NOTES TO FINANCIAL STATEMENTS

**FOR THE YEAR ENDED DECEMBER 31, 2019 AND THE PERIOD OCTOBER 1, 2018
(INCEPTION) THROUGH DECEMBER 31, 2018**

NOTE 1 - DESCRIPTION OF THE PLAN

The following brief description of the LifeScan Global Corporation 401(k) Plan (“the Plan”) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

GENERAL

On October 2, 2018, LifeScan Global Corporation (the “Company” or “Plan Sponsor”), completed its divestiture from Johnson & Johnson and became a stand alone business. In connection with the transaction, the Company adopted a resolution to form the Plan, and Trust established by the Plan, on October 1, 2018. Former employees of Johnson & Johnson LifeScan, Inc. were granted credit for prior service for eligibility and employer contributions.

The Plan is a defined contribution retirement plan covering eligible employees of the Company. Among those employees excluded from participating in the Plan are union employees, leased employees, employees based in Puerto Rico, interns and cooperative employees. All eligible employees are permitted to enter the Plan on the first day of the month following the completion of two months of service. A participant will become eligible for the Company’s discretionary matching contribution on the first day of the month following the first anniversary of the employee’s date of hire. Employees hired on or before September 28, 2018, are eligible for a nonelective discretionary employer profit sharing contribution on the first day of the month following the first anniversary of the employee’s date of hire. To receive the Company’s profit sharing contribution, the participant must be employed on the last day of the Plan year, unless due to death, total or permanent disability or termination of employment on or after the normal retirement age of 65. The nonelective discretionary employer profit sharing contribution was discontinued for compensation earned after September 30, 2020.

The Plan’s Retirement Plan Committee is responsible for oversight of the Plan, determines the appropriateness of the Plan’s investment offerings and monitors investment performance. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.

(INCEPTION) THROUGH DECEMBER 31, 2018**

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

CONTRIBUTIONS

Participants may contribute 3% to 50% of their annual compensation or a flat dollar amount provided that in no event shall contributions exceed the maximum dollar amount allowable by the Internal Revenue Code ("IRC" or the "Code"), which was \$19,000 and \$18,500 for 2019 and 2018, respectively. Participants age 50 by the end of the Plan year are eligible to make a catch up contribution of up to an additional \$6,000 in 2019 and 2018. The catch up contribution will not be eligible for the Company's matching contribution. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans ("rollover contributions").

The Company made discretionary matching contributions of 75% of the first 6% of eligible compensation contributed to the Plan. Beginning on January 1, 2019, an automatic deferral provision was added to the Plan. Unless the participant designated otherwise, upon becoming eligible to contribute to the Plan, an automatic deferral of 6% of eligible compensation will be contributed to the Plan. The Company's matching contribution was \$1,334,667 and \$244,495 for the Plan year ended December 31, 2019 and for the period from October 1, 2018 through December 31, 2018, respectively.

The Company's profit sharing contribution is determined on an annual basis by the Company and is allocated to individual participants based on various considerations, subject to the applicable IRC limitations, as set forth in the Plan document. Only employees hired prior to September 28, 2018, are eligible to participate in the profit-sharing portion of the Plan. The Company's contributed \$1,940,999 and \$512,153 for the year ended December 31, 2019 and for the period from October 1, 2018 through December 31, 2018, respectively, which represented discretionary profit sharing contributions.

PARTICIPANT ACCOUNTS

Individual participant accounts are credited with the participant's contributions, the Company's matching contributions, as well as allocations of the Company's profit sharing contribution and Plan earnings. Participant accounts are charged with an allocation of certain administrative expenses that are paid by the Plan. Allocations are based upon participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

VESTING

Participants are fully vested in their participant contributions and the Company's matching contributions and profit sharing contributions, plus actual earnings thereon. There were no forfeited nonvested amounts at December 31, 2019 and 2018.

INVESTMENT OPTIONS

Participants direct the investment of their contributions and Company's contributions into various investment options offered by the Plan. The Plan offers mutual funds and an investment contract as investment options to participants. Participants may change their investment elections at any time.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum to the lesser of \$50,000 or 50% of participant's vested account balance, whichever is less.

Each note is secured by the balance in the participant's vested account and bears interest at a reasonable rate as determined by the plan administrator on the date of the note. The term of the note is limited to five years. Repayment of principal and interest are paid through level payroll deductions over the life of the note. A participant is limited to 3 loans outstanding at any given time.

