Cooperative Savings Plan No. 335

Notes to Financial Statements Modified Cash Basis December 31, 2020 and 2019

Note 1: Description of Plan

The following description of Cooperative Savings Plan No. 335 (Plan) provides only general information. Participants should refer to the Plan Document and *Summary Plan Description* for a more complete description of the Plan's provisions.

General

The Plan is a multiple employer defined-contribution plan sponsored by the Cooperative Pension/Savings Board (Sponsor) for the benefit of the employees of participating employers not covered by another defined-contribution plan who generally have one year of service or are age 21 or older. The Plan does allow individual participating employers to accelerate eligibility requirements. Under those revised provisions, participants could be eligible as soon as age 18 and upon employment. It is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA). Charles Schwab Trust Bank (Schwab) serves as the Plan's trustee.

Contributions

The Plan permits eligible employees through a salary deferral election to make annual contributions of up to 50% of eligible compensation. Participants may elect to make after-tax contributions to the Plan of up to 50% of eligible compensation or a Roth elective deferral. The Plan also provides a "catch-up" provision, which allows certain participants older than 49 years old to increase their contribution to the Plan. Employee rollover contributions are also permitted. Participating employers make matching contributions of employees' salary deferral amounts, which are generally defined in the Plan Document. Discretionary profit-sharing contributions may also be made to the Plan. Forfeitures may be utilized to reduce participating employer contributions.

Participant Investment Account Options

Investment account options available include a variety of fund options. Each participant has the option of directing his contributions into any of the separate investment accounts and may change the allocation daily.

The Plan has an automatic deferral feature for each participating employer who elects to adopt this feature. Participants eligible for the automatic deferrals are treated as electing to defer a certain percentage of eligible compensation unless the participant makes an affirmative election otherwise. The participating employer may also elect an automatic enrollment feature, which would provide for an annual increase in the percentage deferred, but is ultimately capped at 10%.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocation of the participating employer's contribution and Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

As of December 31, 2020 and 2019, approximately \$470,000 and \$105,000, respectively, were not allocated to participant accounts due to timing of the allocations.

Notes to Financial Statements

Modified Cash Basis

December 31, 2020 and 2019

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of continuous service. Participants are generally 100% vested after three years of credited service. The Plan does allow individual participating employers to elect immediate vesting or a five year scale. Forfeitures are used to reduce Company contributions. At December 31, 2020 and 2019, forfeited nonvested accounts totaled \$8,139 and \$29,911, respectively. Also in 2020 and 2019, employer contributions were reduced by \$127,707 and \$149,582, respectively, from forfeited nonvested accounts.

Payment of Benefits

Upon termination of service, participants may elect to receive a lump-sum amount or installments equal to the value of their accounts. Withdrawals other than for termination are permitted under circumstances provided by the Plan.

In April 2020, the Sponsor implemented the *Coronavirus Aid, Relief, and Economic Security Act* (CARES Act) provisions for coronavirus-related distributions (CRD). Through December 31, 2020, qualified participants are permitted to take a CRD of up to \$100,000 from the Plan. Participants who take a CRD have the option to have the distribution taxed over a three-year period, with the ability to recontribute up to the full amount of the distribution within three years and not be subject to federal income tax as a result. The Plan also waived minimum distribution requirements for any distribution required to be made in 2020.

Notes Receivable From Participants

The Plan Document includes provisions authorizing loans from the Plan to active eligible participants. Loans are made to any eligible participant demonstrating a qualifying need. The minimum amount of a loan shall be \$1,000. The maximum amount of a loan is determined by the available loan balance restricted to the lesser of \$50,000 or 50% of the voluntary savings and vested portion of contributions. All loans are covered by demand notes and are repayable over a period not to exceed five years (except for loans for the purchase of a primary residence) through payroll withholdings or periodic payments. Interest on the loans is based on market rates.

Notes receivable from participants are reported at amortized principal balance plus accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan Document.

