NOTE A – PLAN DESCRIPTION

The following description of the Fireclay Tile, Inc. 401(k) P/S Plan (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

GENERAL
The Plan is a defined contribution 401(k) plan sponsored by Fireclay Tile, Inc. (the "Company" and "Employer") with a plan year end of December 31st. The original Plan became effective November 1, 2014. The most recent Plan amendment was effective November 15, 2018. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

ELIGIBILITY
All employees may elect to enter the Plan. There is no age or service requirement for employees to enter the Plan. In general, covered employees may enter the Plan on their first day of employment.

PARTICIPANT AND COMPANY CONTRIBUTIONS
Each year, participants may elect to contribute between 1% and 100% of their eligible compensation to the Plan in pre-tax contributions, up to the maximum allowed under the Internal Revenue Code ("IRC"). After-tax Roth contributions are not allowed. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also rollover funds from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan has incorporated a Safe Harbor contribution to the Plan by matching 100% up to the first 4% contributed. The Plan also allows for discretionary profit-sharing Company contributions. Participants employed on the last day of the Plan year are eligible for the discretionary profit-sharing Company contributions, however there were no discretionary profit sharing company contributions for the years ended December 31, 2020 and 2019. Contributions are subject to certain IRS limitations. Participants also direct the Company contributions into investment options that they select.

PARTICIPANT ACCOUNTS
Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contributions, and (b) Plan earnings or losses and is charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING
Participants are immediately vested in their elective (voluntary) contributions, safe harbor matching contributions, and discretionary profit-sharing company contributions, plus actual earnings thereon.

NOTES RECEIVABLE FROM PARTICIPANTS
The Plan provides that participants can borrow funds of at least $1,000 up to a maximum equal to the lesser of 50% of their vested account balance or $50,000. The Plan allows for two outstanding loans per participant with the loan not to exceed 50% of the participant's vested balance. The loans are secured by the balance in the participant's account and bear interest at rates at commercially reasonable rates of interest. The term of the loan cannot exceed five years, except if the loan proceeds are used to finance the purchase of a primary residence, in which case the loan term may not exceed thirty years. Principal and interest is paid ratably through payroll deductions.

NOTE A – PLAN DESCRIPTION – Cont.

BENEFIT PAYMENTS
Distributions of benefits are as defined in the Plan document. Generally, on termination of service, a participant or their beneficiary may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account or roll over the vested balance into another qualified plan. Hardship distributions are not allowed by the Plan.

FORFEITED ACCOUNTS
Non-vested portions of participant accounts, if any, are forfeited upon termination of employment. Forfeited accounts may be used to pay expenses under the Plan, or to reduce employer contributions at the discretion of the Company. There was no balance in the forfeiture account as of December 31, 2020 or 2019 and no forfeitures were used to reduce Company contributions and/or pay expenses under the Plan in 2020.

NOTE B – SUMMARY OF ACCOUNTING POLICIES

BASIS OF ACCOUNTING
The financial statements of the Plan are prepared on the accrual basis of accounting.

INVESTMENT VALUATION AND INCOME RECOGNITION
The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

USE OF ESTIMATES
The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTES RECEIVABLE FROM PARTICIPANTS
Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant balance is reduced, and a benefit payment is recorded. No allowance for credit losses has been recorded as of December 31, 2020 or 2019.

PAYMENT OF BENEFITS
Benefit payments to participants are recorded when paid.

OPERATING EXPENSES
Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in the net appreciation of the fair value of investments.

NOTE B – SUMMARY OF ACCOUNTING POLICIES – CONT.

DATE OF MANAGEMENT REVIEW
Subsequent events were evaluated through July 16, 2021, which is the date the financial statements were available to be issued. Management is not required to and has not evaluated events or transactions that occurred after July 16, 2021.

NOTE C – UNAUDITED INVESTMENT INFORMATION CERTIFIED BY TRUSTEE

The Plan Administrator has elected the method of compliance permitted by 29 CFR Section 2520.103-8 of the Department of Labor Rules and Regulations and disclosure under ERISA. Accordingly, as permitted under such election, the following information was certified by the trustee - PAi Trust Company, Inc., and was not subjected to any auditing procedures performed by the independent public accountants.

a. All investments shown in the accompanying statements of net assets available for benefits and the notes receivable from participants.

b. Net Investment income from the investments, as shown in the accompanying statement of changes in net assets available for benefits, including dividends and interest income and net realized and unrealized appreciation (depreciation) in the fair value of assets.

NOTE D – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs The three levels of the fair value hierarchy under Topic 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
Level 2	Inputs to the valuation method include • quoted prices for similar assets or liabilities in active markets; • quoted prices for identical or similar assets or liabilities in inactive markets; • inputs other than quoted prices that are observable for the asset and liability; and • inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement of the assets and liabilities.

NOTE D – FAIR VALUE MEASUREMENTS – Cont.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2020 and 2019.

> ***Mutual Funds***: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan's management believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020 and 2019. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

	Assets at Fair Value as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 2,203,398	$ -	$ -	$ 2,203,398
Total Investments at Fair Value	$ 2,203,398	$ -	$ -	$ 2,203,398

	Assets at Fair Value as of December 31, 2019			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 1,666,651	$ -	$ -	$ 1,666,651

NOTE E – RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Plan investments are shares of mutual funds administered by PAi Trust Company, Inc. PAi Trust Company, Inc. is the trustee for the Plan, and, therefore these transactions qualify as party-in-interest transactions. In addition, the notes receivable from participant transactions also qualify as party-in-interest transactions. Fees incurred by the Plan for investment management services are included in the net appreciation in the fair value of investments and are paid through revenue sharing, rather than a direct payout. The Company provides certain accounting and administrative services to the Plan for which it receives no compensation. Audit fees and certain administrative expenses are rendered by parties-in-interest and are paid by the Company.

NOTE F – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE G – TAX STATUS

The Plan, which is a prototype plan sponsored by Plan Administrators, Inc. (d/b/a PAi), has received a favorable opinion letter dated March 31, 2014 in which the Internal Revenue Service has stated that the Plan Document is acceptable under section 401 of the Internal Revenue Code and therefore not subject to tax. The Plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is currently designed, and being operated, in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe the plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2017.

NOTE H – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100 percent vested in their accounts including employer contributions.

NOTE I – IMPACT OF CORONAVIRUS AND CARES ACT

As a result of the Coronavirus pandemic, Congress enacted the Coronavirus Aid, Relief and Economic Security Act; (CARES Act) on March 27, 2020. The Company has made elections from the CARES Act, but has not formally amended the Plan document to reflect the following elections made:

- Qualified individuals may elect an in-service coronavirus-related withdrawal. A coronavirus-related distribution of up to $ 100,000 is allowed for the period on or after January 1, 2020, and prior to December 31, 2020, with an option to repay over a three-year period. Additional rules may apply.
