NOTES TO FINANCIAL STATEMENTS
April 1, 2020 and December 31, 2019

NOTE 1 - PLAN DESCRIPTION

The following description of The Kitchen Collection, LLC Retirement Savings Plan (the "Plan") provides general information regarding the Plan. Participants should refer to the Plan document for a complete description of specific Plan provisions.

General: The Plan, amended and restated as of July 1, 2016 (as further amended), is a defined contribution plan covering substantially all employees of The Kitchen Collection, LLC (the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Plan Administration: The investments of the Plan are held in a trust with Vanguard Fiduciary Trust Company (the "Trustee"). The Trustee performs investment management and recordkeeping responsibilities for the Plan.

Eligibility: Employees who have reached the age of 21 become eligible to participate in the Plan on January 1 or July 1 of the Plan year following completion of 1,000 or more hours of service in the 12 month period beginning with participants' employment commencement date. In addition, to be eligible for the profit sharing contribution, a participant must be employed by the Company on the last day of the Plan year.

Contributions: The Plan allows participants to elect to defer up to 25% of their compensation on a pre-tax basis not to exceed the maximum allowed by the Internal Revenue Code ("IRC"). The Plan allows participants who have attained age 50 by the end of the Plan year to make catch-up contributions in accordance with Code Section 414(v).

The Company makes a matching contribution equal to 50% of the first 6% of compensation that a participant contributes to the Plan, up to a maximum of 3% of compensation. The Company also makes a minimum mandatory profit sharing contribution equal to 2% of each eligible participant's compensation up to the Social Security Wage Base plus 4% of compensation in excess of the Social Security Base. In addition, the Company may make additional discretionary profit sharing contributions to the Plan.

Participants may direct their contributions and any related earnings into investment options in 1% increments. The Plan allows participants to change their investment elections daily.

Participant Accounts: Each participant's account is credited with the participant's contributions and an allocation of a) the Company's contributions and b) Plan earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting: Participants are immediately vested in their contributions plus actual earnings thereon. In addition, employees are vested at 20% per year for a period of five years for employer matching and profit sharing contributions.

Participants who reach normal retirement age, early retirement age, die, become disabled or die while performing qualified military service while employed are fully vested in their entire account.

The Plan incurred a partial plan termination due to a 20% or greater reduction in plan participants in 2019, in connection with the winddown of Company operations at year-end. Upon partial plan termination, the Plan fully vested the accounts for all participants from all sources. If a participant was fully vested when his or her employment terminated, no additional action was taken.

Payment of Benefits: Upon retirement, death, disability or other termination of employment, a participant may elect to receive payment for the value of their account through a lump-sum payment or installment payments over a period not exceeding the participant's life expectancy.

NOTES TO FINANCIAL STATEMENTS
April 1, 2020 and December 31, 2019

NOTE 1 - PLAN DESCRIPTION (Continued)

Forfeited Accounts: Forfeited amounts can be used to reduce future employer contributions or pay administrative expenses. At April 1, 2020 and December 31, 2019, forfeitures of \$0 and \$27,399, respectively, were available to reduce future contributions. Forfeitures applied against employer retirement contributions for the period from January 1, 2020 to April 1, 2020 were \$34,404.

Notes Receivable from Participants: A participant may borrow up to the lesser of \$50,000 or 50% of the participant's vested account balance, with a minimum note amount of \$1,000. Notes are repayable through payroll deductions. The interest rate is determined by the Administrative Committee based on prevailing market conditions and is fixed over the life of the note. The period of a repayment for a general note may not exceed five years. The period of repayment for a principal residence note may not exceed ten years.

Expenses: Certain administrative expenses of the Plan are paid by the Company. Certain recordkeeping and trustee fees are paid by the Plan. Loan origination fees associated with the notes receivable from participants are included in the amount of the initial loan withdrawal. Investment management fees are charged to the Plan as a reduction of investment return and included in investment income (loss) reported by the Plan.

