 2020, the Principal Financial Group became the custodian of the Plan.

Effective September 1, 2020, the Plan Sponsor suspended the non-elective, safe harbor contribution.
