INDEPENDENT AUDITOR'S REPORT

To the Audit Committee and Participants
Typical Life Corporation 401(k) Savings Plan
York, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Typical Life Corporation 401(k) Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Typical Life Corporation 401(k) Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2020, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Typical Life Corporation 401(k) Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Members of the American and Pennsylvania Institutes of CPAs

Emphasis of a Matter

As further explained in Note 2, the Typical Life Corporation 401(k) Savings Plan is operating in an environment that has been economically impacted by the COVID-19 pandemic. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Typical Life Corporation 401(k) Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Typical Life Corporation 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Typical Life Corporation 401(k) Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

To the Audit Committee and Participants
Typical Life Corporation 401(k) Savings Plan
York, Pennsylvania

Report on the Financial Statements

We were engaged to audit the accompanying statement of net assets available for benefits of Typical Life Corporation 401(k) Savings Plan, as of December 31, 2019, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2019 financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Mutual of America Life Insurance Company, the custodian of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the Plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the custodian as of December 31, 2019, that the information provided to the Plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2019 financial statements. Accordingly, we do not express an opinion on the 2019 financial statements.

Members of the American and Pennsylvania Institutes of CPAs

Emphasis of a Matter

As further explained in Note 2, the Typical Life Corporation 401(k) Savings Plan is operating in an environment that has been economically impacted by the COVID-19 pandemic. Our opinion is not modified with respect to this matter.

Report on Form and Content in Compliance With DOL Rules and Regulations for 2019 Financial Statements

The form and content of the information included in the 2019 financial statements, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

401(K) SAVINGS PLAN
Notes to Financial Statements
For the Years Ended December 31, 2020 and 2019

NOTE 1 DESCRIPTION OF PLAN

The following description of the Typical Life Corporation 401(k) Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for more complete information.

General:

The Plan is a defined contribution 401(k) plan covering substantially all employees of Typical Life Corporation (the Agency). To be eligible to make salary deferrals, employees must complete six months of service. To be eligible for employer matching contributions, employees must additionally complete 1,000 hours during the Plan year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Participant Contributions:

Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan, subject to certain Internal Revenue Service (IRS) limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may designate a portion of their deferral contributions as after-tax contributions into a Roth account. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of all contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision, whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 1% of eligible compensation with automatic increases of 1% each year to a maximum deferral rate of 6%.

Employer Contributions:

The Agency may make a discretionary matching contribution to the Plan. Participants must make elective deferrals to the Plan to receive this matching contribution. The percentage of elective deferrals to be matched will be determined by the Agency and allocated to all eligible participants at the end of the Plan year. Participants must be employed on the last day of the Plan year to receive the employer matching contribution. For the years ended December 31, 2020 and 2019, the Agency made discretionary matching contributions of \$44,400 and \$35,605, respectively. The Agency may also make non-elective contributions to the Plan. The non-elective contribution will be allocated to all employees eligible to participate in the Plan. The participant's share of the non-elective contribution is in proportion to their eligible earnings compared to the eligible earnings of the other employees who will also share in the contribution. There were no non-elective contributions made during 2020 and 2019. Contributions are subject to certain IRS limitations.

Participant Accounts:

Each participant's account is credited with the participant's contribution and allocations of (a) the Agency's contributions, (b) Plan earnings, and (c) forfeitures of terminated participants' nonvested accounts, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or accounts balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:

Participants are immediately vested in their contributions, plus actual earnings thereon. Vesting in the employer matching and non-elective contributions is based on years of service. A participant is 100% vested after six years of credited service based on the following vesting schedule:

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Vesting (Continued):

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2	0 %
2	20
3	40
4	60
5	80
6	100

Regardless of the number of years of service, a participant's account balance becomes fully vested when a participant retires, becomes permanently disabled, or dies.

Notes Receivable from Participants:

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years, unless the loan is to acquire the participant's principal residence, in which case the loans may be for up to ten years. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with the current lending rates. Principal and interest is paid ratably through payroll deductions. At December 31, 2020 and 2019, interest rates ranged from 4.25% to 6.25%.

Payment of Benefits:

On termination of service due to death, disability, retirement, or other reasons, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or installments under a systematic withdrawal plan. A participant may also receive benefits due to a hardship withdrawal or in-service distribution.

Forfeited Accounts:

At December 31, 2020 and 2019, forfeited nonvested accounts totaled \$6,354 and \$2,624, respectively. These accounts will be allocated to participants who are employed on the last date of the Plan year. During 2020 and 2019, \$2,635 and \$1,176, respectively, of forfeited nonvested accounts were allocated to participants.

