Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Aris Teleradiology Professional Corporation 401(k) Profit-Sharing Plan and Trust (the Plan), which comprise the statement of net assets available for benefits as of September 11, 2020 (in liquidation), and the related statement of changes in net assets for the period from January 1, 2020, through September 11, 2020 (in liquidation), and the statement of net assets available for benefits as of December 31, 2019 (ongoing), and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Ascensus Trust Company, the custodian of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of September 11, 2020 and December 31, 2019, and for the period from January 1, 2020, through date of liquidation, September 11, 2020, that the information provided to the plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Emphasis of Matter - Plan Termination and Liquidation Basis of Accounting

As discussed in Note 1 to the financial statements, the governing body of Aris Teleradiology Professional Corporation 401(k) Profit-Sharing Plan and Trust, approved a plan of liquidation and terminated effective June 30, 2020, and Plan assets were liquidated through September 11, 2020. As a result, the Plan changed its basis of accounting from the going concern basis used in presenting the 2019 financial statements to the liquidation basis used in presenting the 2020 financial statements. Our opinion is not modified with respect to that matter.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTES TO THE FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN

The following description of the Aris Teleradiology Professional Corporation 401(k) Profit-Sharing Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all non-union employees of Aris Teleradiology Professional Corporation and related companies (the Company) who have attained twenty-one years of age and completed one year of service, as defined. Once eligible, employees may enroll in the Plan semi-annually on January 1 or July 1. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Directors oversees governance of the Plan. The Plan's Retirement Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Company's Board of Directors.

Termination of Plan

Effective June, 30, 2020, the Plan Sponsor adopted a resolution to terminate the Plan and a plan of liquidation was adopted.

The Plan adopted the liquidation basis of accounting for the period from January 1, 2020, through the date of liquidation, September 11, 2020. Under the liquidation basis of accounting, assets are recorded at the amount expected to be collected and liabilities are recorded at amounts expected to be paid during the course of liquidation.

Subsequent to the election to terminate the Plan and on or before September 11, 2020, the Company paid distributions to liquidate all participant account balances. Participant account balances were distributed according to participant elections and Plan provisions.

Contributions

Each year, participants could contribute voluntary pre-tax and Roth contributions of up to 100% of their eligible annual compensation, as defined in the Plan. Participants who attained age 50 before the end of the Plan year were eligible to make catch-up contributions. Participants could also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). The Plan provided for a safe harbor contribution equal to 3% of eligible participants' compensation, as defined. The Company could also, at its discretion, make matching and/or profit sharing contributions. These contributions were funded in the year subsequent to their authorization. There were no matching or profit sharing contributions authorized for the period ended June 30, 2020. Contributions were subject to certain Internal Revenue Service (IRS) limitations.

NOTES TO THE FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN (Continued)

Participant Accounts

A separate account was maintained for each participant. Each participant's account was credited with the participant's contributions, rollover contributions, allocations of the Company's contributions, and Plan earnings or losses as defined by the Plan agreement. Allocations of the Company's profit sharing contribution were given only to participants employed at the end of the Plan year who had completed at least 1,000 hours of service during the Plan year, and were based on participants' compensation for the Plan year relating to the contribution. Once the participant satisfied the eligibility conditions, they would not be required to work a certain number of hours or be employed on the last day of the year to receive the safe harbor employer contribution. Plan earnings or losses were allocated daily based on each participant's account balance. Participant accounts were charged with an allocation of administrative expenses that was paid by the Plan. Allocations were based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant was entitled was the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Notes receivable from participants consisted of participant loans that were permitted to rollover from a prior plan merger. No new loans were permitted as the Plan does not allow for participant loans. The notes were secured by the balance in the participant's account. Such notes bear interest at a reasonable rate commensurate with current interest rates charged for loans made under similar circumstances by persons in the business of lending money as determined by the plan administrator. Principal and interest were paid ratably through payroll deductions.

