## **INDEPENDENT AUDITORS' REPORT**

To the Board of Trustees  
Northern Ohio Laborers' Profit Sharing Annuity Plan  
P.O. Box 1330  
Holland, OH 43528-1330

### **Report on the Financial Statements**

We have audited the accompanying financial statements of Northern Ohio Laborers' Profit Sharing Annuity Plan which comprise the statements of net assets available for benefits as of June 30, 2020 and 2019, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

### **Management's Responsibility for the Financial Statements**

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Northern Ohio Laborers' Profit Sharing Annuity Plan as of June 30, 2020 and 2019, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

**Report on Supplemental Information**

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of June 30, 2020 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements, and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with the auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

## **INDEPENDENT AUDITORS' REPORT**

To the Board of Trustees  
Northern Ohio Laborers' Profit Sharing Annuity Plan  
P.O. Box 1330  
Holland, OH 43528-1330

### **Report on the Financial Statements**

We have audited the accompanying financial statements of Northern Ohio Laborers' Profit Sharing Annuity Plan which comprise the statements of net assets available for benefits as of June 30, 2020 and 2019, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

### **Management's Responsibility for the Financial Statements**

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Northern Ohio Laborers' Profit Sharing Annuity Plan as of June 30, 2020 and 2019, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

**Report on Supplemental Information**

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of June 30, 2020 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements, and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with the auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

## **1. DESCRIPTION OF THE PLAN:**

The following description of the Northern Ohio Laborers' Profit Sharing Annuity Plan ("Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

### **General**

The Plan is a defined contribution plan which provides benefits for eligible participants who are members of Laborers International Union of North America Laborers Local 758, Local 500, and Local 480 (Unions). Employees may enter the Plan upon completion of 100 work hours in employment for which contributions are required to be paid within a 12-consecutive month period. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective March 1, 2020, the Laborers Local 500 Profit Sharing Annuity Plan ("Predecessor Plan") merged into the Plan. All net assets of the Predecessor Plan were liquidated through Predecessor Plan operations or through transfer to the Plan as of or prior to March 1, 2020.

### **Contributions**

In accordance with the collective bargaining agreement, employers are required to make monthly contributions at a fixed dollar amount per hour based on hours worked by participants.

Vested participants may make rollover contributions from another qualified plan to their accounts. No other employee contributions are permitted.

### **Vesting**

A separate accounting is maintained for each participant. This separate accounting includes the participant's share of the employer's monthly contribution based on hours worked, investment gains and losses, as well as administrative expenses.

Participants are 100% vested upon completion of at least 100 hours of service in a Plan year with a contributing employer, and have a balance in their account. At June 30, 2020 and 2019, non-vested forfeiture amounts totaling \$14 and \$0, respectively, were available to offset administrative expenses.

### **Notes receivable from participants**

The Plan was amended effective November 14, 2019 to remove the participant loan provision from the Plan. The outstanding participant loans relate to loans issued by the Predecessor Plan prior to the amendment. The remaining participant loans are secured by the balances in the participants' accounts and bear interest at rates fixed by the Board of Trustees at the date the loans were issued. As the loans were used to acquire the principal residence of the participant, the remaining loans have 30 year terms with the final payment due in September 2037.

Notes receivable from participants are measured at the unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowances for credit losses have been recorded as of June 30, 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be default the participant loan balance is reduced and a benefit payment is recorded.

## **1. DESCRIPTION OF THE PLAN (CONTINUED):**

### **Benefits**

Upon termination of service due to death, disability, retirement or termination of employment where benefits are vested, the participant may elect to receive one of the standard forms of payment: a joint and survivor annuity, an annuity contract, or a lump sum payment.

## **2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:**

The following significant accounting policies of the Plan are set forth to facilitate the understanding of data presented in the financial statements.

### **Basis of accounting**

The accompanying financial statements are presented on the accrual basis of accounting.

### **Use of estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities, at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

### **Investments and investment options**

The Plan's investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 6 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The Plan provides that when the participants reach 100 hours of service in the Plan the participants will direct the investment of their vested balances among the investment options established as part of the overall fund. If the participant fails to make an election, his balance will be invested in a default investment model based on the participant's age.

### **Contributions**

Employer contributions are accrued based upon employers' reporting of hours worked by participants.