PAYMENT OF BENEFITS

On termination of service due to death, disability, retirement, severance of employment, or the attainment of age 59 ½, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account, equal installment payments over a certain period, or a partial withdrawal. Terminated participants with balances of less than \$5,000 will receive lump-sum distributions.

If the participant instructions are not received otherwise, the Plan allows for automatic rollovers of account balances of terminated participants into an Individual Retirement Account designated by the plan administrator if the distribution amount exceeds \$1,000, but not in excess of \$5,000. Balances of \$1,000 or less are paid as a lump sum distribution.

The Plan also allows rollover contributions to be withdrawn from the Plan at any time.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

PAYMENT OF BENEFITS (CONTINUED)

In the event of financial hardship, a participant may elect to withdraw all or a portion of their account balance to satisfy their financial need.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

USE OF ESTIMATES

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Retirement Plan Committee determines the Plan's valuation policies utilizing information provided by the custodian. See Note 4 for fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses as incurred. No allowance for credit losses has been recorded as of December 31, 2019 or 2018. Delinquent notes are reclassified as distributions based upon the terms of the Plan document.

EXCESS CONTRIBUTIONS PAYABLE

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service ("IRS") are recorded as a liability with a corresponding reduction to contributions. See Note 9.

ADMINISTRATIVE EXPENSES

Certain expenses incurred in the administration of the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

PAYMENTS OF BENEFITS

Benefits are recorded when paid.

SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through December 23, 2020, the date the financial statements were available to be issued. Other than those disclosed in Note 13, no events requiring recognition or disclosure in the financial statements were identified.

NOTE 3 - INFORMATION CERTIFIED BY THE CUSTODIAN (UNAUDITED)

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Transamerica Financial Life Insurance Company ("Transamerica"), custodian, has certified the following data included in the accompanying financial statements and supplemental schedules as complete and accurate with respect to investments and notes receivable from participants:

- Investments at fair value
- Investments at contract value
- Notes receivable from participants
- Net appreciation (depreciation) in fair value of investments
- Dividends
- Interest income on notes receivable from participants
- Schedule H, Line 4i – Schedule of Assets (Held at End of Year)

As instructed by the plan administrator, the Plan's independent auditors did not perform any auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices in active markets that the Plan has the ability to access for identical assets or liabilities.

Level 2 - Inputs to the valuation methodology are quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, inputs other than quoted prices that are observable and market-corroborated inputs which are derived principally from or corroborated by observable market data. If the asset or liability has a specified (contractual) term, the level 2 must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

**FOR THE YEAR ENDED DECEMBER 31, 2019 AND THE PERIOD OCTOBER 1, 2018
(INCEPTION) THROUGH DECEMBER 31, 2018**

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for investments measured at fair value at December 31, 2019 and 2018.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The mutual fund investments of \$12,573,739 and \$5,247,248 at December 31, 2019 and 2018, respectively, have been classified as Level 1 investments in the fair value hierarchy.

TRANSFERS BETWEEN LEVELS

For the year ended December 31, 2019 and the period from October 1, 2018 (inception) through December 31, 2018, there were no transfers between Levels 1 and 2 and no transfers in or out of Level 3.

NOTE 5 - GROUP ANNUITY CONTRACT WITH TRANSAMERICA

The Plan entered into a traditional fully benefit-responsive guaranteed investment contract with Transamerica totaling \$376,788 and \$461,985 at December 31, 2019 and 2018, respectively. Transamerica maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. There is no minimum guaranteed interest rate. The crediting rate is reviewed on a semi-annual basis. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

**FOR THE YEAR ENDED DECEMBER 31, 2019 AND THE PERIOD OCTOBER 1, 2018
(INCEPTION) THROUGH DECEMBER 31, 2018**

NOTE 5 - GROUP ANNUITY CONTRACT WITH TRANSAMERICA (CONTINUED)

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contract because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Transamerica, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, (4) a material amendment to the agreement without the consent of the issuer.

NOTE 6 - TAX STATUS

The Internal Revenue Service has determined that the volume submitter 401(k) profit sharing plan is designed in accordance with the applicable sections of the IRC and informed the third party administrator of such in a letter dated March 31, 2014. The plan administrator has adopted the Plan and believes that the Plan is currently being operated in compliance with the applicable requirements of the IRC. The plan administrator will take the appropriate actions to maintain the Plan's qualified status.

