Independent Auditor's Report

To the Plan Administrator
Colfax Corporation 401(k) Savings Plan Plus
Annapolis Junction, Maryland

Opinion

We have audited the financial statements of the Colfax Corporation 401(k) Savings Plan Plus (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2020 and 2019, and the related statement of changes in net assets available for benefits for the year ended December 31, 2020, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2020 and 2019, and the changes in its net assets available for benefits for the year ended December 31, 2020, in accordance with accounting principles generally accepted in the United States of America (GAAP).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity

with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule H, Line 4i- schedule of assets (held at end of year) as of December 31, 2020, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying supplemental schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

COLFAX CORPORATION 401(k) SAVINGS PLAN PLUS
NOTES TO FINANCIAL STATEMENTS

1. Description of the Plan

The following description of the Colfax Corporation 401(k) Savings Plan Plus (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan, as amended and restated as of January 1, 2020 (the “2020 Plan Amendment”), is a defined contribution plan covering substantially all employees of Colfax Corporation and participating affiliates (collectively, “Colfax,” the “Company,” or the “Employer”). Non-resident aliens, leased employees, temporary employees who are not 21 years of age and have not completed at least 1,000 hours of service during an eligibility period, and employees not on payroll in the United States of America (the “U.S.”) are not included in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). On February 22, 2019, the Company completed the purchase of DJO Global, Inc. (“DJO”). On January 1, 2020, DJO’s existing 401(k) plan (the “DJO 401(k) Plan”) merged with, and into, the Plan (the “Plan Merger”). In order to facilitate and implement the Plan Merger effective January 1, 2020, all of the DJO 401(k) Plan net assets, including investments and participant loans, were transferred to the Plan on December 31, 2019. DJO employees became eligible to participate in the Plan on January 1, 2020.

Contributions

Each year, participants may contribute up to 75% of pretax annual compensation, as defined in the Plan. Participants are automatically enrolled with a 4% deferral contribution upon attainment of the eligibility requirements unless the Company receives signed written documentation from the participant before this date to do otherwise. Prior to the 2020 Plan Amendment, participants were automatically enrolled with a 2% deferral rate. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants covered under collective bargaining agreements may receive employer nonelective and/or matching contributions based on the terms of their bargaining agreement. For the year ended December 31, 2020, these employer contributions range from 0% to 4% of eligible compensation. For participants under the Plan that are not covered by collective bargaining agreements, the Plan provides for a safe harbor employer match of up to 4% of eligible compensation contributed to the Plan. Discretionary employer contribution rates range from 2% to 4% of eligible compensation for the year ended December 31, 2020, based upon eligibility requirements as detailed in the Plan document. Participants may also contribute amounts representing eligible rollover distributions from other qualified plans. Contributions are subject to certain limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's contributions, and an allocation of the investment earnings and losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, accounts balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants direct the investment of contributions into various investment options offered by the Plan. As of December 31, 2020, the Plan offered 31 mutual funds, 1 common collective trust fund and Colfax Corporation common stock as investment options for participants.

Vesting

Participants vest immediately in their contributions, safe harbor contributions, and discretionary employer contributions; plus actual earnings thereon. Prior to the 2020 Plan Amendment, vesting in discretionary Employer contributions was based on years of continuous service as follows: 20% vested after two years of services, 40% vested after three years, 60% vested after four years, and 100% vested after five years of service. Different vesting schedules may apply to certain employees as described in the Plan document due to prior Plan provisions.

Forfeited Accounts

As of December 31, 2020 and 2019, forfeited nonvested accounts totaled \$152,429 and \$100,793, respectively. These amounts will be used to pay administrative expenses or to reduce future Employer contributions. During the year ended December 31, 2020, \$479,008 of forfeited nonvested funds were used to reduce Employer contributions.

Payment of Benefits

Benefits are payable upon retirement at age 65, disability, death, or termination of employment. Hardship withdrawals and in-service withdrawals at age 59 1/2 are also permitted, subject to the provisions in the Plan document and applicable law. Benefits are payable in lump sum or installment payments.

Notes Receivable from Participants

Active participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of their vested account balance. For loans to active participants in the Plan, loan terms range from one to five years or up to 15 years for the purchase of a primary residence. Notes receivable from participants are repaid through payroll deductions. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus 1%, which was between 4.25% and 9.50% for outstanding loans at December 31, 2020, and between 3.25% and 9.50% for outstanding loans at December 31, 2019.

