INDEPENDENT AUDITORS' REPORT

To the Trustees of
CCH Healthcare Retirement Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of CCH Healthcare Retirement Plan (the "Plan"), which comprise the statement of net assets available for benefits as of December 31, 2019, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility on the 2019 Financial Statements

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion on the 2019 Financial Statements

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 6, which was certified by John Hancock Life Insurance Company (John Hancock) and Empower Retirement (Empower), the trustees of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that Empower held the Plan's investment assets and executed investment transactions from April 16, 2019, to December 31, 2019, and that John Hancock held the Plan's investment assets and executed investment transactions as of December 31, 2018, and for the period January 1, 2019, to April 15, 2019. The plan administrator has obtained certifications from the trustees as of and for the year ended December 31, 2019, that the information provided to the plan administrator by the trustees is complete and accurate.

(i)

Disclaimer of Opinion on the 2019 Financial Statements

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion on the 2019 financial statements. Accordingly, we do not express an opinion on the 2019 financial statements referred to in the first paragraph.

Emphasis of Matter - Plan Merger

As further discussed in Note 1 to the financial statements, the plan sponsors of CCH North Carolina 401(k) Plan, CCH Northern Ohio 401(k) Plan and Lincoln Crawford Care Center 401(k) Plan adopted resolutions to merge their plan into the CCH Healthcare Retirement Plan, effective April 15, 2019. On April 16, 2019, the mergers were completed and plan assets totaling \$622,838 were transferred into the Plan. Our disclaimer of opinion is not modified with respect to this matter.

Other Matter - Supplementary Information

The supplemental schedules of Schedule H, Line 4a - Schedule of Delinquent Participant Contributions and Schedule H, Line 4i - Schedule of Assets (Held At End of Year) as of or for the year ended December 31, 2019, is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on these supplemental schedules.

Other Matter—2018 Financial Statements

The financial statements of the Plan as of December 31, 2018, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by the trustee of the Plan. Their report, dated August 3, 2020, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance with DOL Rules and Regulations on the 2019 Financial Statements

The form and content of the information included in the 2019 financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

1. **DESCRIPTION OF PLAN:** The following description of CCH Healthcare Retirement Plan 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution profit sharing plan that was established on February 27, 2015 to provide benefits to eligible employees. The Plan covers all employees of CCH Healthcare LLC and any participating affiliates (the "Participating Companies") except for employees who are either non-resident aliens, or leased employees. To be eligible, an employee must have completed 1 year of service and be 21 years of age. The plan trustee is responsible for the oversight of the Plan. The plan administrator determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the plan trustee.

Plan Amendments

Effective April 15, 2019, the Plan was restated, and the plan name was changed from Lebanon and Harrison 401(k) Plan to CCH Healthcare Retirement Plan.

Plan Transfers

The plan sponsors of CCH North Carolina 401(k) Plan, CCH Northern Ohio 401(k) Plan and Lincoln Crawford Care Center 401(k) Plan adopted resolutions to merge their plans into the CCH Healthcare Retirement Plan, effective April 15, 2019. On April 16, 2019, the mergers were completed and plan assets totaling \$622,838 were transferred into the Plan.

Contributions

Each year, participants may contribute up to 100% of pre-tax or after-tax annual compensation, as defined in the plan document. Participants who have obtained age 50 before the end of the Plan year were eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. The employer may decide each plan year whether to make a discretionary matching contribution equal to a uniform percentage or dollar amount of the employees' elective deferrals on behalf of active participants. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Certain participants in the Plan are covered by a collective bargaining agreement ("CBA") between the Participating Companies and the Services Employees International Union District 1199. This CBA requires the Company to make matching contributions in an amount equal to 25% of employees' deferrals contributed to the plan on a pre-tax basis, up to 4% of gross compensation for the plan year. This agreement expires in July 2024. Employer matching contributions resulted solely from employees covered by the CBA. During the year ended December 31, 2019, the Participating Companies made \$757 of matching contributions.

Participant Accounts

Each participant's account is credited with the participant's contributions and the Participating Companies' contributions as well as allocations of plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

DESCRIPTION OF Vesting

PLAN (continued): Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Participating Companies' contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after 5 years of credited service.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or annual installments. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution. Participants may receive an in-service withdrawal of their vested account balance upon reaching 59½ years of age. Hardship withdrawals are permitted under the Plan. Rollover contributions may be withdrawn at any time.

Forfeited Accounts

Forfeited accounts may be used to reduce future employer contributions or plan expenses. As of December 31, 2018, there were no forfeited non-vested accounts. As of December 31, 2019, forfeited non-vested account balances totaled \$20,990.

