Independent Auditor's Report

To the Plan Administrator
JCIM US, LLC Pension Plan for
Bryan Ohio Union Employees

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of JCIM US, LLC Pension Plan for Bryan Ohio Union Employees (the "Plan"), which comprise the statement of net assets in liquidation as of June 30, 2020 and 2019 and the related statement of changes in net assets in liquidation for the year ended June 30, 2020, and the related notes to the in liquidation financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 5, which was certified by U.S. Bank, N.A. (the "Trustee"), except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the Trustee holds the Plan's investment assets and executes related transactions. The plan administrator has obtained a certification from the Trustee as of June 30, 2020 and 2019 and for the year ended June 30, 2020 that the information provided to the plan administrator is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Emphasis of Matter

As discussed in Note 8 to the financial statements, the plan sponsor of the Plan terminated the Plan effective June 30, 2019. The financial statements and supplemental schedules are prepared on the liquidation basis of accounting. Our opinion is not modified with respect to this matter.

Other Matter

The supplemental schedules of assets held at end of year - liquidation basis as of June 30, 2020 and reportable transactions - liquidation basis for the year ended June 30, 2020 are required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we do not express an opinion on these supplemental schedules.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the Trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Note 1 - Plan Description

The following description of JCIM US, LLC Pension Plan for Bryan Ohio Union Employees (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of plan provisions.

The Plan was terminated effective June 30, 2019. Accordingly, the descriptions below are provisions of the Plan prior to termination. See Note 8 for additional information.

General

The Plan is a defined benefit plan covering all employees of Adient plc (the "Company") who were employed by Plastech on or after July 1, 2004 and were participants in the Plastech Exterior Systems, Inc. Retirement Plan as of June 30, 2008. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

On October 31, 2016, the Company was separated from Johnson Controls, Inc. Prior to the separation, the Plan was sponsored by Johnson Controls, Inc.

Effective September 30, 2003, the Plan no longer allowed new entrants, and benefit accrual was frozen.

Contributions

All contributions to the Plan are made by the Company. The Company contributes such amounts, as determined on an actuarial basis, to provide the Plan with assets sufficient to meet the projected benefits to be paid to plan participants. No participant contributions are permitted.

Pension Benefits

Eligible employees with five or more years of service are entitled to normal annual pension benefits beginning at the participant's normal retirement age of 65, as described in the Plan. The individual pension benefit is equal to credited service times a monthly pension basic benefit. Special provisions for retirement at other than the normal retirement age are described in the plan and union agreements, if applicable. Employees with at least 10 years of service may elect early retirement and receive the accrued normal retirement benefits at age 60 or a reduced monthly retirement benefit payable immediately in accordance with the plan agreement.

Death Benefits

If an active or terminated employee who has a vested interest in the Plan dies prior to his or her normal retirement age, a death benefit equal to the benefit the employee would have received under the qualified joint and survivor annuity form had they retired on the day immediately preceding the date of his or her death will be paid to the surviving spouse. Beneficiaries of unmarried participants and those who have elected to waive the preretirement surviving spouse benefit will receive a lump-sum benefit or monthly installments equal to the actuarial equivalent of the participant's vested accrued normal retirement benefit at the date of break in service.

Payment of Benefits

Distributions are payable in the form of a single life annuity for unmarried participants and an automatic 55 percent joint and survivor annuity for married participants, unless otherwise elected. Participants can also elect a lump-sum payment, 75 percent joint and survivor annuity, 100 percent joint and survivor annuity, or a defined-term 10-year annuity. During 2020, the Plan was amended to allow for a lump-sum election window (see Note 8).

Note 1 - Plan Description (Continued)

Administration

Under a trust agreement, U.S. Bank, N.A. (the “Trustee”) was appointed trustee of the Plan. In accordance with the powers and duties of the trustee, as designated by the Company, the Trustee administers the Plan in accordance with the orders of the administrative committee and invests the Plan’s assets and the income therefrom, as directed by the Plan’s investment manager. Certain administrative fees incurred in administering the Plan are paid from the assets of the Plan.

Termination

The Plan has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in the plan agreement and ERISA. The Plan was terminated as of June 30, 2019. See Note 8 for additional information.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

As discussed in Note 8 to the financial statements, the plan sponsor terminated the Plan effective June 30, 2019. As a result, the Plan changed its basis of accounting for periods subsequent to June 30, 2018 from the going concern basis to the liquidation basis.

Under the liquidation basis of accounting, assets are measured to reflect the estimated amount of cash expected to be collected in settling or disposing of the assets during the liquidation process, and liabilities are measured using the accrual basis of accounting and would include any expected costs of the disposal of assets and other costs expected to be incurred during the liquidation process.

Investments in the Master Trust

The Plan participated in the Adient US LLC Master Pension Trust (the "Master Trust") through May 15, 2020. In connection with the termination (see Note 8), the investments of the Plan are no longer commingled in the Master Trust.

Investment Valuation

The Plan's investments at June 30, 2020 are stated at fair value, based on quoted market values. See Note 6 for additional information.

