Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Armellini Express Lines, Inc. and Subsidiaries Profit Sharing Plan (the "Plan"), which comprise the statement of net assets available for benefits as of June 30, 2020, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Principal Life Insurance Company, the custodian of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of and for the year ended June 30, 2020, that the information provided to the Plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statements. Accordingly, we do not express an opinion on the 2020 financial statements referred to in the first paragraph.

Other Matter – Supplemental Schedule

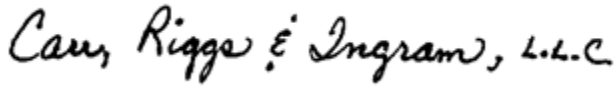

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of June 30, 2020, is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Other Matter – 2019 Financial Statements

The financial statements of the Plan as of June 30, 2019, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Principal Life Insurance Company, the custodian of the Plan. Their report, dated April 10, 2020, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the Custodian, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance with DOL Rules and Regulations 2020

The form and content of the information included in the 2020 financial statements and supplemental schedule, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Note 1: DESCRIPTION OF THE PLAN

The following description of the Armellini Express Lines, Inc. and Subsidiaries Profit Sharing Plan (the "Plan") provides only general information. Refer to Plan documents for a more complete description of Plan provisions.

General

The Plan is a defined contribution plan covering all full-time employees of Armellini Express Lines, Inc. and its wholly owned subsidiaries (the "Company"). The Plan is subject to the provisions of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees is responsible for oversight of the Plan. The Plan's Advisory Committee (Advisory Committee) determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's Board of Trustees.

Some administrative functions are performed by employees of the Company. No compensation is remitted to the Company for these services.

Plan assets are held and managed by Principal Life Insurance Company ("Principal"), which invests contributions and Plan earnings, makes investment transactions as directed by the Advisory Committee, and provides certain recordkeeping services. Principal Life Insurance Company acts as the third-party administrator for the Plan, which performs certain plan administration and annual ERISA compliance testing.

Eligibility

Employees may become a participant of the Plan when they have reached two months of service and are age eighteen or older. An eligible employee may enter the Plan on the next quarterly entry date after all entry requirements have been met.

Contributions

Each year, participants may contribute up to 100 percent (%) of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (i.e. rollover contributions). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 4% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. The Company matches 25% of the first 4% of base compensation that a participant contributes to the Plan. Additional profit sharing amounts may be contributed at the option of the Company's board of directors and are invested in a portfolio of investments as directed by the Company.

During the year ended June 30, 2020, the Company made no additional profit sharing contributions. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Note 1: DESCRIPTION OF THE PLAN (Continued)

Participant Accounts

Each participant's account is credited with the participant's contributions and Company's matching contributions, as well as allocations of the Company's profit sharing contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contribution and profit sharing portion of their accounts is based on years of continuous service. A participant is 100% vested after six years of credited service.

Years of Service	% Vested
0 - 1	0%
2	20%
3	40%
4	60%
5	80%
6+	100%

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate is set at the prime rate, as defined. Principal and interest is paid ratably through weekly payroll deductions.

As a result of the Coronavirus Aid, Relief, and Economic Security Act, (CARES Act) passed on March 27, 2020, the Plan was amended to reflect the changes in loan rules. Effective for 180 days from March 27, 2020, the Plan will allow impacted participants to borrow up to the lesser of $100,000 or 100% of their vested balance. Additionally, impacted participant loan payments due from March 27, 2020 through December 31, 2020, including those due following a severance from employment, may be delayed for one year. This period is disregarded in determining the loan term, including the 5 year maximum. Subsequent loan payments will be adjusted appropriately to reflect the payment delay, any interest accruing during that delay, and the revised loan term.

Benefit Payments

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, or various installment options, as defined by the Plan agreement. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution.

Note 1: DESCRIPTION OF THE PLAN (Continued)

Benefit Payments (Continued)

As a result of the Coronavirus Aid, Relief, and Economic Security Act, (CARES Act) passed in 2020, the Plan was amended to reflect the changes in distribution rules. Effective April 10, 2020, the Plan will allow impacted participants to receive up to $100,000 of withdrawals before December 31, 2020. The withdrawal will be included in the impacted participant's taxable income over a three year period, unless the impacted participant elects to have it taxed in the year of distribution. There is no limit to the number of such withdrawals each impacted participant can make. Withdrawals are available from an impacted participant's entire vested account. Repayment of withdrawal amount is permitted if repayment occurs within three years of distribution. Required minimum distribution rules for the 2020 calendar year are temporarily waived. Plan participants and beneficiaries may still request to receive a distribution equal to the RMD in 2020 if they so choose.

