INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
Donnelly Mechanical Corp. Profit Sharing Plan for Union Employees:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of the Donnelly Mechanical Corp. Profit Sharing Plan for Union Employees (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rule and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certification from a qualified institution as of and for the year ended December 31, 2020, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibility for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibility for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibility for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatements of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examininig, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by mangement, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to certified investment information, except for obtaining and reading the certification, comparing the certified investment information with related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets Held (At End of Year) as of December 31, 2020 is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial stateiments or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Plan Administrator of the
Donnelly Mechanical Corp. Profit Sharing Plan for Union Employees:

We were engaged to audit the accompanying statement of net assets available for benefits of the Donnelly Mechanical Corp. Profit Sharing Plan for Union Employees (the "Plan"), as of December 31, 2019, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2019 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 6, which was certified by Fidelity Management Trust Company, the Trustee of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the Plan Administrator that the Trustee holds the Plan's investment assets and executes investment transactions. The Plan Administrator has obtained a certification from the Trustee as of December 31, 2019 that the information provided to the Plan Administrator is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2019 financial statement. Accordingly, we do not express an opinion on the 2019 financial statement.

(1) Plan Description:

The following description of the Donnelly Mechanical Corp. Profit Sharing Plan for Union Employees (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

Background -

Donnelly Mechanical Corp. (the "Sponsor") established the Plan on January 1, 2000. The Plan is a defined contribution plan covering all employees included in a Collective Bargaining Unit represented by Local Union 638-B who have attained the age of 21 and completed thirty days of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Plan Contributions -

The Sponsor may contribute a discretionary contribution on behalf of all participants who are active employees on the last day of the Plan year. For the year ended December 31, 2020, the Sponsor elected to make a contribution in the amount of 2% of each eligible participant's compensation, as defined in the Plan document. Contributions are subject to certain limitations.

Participants may contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of the contributions into various investment options offered by the Plan.

Vesting -

Rollover contributions are always 100% vested. Vesting in the Sponsor's contributions, and related earnings, is based on vested levels over five years of continuous service.

Participant Accounts -

Each participant's account is credited with the Sponsor's contributions, Plan gains or losses, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants -

Each participant can borrow up to 50% of their vested account balance, subject to a maximum of $50,000 and a minimum of $1,000. Each loan is for a five-year period, unless it is for the purchase of a principal residence, in which case the loan may be for a reasonable period in excess of five years. The effective interest rate assumed is the prime rate (3.25% to 5.50% for the year ended December 31, 2020). Loan repayments are deposited back into the participant's account through payroll deductions. Loans are secured by the participant's account.

Payment of Benefits -

If a participant terminates employment with the Sponsor for any reason other than death, the participant can elect to leave the vested account balance in the Plan until the normal retirement date, if the account balance is greater than $5,000. If the account balance is less than $1,000, the participant will receive an involuntary cash-out payment in the form of a lump sum distribution. The involuntary cash-out payment will be rolled over to an individual retirement account established for the participant if the account balance is greater than $1,000, but less than $5,000.

Upon retirement, the total value of a participant's account can be distributed in the form of a lump-sum payment. Participants are required to begin distributions when the age of 72 is attained. In the case of death of a participant, the beneficiary designated by the participant shall be paid the deceased employee's vested account balance immediately, or in payments for up to five years from the anniversary of the date of death. If the beneficiary is the participant's spouse, payment of benefits may be deferred until they reach the age of 72.

Forfeitures -

Participants who separate or withdraw from the Plan will forfeit any amounts not vested with respect to the Sponsor's contributions. Forfeitures are transferred to a separate account and may be used to reduce future Sponsor contributions or pay plan expenses. At December 31, 2020 and 2019, forfeited non-vested accounts totaled $31,391 and $15,287, respectively. Forfeitures used to reduce the Sponsor's contribution or pay plan expenses for the year ended December 31, 2020 and 2019, were $23,938 and $19,718, respectively.

(2) Summary Of Significant Accounting Policies:

Basis of Presentation -

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with U.S. generally accepted accounting principles.

Use of Accounting Estimates -

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual amounts could differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year in which such adjustments are determined.

Investment Valuation and Income Recognition -

Investments are reported at fair value. Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date.

Net appreciation in fair value of investments includes realized and unrealized gains and losses on the fair value of investments held by the Plan. Purchases and sales of investments are recorded on a trade date basis. Dividends are recorded at the ex-dividend date.

Notes Receivable from Participants -

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2020 and 2019. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

Payments of Benefits -

Benefits are recorded when paid.

