Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Coleman Professional Services Employees' 403(b) Plan (the "Plan"), which comprise the statement of net assets available for benefits as of June 30, 2020 and the related statement of changes in net assets available for benefits for the year ended June 30, 2020, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 8, which was certified by American United Life Insurance Company (the "Custodian"), except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the Custodian holds the Plan's investment assets and executes related transactions. The plan administrator has obtained a certification from the Custodian as of and for the year ended June 30, 2020 that the information provided to the plan administrator by the Custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statements. Accordingly, we do not express an opinion on the 2020 financial statements referred to in the first paragraph.

Other Matter – Supplemental Schedule

The supplemental schedule of assets (held at end of year) on page 12 as of June 30, 2020 is required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on this supplemental schedule.

Other Matter – 2019 Financial Statements

The financial statements of the Plan as of June 30, 2019, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by American United Life Insurance Company, the Custodian of the Plan. Their report, dated April 8, 2020, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the Custodian, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the 2020 financial statements and supplemental schedule, other than that derived from the information certified by the Custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

COLEMAN PROFESSIONAL SERVICES EMPLOYEES' 403(b) PLAN

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED JUNE 30, 2020 AND 2019

1. Description of the Plan:

General:

The Coleman Professional Services Employees' 403(b) Plan (the "Plan") is a defined contribution plan covering all employees of Coleman Professional Services, Inc. (the "Organization" and "Plan Sponsor"). Individuals are eligible to participate in the Plan immediately upon employment with the Organization. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. The Board of Trustees is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Contributions:

The Plan provides for employee salary deferral contributions on a pre-tax or after tax (Roth contribution) basis, to the Plan according to the employee's written wage reduction agreement subject to maximum tax-deferred limitations established by the Internal Revenue Code. Participants may also make contributions to the Plan in the form of a rollover of funds from another qualified plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan. Automatically enrolled participants have their deferral rate set at 2% of their eligible compensation which is not adjusted annually. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

The Organization may make discretionary matching contributions. Participants who have completed one year of service, defined as working 1,000 hours in a consecutive 12-month period, and continue employment through the end of the plan year will be eligible to receive a discretionary matching contribution. For 2020 and 2019, the discretionary matching contributions authorized were equal to 2% of compensation.

Participant accounts:

Separate accounts for each participant are maintained by American United Life Insurance Company (AUL). Each account is credited with contributions and earnings from investments held in the account. Participants may direct their contributions, including the employer's portion, into a number of investment fund options.

Vesting:

Participants are immediately vested in their deferral contributions and any income or loss thereon. Vesting in the discretionary matching contributions plus actual earnings thereon, is based on years of service. Participants are fully vested in contributions made by the Organization after six years of service. Participants become automatically fully vested upon death, disability, or the later of the date they attain age of 62 years or the fifth anniversary of the first day of the Plan year in which they commenced participation in the Plan.

COLEMAN PROFESSIONAL SERVICES EMPLOYEES' 403(b) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEARS ENDED JUNE 30, 2020 AND 2019

1. Description of Plan (continued):

Payment of benefits:

Participants who suffer serious financial hardship, as defined by the Plan, may withdraw a portion of their vested account in order to meet their financial needs. Once participants attain age 59 ½, they may also elect to withdraw from their account, any amount not to exceed their vested portion. All accounts are subject to distribution upon the participant's termination, retirement or death.

On termination of service, participants may elect to receive a lump sum distribution equal to the vested value of their account balance, a partial lump sum distribution not to exceed the vested value of their account balance, or in installments not to exceed the life of the participant.

Forfeitures:

If a participant is not fully vested on his or her termination or disbursement date, the nonvested amount of the account is forfeited. Forfeitures are used to reduce future employer contributions to the Plan.

The Plan used \$25,973 during 2020 and \$16,430 during 2019 to reduce discretionary matching contributions.

Deposits with insurance company:

The Plan maintains a contract with AUL. AUL maintains the contributions for the investment contract and the pooled separate accounts. The investment contract is credited with actual earnings on the underlying investments and charged for Plan withdrawals.

Participant notes:

Participants may borrow from their accounts. The minimum participant note is \$1,000 to a maximum equal to the lesser of \$50,000 or 50% of the participant's vested balance. These transactions are treated as transfers between investment funds and the participant notes fund. Repayment of a participant note must be made over a period not to exceed five years, unless the participant note is used to purchase a residence, in which case the note is to be repaid over a reasonable period of time that may exceed five years. The participant notes are secured by the balance in the participant's account and bear interest at market rates. Principal and interest are paid through payroll deductions.

Participant notes are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of June 30, 2020 or 2019. If a participant ceases to make note repayments and the plan administrator deems the participant note to be in default, the participant note balance is reduced and a benefit repayment is recorded. Interest rates on the notes receivable from participants were 4.25% during 2020 and 2019.

YEARS ENDED JUNE 30, 2020 AND 2019

2. Summary of significant accounting policies:

Basis of accounting:

The financial statements of the Plan were prepared using the accrual method.

Use of estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect amounts reported in the financial statements and accompanying notes. Actual results may differ from those estimates and assumptions.

Valuation of investments and income recognition:

The Plan's pooled separate accounts investments are recorded at fair value, which is determined by unit prices at June 30, 2020 and 2019, as provided by AUL, the custodian of the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. These amounts were provided by AUL for the years ended June 30, 2020 and 2019.

Payment of benefits:

Benefits are recorded when paid.

Expenses:

Certain expenses of maintaining the Plan are paid directly by the Organization and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses of the funds are included in the change in the net increase in value of investments.