Forfeitures

At June 30, 2020 and 2019, forfeited nonvested accounts totaled $25,543 and $16,420 respectively. These accounts will be used to reduce future employer contributions or reallocated to participants. Also, in 2020, the amount reallocated to participants from forfeited nonvested accounts was $16,860.

Hardship Withdrawals

As permitted by the Internal Revenue Code (IRC), a participant may request a financial hardship withdrawal if they experience a severe financial hardship. The participant must meet the condition that they cannot relieve the amount of the need by stopping the elective contributions to the Plan. The financial hardship withdrawal may not exceed the amount of the financial hardship or the value of the vested portion of the participant's balance, whichever is less.

Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). The Financial Accounting Standards Board (FASB) provides authoritative guidance regarding U.S. GAAP through the Accounting Standards Codification (ASC) and related Accounting Standards Updates (ASUs)**.**

Use of Estimates

The preparation U.S GAAP financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition

Investments generally are reported at fair value, but may also be reported at contract value or net asset value (NAV). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for further discussion of fair value measurements, contract value, and NAV.

The Plan's Advisory Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of June 30, 2020 or 2019.

Payment of Benefits

Distributions to participants are recorded when paid.

Administrative Expenses

Expenses attributable to the general Plan administration were paid by the Plan and allocated among the accounts of all participants, in proportion to their account balances, unless paid by the Employer. During the year ended June 30, 2020, expenses of $13,638 were paid by the Plan and allocated to participant accounts.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in value of investment securities will occur in the near term and that these changes could materially affect amounts reported in the Plan’s financial statements.

Subsequent Events

Management has evaluated subsequent events through the date that the financial statements were available to be issued, April 1, 2021. See Note 9 for relevant disclosure. No subsequent events occurring after this date have been evaluated for inclusion in these financial statements.

Note 3: INFORMATION CERTIFIED BY TRUSTEE (UNAUDITED)

The Plan Administrator has elected the method of compliance, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The following financial information included in the Plan's financial statements has been derived from information certified to be complete and accurate by the Custodian under such regulation:

a) Total investments, at fair value, included in the statements of net assets available for benefits at June 30, 2020 and 2019.
b) Investment income information included in the statement of changes in net assets available for benefits for the year ended June 30, 2020.
c) All amounts included in Note 4, *Fair Value Measurements (Unaudited).*
d) All information included in the supplemental schedule of assets (held at end of year) as of June 30, 2020.

NOTE 4: FAIR VALUE MEASUREMENTS (UNAUDITED)

Fair value is the exchange price that would be received for an asset or paid to transfer a liability (exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. There are three levels of inputs that may be used to measure fair values:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs, other than quoted prices, that are:
  - observable; or
  - can be corroborated by observable market data.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2020 and 2019.

Note 4: FAIR VALUE MEASUREMENTS (UNAUDITED) (Continued)

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled separate accounts: Valued using the NAV of units held by the Plan at year-end as provided by the insurance company and are not assigned a level in the fair value hierarchy. The NAV is based on the fair value of the underlying assets owned by the account net of investment management fees. The practical expedient is not used when it is determined to be probably that the investment will be sold for an amount different than the reported NAV.