In April 2020, the Plan Sponsor (Company) adopted the *Coronavirus Aid, Relief, and Economic Security Act* (CARES Act) provisions for loan relief to 1) delay certain required loan repayments for one year and 2) increase loan limits to the lesser of \$100,000 or 100 percent of the participant's vested balance for coronavirus-related loans. The CARES Act provided for the increased loan limit for coronavirus-related loans issued through September 22, 2020. The one-year suspension of loan repayments applies to qualified participants' loan payments due between March 27, 2020 and December 31, 2020. Following the suspension period, these loans will be re-amortized over the remaining period of the loans, plus the suspension period.

Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 2: Summary of Significant Accounting Policies

Method of Accounting

The Plan maintains its accounts on the basis of modified cash receipts and disbursements, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Consequently, certain revenue such as employer contributions and interest income and the related assets are recognized when received rather than when earned, and certain expenses such as administrative expenses are recognized when paid rather than when the obligation is incurred. Notes receivable from participants are recorded as an asset to the Plan. The Plan records unrealized appreciation on its investments. As the Plan records purchases and sales on a trade-date basis, the Plan may reflect a receivable or payable related to the amount due from or to their broker when the trade is settled.

Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of net assets and changes in net assets available for benefits. Actual results could differ from those estimates.

Investments

Mutual funds are valued at the net asset value (NAV) of shares held by the Plan at year end. The Plan's interest in the collective trusts are valued at NAV based on information reported by the investment advisor using the audited financial statements of the collective trust at year-end. These investments may be redeemed daily, and have no unfunded commitments. Purchases and sales are recorded on a trade-date basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid. As of December 31, 2020 and 2019, Plan participants had requested approximately \$127,000 and \$41,000 of benefits paid in January 2021 and 2020, respectively.

Cooperative Savings Plan No. 335

Notes to Financial Statements Modified Cash Basis December 31, 2020 and 2019

Administrative Expenses

The Plan will pay certain expenses of administering the Plan. To the extent that the administrative costs are not paid by the Plan, they will be paid by the participating employers.

Note 3: Certification of Plan Trustee

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Schwab, the trustee of the Plan, has certified the following information included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments as shown in the statements of net assets available for benefits as of December 31, 2020 and 2019
- Investment income as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2020 and 2019
- Investment information included in the accompanying schedule of assets (held at end of year) as of December 31, 2020

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

Note 4: Disclosures About Fair Value of Plan Assets

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. There is a hierarchy of three levels of inputs that may be used to measure fair value:

- Level 1** Quoted prices in active markets for identical assets or liabilities
- Level 2** Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities
- Level 3** Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities

Cooperative Savings Plan No. 335

Notes to Financial Statements Modified Cash Basis December 31, 2020 and 2019

Recurring Measurements

The following tables present the fair value measurements of assets recognized in the accompanying statements of net assets available for benefits measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at December 31, 2020 and 2019:

2020				
Fair Value Measurements Using				
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual funds	\$ 327,489,728	\$ 327,489,728	\$ -	\$ -
Total assets in the fair value hierarchy	327,489,728	<u>\$ 327,489,728</u>	<u>\$ -</u>	<u>\$ -</u>
Investments measured at net asset value (A)	<u>21,694,686</u>			
Investments at fair value	<u>\$ 349,184,414</u>			

2019				
Fair Value Measurements Using				
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual funds	\$ 288,478,853	\$ 288,478,853	\$ -	\$ -
Total assets in the fair value hierarchy	288,478,853	<u>\$ 288,478,853</u>	<u>\$ -</u>	<u>\$ -</u>
Investments measured at net asset value (A)	<u>16,881,673</u>			
Investments at fair value	<u>\$ 305,360,526</u>			

- (A) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Cooperative Savings Plan No. 335

Notes to Financial Statements Modified Cash Basis December 31, 2020 and 2019

Following is a description of the valuation methodologies and inputs used for assets measured at fair value on a recurring basis and recognized in the accompanying statements of net assets available for benefits, as well as the general classification of such assets pursuant to the valuation hierarchy. There have been no significant changes in the valuation techniques during the year ended December 31, 2020. The Plan had no liabilities measured at fair value on a recurring basis. In addition, the Plan had no assets or liabilities measured at fair value on a nonrecurring basis.