NOTES TO FINANCIAL STATEMENTS

**FOR THE YEAR ENDED DECEMBER 31, 2019 AND THE PERIOD OCTOBER 1, 2018
(INCEPTION) THROUGH DECEMBER 31, 2018**

NOTE 6 - TAX STATUS (CONTINUED)

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan has taken no uncertain positions as of December 31, 2019 and 2018. The Plan is subject to routine audits by IRS; however, there are currently no audits for any tax periods pending or in progress.

NOTE 7 - PARTIES-IN-INTEREST

Certain Plan investments are managed by Transamerica. Transamerica is the custodian and recordkeeper for the Plan and, therefore, these transactions qualify as party in interest transactions. At times, revenue received by Transamerica from mutual funds may exceed the amount owed ("Revenue Sharing"). Should this excess occur, Transamerica would periodically remit the Revenue Sharing amount to the Plan's trust. Such amounts may be applied to pay plan administrative expenses or allocated to the accounts of the participants. During the year ended December 31, 2019, and the period from October 1, 2018 (inception) through December 31, 2018, \$7,985 and \$498 were received by the Plan, respectively.

The Plan or Plan Sponsor may make payments for administrative expenses not covered by revenue sharing. During 2019 and 2018, the Plan paid \$22,002 and \$2,892, respectively, of administrative expenses to parties-in-interest.

The Plan allows participants to take loans from their accounts in the Plan. These notes receivable from participants qualify as party-in-interest transactions and totaled \$286,931, and \$309,652 as of December 31, 2019 and 2018, respectively.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9 - OPERATIONAL ERRORS

During the year ended December 31, 2019 and period from October 1, 2018 through December 31, 2018, the following operational errors were identified:

- The plan erroneously made profit sharing contributions to ineligible employees during 2018;
- The Plan erroneously made excess matching contributions during 2018 and 2019;
- the Plan erroneously allowed matching contributions prior to one year of eligibility during 2018 and 2019;
- the Plan allowed participants to make elective deferrals prior to the monthly entry date coinciding with or next following their satisfaction of the Plan's service requirement (two months) in 2018 and 2019;
- the Plan permitted certain participants to defer in excess of the Internal Revenue Code Section 402(g) limit in 2019, even after recharacterizing excess elective deferrals as catch-up contributions for eligible participants up to the maximum annual catch-up contribution limit;
- the Plan permitted certain participants to accrue annual additions in excess of the Code Section 415(c) limit in 2019, even after recharacterizing elective deferrals as catch-up contributions for eligible participants up to the maximum annual catch-up contribution limit;
- During 2018, the plan sponsor did not properly withholding loan repayments from participants to repay participant loans; and
- The plan sponsor did not calculate 2018 and 2019 profit sharing contributions properly in accordance with the age and service based formula.

The plan administrator is currently working with the Plan's counsel to correct the operational errors in accordance with the prescribed IRS correction procedures under the Employee Plans Compliance Resolution System for the Plan to maintain its qualified status. As a result of the operational errors, the plan administrator has determined that there are excess contributions that are required to be refunded to participants amounting to \$103,402 relating to the year ended December 31, 2019 and \$11,700 for the period from

NOTE 10 - DELINQUENT PARTICIPANT CONTRIBUTIONS

The Company determined that certain remittances of employee deferrals and loan repayments made during the period from October 1, 2018 (inception) through December 31, 2018 of \$413,141, were not made in accordance with Department of Labor guidelines. Such delinquent contributions have not been fully corrected as of December 31, 2019. All remittances that will be corrected are included on the Schedule of Delinquent Participant Contributions in the supplemental information to the financial statements. The plan administrator intends to correct such delinquent participant contributions in accordance with the applicable correction procedures as soon as administratively feasible.

NOTE 13 - SUBSEQUENT EVENTS

In March 2020, the World Health Organization declared the outbreak of a novel coronavirus (COVID-19) as a pandemic which continues to spread throughout the United States, triggering volatility in financial markets and a significant negative impact on the global economy. As of the date the financial statements were available to be issued, there was considerable uncertainty around the expected duration of this pandemic. The eventual financial impact to the Plan, participants, and Plan Sponsor cannot be reasonably estimated at this time.
