GIRL SCOUTS OF WESTERN OHIO'S 401(K) THRIFT PLAN

Notes to Financial Statements

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The financial statements of the Girl Scouts of Western Ohio's 401(k) Thrift Plan (the "Plan") have been prepared under the accrual basis of accounting using accounting principles generally accepted in the United States of America ("GAAP").

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The Plan utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the statements of net assets available for benefits.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Related Party Transactions

Certain Plan investments are shares of mutual funds managed by Reliance Trust Company (the "Trustee"), the trustee of the plan assets as defined by the Plan. Therefore, these transactions qualify as exempt party-in-interest transactions.

Several employees of Girl Scouts of Western Ohio (the "Plan Sponsor") provide administrative services to the Plan. These services include Plan oversight and day-to-day Plan administration. The Plan is not charged by the Plan Sponsor for the services of the employees of the Plan.

Certain expenses and costs of administering the Plan were paid by the Plan Sponsor, and accordingly are not reflected in the Plan's financial statements. Certain investment-related expenses are included in net appreciation (depreciation) in fair value of investments.

Estimates

The preparation of financial statements in conformity with GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from these estimates.

Subsequent Events

In preparing its financial statements, the Plan has evaluated events subsequent to the balance sheet date through July 8, 2021, which is the date the financial statements were available to be issued.

NOTE 2 DESCRIPTION OF THE PLAN

The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The effective date of the Plan is January 1, 2020. The Plan is a defined contribution plan sponsored by Girl Scouts of Western Ohio (the "Plan Sponsor") for the benefit of its employees. All employees who have attained age 21, except non-resident aliens, union employees, and part-time, temporary, or seasonal employees who work less than 1,000 hours during the year are eligible to participate in the Plan. Employees are eligible to make elective deferrals on the first day of the month following date of hire and are eligible for the employer matching contribution after one year of service and attaining age 21.

Effective January 1, 2021 the Plan was amended to change the service requirement for participation to age 21 and 60 days of service with entry into the plan the first of the month after requirements have been met.

Contributions

Participants may voluntarily make pre-tax or after-tax salary deferral contributions up to 100% of their eligible compensation. However, contributions may not exceed limitations established under Section 402(g) of the Internal Revenue Code of 1986 as amended ($19,500 at December 31, 2020). For 2020, Section 414(v) of the Internal Revenue Code of 1986 as amended allowed a maximum catch-up contribution of $6,500. Participants designate the percentage of their total contribution to be invested in any of the Plan's investment funds. Participants may change the percentage of contributions invested in each account and may make transfers between accounts anytime during the year. If employees do not select a salary deferral, they will be auto-enrolled at 5%.

The Plan Sponsor makes employer safe harbor matching contributions to eligible participants in an amount equal to 100% of the participant's elective deferral to a maximum of 5% of the participant's compensation.

Rollover Contributions

Participants may roll over their taxable portion of funds previously held for their account in another qualified employee benefit plan to the Plan on a tax-free basis.

Participant Accounts

Each participant's account is credited with allocations of (a) the participant's contribution, (b) the Plan Sponsor's contribution, and (c) allocation of Plan earnings. Allocations are based on participant earnings or account balances, as defined in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting

Participants are immediately vested at the time of participation in the Plan in their voluntary contributions and rollover contributions, plus actual earnings thereon. Vesting in the Plan Sponsor's safe harbor matching contributions is also immediate.

NOTE 2 DESCRIPTION OF THE PLAN (CONTINUED)

Payment of Benefits

Upon a participant's retirement, death, disability, termination of employment, or termination of the Plan, the participant may receive benefits in accordance with the Plan's provisions which includes lump-sum or partial withdrawals, and existing laws and regulations. The Plan Sponsor may initiate a mandatory distribution to an individual retirement plan (IRA) or lump-sum cash payment for those terminated participants whose vested account balance is $5,000 or less. If the vested value of the participant's account is in excess of $5,000, the participant will not receive a distribution unless the Plan has received consent.

In conditions of "financial hardship", a participant may request approval to withdraw that portion of his 401(k) retirement account balance necessary to meet the financial hardship, subject to limitations of the Plan and the Internal Revenue Code.

In-service distributions are permitted for those participants who have reached the age of 59 1/2. Participant rollover contributions may be withdrawn in whole or in part at any time.

Upon termination of the Plan, assets will be distributed to participants in accordance with the Plan's provisions and existing laws and regulations.

NOTE 3 FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") *Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities and the lowest priority to unobservable inputs.

The hierarchy is broken down into three levels based on the ability to observe inputs as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTE 3 FAIR VALUE MEASUREMENTS (CONTINUED)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value.

Mutual funds: Valued using quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-ended mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different approaches or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Assets Measured at Fair Value on a Recurring Basis

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020:

	Assets at fair value as of December 31, 2020			
Description	Total	Level 1	Level 2	Level 3
Assets				
Mutual funds	$ 2,545,552	$ 2,545,552	$ -	$ -
Total assets	$ 2,545,552	$ 2,545,552	$ -	$ -

NOTE 4 INFORMATION CERTIFIED BY ASSET CUSTODIAN

The following information provided by Reliance Trust Company as of December 31, 2020 was certified by them to be complete and accurate with respect to the following:

(a) The assets held by Reliance Trust Company as of December 31, 2020, as well as the transactions involving these assets for the year ended December 31, 2020.

(b) The amount of investment income for the year ended December 31, 2020.

(c) The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) at December 31, 2020.

NOTE 5 PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants are 100% vested in their accounts.

NOTE 6 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits and net increase in assets available for benefits per the financial statements for the year ended December 31, 2020 to Form 5500:

Net assets available for benefits per the financial statements	$ 2,549,386
Contributions receivable at December 31, 2020	(3,834)
Net assets available for benefits per Form 5500	$ 2,545,552
Net increase in net assets available for benefits per the financial statements	$ 2,549,386
Contributions receivable at December 31, 2020	(3,834)
Net income per Form 5500	$ 2,545,552

NOTE 7 TAX STATUS

The Plan has adopted a prototype plan, which received a determination letter from the Internal Revenue Service dated June 1, 2015, which states that the provider's prototype, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended and restated since receiving the determination letter, however, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

NOTE 8 COVID-19 PANDEMIC

On March 11, 2020, the World Health Organization ("WHO") recognized COVID-19 as a global pandemic, prompting many national, regional and local governments to implement preventative or protective measures, such as travel and business restrictions, temporary store closures, and wide-sweeping quarantines and stay-at-home orders. As a result, COVID-19 and the related restricted measures have had a significant adverse impact upon many sectors of the economy.

COVID-19 pandemic remains a rapidly evolving situation. The extent of the impact of COVID-19 on the Plan Sponsor's performance and the Plan's investments will depend on future developments, including the duration and spread of the outbreak. The impact to the Plan cannot be predicted, and the extent to which COVID-19 may impact the statement of net assets available for benefits is uncertain at this time.