Common collective trust ("CCT"): The Plan's CCT is valued based on NAV per share or unit as a practical expedient as reported by the fund manager, multiplied by the number of shares or units held as of the measurement date. Accordingly, this NAV based investment has been excluded from the fair value hierarchy leveling.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan Administrator believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in different fair value measurements at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2020 and 2019:

Description	Quoted Prices in Active Markets for Identical Assets Level 1	Significant Other Observable Inputs Level 2	Significant Unobservable Inputs Level 3	Total
June 30, 2020				
Mutual Funds	**$ 7,989,709**	**$ -**	**$ -**	**$ 7,989,709**
Pooled Separate Accounts [(A)]				**4,449,074**
Common Collective Trust [(A)]				**5,126,574**
Total investments at fair value				**$ 17,565,357**

Note 4: FAIR VALUE MEASUREMENTS (UNAUDITED) (Continued)

Description	Quoted Prices in Active Markets for Identical Assets Level 1	Significant Other Observable Inputs Level 2	Significant Unobservable Inputs Level 3	Total
June 30, 2019				
Mutual Funds	$ 7,495,405	$ -	$ -	$ 7,495,405
Pooled Separate Accounts [(A)]				4,575,803
Common Collective Trust [(A)]				5,034,882
Total investments at fair value				$ 17,106,090

(A) Investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statement of Net Assets Available for Benefits

Changes in Fair Value Levels

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

Management evaluated the significance of transfer between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits. For the year ended June 30, 2020, there were no significant transfers in or out of Levels 1, 2 or 3.

Fair Value of Investments that Calculate Net Asset Value

The following table summarizes information related to the CCT and pooled separate accounts measured at fair value based on NAV per share as of June 30, 2020 and 2019, respectively. The funds are maintained by investment companies and hold investments in accordance with a stated set of fund objectives.

June 30, 2020 Investment	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Pooled Separate Accounts	$ 4,449,074	$ -	Daily	Daily
Common Collective Trust	$ 5,126,574	$ -	Daily	Daily

Note 4: FAIR VALUE MEASUREMENTS (UNAUDITED) (Continued)

June 30, 2019 Investment	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Pooled Separate Accounts	$ 4,575,803	$ -	Daily	Daily
Common Collective Trust	$ 5,034,882	$ -	Daily	Daily

Note 5: TAX STATUS

The IRS has determined and informed the Company by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Tax positions are recognized only if it is "more likely than not" that the tax position be sustained in a tax examination, with a tax examination being presumed to occur. The amount recognized is the largest amount that is greater than 50% likely of being realized on examination. For tax positions not meeting the "more likely than not" test, no tax position is recorded. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 6: RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Principal. Principal is the custodian of the Plan and, therefore, these transactions qualify as party-in-interest transactions. Direct fees paid by the Plan for the custodial and record keeping services amounted to $13,638 for the year ended June 30, 2020. The plan sponsor pays directly any other fees related to the Plan's operations.

The Plan also uses Global Retirement Partners, LLC for investment advisory services and LPL Financial, LLC for other services. The indirect compensation paid for investment advisory and other services was $18,451 for the year ended June 30, 2020.

Note 7: PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Note 8: UNCERTAINTIES

In March 2020, the World Health Organization made the assessment that the outbreak of a novel coronavirus (COVID-19) can be characterized as a pandemic. While response to the COVID-19 outbreak continues to rapidly evolve, it has led to stay-at-home orders and social distancing guidelines that have seriously disrupted activities in large segments of the economy. Uncertainties have arisen that may have a significant negative impact on the Plan. The occurrence and extent of such an impact will depend on future developments, including (i) the duration and spread of the virus, (ii) government quarantine measures, including declarations of states of emergency and stay-at-home orders, (iii) the effects on the financial markets, and (iv) the effects on the economy overall, all of which are uncertain.

Note 9: SUBSEQUENT EVENTS

Management of the Plan evaluated all events or transactions that occurred after June 30, 2020 through April 1, 2021, the date the Plan's financial statements were available to be issued. The following item occurred. The Company changed custodians from Principal to Fidelity Management Trust Company ("Fidelity"). On August 31, 2020, substantially all assets totaling $18,240,802 were transferred from Principal to Fidelity with the exception of the Principal U.S. Property Separate Account. Subsequent to the transfer, there was approximately $377,000 remaining at Principal in the Principal U.S. Property Separate Account. This fund is a real estate investment which is highly illiquid and as such, there can be no assurance that the investments in real estate will be able to be sold in a timely manner. Because of this, the Company has been transferring the funds to Fidelity as they become liquid. As of April 1, 2021, the date the Plan's financial statements were available to be issued, the remaining balance in the Principal U.S. Property Separate Account was approximately $120,000. The Company will continue to transfer the remaining balance to Fidelity as the fund becomes liquid.