Legislative and Regulatory Developments:

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security (CARES) Act was passed by Congress. The CARES Act provides immediate and temporary relief for retirement plan sponsors and their participants with respect to employer contributions, distributions and participant notes. The provisions of the CARES Act were effective and operationalized immediately. On December 20, 2019, the Setting Every Community Up for Retirement Enhancement (SECURE) Act was signed into legislation. The SECURE Act expands retirement access to both employers and employees by changing the rules with respect to required minimum distributions among others. The SECURE Act includes both required and optional provisions, some of which became effective immediately, and others with various effective dates beginning after December 31, 2019. The required provisions of the SECURE Act that were effective immediately or beginning no later than January 1, 2020 or for plan years beginning after December 31, 2019 were operationalized accordingly. Any optional features within the SECURE Act are currently being assessed but have not been implemented to date. Written amendments to the Plan document to reflect the operational changes from the CARES and SECURE Acts will be adopted at a later date in accordance with applicable law and guidance.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting:

The accompanying financial statements are prepared on the accrual basis of accounting. Contributions from employees are recorded in the period in which the Agency makes the authorized payroll deductions from Plan participants.

Use of Estimates:

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition:

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Employer Contributions:

Employer contributions to the Plan are recognized in the period for which the Plan sponsor has made a formal commitment to fund such amounts for the period. Employer contributions receivable includes legal or contractual requirements for the employer to make contributions applicable to past periods.

Notes Receivable from Participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2020 and 2019.

Excess Contributions Payable:

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2019 excess contributions to the applicable participants prior to March 31, 2020.

Payments of Benefits:

Benefits are recorded when paid.

Administrative Expenses:

Certain expenses of maintaining the Plan are paid directly by the Agency and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

Subsequent Events:

The Plan has evaluated subsequent events through July 22, 2021, which is the date the financial statements were available to be issued.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Subsequent Events (Continued):

Subsequent to December 31, 2020, the Plan has been operating in an environment that has been economically impacted by the COVID-19 pandemic. The full impact of the pandemic on the Plan is not known as of the release of these financial statements. However, management of the Plan is monitoring the current conditions and potential impact.

NOTE 3 FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full-term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used at December 31, 2020 and 2019:

Pooled Separate Accounts:

Units of participation in pooled separate accounts are reported at the accumulated value of units held by the Plan at year-end as reported to the Plan by Mutual of America Life Insurance Company (MOA). The accumulated unit value is determined daily by MOA and is based on the net asset value (NAV) of the underlying mutual fund and the contract's separate account charges. Although the fair values of the underlying fund shares are derived based on observable market data, the accumulated unit value is not a publicly quoted price in an active market but is computed in accordance with investment company measurement principles. The Pooled Separate account fair value is published in the funds' annual audits.

NOTE 3 FAIR VALUE MEASUREMENTS (CONTINUED)

Investment Contract with Insurance Company:

Amounts in the Interest Accumulation Account of MOA's General Account are credited with interest at a rate determined by MOA. MOA reserves the right to change the interest rates applicable to amounts held in the Interest Accumulation Account. Since the General Account is carried at amortized cost, or contract value, it is deemed to be fair value for an insurance company general account. MOA's General Account is valued at a contract value (book value) basis. The minimum interest rate is guaranteed to never go below 1.00%. As of December 31, 2020 and 2019, the interest rate amounted to 1.00%. The General Account is deemed to be a cash equivalent and therefore exempt from classification in the fair value hierarchy under ASU 820-10.

The Plan's investments are reported at fair value on a recurring basis in the accompanying Statements of Net Assets Available for Benefits.

NOTE 5 EXCESS CONTRIBUTIONS PAYABLE

The Plan failed the discrimination test for the year ended December 31, 2019. Excess contributions in the amount of \$4,096 were recorded as a liability in the accompanying Statement of Net Assets Available for Benefits and as a reduction of participant contributions for the year ended December 31, 2019. The Plan reimbursed these excess contributions to the affected participant during the first quarter of 2020.

NOTE 6 TAX STATUS

The Agency adopted a non-standardized form of a prototype plan sponsored by Mutual of America Life Insurance Company. The prototype plan has received an opinion letter from the IRS, dated March 31, 2014, stating that the prototype plan is qualified under the appropriate section of the Internal Revenue Code (IRC). The prototype plan opinion letter has been relied upon by this Plan. The Plan has been amended since receiving the opinion letter. The Plan administrator believes that the Plan is designed and is currently being operated in compliance with applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan. Management evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require recognition or disclosure in the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements. With few exceptions, the Plan is no longer subject to income tax examinations by the U.S. Federal, state, or local tax authorities for the years before December 31, 2017.

NOTE 7 PLAN TERMINATION

Although it has not expressed any intent to do so, the Agency has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan termination, participants will become 100% vested in the Agency contribution portion of their account.

NOTE 8 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 9 PARTY-IN-INTEREST

Certain Plan investments are managed by Mutual of America Life Insurance Company. Mutual of America Life Insurance Company is the custodian, as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management and custody services are immaterial. The Plan has not considered Agency contributions to the Plan or benefits paid by the Plan as related party or party-in-interest transactions. The Plan issues loans to participants which are secured by the vested balances in the participants' accounts. Certain administrative functions of the Plan are performed by officers or employees of the Agency. No such officer or employee receives compensation from the Plan. The Agency absorbs significant costs of the Plan administration. All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.