Expenses -

Certain expenses of maintaining the Plan are paid directly by the Sponsor and are therefore excluded from these financial statements. Investment-related expenses are included in net appreciation in fair value of investments. Fees for the administration of notes receivable from participants are included in administrative expenses and charged directly to the participant's account.

(3) Fair Value Measurement and Investments

Financial Accounting Standards Board ("FASB") guidelines on fair value measurements, establish a fair value hierarchy, which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the reported entity has the ability to access at the measurement date.

- Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

- Level 3 inputs are unobservable inputs for the asset or liability.

The following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission ("SEC"). These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money market mutual fund: Valued at the daily closing price as reported by the fund from an actively traded exchange. The NAV is calculated on a daily basis using the amortized cost of the underlying investments. The underlying investments consist of cash and government securities.

Common/collective trust: Valued at the NAV of units of a bank collective trust. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the common/collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

There have been no changes in the methodologies used at December 31, 2020 or 2019.

The following table represents the Plan's fair value hierarchy for investments at fair value as of December 31, 2020:

	Fair Value	Assets Measured at Net Asset Value (a)	Level 1
Mutual funds	$3,615,694	$ -	$3,615,694
Money market mutual fund	65,390	-	65,390
Common/collective trust	31,391	31,391	-
Total fair value measurements	$3,712,475	$ 31,391	$3,681,084

The following table represents the Plan's fair value hierarchy for investments at fair value as of December 31, 2019:

	Fair Value	Assets Measured at Net Asset Value (a)	Level 1
Mutual funds	$3,009,294	$ -	$3,009,294
Money market mutual fund	65,637	-	65,637
Common/collective trust	15,287	15,287	-
Total fair value measurements	$3,090,218	$ 15,287	$3,074,931

(a) Certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient, which is a reasonable estimate of fair value, have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefits.

The following is information regarding the investments that calculate NAV per share or its equivalent:

	As of December 31, 2020			
	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common/collective trust	$ 31,391	N/A	Daily	N/A

	As of December 31, 2019			
	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common/collective trust	$ 15,287	N/A	Daily	N/A

(4) Risks And Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available For Benefits.

(5) Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. However, no such action may deprive any participant or beneficiary under the Plan of any vested right. Accordingly, in the event of Plan termination, participants would become 100% vested in their total account balances.

(6) Information Prepared And Certified By Trustee

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by Fidelity Management Trust Company, the Trustee. All investments are participant directed:

	2020	2019
Investments, at fair value:		
Mutual funds	$ 3,615,694	$ 3,009,294
Money market mutual fund	65,390	65,637
Common/collective trust	31,391	15,287
Total investments	$ 3,712,475	$ 3,090,218
Notes receivable from participants	$ 182,140	$ 127,742
Net appreciation in fair value of investments	$ 516,719	
Dividends	$ 173,154	
Interest	$ 169	
Interest on notes receivable from participants	$ 5,626	

(7) Income Tax Status

The Plan has not obtained a determination letter from the IRS stating that the Plan is in compliance with the applicable requirements of the Internal Revenue Code (the “IRC”). The Plan is relying on the IRS approval of the standardized prototype plan that it is utilizing. The IRS has determined and informed the Trustee by a letter dated March 31, 2014, that the prototype plan document was designed in accordance with the applicable standards of the IRC. The Plan Administrator and Plan’s tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

U.S. generally accepted accounting principles require the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator believes there are no such positions, and therefore, no provision for income tax has been included in the Plan's financial statements. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

(8) Transactions With Parties-In-Interest

Certain Plan investments are shares of funds managed by Fidelity Management Trust Company. Fidelity Management Trust Company is the Trustee, as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services amounted to $1,819 for the year ended December 31, 2020.

(9) Reconciliation Of Financial Statements To Form 5500

The following is a reconciliation of net assets available for benefits from the financial statements to Schedule H of Form 5500:

	December 31, 2020	December 31, 2019
Net assets available for benefits as per the financial statements	$ 4,165,837	$ 3,523,773
Employer contributions receivable	(271,222)	(305,813)
Net assets available for benefits as per the Form 5500	$ 3,894,615	$ 3,217,960

Employer contributions receivable reflects contributions made during the years ended December 31, 2020 and 2019, which were processed subsequent to December 31, 2020 and 2019.

The following is a reconciliation of the change in net assets available for benefits from the financial statements to Schedule H of Form 5500 for the year ended December 31, 2020:

Net increase per the financial statements	$ 642,064
Add: Contributions receivable at 12/31/19	305,813
Less: Contributions receivable at 12/31/20	(271,222)
Net increase per the Form 5500	$ 676,655

(10) Subsequent Events

The Plan has evaluated subsequent events through May 10, 2021, which is the date these financial statements were available to be issued.