**2. SUMMARY OF
SIGNIFICANT
ACCOUNTING
POLICIES:**

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes in those assets and liabilities, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisers, trustees, and insurance company. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Excess Contributions Payable

Amounts payable to participants for contributions more than amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability with a corresponding reduction to contributions.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

**SUMMARY OF
SIGNIFICANT
ACCOUNTING
POLICIES
(continued):****Expenses**

Certain expenses incurred maintaining the Plan are paid directly by the Plan, unless otherwise paid by the Participating Companies. Expenses paid by the Participating Companies are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation or depreciation of fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through January 11, 2021, the date which the financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosure in these financial statements.

**3. FAIR VALUE
MEASUREMENTS:**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Topic 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2019 and 2018.

FAIR VALUE MEASUREMENTS (continued):

Registered Investment Companies are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled Separate Accounts (PSAs) accounts are held and administered by John Hancock Life Insurance Company (John Hancock), who is the sole provider of the options, under a variable return contract. These PSAs invest in either mutual funds or publicly traded stocks. While the underlying asset values are quoted prices, the net asset value (NAV) of a separate account is not publicly quoted. PSA NAVs are computed daily based on the fair value of the underlying investments and are available on John Hancock's website. Currently all redemptions of PSAs are at that day's computed NAV.

Stable Value Fund (the fund) is a fixed income fund that seeks to preserve principal while providing interest income reasonably obtained under prevailing market conditions. The fund is made up of several underlying securities, bonds and similar investments with a lower level of overall risk. The fair value of the fund is computed based on the fair value of these underlying investments. Although the net asset value/share prices of these underlying investments are generally obtained from the investment provider these are not considered to be publicly available. Accordingly, the fund is deemed to use NAV as a practical expedient and is classified separately in the fair value hierarchy.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2019 and 2018. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

FAIR VALUE MEASUREMENTS (continued):

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Investments Measured Using the Net Asset Value per Share Practical Expedient:

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2019 and 2018. There were no participant redemption restrictions for these investments.

December 31, 2019	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
Stable Value Funds	\$ 26,744	N/A	Daily	None

December 31, 2018	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
Pooled Separate Accounts	\$ 87,593	N/A	Daily	None

4. RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS:

Certain Plan investments were managed by Empower and John Hancock. Empower is the trustee as defined by the Plan, while John Hancock was the Trustee up until April 15, 2019, and therefore, these transactions qualify as party-in-interest transactions. In addition, the third-party administrator fees are also party-in-interest transactions. These party in interest transactions are deemed "exempt" from Prohibited Transaction Rules as defined by Department of Labor regulations.

5. INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE:

Plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, plan management instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Empower Retirement and John Hancock Life Company, except for comparing such information certified by the trustee with information included in the Plan's financial statements and supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year):

As of December 31,	2019	2018
Investments, at fair value	\$ 1,371,502	\$ 87,593
For the Year Ended December 31,	2019

*Notes to Financial Statements
December 31, 2019*

-
- 6. PLAN TERMINATION:** Although it has not expressed any intent to do so, the Participating Companies have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions.
- 7. TAX STATUS:** The Plan is structured and follows a volume submitter plan, which has received an advisory letter from the Internal Revenue Service dated March 31, 2014 indicating that the plan document was in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the opinion letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code, and, therefore, believe that the Plan is qualified and related trust is tax exempt.
- GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
- 8. RISKS AND UNCERTAINTIES:** The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Because of the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
- 9. SUBSEQUENT EVENTS:** In December 2019, an outbreak of a novel strain of coronavirus (COVID-19) originated in Wuhan, China and has since spread to other countries, including the U.S. On March 11, 2020, the World Health Organization characterized COVID-19 as a pandemic. In addition, multiple jurisdictions in the U.S. have declared a state of emergency. It is anticipated that these impacts will continue for some time. There has been no immediate impact to the Company's operations. Future potential impacts may include disruptions or restrictions on the Company's ability to fund the Plan. Changes to the operating environment may increase operating costs. The future effects of these issues are unknown.
- Additionally, the risk of further spreading of COVID-19 has led to significant uncertainty and volatility in the financial markets and disruption to the global economy, the consequences of which are currently unpredictable. Certain of the Plan's investments are likely to have exposure to businesses that, as a result of COVID-19, experience a slowdown or temporary suspension in business activities. These factors, as well as any restrictive measures instituted in order to prevent or control a pandemic or other public health crisis, such as the one posed by COVID-19, could have a material and adverse effect on the Plan's investments.
