INDEPENDENT AUDITORS' REPORT

Plan Administrator
Union Metal Hourly Employee 401(k) Savings Plan
Canton, Ohio

Report on the Financial Statements

We have audited the accompanying financial statements of Union Metal Hourly Employee 401(k) Savings Plan (the Plan), which comprise the statement of net assets available for benefits as of December 31, 2018 (in liquidation), and the related statement of changes in net assets available for benefits for the year then ended December 31, 2018 (in liquidation), and the related notes to the financial statements.

Managements Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Massachusetts Mutual Life Insurance Company (Mass Mutual), on behalf of Hartford Life Insurance Company, the insurance company of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the Plan administrator that the insurance company holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the insurance company as of and for the years ended December 31, 2018 (in liquidation), that the information provided to the Plan administrator by the insurance company is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Emphasis of Matter

As described in Note 1 to the financial statements, the governing body of Union Metal Hourly Employee 401(k) Savings Plan approved a plan of liquidation on May 30, 2018, and management determined liquidation was imminent. As a result, the Plan changed its basis of accounting from the going concern basis used in presenting the 2017 financial statements to the liquidation basis used in presenting the 2018 financial statements. Our opinion is not modified with respect to that matter.

Other Matter - Supplemental Schedules

The supplemental schedule of assets (held at end of year) as of December 31, 2018, is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purposes of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we do not express an opinion on the supplemental schedule.

Other Matter- 2017 Financial Statements

The financial statements of the Plan as of December 31, 2017 (on going) were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Massachusetts Mutual Life Insurance Company (Mass Mutual), on behalf of Hartford Life Insurance Company, the insurance company of the Plan. Their report, dated January 30, 2019, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the insurance company, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Their report also emphasized that the 2017 financial statements were prepared assuming that the Plan was a going concern but that the governing body of Union Metal Hourly Employee 401(k) Savings Plan voted May 30, 2018 to terminate the Plan. They also emphasized that the 2017 financial statements did not include any adjustments that may have been necessary upon termination and that their opinion was not modified with respect to those matters.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the insurance company, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

UNION METAL HOURLY EMPLOYEE 401(K) SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2018 (IN LIQUIDATION) AND 2017 (ON GOING)

NOTE 1 - DESCRIPTION OF PLAN

The following description of Union Metal Hourly Employee 401(k) Savings Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was a defined contribution plan originally effective July 1, 1997. The Plan was amended throughout the years to comply with tax legislation and most recently amended effective January 1, 2017. The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan administrator determined the appropriateness of the Plan's investment offerings and monitored investment performance.

Plan Termination - Liquidation

On May 30, 2018, the Board of Trustees of the Plan voted to terminate the Plan. A resolution was filed to terminate the plan effective July 2, 2018 and distribute all the assets of the Plan as soon as administratively feasible.

All plan assets were distributed to participants on or before January 8, 2019.

As a result, the Plan changed its basis of accounting from the going concern basis used in presenting the 2017 financial statements to the liquidation basis used in presenting the 2018 financial statements.

Eligibility

Employees of Union Metal Corporation (the Sponsor and Company) were eligible to participate in the deferral and discretionary employer components of the Plan upon reaching 75 working days and being qualified members of the United Steelworkers Local 3446.

Contributions

The Plan included a salary deferral arrangement allowed under Section 401(k) of the Internal Revenue Code (IRC). Eligible participants were permitted to elect to have a percentage, limited by Plan provisions, of their compensation contributed as pre-tax 401(k) or Roth contributions to the Plan. Participants who had attained age 50 before the end of the Plan year were eligible to make catch-up contributions.

The Company, as part of the union agreement, was required to contribute to the Plan. This nonelective contribution was based on \$0.25 of certain hours worked by participants. The Company made contributions of \$7,404 and \$129,033 for the years ended December 31, 2018 and 2017, respectively.

UNION METAL HOURLY EMPLOYEE 401(K) SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2018 (IN LIQUIDATION) AND 2017 (ON GOING)

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Contributions (continued)

Participants could also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants directed the investment of contributions into various investment options offered by the Plan. Contributions were subject to certain Internal Revenue Service (IRS) limitations.

Contributions were funded as soon as administratively feasible following each pay date.

Participant Accounts

Each participant account was credited with the participant's contribution, the Company's non-elective contribution, and an allocation of Plan earnings or losses. Participant accounts were charged with an allocation of administrative expenses that were paid by the Plan. Allocations were based on participant earnings or account balances, as defined. The benefit to which a participant was entitled was the benefit that could be provided from the participant's account.

Pooled Separate Account

Plan investments are primarily held within a pooled separate account of an insurance company. The investment strategy of the separate account is to offer a wide range of mutual fund investments from which the participants can choose (See Schedule H, at Note 9). The account has no unfunded commitments and there are no liquidity or other restrictions on trading.

Vesting

Participants were vested immediately in their voluntary contributions, Company contributions, plus actual earnings of the Plan.