Plan Merger: Effective December 31, 2019, all participation in the Plan was frozen, and all contributions to the Plan were frozen. The Plan merged into the Hamilton Beach Brands, Inc. Employees' Retirement Savings Plan effective April 1, 2020.

Subsequent Events: Plan management has evaluated subsequent events for recognition and disclosure through February 11, 2021, which is the date the financial statements were available to be issued.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan have been prepared under the accrual basis of accounting.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Risks and Uncertainties: The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, liquidity and credit risks. Due to the level of risk associated with certain investment securities and the sensitivity of certain fair value estimates to changes in valuation assumptions, it is at least reasonably possible that changes in the fair values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statements of net assets available for benefits.

In December 2019, a novel strain of coronavirus surfaced in Wuhan, China, and has spread around the world, with resulting business and social disruption. The coronavirus was declared a Public Health Emergency of International Concern by the World Health Organization on January 30, 2020. The Plan merged with the Hamilton Beach Brands, Inc. Employees' Retirement Savings Plan on April 1, 2020.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes Receivable from Participants: Notes receivable from participants are recorded at their unpaid principal balance plus any accrued but unpaid interest, with no allowance for credit losses, as repayments of principal and interest are received through payroll deductions and the notes are collateralized by the participants.

Payment of Benefits: Benefits are recorded when paid.

Investment Valuation and Income Recognition: The Plan's investments are reported at fair value. Fair value is the price that would be received by the Plan for an asset or paid by the Plan to transfer a liability (an exit price) in an orderly transaction between market participants on the measurement date in the Plan's principal or most advantageous market for the asset or liability. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Fair value measurements are determined by maximizing the use of observable inputs and minimizing the use of unobservable inputs. The hierarchy places the highest priority on unadjusted quoted market prices in active markets for identical assets or liabilities (Level 1 measurements) and gives the lowest priority to unobservable inputs (Level 3 measurements). The three levels of inputs within the fair value hierarchy are defined as follows:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

In some cases, a valuation technique used to measure fair value may include inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy. The following describes the valuation methods and assumptions used by the Plan to estimate the fair values of investments.

Mutual Funds: The fair values of mutual fund investments are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).

Collective Trust: The fair values of investments in collective trusts are based on the value per unit as published daily by the investment manager, and represent the net asset value of units held by the Plan at year end (Level 1 inputs).

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 3 - INVESTMENTS AND NOTES RECEIVABLE FROM PARTICIPANTS - UNAUDITED INFORMATION

Substantially all information pertaining to the Plan's investments and notes receivable from participants included in the financial statements, including the associated investment income and interest earned on notes receivable from participants, was obtained from information supplied to the Plan administrator and certified as complete and accurate by Vanguard Fiduciary Trust Company, the Trustee of the Plan. This certified information has not been audited by independent accountants.

NOTE 4 - PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Certain investments are shares of mutual funds managed by Vanguard Group, Inc. The Plan also invests in a collective trust fund managed by Vanguard Fiduciary Trust Company. Vanguard Fiduciary Trust Company, the trustee of the Plan, is a wholly owned subsidiary of Vanguard Group, Inc., therefore, these investments and investment transactions qualify as party-in-interest transactions. The Plan also has notes receivable from participants, which constitute party-in-interest transactions. The Plan paid fees to Vanguard Group, Inc. totaling \$27,540. However, these investments and transactions are not considered prohibited transactions.

NOTE 5 - INCOME TAX STATUS

The Plan has received a determination letter from the Internal Revenue Service (the "IRS") dated October 27, 2017, stating that the Plan is qualified under Section 401(a) of the Internal Revenue Code (the "Code") and, therefore, the related trust is exempt from taxation. Subsequent to application for the determination letter, the plan was amended. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Plan administrator believes the Plan is designed and operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan, as amended, is qualified and related trust is tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of April 1, 2020 and December 31, 2019, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to federal income tax examinations for years prior to 2017.