Administrative Expenses

Certain expenses of administering the Plan are paid by the Plan through a service based pricing arrangement with the Trustee, Fidelity Management Trust Company. Under this arrangement, revenue paid to the Trustee by mutual funds in which participant accounts are invested is used to pay for Plan services at rates the Company has negotiated with the Trustee. During the year ended December 31, 2020, the Plan received credits from the Trustee in the amount of \$50,000 which was used to pay administrative expenses. Revenue credits are presented net in administrative expenses in the Statement of Changes in Net Assets Available for Benefits. Administrative expenses also include member-requested services charged to participant accounts. Investment related expenses are included in Net appreciation in fair value of investments in the Statement of Changes in Net Assets Available for Benefits. Other professional fees paid by the Plan are discussed further in Note 6, "Related Party and Party-In-Interest Transactions." Certain other administrative expenses associated with maintaining the Plan may be paid by the Company and are excluded from the financial statements.

Voting Rights

Each participant is entitled to exercise voting rights for shares of Colfax Corporation common stock credited to their account at all times that Colfax shareholders vote. The participant is notified by the Trustee prior to the time such rights are to be exercised. The Trustee is not permitted to vote any allocated share for which instructions have not been given by a participant. The Trustee shall vote shares for which it has not received direction in the same proportion as directed shares were voted.

Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act")

On March 27, 2020, the CARES Act was signed into law and, among other things, included several relief provisions available to tax-qualified retirement plans and their participants. Plan management evaluated the relief provisions available to plan participants under the CARES Act and implemented the following provisions:

- Special coronavirus distributions up to \$100,000 in 2020
- Elections to defer loan repayments through December 31, 2020
- Suspension of required minimum distributions for 2020

2. Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the U.S. (“GAAP”).

Accounting Guidance Implemented in 2020

In August of 2018, the Financial Accounting Standards Board (“FASB”) issued Accounting Standards Update (“ASU”) 2018-13, *Disclosure Framework—Changes to the Disclosure Requirements for Fair Value Measurement*, which was adopted by the Plan as of January 1, 2020. The ASU modifies the disclosure requirements for fair value measurements. The adoption of this standard did not result in any changes to the Plan’s disclosures.

Investment Valuation and Income Recognition

The investments of the Plan are stated at fair value. The Plan performs fair value measurements in accordance with FASB Accounting Standards Codification 820, *Fair Value Measurements and Disclosures* (“ASC 820”). The Colfax Corporation Retirement Plans Committee determines the Plan’s valuation policies, utilizing information provided by the investment advisors and Trustee. See Note 3, “Fair Value Measurements” for further discussion of investment valuation inputs.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation in fair value of investments includes the Plan’s gains and losses on investments bought and sold as well as held during the year. Dividends are recorded on the ex-dividend date.

Notes Receivable from Participants

The notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. During the year ended December 31, 2020 there were \$291,828 of deemed distributions from the Plan. No allowance for credit losses has been recorded at December 31, 2020 and 2019. Principal and interest are paid through payroll deductions.

Payment of Benefits

Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities and the additions and deductions to net assets available for benefits for the periods presented. Actual results may differ from those estimates.

COLFAX CORPORATION 401(k) SAVINGS PLAN PLUS
NOTES TO FINANCIAL STATEMENTS – (Continued)

3. Fair Value Measurements

The Plan performs fair value measurements of financial instruments defining fair value as the price that would be received from selling an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan reports its investments at fair value based on a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level One) and the lowest priority to unobservable inputs (Level Three). The three levels of the fair value hierarchy are described below:

Level One: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Level Two: Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument.

Level Three: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

A summary of the Plan's assets that are measured at fair value for each fair value hierarchy level for the periods presented is as follows:

December 31, 2020					
	Measured at Net Asset Value ⁽¹⁾	Level One	Level Two	Level Three	Total
Colfax Corporation common stock	\$ —	\$ 1,397,674	\$ —	\$ —	\$ 1,397,674

Total	\$ 30,988,550	\$ 410,339,755	\$ —	\$ —	\$ 441,328,305

Total	\$ 27,470,014	\$ 363,750,841	\$ —	\$ —	\$ 391,220,855

⁽¹⁾ In accordance with ASC 820, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient (the "NAV") have not been classified in the fair value hierarchy. These investments, consisting of common collective trusts, are valued using the NAV provided by the Trustee. The NAV is based on the underlying investments held by the fund that are traded in an active market, less its liabilities. These investments can be redeemed in the near-term.