Investments

Where quoted market prices are available in an active market, securities are classified within Level 1 of the valuation hierarchy. If quoted market prices are not available, then fair values are estimated by using quoted prices of securities with similar characteristics or independent asset pricing services and pricing models, the inputs of which are market-based or independently sourced market parameters, including, but not limited to, yield curves, interest rates, volatilities, prepayments, defaults, cumulative loss projections and cash flows. Such securities are classified in Level 2 of the valuation hierarchy. In certain cases where Level 1 or Level 2 inputs are not available, securities are classified within Level 3 of the hierarchy.

Note 5: Party-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50 percent or more of such an employer or employee association, or relatives of such persons.

The Plan paid the following fees to parties-in-interest during 2020 and 2019:

Payee	Service	2020	2019
Nyhart	Recordkeeping and consulting	\$ 320,364	\$ 406,362
Oxford Financial Group	Investment management fees	158,932	149,289
Charles Schwab Investment	Trust fees	98,015	93,502
Baker & Hostetler	Legal fees	52,868	51,645
Various	Administrative expenses	24,009	24,428
Charles Schwab Investment	Revenue sharing	(23,699)	(44,003)
		<u>\$ 630,489</u>	<u>\$ 681,223</u>

Revenue sharing reimbursements received from the Plan Trustee are typically used to pay administrative fees. The Plan Sponsor and participating employers provide certain administrative services at no cost to the Plan.

Cooperative Savings Plan No. 335

Notes to Financial Statements Modified Cash Basis December 31, 2020 and 2019

Note 6: Reconciliation of Financial Statements to Form 5500

Differences between the Annual Return/Report of Employee Benefit Plan (Form 5500) filed with the Department of Labor and the accompanying financial statements include reporting revenue sharing in Form 5500 as other income and as a net to administrative expenses in the accompanying statement of changes in net assets available for benefits.

The following is a reconciliation of notes receivable from participants per the financial statements at December 31, 2020 and 2019, to Form 5500:

	2020	2019
Notes receivable from participants per the financial statements	\$ 3,842,373	\$ 4,152,870
Less: Loans deemed distributed in a prior year	(2,686)	(2,686)
Participant loans per Form 5500	<u>\$ 3,839,687</u>	<u>\$ 4,150,184</u>

The statements of changes in net assets available for benefits included in the Plan's Form 5500 filing also excludes the impact of deemed distributed loans.

Note 7: Tax Status

The Plan obtained its latest determination letter on December 4, 2013, in which the Internal Revenue Service stated that the Plan and related trust, as then designed, were in compliance with the applicable requirements of the Internal Revenue Code and therefore not subject to tax. The Plan has been amended since receiving the determination letter. However, the Plan Administrator believes that the Plan and related trust are currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Note 8: Transfers To or From Other Plans

Periodically, a participating employer in the Plan may elect to withdraw from the Plan and begin sponsoring (or participating in) a different defined-contribution retirement plan. Conversely, a new employer may elect to begin participating in the Plan and consequently will transfer the assets from a prior plan to the Plan. Similarly, a current participating employer may acquire one or more additional entities that have separate defined-contribution plans, the assets of which are subsequently transferred into the Plan. During 2020, transfers into the Plan totaled \$402,361. During 2019, net transfers out of the Plan totaled \$115,256.

Cooperative Savings Plan No. 335

Notes to Financial Statements

Modified Cash Basis

December 31, 2020 and 2019

Note 9: Nonexempt Transactions

Defined-contribution plans are required to remit employee contributions and loan repayments to the Plan as soon as they can be reasonably segregated from the employer's general assets, but no later than the 15th business day of the month following the month in which the participant contributions are withheld by the employer.

While the Sponsor remitted all employee contributions and loan repayments to the Plan, contributions and loan repayments of \$9,950 were not remitted within the required time period for the year ended December 31, 2020.

Note 10: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

The outbreak of the novel coronavirus COVID-19, which was declared a pandemic by the World Health Organization on March 11, 2020, has led to adverse impacts on the U.S. and global economies. Economic uncertainties have arisen, which have resulted in significant volatility in the investment markets and may continue to impact the value of Plan assets. The duration of these uncertainties and the ultimate financial effects cannot be reasonably estimated at this time.

Note 11: Subsequent Events

Subsequent events have been evaluated through July 13, 2021, which is the date the financial statements were available to be issued.
