Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note D, which was certified by Unified Trust Company, Inc., the trustee of the Plan assets, except for comparing such information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 2020, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter – Supplemental Schedules

We were engaged for the purposes of forming an opinion on the financial statements as a whole. The supplemental Schedule of Assets (Held at End of Year), which is the responsibility of plan management, is presented for the purpose of additional analysis and is not a required part of the financial statements but is required by the Department of Labor's Rules and Regulation for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

Other Matter – 2019 Financial Statements

The financial statements of the Plan as of December 31, 2019, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Unified Trust Company, Inc., the trustee of the Plan. Their report, dated July 21, 2020, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the Trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America, and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

The Plan provides for profit-sharing contributions by the Company, of an amount determined by the Board of Directors of the Company. The Company made a profit-sharing contribution to the Plan of $1,478,000 for the 2020 Plan year.

   For the 2020 Plan year, the Company elected to modify the Plan to provide for safeharbor matching contributions. The Company matches 100% of the first 3% of compensation deferred into the Plan and an additional 50% of the next 3% of compensation deferred (total of 4.5% match). All employer contributions (profit-sharing and contribution matching) are invested for each participant in the same ratio as the participant has directed his own investments. Contribution decisions may be changed at any time by participants and are subject to certain limitations under the Internal Revenue Code ("IRC").

3. *Participant Accounts* – Each participant's account is credited with his or her contribution and allocations of (a) the Company's profit-sharing contribution and (b) Plan earnings. Each participant's account is charged with an allocation of Plan administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

4. *Vesting* – Participants are vested immediately in their contributions and the Company's matching contribution plus actual earnings thereon. Vesting in the Company's profit-sharing contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100 percent vested in the Company's profit-sharing contribution portion after six years of credited service. (0% end of year one, 20% end of year two, 40% end of year three, 60% end of year four, etc). Upon death, disability or attainment of retirement age or early retirement age (age 55 for the Plan), all Company contributions allocated to a participant account vest 100%.

5. *Investment Options* – Upon enrollment in the Plan, a participant may direct his or her contributions in mutual funds and a stable value fund offered by the Trustee, Unified Trust Company. Participants may change their investment options at any time by directly contacting the Plan Trustee via the internet or telephone.

NOTE A. DESCRIPTION OF PLAN (continued)

6. *Loans and Withdrawals* – The Plan does not permit participant loans but does permit hardship withdrawals (as defined) from participants' contributions and earnings thereon.

7. *Payment of Benefits* – On termination of service, including death, disability or retirement (normal or early), a participant or the participant's beneficiary, as the case may be, may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or roll over the value of the participant's interest in his or her account.

8. *Forfeitures* – Forfeited amounts are reallocated to eligible participant accounts in the form of an additional profit-sharing contribution. Forfeited balances as of December 31, 2020 and 2019 totaled $71,691 and $23,355, respectively, and are included in investments (stable value fund) at both year ends.

NOTE B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. *Basis of Accounting* – The financial statements of the Plan are prepared using the accrual method of accounting.

2. *Estimates* – The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

3. *Cash Equivalents* – Cash equivalents are primarily investments in the Federated Prime Obligations Fund, the underlying assets of which are highly liquid United States government obligations. The fair value of cash equivalents approximates cost.

4. *Investment Valuation and Income Recognition* – The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note F for more information regarding fair value measurements.

   The Plan purchases and sells securities (i.e., shares of mutual funds and the stable value fund) through the Trustee. The Trustee records purchases and sales of investments in the Plan's investment accounts daily, based on information and/or contributions received from Plan participants and/or the Plan Sponsor.

5. *Payment of Benefits* – Benefits paid to participants of the Plan are recorded by the Third-Party Administrator or Recordkeeper when paid.

6. *Administrative Expense* – Administrative expenses of the Plan are paid by the Plan or the Company as provided in the Plan document and consist of trust management fees, compliance service fees, and other miscellaneous fees of approximately $88,133, $7,030, and $4,229, respectively, for the year ended December 31, 2020.

