INDEPENDENT AUDITORS' REPORT

To the Participants and Board of Trustees
Sheet Metal Workers Local 24
Cincinnati Area Retirement Plan and Trust
Cincinnati, Ohio

Report on the Financial Statements

We have audited the accompanying financial statements of Sheet Metal Workers Local 24 Cincinnati Area Retirement Plan and Trust (the "Plan"), which comprise the statements of net assets available for benefits as of May 31, 2020 and 2019, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Sheet Metal Workers Local 24 Cincinnati Area Retirement Plan as of May 31, 2020 and 2019, and the changes in net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Report on Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

1. DESCRIPTION OF THE PLAN:

The following brief description of the Sheet Metal Workers Local 24 Cincinnati Area Retirement Plan and Trust (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan that covers employees of those employers who have agreed to make the required employer contributions to the Plan in accordance with a collective bargaining agreement with the Sheet Metal Air Rail and Transportation Local Union 24. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The contributing employers are primarily located in Southwest Ohio. Therefore, the Plan is affected by the economic conditions of the region.

Contributions

In accordance with the collective bargaining agreement, employers are required to make monthly contributions at a fixed dollar amount for each hour worked by participants. No participant contributions to the Plan are permitted. The Plan maintains a participant directed investment program whereby participants can elect to invest in a limited number of registered investment companies and a stable value common/collective trust fund that enables participants to diversify their asset allocation to meet their individual objectives

Participant accounts

Each participant's account is credited with employer contributions and allocations of plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant account balances and the earnings of the specific investments maintained in the participants' accounts. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately fully vested in the contributions made on their behalf by employers plus actual earnings thereon.

Concentrations

The Plan received contributions from four employers that accounted for 69% and 70% of contributions for the years ended May 31, 2020 and 2019, respectively. These four employers also accounted for 74% and 68% of the contributions receivable at May 31, 2020 and 2019, respectively.

Payment of benefits

Upon termination of service (whether due to retirement, death, disability, or other termination of employment), a participant is entitled to the full value of his or her account, payable in a lump sum or through an annuity provided by an independent licensed insurance company.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

The following are the significant accounting policies of the Plan:

Basis of accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Use of estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Employer contributions receivable

Employer contributions receivable represents amounts due from employers that were received subsequent to year end. Therefore, the carrying amount of these receivables is not reduced by an allowance for amounts that will not be collected. In addition, it is impractical to estimate a recognition of revenue for amounts due but erroneously unreported by employers.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Benefit payments

Benefit payments to participants are recorded when paid.

Reciprocity contributions

Participants of the Plan and participants of the benefit plans of other affiliated local unions may have temporary employment assignments outside the jurisdiction of their local union. Therefore, the Plan has entered into reciprocity agreements with other affiliated locals to ensure that employer contributions are forwarded to the benefit plans of the participant's local union. Reciprocal contributions received and reciprocal contributions paid are classified with employer contributions on the statements of changes in net assets available for benefits.

Subsequent events

The Plan has evaluated subsequent events through the report date, the date the financial statements were available to be issued.

3. FAIR VALUE MEASUREMENTS:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at May 31, 2020 and 2019.

Registered investment companies: Valued at the daily closing price as reported by the fund. Registered investment companies held by the Plan are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The registered investment companies held by the Plan are deemed to be actively traded.

Common/collective trust funds: Valued at the net asset value (NAV) of units of the collective trust. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the issuer reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of May 31, 2020 and 2019:

	Level 1	Level 2	Level 3	Assets at NAV	Fair Value
<u>May 31, 2020</u>					
Registered investment companies	\$ 33,482,315	-	-	-	33,482,315
Common/collective trust fund	-	-	-	3,048,799	3,048,799
	<u>\$ 33,482,315</u>	<u>-</u>	<u>-</u>	<u>3,048,799</u>	<u>36,531,114</u>
	Level 1	Level 2	Level 3	Assets at NAV	Fair Value
<u>May 31, 2019</u>					
Registered investment companies	\$ 31,241,953	-	-	-	31,241,953
Common/collective trust funds	-	-	-	2,668,696	2,668,696
	<u>\$ 31,241,953</u>	<u>-</u>	<u>-</u>	<u>2,668,696</u>	<u>33,910,649</u>

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of May 31, 2020 and 2019, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
<u>May 31, 2020</u>				
Common/collective trust fund:				
Goldman Sachs Stable Value Collective Trust	\$ 3,048,799	None	Daily	12 months
<u>May 31, 2019</u>				
Common/collective trust funds:				
Fifth Third Bank Equity Index Fund	\$ 499,392	None	Daily	None
Goldman Sachs Stable Value Collective Trust	\$ 2,169,304	None	Daily	12 months

The common/collective trusts held by the Plan are direct filing entities (DFEs). The Plan is not required to disclose the investment strategies of DFEs that file a Form 5500 annual report directly with the U.S. Department of Labor.

4. RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

5. RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS:

Certain plan investments liquidated during the year ended May 31, 2020 were managed by Fifth Third Bank. Fifth Third Bank is the custodian as defined by the Plan and, therefore, these transactions qualify as party in interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation (depreciation) in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. The Plan pays directly any other fees related to the Plan's operations.

Contributions receivable includes employer remittances received after year end related to participant work hours prior to year end. Contributions receivable also includes \$23,293 and \$21,603 due from the Sheet Metal Workers Local 24 Supplemental Unemployment Benefit Fund ("SUB Fund") at May 31, 2020 and 2019, respectively. The amount due from the SUB Fund related to employer contributions it received for work hours prior to year end that were in excess of a maximum "credit account" maintained by the SUB Fund for each individual participant. Under the terms of the SUB Fund document, such excess contributions are remitted to the Plan and are recognized as employer contributions.

6. PLAN TERMINATION:

Although it has not expressed any intent to do so, the Trustees have the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event the Plan is terminated, any obligations of the Plan would be paid and all remaining net assets would be distributed to the participants in the manner specified in the Plan document.

7. TAX STATUS:

The Internal Revenue Service has determined and informed the Plan by a letter dated December 24, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan's trustees and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

8. UNCERTAINTIES – COVID19:

During 2020, an outbreak of a novel strain of coronavirus (COVID-19) disrupted supply chains and affected production and sales across a range of industries. The extent of the impact of COVID-19 on the Plan's operational and investment performance will depend on certain developments, including the duration and spread of the outbreak. Impact to the Plan cannot be predicted, and the extent to which COVID-19 may impact the statement of net assets available for benefits is uncertain at this time.