Recent accounting pronouncement:

In August 2018, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2018-03, *Changes to the Disclosure Requirements for Fair Value Measurements*. This standard intended to modify requirements and improve effectiveness of disclosures on fair value measurements included in Accounting Standards Codification Topic 820, *Fair Value Measurements*. The ASU will be effective for fiscal years beginning after December 15, 2019, with early adoption permitted. Plan management is currently evaluating the impact this ASU will have on its financial statements and will adopt the provisions upon its effective date.

COLEMAN PROFESSIONAL SERVICES EMPLOYEES' 403(b) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEARS ENDED JUNE 30, 2020 AND 2019

3. Investments:

The following table presents the fair value of investments at June 30, 2020 and 2019 as provided by AUL. All investments of the Plan were participant directed at June 30, 2020 and 2019.

	<u>2020</u>	<u>2019</u>
Pooled separate accounts (at fair value)	\$ 6,861,765	\$ 5,705,400
Guaranteed interest account (at contract value)	<u>1,848,339</u>	<u>1,589,727</u>
	<u>\$ 8,710,104</u>	<u>\$ 7,295,127</u>

4. Fair value:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted market prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the methodology include:

- Quoted market prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Assets measured at net asset value or fair value on a recurring basis at June 30, 2020 and 2019, were as follows:

	<u>2020</u> <u>(Level 2)</u>	<u>2019</u> <u>(Level 2)</u>
Pooled separate accounts	<u>\$ 6,861,765</u>	<u>\$ 5,705,400</u>

COLEMAN PROFESSIONAL SERVICES EMPLOYEES' 403(b) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEARS ENDED JUNE 30, 2020 AND 2019

4. Fair value (continued):

Amounts allocated to the investment account within an AUL separate account are credited to a participant's account in the form of accumulation units. The value of an accumulation unit of any investment account is determined at the close of each business day and is directly related to the net asset value of the shares of the underlying investment adjusted for any dividends or distributions received by AUL and the daily equivalent of any fee charged by AUL pursuant to the contract. The value of each accumulation unit is published each business day. Each investment account is invested by AUL exclusively in shares of a specific mutual fund or other investment entities as directed by the contract holder and/or the participant.

5. Investment contract with insurance company:

The Plan participates in a benefit-responsive investment contract with AUL. AUL maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract is included in the financial statements at contract value as reported to the plan by AUL. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contracts.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the Plan's ability to transact at contract value with AUL. Such events include the following: (a) amendments to the plan documents (including, complete or partial plan termination or merger with another plan), (b) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from Federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with the Plan participants, is probable.

6. Administrative expenses:

Certain administrative expenses of the Plan are paid by the Organization and are excluded from these financial statements. Certain administrative functions are performed by employees of the Organization. No such employee, nor the Organization, receives compensation from the Plan for these functions.

COLEMAN PROFESSIONAL SERVICES EMPLOYEES' 403(b) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEARS ENDED JUNE 30, 2020 AND 2019

7. Party-in-interest transactions:

Certain Plan investments are managed by the custodian, AUL, representing the investment contract and pooled separate accounts that are the insurance company's assets with the Plan maintaining rights to assets underlying the investments. AUL is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest. The Plan issues notes to participants, which are secured by the vested balance in the participant's account and certain fees related to the administration of the Plan were paid by the Plan or the Plan Sponsor, which also qualify as party-in-interest.

8. Certified investments:

Certain information related to investments and participant notes disclosed in the accompanying financial statements and supplemental schedule, including investments and participant notes held at June 30, 2020 and 2019, and net increase in value of investments and interest for the years ended June 30, 2020 and 2019, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by American United Life Insurance Company (custodian of the Plan).

9. Income tax status:

The plan adopted a volume submitter plan that received an opinion from the Internal Revenue Service (IRS) dated November 22, 2017 stating that the plan is acceptable, and therefore, the volume submitter plan is designed in accordance with applicable sections of the Internal Revenue Service Code (IRC). The Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan administrator believes the Plan is being operated in compliance with applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is exempt from taxation.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service and Department of Labor. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

10. Plan termination:

The Organization expects to continue the Plan but reserves the right at any time within its sole discretion to reduce, suspend or discontinue contributions to the Plan or to terminate the Plan. However, no such action may deprive any participant or beneficiary under the Plan of any vested right.

COLEMAN PROFESSIONAL SERVICES EMPLOYEES' 403(b) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEARS ENDED JUNE 30, 2020 AND 2019

11. Risks and uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

12. COVID-19 pandemic:

On March 11, 2020, the World Health Organization characterized COVID-19 as a pandemic with multiple jurisdictions in the United States declaring a state of emergency. Certain states, including Ohio, issued "stay-at-home" orders for non-essential businesses, as defined. As a result, economic uncertainties have arisen which has contributed to significant volatility for businesses and in financial markets. Consequently, there is and will continue to be uncertainty and risk with respect to the Plan Sponsor, the Plan, its investments and its financial results. Management has, and will continue to monitor the situation and make operational changes in an attempt to minimize any future financial impact to the Plan Sponsor and the Plan.

13. Subsequent events:

Effective July 1, 2020, the Plan was amended and the Plan year-end was changed to December 31 and there will be a short plan year from July 1, 2020 to December 31, 2020 because of this amendment.

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through April 13, 2021, the date the Plan's financial statements were available to be issued.

Revenue Sharing Formula:

The investment options of the Plan include various portfolios within an AUL separate account. The separate account in turn invests in investment portfolios of certain open-end management investment companies. AUL receives indirect compensation from these investment companies for the services provided by AUL.

The compensation received by AUL is computed by each investment company by multiplying the daily account balance of the AUL separate account's interest in a particular portfolio by a predetermined percentage rate negotiated with the investment company. This indirect compensation is not charged to the plan or participants accounts but is paid directly by the investment company.

The investment company, the underlying investment portfolio, and the annual compensation percentages are shown below.