There were no transfers in or out of Level One, Two or Three during the year ended December 31, 2020.

The fair value of the investments of the Plan were determined as follows:

Colfax Corporation common stock is valued at the closing price reported on a national securities exchange.

Mutual funds are valued at the daily closing prices as reported by the fund. Mutual funds held by the Plan are open ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

COLFAX CORPORATION 401(k) SAVINGS PLAN PLUS
NOTES TO FINANCIAL STATEMENTS – (Continued)

Investments in the common collective trust fund can be redeemed immediately at the current NAV. The NAV as reported by the Trustee is used as a practical expedient to estimate fair value, which is based on the fair value of the underlying assets in the trust, less its liabilities. The underlying assets of the common collective trust funds include conventional investment contracts, synthetic investment contracts, wrap contracts and other investments. There are no withdrawal limits, redemption frequency limits or redemption notice periods. There were no unfunded commitments for these investments as of December 31, 2020 or 2019.

The objective of the Morley Stable Value Fund, the common collective trust fund held by the Plan, is to provide a low-risk, moderate-yield investment. Withdrawals for benefit payments and participant directed transfers to noncompeting options are made to plan participants promptly, to the extent possible, but within 30 days after notification has been received. The Morley Stable Value Fund reserves the right to delay plan sponsor initiated redemptions for up to 365 days, subject to certain conditions.

COLFAX CORPORATION 401(k) SAVINGS PLAN PLUS
NOTES TO FINANCIAL STATEMENTS – (Continued)

4. Risks and Uncertainties

The Plan provides for investments in various securities that are exposed to risks, such as interest rate, credit and overall volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in future Statements of Net Assets Available for Benefits. As of December 31, 2020 and 2019, three investments, Fidelity Contrafund Class K, Fidelity 500 Index Fund, and Vanguard Target Retirement 2030 Fund Investor Shares, represent approximately 32% and 31%, respectively, of total Net assets available for benefits.

In December 2019, a novel coronavirus disease (“COVID-19”) was first reported in China. On March 11, 2020, due to worldwide spread of the virus, the World Health Organization characterized COVID-19 as a pandemic. The COVID-19 pandemic has adversely affected global economic activity and greatly contributed to significant deterioration and instability in financial markets. While market conditions have improved, primarily as a result of broadening access of COVID-19 vaccines and gradual relaxing of some government-mandated restrictions, the extent and period of recovery from the COVID-19 outbreak and related economic disruption is still unknown. As a result, losses recognized in future periods, if any, and related impact on the Plan’s liquidity cannot be fully determined at this time.

5. Tax Status

The Plan is a prototype plan of the Trustee which received an opinion letter on March 31, 2014, in which the Internal Revenue Service stated that the form of the Plan document was acceptable under the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving that letter. However, the Plan administrator believes that the Plan was designed and has operated in compliance with the applicable requirements of the Internal Revenue Code since the March 31, 2014 opinion letter was received. On February 25, 2021, the Plan received a new determination letter from the Internal Revenue Service, stating the current form Plan document was acceptable under the applicable requirements of the Internal Revenue code. Therefore, the Plan administrator believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date. Therefore, no provision for income tax has been included in the Plan's financial statements.

6. Related Party and Party-in-Interest Transactions

Certain Plan investments consist of units of mutual funds managed by affiliates of the Trustee. Plan investments also include Colfax Corporation common stock. Colfax is the administrator of the Plan. Certain fees of administering the Plan are paid to the Trustee by the Plan. For the year ended December 31, 2020, total fees paid to the Trustee were \$160,736. Audit fees for the Plan are paid to the independent registered public accounting firm by the Plan. For the year ended December 31, 2020, total fees paid to an independent registered public accounting firm were \$32,500. For the year ended December 31, 2020, total fees paid for consultations with an external legal counsel who conducted 401(k) plan document and operations reviews, as well as provided guidance over the Plan Merger, divestiture and acquisition activity, and other non-routine activities within the Plan, were \$90,199. For the year ended December 31, 2020, total fees paid for prior plan audit and advisory services were \$21,250. These transactions qualify as exempt party-in-interest transactions. Notes receivable from participants also qualify as exempt party-in-interest transactions.

7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, active participants at the time of the termination will remain fully vested in their accounts.

8. Subsequent Events

The Plan has evaluated subsequent events from the date of the Statement of Net Assets Available for Benefits through June 23, 2021, the date the financial statements were available to be issued. During this period, no material recognizable subsequent events were identified.