During the plan year ended June 30, 2019 and through May 15, 2020, the fair value of the Plan's interest in the Master Trust was based on the beginning of year value of the Plan's interest in the Master Trust plus actual contributions and allocated investment income less actual distributions and allocated administrative expenses. See Note 4 for additional information.

Benefit Payments

Benefits are recorded when paid.

Administrative Expenses

Various administrative expenses are paid by the Company.

Note 2 - Summary of Significant Accounting Policies (Continued)

Actuarial Present Value of Accumulated Plan Benefits

Accumulated plan benefits are those future periodic payments that are attributable, under the Plan's provisions, to the service that employees have rendered. Accumulated plan benefits include benefits expected to be paid to retired or terminated employees or their beneficiaries, beneficiaries of employees who have died, and present employees or their beneficiaries. The present value of accumulated plan benefits is actuarially determined and is the amount that results from applying actuarial assumptions to adjust the accumulated plan benefits to reflect the time value of money (through discounts for interest) and the probability of payment due to death, disability, or retirement between the valuation date and the expected date of payment.

Beginning in the year ended June 30, 2020, the accumulated plan benefit information and the changes in accumulated plan benefit information have been disclosed on an end of year basis in the notes to the financial statements. Previously, such information was presented as of the beginning of the year. Accounting principles generally accepted in the United States of America and the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 allow disclosure of actuarial information as of the beginning or end of the year. The change did not have an impact on the net assets available for benefits or the changes in net assets available for benefits.

Actuarial Assumptions

The actuarial present value of accumulated plan benefits is determined by an actuary and is the amount that results from applying actuarial assumptions to adjust the accumulated plan benefits to reflect the time value of money and probability of payment between the valuation date and the expected date of payment. As described above, beginning in the year ended June 30, 2020, the accumulated plan benefit information and changes in accumulated plan benefit information were disclosed on an end of year basis, whereas the information was previously reported as of the beginning of the year.

The significant actuarial assumptions used in determining the actuarial present value of accumulated plan benefits as of June 30, 2020 are the expected annuity payments to be made on July 1, 2020 and August 1, 2020, as all future benefits are covered under an annuity contract (see Note 8). The significant actuarial assumptions used in determining the actuarial present value of accumulated plan benefits as of June 30, 2019 are summarized as follows:

Actuarial cost method	Unit credit
Mortality rates	Aggregate 2006 base rates from the RP-2014 mortality study, with 100 percent blue collar adjustments, projected generationally from 2006 with Scale MP-2018
Interest rate	3.50

The foregoing actuarial assumptions are based on the fact that the Plan is terminating.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

Note 2 - Summary of Significant Accounting Policies (Continued)

Risks and Uncertainties

Contributions to the Plan and the accumulated plan benefits are reported based on certain assumptions pertaining to interest rates, inflation rates, and employee demographics. Due to the changing nature of these assumptions, it is at least reasonably possible that changes in these assumptions will occur in the near term and, due to the uncertainties inherent in setting assumptions, that the effect of such changes could be material to the financial statements. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. It is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the financial statements.

New Accounting Pronouncement

During the year ended June 30, 2020, the Plan adopted Accounting Standards Update (ASU) No. 2017-06, *Plan Accounting: Defined Benefit Pension Plans (Topic 960), Defined Contribution Pension Plans (Topic 962), and Health and Welfare Benefit Plans (Topic 965) - Employee Benefit Plan Master Trust Reporting*. As a result of the adoption of ASU No. 2017-06, additional disclosures related to the Plan's interest in the Master Trust have been made. This standard was adopted retrospectively and had no impact on the Plan's net assets or changes in net assets.

Subsequent Events

The financial statements and related disclosures include evaluation of events up through and including April 9, 2021, which is the date the financial statements were available to be issued.

Note 3 - Accumulated Plan Benefits

The actuarial present value of accumulated plan benefits is determined by consulting actuaries. The calculations of the actuarial present value of accumulated plan benefits attributable to participants in the Plan, which were made as of June 30, 2020 and 2019, the most recent actuarial valuations, are as follows:

	2020	2019
Actuarial present value of accumulated plan benefits - Vested benefits - Participants currently receiving benefit payments:		
Participants currently receiving benefit payments	$ 37,920	$ 2,460,282
Other vested participants	-	2,795,258
Total actuarial present value of accumulated plan benefits	$ 37,920	$ 5,255,540

A summary of significant changes in the actuarial present value of accumulated plan benefits during the year ended June 30, 2020 is as follows:

Actuarial present value of accumulated plan benefits - Beginning of year	$ 5,255,540
Increase (decrease) during the year attributable to:	
Interest due to the decrease in the discount period	146,297
Benefits paid	(2,169,940)
Benefits accrual and plan experience	523,338
Annuity purchase	(3,717,315)
Net decrease	(5,217,620)
Actuarial present value of accumulated plan benefits - End of year	$ 37,920

Note 3 - Accumulated Plan Benefits (Continued)

This information is based on the plan termination and the purchase of the annuity contract (see Note 8) where the insurer assumes payments after August 1, 2020. The present value of accumulated plan benefits is equal to the July 1 and August 1 annuity payments to be made by the Plan.