Payment of Benefits

Upon termination of the Plan, participants received a lump-sum distribution equal to their account balance in accordance with the participants' election and the Plan provisions. Prior to the plan termination: upon termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or in certain cases annual installments over a future period. If the participant's account balance is less than \$5,000, the plan administrator directs Ascensus, the Plan's recordkeeper, to make a lump-sum distribution. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Distributions of a participant's 401(k) account balance may be authorized at any time by the plan administrator under certain hardship conditions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the liquidation basis of accounting for the period from January 1, 2020, through September 11, 2020, and on the going concern basis of accounting as of December 31, 2019.

NOTES TO THE FINANCIAL STATEMENTS

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Accounting Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits – in liquidation and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

All Plan assets were liquidated by close of business on September 11, 2020. As of December 31, 2019, Investments were reported at fair value by Ascensus Trust Company (Ascensus Trust), the custodian of the Plan. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Retirement Committee determined the Plan's valuation policies utilizing information provided by the investment advisers and custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities were recorded on a trade-date basis. Interest income was recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold during the year.

Assets of the Plan were held in separate accounts of a trust administered by Ascensus Trust as of December 31, 2019, representing investments in mutual funds and a stable value collective trust fund.

Investment of participant's contributions and the Company's contributions into these investments were at the direction of each participant.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document. All outstanding notes receivable from participants were repaid in conjunction with final distributions upon Plan termination.

Payment of Benefits

Benefits were recorded when paid.

NOTES TO THE FINANCIAL STATEMENTS

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Plan Expenses

The Plan's administrative expenses were paid either by the Plan or the Company as provided by the Plan agreement. Expenses that were paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants were charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation in fair value of investments.

Income Taxes

In accordance with GAAP, the plan administrator is required to evaluate tax positions taken by the Plan and recognize a tax liability for any significant uncertain position that more likely than not would not be sustained upon examination by the IRS. As of September 11, 2020 and December 31, 2019, and for the period from January 1, 2020, through liquidation, September 11, 2020, the Plan did not have a liability for unrecognized tax benefits.

Subsequent Events

Plan management has evaluated subsequent events through December 21, 2020, the date the financial statements were available to be issued.

3. INFORMATION CERTIFIED BY THE CUSTODIAN

In accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator elected to restrict the scope of the auditor's examination with regard to statements or information prepared and certified by Ascensus Trust, the custodian.

Ascensus Trust has certified as to the completeness and accuracy of the investments it held, changes in net assets arising from investment activity, and the schedule of assets held at end of year as of December 31, 2019, and changes in net assets arising from investment activity for the period from January 1, 2020, through the date of liquidation, September 11, 2020.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access

NOTES TO THE FINANCIAL STATEMENTS

4. FAIR VALUE MEASUREMENTS (Continued)

- Level 2 Other significant observable inputs including: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; or inputs that are derived principally from or corroborated by observable market data by correlation or other means
- Level 3 Inputs are significant and unobservable (including the Plan's own assumptions used to determine value)

The assets' fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2019.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable value collective trust fund: A stable value fund that is composed primarily of fully benefit-responsive investment contracts that is valued at the NAV of units of the collective trust fund. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust fund, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner, otherwise redemptions are allowable daily with no notice.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Assets measured at fair value were comprised of Level 1 mutual funds at December 31, 2019, totaling \$8,272,545 and a stable value collective trust fund, measured using NAV as a practical expedient, which totaled \$96,387 at December 31, 2019.

The Plan did not hold any Level 3 assets during the period from January 1, 2020, through the date of liquidation, September 11, 2020.

NOTES TO THE FINANCIAL STATEMENTS

5. TAX STATUS

The Plan has adopted a volume submitter plan provided by Trinity Pension Consultants Inc. (Trinity). Trinity has received an opinion letter dated March 31, 2014, from the IRS stating that the volume submitter plan is acceptable under Section 401 of the Internal Revenue Code (IRC) for use by employers for the benefit of their employees. Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax exempt.