NOTE B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

7. *Uncertain Tax Positions* – The Plan evaluates all significant tax positions as required by generally accepted accounting principles in the United States. As of December 31, 2020, the Plan does not believe that it has taken any tax positions that would require the recording of any additional tax liability nor does it believe that there are any unrealized tax benefits that would either increase or decrease within the next twelve months.

8. *Reclassifications* – Certain amounts reported as of December 31, 2019 have been reclassified to conform to current year presentation. Primarily, $1,009,836 of investments at fair value have been reclassified to cash equivalents and $23,355 of cash equivalents have been reclassified to investments in the collective investment trust.

NOTE C. RECORDKEEPING AND PARTICIPANT ACCOUNTS

The Plan Sponsor engaged Unified Trust Company, Inc. as "Trustee" of the Plan and engaged Ascensus, LLC (subsequently FuturePlan by Ascensus) as "Recordkeeper" of the Plan's assets and transactions of the Plan. As such, the Recordkeeper maintains all financial information regarding the Plan and participant accounts. All Plan earnings, contributions and deductions are posted to the Plan's records, including participant records, by the Recordkeeper.

The Recordkeeper provides information to the Plan participants regarding transactions and balances in their accounts quarterly. The information is in printed form but also is available at any time to the participants via internet or telephone. The Recordkeeper posts participant and Company contributions to a participant's account based on information received from the Company. The allocation of the contributions to the appropriate investment options, or transfers of investment amounts is participant directed and can be initiated directly with the Trustee via internet or telephone access.

Plan withdrawals are initiated through the Plan Administrator, located at the Plan Sponsor, but benefit payments are made to the participants by the Trustee. The Plan Administrator also notifies the Trustee of deaths, disabilities, retirements or terminations of participants. The Trustee initiates any transactions with respect to these notifications directly with the participant or the participant's beneficiary, as applicable.

NOTE E. COLLECTIVE INVESTMENT TRUST

The Plan offers an investment option with Unified Trust Company, N.A. Stable Value Group Trust, which is a collective investment trust, which has entered into a traditional fully benefit-responsive guaranteed investment contract with the Metropolitan Life Insurance Company ("MetLife"). MetLife maintains the contributions in a MetLife separate account, which is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract provides that participants execute Plan transactions at contract value. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may direct the withdrawal or transfer of all or a portion of their investment at contract value.

MetLife is contractually obligated to pay the principal and specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with the issuer but may not be less than 0%. Such interest rates are reviewed on a quarterly basis for resetting. The crediting rate of the contract will reflect the performance of the underlying portfolio.

The Plan's ability to receive amounts due is dependent on the issuer's (MetLife) ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan (including complete or partial Plan termination or merger with another plan), (2) bankruptcy of the Plan sponsor or other Plan sponsor events that cause a significant withdrawal from the Plan, (3) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, and (4) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the issuer and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, and (4) a material amendment to the agreement without the consent of the issuer.

NOTE F. FAIR VALUE MEASUREMENTS

ASC 820 establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2019.

Mutual funds: Mutual funds are publicly traded investments and are valued daily at the closing price reported on the active market on which the funds are traded.

Collective investment trust: The collective investment trust is valued at net asset value ("NAV") as provided by the administrators of the fund. NAV is used as the practical expedient to estimate fair value. The NAV is based on the value of the underlying assets of the fund, less liabilities, and then divided by the number of units outstanding.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate, and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE F. FAIR VALUE MEASUREMENTS (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020:

In addition, all investment balances and related information included in the supplemental schedule of assets (held at end of the year) have been certified by the Trustee.

NOTE G. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions to the Plan at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in all Company contributions credited to their accounts.

NOTE H. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Company provides certain administrative support to the Plan, including the funding of audit services for the Plan. The Company does not believe the costs of such services are significant.

NOTE I. TAX STATUS

The Plan is based on a standardized, prototype plan offered by the Trustee. The prototype plan obtained its determination letter from the Internal Revenue Service on March 31, 2014, stating that the Plan and related trust are designed in accordance with applicable sections of the IRC. The Plan administrator believes that the Plan is designed and is currently operated in compliance with the applicable requirements of the IRC, based on reliance of the Trustee regarding the prototype plan.