Note 4 - Interest in Master Trust

Through May 15, 2020, the Plan's investments were in the Master Trust, which was established for the investment of assets of the Plan and two other Adient US LLC-sponsored benefit plans. Each participating benefit plan had an undivided interest in the Master Trust. The assets of the Master Trust were held by the Trustee.

At June 30, 2019, the Plan's interest in the net assets of the Master Trust was approximately 41 percent. Investment income and administrative expenses relating to the Master Trust were allocated to the individual plans based upon average monthly balances invested by each plan.

The net assets of the Master Trust and the Plan's interest in Master Trust balances at June 30, 2019 are as follows:

	Master Trust Balances	Plan's Interest in Master Trust Balances
Investments - Mutual funds	$ 15,638,626	$ 6,365,740

The investment income for the Master Trust for the period from July 1, 2019 through May 1, 2020 and the year ended June 30, 2019 is as follows:

Net realized and unrealized gains and losses on investments	$ 177,240
Interest and dividends	406,644
Total investment income	$ 583,884

Note 5 - Unaudited Information

U.S. Bank, N.A. holds the Plan's investments and executes all investment transactions. The investment balances and related investment income and losses included in the accompanying financial statements, supplemental schedule of assets held at end of year, supplemental schedule of reportable transactions - liquidation basis, and the Master Trust information summarized in Note 4 are based solely on information certified by the Trustee.

Note 6 - Fair Value Measurements

Accounting standards require certain assets and liabilities be reported at fair value in the financial statements and provide a framework for establishing that fair value. The framework for determining fair value is based on a hierarchy that prioritizes the valuation techniques and inputs used to measure fair value.

Level 1

Fair values determined by Level 1 inputs use quoted prices in active markets for identical assets that the Master Trust has the ability to access.

Level 2

Fair values determined by Level 2 inputs use other inputs that are observable, either directly or indirectly. These Level 2 inputs include quoted prices for similar assets in active markets, quoted prices for identical or similar assets in markets that are not active, and inputs other than quoted prices that are observable for the asset.

Note 6 - Fair Value Measurements (Continued)

Level 3

Level 3 inputs are unobservable inputs, including inputs that are available in situations where there is little, if any, market activity for the related asset.

In instances where inputs used to measure fair value fall into different levels of the fair value hierarchy, fair value measurements in their entirety are categorized based on the lowest level input that is significant to the valuation. The assessment of the significance of particular inputs to these fair value measurements requires judgment and considers factors specific to each asset.

The following table presents information about the Plan's assets measured at fair value on a recurring basis at June 30, 2020:

	Assets Measured at Fair Value on a Recurring Basis at June 30, 2020	
	Investments (at Fair Value)	Level 1
Investments at fair value - Mutual funds	$ 452,307	$ 452,307

The following table presents information about the Master Trust's assets measured at fair value on a recurring basis at June 30, 2019:

	Master Trust Assets at June 30, 2019	
	Master Trust Balances	Level 1
Investments at fair value - Mutual funds	$ 15,638,626	$ 15,638,626

Note 7 - Tax Status

The Plan has received a determination letter from the Internal Revenue Service indicating that the Plan, as designed, is qualified for tax-exempt treatment under the applicable section of the Internal Revenue Code (IRC). Accordingly, no provision for income taxes has been made in the accompanying financial statements.

Note 8 - Termination and Annuity Contract Purchase

On May 22, 2019, the plan sponsor elected to terminate the Plan effective June 30, 2019. The Plan adopted the liquidation basis of accounting in the fiscal year ended June 30, 2019. Under the liquidation basis of accounting, assets are recorded at the amount expected to be collected, and liabilities are recorded at amounts expected to be paid during the course of liquidation.

As part of the termination process, the Plan had an election window ending on April 30, 2020 during which time participants could either elect to receive a lump-sum distribution from the Plan or elect to start receiving an annuity payment. Any participants who did not make an election were deemed to have elected an annuity payment.

Note 8 - Termination and Annuity Contract Purchase (Continued)

On June 25, 2020, the Plan purchased an annuity contract with United of Omaha Life Insurance Company (United). Under the agreement, United assumed the obligation to pay future pension benefits, starting on September 1, 2020, for all participants who did not receive a lump-sum distribution from the plan. The initial purchase price of the annuity contract was $3,731,074 and is included in the accompanying statement of changes in net assets in liquidation for the year ended June 30, 2020. The annuity contract is excluded from plan assets. Accordingly, at June 30, 2020, the Plan is obligated only for the July 1, 2020 and August 1, 2020 benefit payments to annuitants. Subsequent to year end, a refund totaling $13,759 related to the purchase price of the annuity was received as a result of events that occurred before the obligation was assumed on September 1, 2020. This amount has been recorded as a receivable to the Plan and offset against the initial purchase price of the annuity contract under the liquidation basis of accounting.