Notes Receivable from Participants

Participants could borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes were secured by the balance in the participant's account and bore interest at the prime rates plus 1%. The interest rate range was from 3.25% to 5.25%. Principal and interest were paid ratably through payroll deductions.

Benefit Payments

Upon termination of service due to retirement, disability, or death, a participant could elect to receive either a lump sum amount equal to the value of his or her account, or monthly installments except for accounts with a value less than \$5,000 which was distributed as a lump sum. The Plan also allowed for in-service distributions if a participant reached age 59 1/2 and hardship distributions subject to Plan provisions.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2018 (IN LIQUIDATION) AND 2017 (ON GOING)

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Transfer of Assets

The Plan Sponsor maintained a Tax-Deferred 401(k) Plan for salaried employees that were not eligible for this Plan. Upon an employee changing their status within the company, a transfer of the assets between plans could occur.

Basis of Accounting

The financial statements of the Plan were prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments reported at fair value (except for fully benefit-responsive investment contracts described in Note 5, which were reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants were measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income was recorded on the accrual basis. Related fees were recorded as administrative expenses and were expensed when they were incurred. No allowance for credit losses was recorded as of December 31, 2017. Delinquent notes receivable were recorded as distributions on the basis of the terms of the Plan document.

Benefit Payments

Benefits were recorded when paid, except that residual amounts not yet paid (due to the Plan termination) at December 31, 2018 were accrued.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2018 (IN LIQUIDATION) AND 2017 (ON GOING)

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Administrative Expense

Certain expenses of maintaining the Plan were paid by the Plan, unless otherwise paid by the Company. Expenses that were paid by the Company were excluded from these financial statements. Fees related to the administration of notes receivable from participants were charged directly to the participant's account and were included in administrative expenses.

Subsequent Events

The Plan has evaluated subsequent events through December 4, 2019, the date the financial statements were available to be issued.

As noted in Note 1, a resolution was filed to terminate the Plan effective May 30, 2018 and distribute all the assets of the Plan as soon as administratively feasible. All Plan assets were distributed to participants on or before January 8, 2019.

NOTE 3 - CERTIFICATION OF INVESTMENT INFORMATION

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments held and notes receivable from participants at December 31, 2018 and 2017, and net appreciation in fair value of the investments, interest and dividends, and interest income on notes receivable from participants for the years ended December 31, 2018 and 2017, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Massachusetts Mutual Life Insurance Company (Mass Mutual), on behalf of Hartford Life Insurance Company (Hartford), the insurance company of the Plan.

NOTE 4 - FAIR VALUE OF INVESTMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 -Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access-

Level 2 - inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;

UNION METAL HOURLY EMPLOYEE 401(K) SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2018 (IN LIQUIDATION) AND 2017 (ON GOING)

NOTE 4 - FAIR VALUE OF INVESTMENTS (CONTINUED)

- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full-term of the asset or liability.

Level 3- Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy was based on the lowest level of any input that was significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following was a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at December 31, 2018 and 2017.

Pooled Separate Accounts: Valued using the net asset value (NAV) of units, as determined by the insurance company. NAV was a readily determinable fair value and was the basis for current transactions.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	Total 12/31/18	Fair Value Measurements at Reporting Date Using		
		(Level 1)	(Level 2)	(Level 3)

UNION METAL HOURLY EMPLOYEE 401(K) SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2018 (IN LIQUIDATION) AND 2017 (ON GOING)

NOTE 5 - GROUP ANNUITY CONTRACT WITH INSURANCE COMPANY

The Plan entered into a traditional fully benefit-responsive guaranteed investment contract with Hartford. Hartford maintains the contributions in a general account. The account was credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer was contractually obligated to repay the principal and a specified interest rate that was guaranteed to the Plan. The crediting rate was based on a formula established by the contract issuer but may not be less than 1.50%. The crediting rate was reviewed on a Quarterly basis for testing. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

This contract meets the fully benefit-responsive investment contract criteria and therefore was reported at contract value. Contract value was the relevant measure for fully benefit-responsive Investment contracts because this was the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Hartford, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

NOTE 6 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities were exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it was at least reasonably possible that changes in the values of the investment securities would occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 7 - PLAN TAX STATUS

Effective January 1, 2016, the Plan adopted a standardized form of a prototype plan sponsored by Matthew Benefit Group Inc. The prototype plan received an opinion letter from the IRS as to the prototype plan's qualified status dated March 31, 2014. The prototype plan opinion letter has been relied upon by this Plan. The Board of Trustees believes the Plan was designed and operated in compliance with the applicable provision of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan was subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments were managed by an affiliate Hartford and Mass Mutual. Mass Mutual and Hartford were the insurance companies for the Plan and, therefore, the investment transactions qualified as party-in-interest transactions. Fees incurred by the Plan for the investment management services were included in net appreciation in fair value of the investment, as they were paid through revenue sharing, rather than a direct payment.
