Northern California Pension Plan

REPORT ON THE FINANCIAL STATEMENTS

We have audited the accompanying financial statements of Northern California Pension Plan (the Plan), which comprise the statements of net assets available for benefits as of September 1, 2020, and April 30, 2020; the related statements of changes in net assets available for benefits for the period ended and the year then ended; and the related notes to the financial statements.

MANAGEMENT'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, which includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the

circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

OPINION

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Northern California Pension Plan as of September 1, 2020, and April 30, 2020, and the changes in net assets available for benefits for the period ended and the year then ended in accordance with accounting principles generally accepted in the United States of America.

NORTHERN CALIFORNIA PENSION PLAN

NOTES TO FINANCIAL STATEMENTS SEPTEMBER 1, 2020 AND APRIL 30, 2020

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting - The accompanying financial statements are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Investment Valuation, Transactions and Income Recognition -

General - Investments are carried at fair value, which is determined, presented and disclosed in accordance with Financial Accounting Standards Board Accounting Standards Codification (FASB ASC) 820, *Fair Value Measurements and Disclosures*. Under FASB ASC 820, fair value is defined as the price that would be received to sell an asset or paid to transfer a liability (i.e., the "exit price") in an orderly transaction between market participants at the measurement date.

FASB ASC 820 establishes a fair value hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the most observable inputs be used when available. Observable inputs are those that market participants would use in pricing the asset or liability based on market data obtained from sources independent of the Plan. Unobservable inputs reflect the Plan's assumptions about inputs that market participants would use in pricing the investments developed based on the best information available in the circumstances. The fair value hierarchy is categorized into three levels, based on the inputs, as follows:

Level 1 - Valuations based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access.

Level 2 - Valuations based on quoted prices in markets that are not active, quoted prices for similar investments in active markets or model-based valuations for which all significant assumptions are observable and can be corroborated by observable market data.

Level 3 - Valuations based on unobservable inputs that are supported by little or no market activity and are significant to the overall fair value measurement. Values are determined using proprietary pricing models, discounted cash flow models that include the investment entities' own judgments and estimations, or some other pricing method using unobservable inputs.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

Inputs and Valuation Methods - In determining fair value, FASB ASC 820 allows various valuation approaches. The specific method used for the Plan's investment class is presented below:

Common/collective trust (Invesco Stable Value Trust): The fair value of the units in the common/collective trust is estimated based on the net asset value per unit of the investments. The net asset value is being used as a practical expedient to estimate fair value. This investment is a direct filing entity with the Department of Labor; therefore, information regarding the investment's strategy is not disclosed. Redemptions in this fund are processed daily and have no restrictions. There were no unfunded commitments for this investment at September 1, 2020, and April 30, 2020.

Valuation Methods, Consistency - The valuation techniques used in the accompanying financial statements have been consistently applied.

Transactions and Income Recognition - Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Benefits Paid to Participants - Benefits paid to participants are recorded upon distribution.

Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

Risks and Uncertainties - The Plan invests in the Invesco Stable Value Trust, which is a common/collective trust. Such investments are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investments and the level of uncertainty with respect to changes in the value of investments, it is at least reasonably possible that changes in risks in the near term would materially affect the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

NOTE 2. DESCRIPTION OF THE PLAN

The Plan was established during 1983 as a result of collective bargaining agreements between local unions in the San Francisco Bay Area affiliated with International Brotherhood of Teamsters, Chauffeurs, Warehousemen and Helpers of America, and various employer associations to provide retirement, death and disability benefits for eligible participants. The Plan is financed entirely by employer contributions, as

NOTE 2. DESCRIPTION OF THE PLAN (CONT'D)

specified in the collective bargaining agreements. The Plan is a multiemployer defined contribution pension plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Under the provisions of the Plan, any employee who has been employed in a covered job is eligible for participation in the Plan. A job is a covered job if a participating employer is required to contribute to the Plan for employees working in that job under a collective bargaining or other contribution agreement.

A separate account is maintained for each employee. Each account is credited with employer contributions made on their behalf and an allocation of net Plan earnings.

Effective for hours worked on April 1, 1988, and thereafter, the right, title and interest of any employee in and to their employer-contributed account shall be vested after one hour of contributed service. The participants do not direct their investments.

Effective September 1, 2020, the Plan merged with the Supplemental Income Plan and Trust, as described in Note 6.

Participants should refer to the Summary Plan Description for more information.

NOTE 3. PRIORITIES UPON TERMINATION

The Trustees have the right to terminate the Plan subject to the provisions of ERISA. Benefits would be distributed to the participants and their beneficiaries as if the Plan had not been terminated. Effective September 1, 2020, the Plan merged with the Supplemental Income Plan and Trust, as described in Note 6.

NOTE 4. TAX STATUS

The Plan obtained its latest determination letter, dated June 24, 2015, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements under Section 401(a) of the Internal Revenue Code and was, therefore, exempt from federal income taxes under the provisions of Section 501(a). The Plan's administrator and the Plan's counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe that the Plan was qualified and the related trust was tax exempt as of the financial statement date.

NOTE 4. TAX STATUS (CONT'D)

The Plan's administrator has analyzed the tax positions taken by the Plan and has concluded that, as of September 1, 2020, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by the taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan's administrator believes the Plan is no longer subject to income tax examinations for the fiscal years prior to 2017.

NOTE 5. FUNDING POLICY

The participating employers contribute such amounts as are specified in the collective bargaining agreements. Effective May 1, 2020, the Plan is no longer receiving contributions; refer to Note 6 for additional information.

NOTE 6. MERGER

Effective September 1, 2020, the Plan's Board of Trustees voted to terminate the Plan and merge into the Supplemental Income Plan and Trust. The primary purpose of the merger is to reduce the administration costs for participants. Based on the terms of the merger agreement, all assets of Northern California Pension Plan were assumed by Supplemental Income Plan and Trust on September 1, 2020, as follows:

Net assets at book value	
Cash	\$ 1,865,469
Accounts payable	<u>(25)</u>
Net assets transferred September 1, 2020	<u>\$ 1,865,444</u>
