The following description of the Kent Water Sports Holdings, LLC Employees' 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution retirement plan covering all full-time, non-excluded (excluded consists of leased, reclassified, union, and nonresident alien) employees of the controlled group of companies consisting of Kent Sporting Goods Company, Absolute Outdoor, Inc., Motion Water Sports, Inc., HO Sports Company, Inc., Connelly Skis, Inc., and Barefoot International Ltd. (the "Companies") who have three months of service and are age twenty-one or older. The Board of Trustees is responsible for oversight of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

On March 24, 2021, the Plan adopted provisions of the Coronavirus Aid, Relief, and Economic Security (CARES) Act that was signed into law and effective on March 27, 2020. The provisions of the CARES Act adopted that impact the Plan include:

- A participant or beneficiary who would have been required to receive a 2020 required minimum distribution (RMD) or Extended 2020 RMD will not receive the distribution unless the participant or beneficiary chooses to receive the distribution.
- Eligible plan participants are permitted to request a penalty-free distribution of up to \$100,000 (not to exceed the participant's vested account balance) for qualifying coronavirus-related reasons. Such reasons include adverse financial consequences due to being quarantined, furloughed, laid off, having work hours reduced or being unable to work due to lack of childcare due to COVID-19. A Coronavirus (COVID-19) related distribution means a distribution from the Plan beginning on or after January 1, 2020 and before December 31, 2020 with a repayment term of up to three years.

Contributions

Each year, participants may elect to contribute up to the amount allowed by law of their pre-tax annual compensation, or make Roth contributions, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover contributions). Effective January 1, 2009, participants who do not affirmatively elect to have a specific amount contributed will automatically have 2 percent of compensation deferred into the Plan, with contributions invested in a qualified default fund until changed by the participant. The Companies, at their discretion, may make matching or profit sharing contributions. The Companies did not opt to make any contributions into the plan for 2020 or 2019. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contributions and (b) Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The

benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Participant-Directed Investment Options

Upon enrollment in the Plan, a participant may direct the investment of their contributions into any of the several investment options with varying degrees of risk and volatility, allowing participants to allocate their investments in accordance with their own risk tolerances and time horizons. Participants may change their investment options at any time.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Companies' discretionary matching and profit sharing contributions is based upon years of service. A participant is 100% vested after six years of credited service.

Payment of Benefits

Upon termination of service due to death, disability, attainment of age 59 ½, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account over a future period. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Distributions of a participant's account balance may be authorized at any time by the Plan Administrator under certain hardship conditions.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Committee determines the Plan's valuation policies utilizing information provided by the investment custodian and insurance company. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded when received. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

The Plan pays outside service providers for Plan administrative services, such as legal, accounting, and recordkeeping services, unless the Plan Sponsor elects, at its own discretion, to pay some or all of the Plan administrative expenses. Expenses paid by the Plan Sponsor are excluded from these financial statements.

Subsequent Events

Subsequent events have been evaluated through July 16, 2021, which is the date the financial statements were available to be issued.

NOTE 3: INFORMATION PREPARED AND CERTIFIED BY A CUSTODIAN

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2020 and 2019, and net appreciation (depreciation) in fair value of investments, interest and dividends for the years ended December 31, 2020 and 2019, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Charles Schwab Trust Company (the custodian of the Plan).

NOTE 4: FAIR VALUE MEASUREMENTS

Accounting standards establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the assets or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

KENT WATER SPORTS HOLDINGS, LLC EMPLOYEES' 401(K) PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 4: FAIR VALUE MEASUREMENTS (CONTINUED)

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used should maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2020 and 2019.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trust: Valued based on the NAV of units in the collective trust. The NAV, as provided by the custodian, is used as a practical expedient to estimating fair value. The NAV is based upon the fair value of the underlying investments comprising the trust less liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan Administrator believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

For the year ended December 31, 2020, the Plan did not hold any Level 2 or Level 3 assets.

NOTE 5: PLAN TERMINATION

Although it has not expressed any intent to do so, the Companies have the right under the Plan to terminate the Plan subject to the provisions of ERISA.

NOTE 6: TAX STATUS

Spectrum Pension Consultants, Inc., sponsor of the Volume Submitter Profit Sharing Plan with CODA, has obtained an opinion letter dated March 31, 2014, in which the IRS stated that the restated volume submitter document was in compliance with applicable requirements of the Internal Revenue Code (IRC). The Plan Sponsor adopted this restated volume submitter document on January 1, 2020. The volume submitter opinion letter has been relied upon by this Plan. The Plan Administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified and the related trust is tax exempt.

In accordance with the modified cash basis method of accounting, Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7: RISKS AND UNCERTAINTIES

The Plan holds various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 8: RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Charles Schwab Trust Company is the custodian and Spectrum Pension Consultants, Inc. is the record-keeper of the Plan. These service providers received compensation from the Plan for services rendered during/for the plan year. As such, these transactions qualify as party-in-interest transactions.