### **Employer contributions receivable**

Employer contributions receivable represents amounts due from employers that were received subsequent to year end. Therefore, the carrying amount of these receivables is not reduced by an allowance for amounts that will not be collected. In addition, it is impractical to estimate revenue recognition for amounts due but erroneously unreported by employers.

## **2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED):**

### **Employer's contribution receivable from NWOA**

Employer's contribution receivable from Northwestern Ohio Administrators, Inc., administrative manager for the Plan, represent employer contributions received by NWOA and maintained in NWOA's cash concentration until such time as they are transferred to the Plan's cash account. Interest is earned on amounts maintained in the cash concentration account.

### **Benefits**

Benefit payments to participants are recorded upon distribution.

### **Subsequent events**

The Plan has evaluated subsequent events through the report date, the date the financial statements were available to be issued.

## **3. TAX STATUS:**

The Plan obtained a favorable determination letter dated June 15, 2018 from the Internal Revenue Service stating that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's legal counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements for the Internal Revenue Code. Therefore, they believe that the Plan is qualified, and the related trust is tax-exempt.

## **4. PLAN TERMINATION:**

In the event the Plan is terminated, any obligations of the Plan would be paid and all remaining net assets would be distributed to participants in the manner specified in the Plan document.

## **5. INVESTMENTS:**

The Plan's investments are held and administered by a trustee, MassMutual, in an account under agreements which grant discretionary power as to investment decisions within prescribed limits designated by the Board of Trustees. All vested participants direct the investment of their account balances into options provided by the Plan's investment advisor. These options provide varying degrees of risk and expected returns. If the participant fails to make an investment election, the participant's account balance is invested in the Qualified Default Investment Alternative (QDIA).

## 6. FAIR VALUE MEASUREMENTS:

The Financial Accounting Standards Board's (FASB) Accounting Standards Codification (ASC) Topic, "*Fair Value Measurements and Disclosures*" provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

*Level 1:* Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

*Level 2:* Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3:* Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The assets' or liabilities' fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets at fair value. There have been no changes in the methodologies used at June 30, 2020 and 2019.

Mutual funds: Valued at the daily closing prices as reported by the funds. The funds held by the Plan are registered with the Securities and Exchange Commission and are required to publish their daily net asset value (NAV) and to transact at that price. The funds held by the Plan are deemed to be actively traded.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

## 6. FAIR VALUE MEASUREMENTS (CONTINUED):

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2020:

| <u>Assets at Fair Value as of June 30, 2020</u> |                |                |                |              |
|-------------------------------------------------|----------------|----------------|----------------|--------------|
| <u>Investment</u>                               | <u>Level 1</u> | <u>Level 2</u> | <u>Level 3</u> | <u>Total</u> |
| Mutual funds                                    | \$24,644,055   | -              | -              | 24,644,055   |
| Totals                                          | \$24,644,055   | -              | -              | 24,644,055   |

## 7. GUARANTEED INVESTMENT CONTRACT WITH MASSMUTUAL RETIREMENT SERVICES:

The Plan has a traditional fully benefit-responsive, guaranteed investment contract with MassMutual Retirement Services (MassMutual) as an investment option of the Plan. The total amount invested in this option at contract value totaled \$3,854,880 at June 30, 2020. MassMutual maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is reviewed on a semi-annual basis for resetting.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

The contract meets the fully benefit-responsive investment contract criteria, and therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by MassMutual, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with participants.

**7. GUARANTEED INVESTMENT CONTRACT WITH MASSMUTUAL RETIREMENT SERVICES  
(CONTINUED):**

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, (4) a material amendment to the agreement without consent of the issuer.

**8. RELATED-PARTY TRANSACTIONS:**

This Plan is related through common management and trustees with Northwestern Ohio Administrators, Inc. (NWOA) which provides administrative services to the Plan. Included in the statements of changes in net assets available for benefits are gross administrative fees charged by Northwestern Ohio Administrators, Inc.

**10. RISKS AND UNCERTAINTIES:**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**11. COVID-19:**

During 2020, an outbreak of a novel strain of coronavirus (COVID-19) disrupted supply chains and affected production and sales across a range of industries. The securities markets have also experienced significant volatility since the outbreak. The extent of the impact of COVID-19 on the Plan's operational and financial performance will depend on certain developments, including the duration and spread of the outbreak. The impact on the Plan and the extent to which COVID-19 may impact the Plan's net assets available for benefits is uncertain at this time.
