INDEPENDENT AUDITOR'S REPORT

To the Trustee, Participants and Administrator of the
E.T. Horn Company Employee Stock Ownership Plan:

Report on the Financial Statements

We have audited the accompanying financial statements of the E.T. Horn Company Employee Stock Ownership Plan (the Plan), which comprise the statements of net assets available for benefits (Liquidation Basis) as of October 31, 2020 and 2019, the related statement of changes in net assets available for benefits (Liquidation Basis) for the year ended October 31, 2020, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatements.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan (Liquidation Basis) as of October 31, 2020 and 2019, and the changes in net assets available for benefits (Liquidation Basis) for the year ended October 31, 2020, in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note 1 to the financial statements, during fiscal 2018, ET Horn Company (the Plan Sponsor) was acquired by an unrelated company and the Plan has been terminated. As a result, the Plan presents the financial statements using the liquidation basis of accounting. Our opinion is not modified with respect to this matter.

Report on Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule, Schedule H, Line 4j - Schedule of Reportable Transactions as of and for the period ended October 31, 2020, is presented for the purpose of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

E.T. HORN COMPANY EMPLOYEE STOCK OWNERSHIP PLAN

NOTES TO THE FINANCIAL STATEMENTS

OCTOBER 31, 2020 AND 2019

1. DESCRIPTION OF PLAN

The following description of the E.T. Horn Company Employee Stock Ownership Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of E.T. Horn Company (the Company). The Plan was established on December 1, 1984 as a profit sharing plan and effective November 1, 2009, the Plan was amended and restated to constitute an Employee Stock Ownership Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Employees who have attained at least 20.5 years of age are eligible to participate in the Plan on November 1 or May 1 following the completion of at least 1,000 hours of service during the plan year.

During fiscal 2018, the Company was acquired by an unrelated company. The acquiring company purchased all of the Company's issued and outstanding shares of common stock which included all of the shares held by the Plan. During fiscal 2018, the Plan's independent trustee and Administrative Committee began the process of terminating the ESOP and during fiscal 2020 all assets were distributed to the participants. The Plan also received additional consideration of \$2,381,377 from the sale of the Company's stock, which is included in contingent gain realized on sale of Company stock on the accompanying statement of changes in net plan assets for the year ended October 31, 2020. The termination restricted any new employees from entering the Plan, no further Company contributions were made to the Plan, and all participant account balances became fully vested. All plan benefits were distributed entirely in cash in accordance with the termination provisions of the Plan.

Administration

The Plan is generally administered by an internal committee (the Administrative Committee) which is comprised of certain employees of the Company who are appointed by the Company's Board of Directors. The Plan has a designated independent trustee.

Participant Accounts

Each participant's account is credited with allocations of investment earnings and charged with an allocation of administrative expenses. Investment earnings, net of expenses, are allocated at the end of each plan year based on each eligible participant's other investment account values. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

E.T. HORN COMPANY EMPLOYEE STOCK OWNERSHIP PLAN

NOTES TO THE FINANCIAL STATEMENTS

OCTOBER 31, 2020 AND 2019

1. DESCRIPTION OF PLAN - (Continued)

Payment of Benefits

Distribution of Plan benefits due to termination for retirement, disability, death, or other reasons are generally made in a lump sum or annual installments in an amount equal to the value of the participant's vested interest in his or her account. Participants may also elect to rollover their account to another eligible retirement plan as defined by the plan agreement.

In connection with the sale of the Company and the Plan's termination, 100% of participant account balances were distributed during fiscal 2020.

Vesting

During the year ended October 31, 2018, all participants became 100% vested in their funds as a result of the acquisition of the Company and Plan termination.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

As discussed in Note 1, the Company was acquired by an unrelated company and in fiscal 2018 the Plan's independent trustee and Administrative Committee began the process of terminating the ESOP and distributing all assets to the participants. As a result, the liquidation basis of accounting is used in presenting the financial statements. The estimated net realizable value of Plan investments as of October 31, 2019 would be equivalent to fair value and no material adjustment was required in the change in basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

E.T. HORN COMPANY EMPLOYEE STOCK OWNERSHIP PLAN

NOTES TO THE FINANCIAL STATEMENTS

OCTOBER 31, 2020 AND 2019

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (Continued)

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Net realized gain includes the Plan's gains and losses on investments bought and sold as well as held during the year. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits

Benefits are recorded when paid.

Plan Fees and Administrative Expenses

Plan fees and administrative expenses are generally paid by the Plan, unless paid by the Company. Expenses that are paid by the Company are excluded from these financial statements.

Subsequent Events

The Company has evaluated subsequent events through the date of the independent auditor's report, which is the date the accompanying financial statements were available to be issued.

3. PARTY-IN-INTEREST TRANSACTIONS

The Plan allows for transactions with certain parties who may perform services or have fiduciary responsibilities to the Plan. The Plan paid \$57,257 in fees to the Plan's investment advisors and \$7,455 in distribution fees during the year ended October 31, 2020. The Company paid certain administrative expenses of the Plan, including recordkeeping and audit fees. These transactions qualify as party in interest transactions for which a statutory exemption exists.

4. FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under this framework are described as follows:

<u>Level 1</u>	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access
----------------	--

NOTES TO THE FINANCIAL STATEMENTS

OCTOBER 31, 2020 AND 2019

4. FAIR VALUE MEASUREMENTS - (Continued)

Level 2

Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at October 31, 2019.

Interest-bearing cash: Interest-bearing cash consists of money market investments and cash balances held at financial institutions. The carrying value is believed to be representative of its fair value based on its short term nature and are classified within level 1 of the valuation hierarchy.

Municipal bonds and corporate bonds: These investments are public investment vehicles valued using quoted prices for identical or similar investments in markets that are not deemed to be active based on the volume of trading activity and are classified within level 2 of the valuation hierarchy.

Government securities: These investments are public investment vehicles valued daily at the closing price reported on an active market using observable inputs and are primarily classified within level 1 of the valuation hierarchy. Government securities that are not deemed to be active based on the volume of trading activity are valued using quoted prices for identical or similar investments and are classified within level 2 of the valuation hierarchy.

4. FAIR VALUE MEASUREMENTS - (Continued)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of October 31, 2019:

Description	Total	Level 1	Level 2	Level 3
<u>October 31, 2019 (Liquidation Basis)</u>				
Interest-bearing cash	\$ 26,596	\$ 26,596	\$ -	\$ -
Municipal bonds	1,584,068	-	1,584,068	-
Corporate bonds	16,952,360	-	16,952,360	-
Government securities	8,412,707	8,140,787	271,920	-
Total investments at fair value	<u>\$ 26,975,731</u>	<u>\$ 8,167,383</u>	<u>\$ 18,808,348</u>	<u>\$ -</u>

In regards to the classifications of investments, there were no reclassifications in or out of levels 1, 2 or 3 during the year ended October 31, 2019.

5. PLAN TERMINATION

During the year ended October 31, 2018, the Company made the decision to terminate the Plan (see Note 1).

6. TAX STATUS

The Company received a favorable opinion letter from the Internal Revenue Service (IRS), on December 3, 2019, which stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of October 31, 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. ADMINISTRATION OF PLAN ASSETS
