INDEPENDENT AUDITORS' REPORT

The Plan Administrator, Management, and the Board of Directors
Digital Check Corp. 401(k) Plan
Northbrook, Illinois

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Digital Check Corp. 401(k) Plan ("the Plan"), which comprise the statements of net assets available for benefits as of December 31, 2020 and 2019, and the related statement of changes in net assets available for benefits for the year ended December 31, 2020, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC, the custodians of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the Plan Administrator that the custodians hold the Plan's investment assets and execute investment transactions. The Plan Administrator has obtained a certification from the custodians as of and for the years ended December 31, 2020 and 2019, that the information provided to the Plan Administrator by the custodians is complete and accurate.

Disclaimer of Opinion

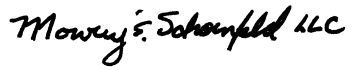

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplementary information included in Schedule H, Part IV, line 4(i) – Schedule of Assets (Held At End of Year) as of December 31, 2020, is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental information referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the custodians, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Digital Check Corp. 401(k) Plan ("the Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a qualified defined contribution plan sponsored by Digital Check Corp. ("the Company"). The Plan covers all employees who have reached 18 years of age and who have completed 30 days of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may contribute up to the maximum dollar amount allowable as established by the Internal Revenue Service, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. Effective June 1, 2020, participants are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan or elect another deferral rate. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation, subject to a 1% annual increase until the deferral rate percentage equals 6% (Note 10). The Plan currently offers investment choices through Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC, the custodians of the Plan's investments, which include a common collective trust fund, a group annuity contract, as well as mutual funds through various registered investment companies. The Company contributes an employer safe harbor contribution amounting to 3% of compensation of eligible participants. Employer profit-sharing contributions may be made at the option of the Company on behalf of each participant allocation group. Discretionary employer matching contributions can also be made by the Company up to 4% of employee compensation. The Company made safe harbor matching contributions of $476,541 to the Plan for the year ended December 31, 2020. The Company accrued discretionary profit-sharing contributions of $47,798 to the Plan for the year ended December 31, 2020.

Participant Accounts

Each participant's account is credited with the participant's contributions; qualified rollover contributions; allocations of the Company's contributions, if any; and Plan earnings. It is also charged with an allocation of administrative expenses. Allocations are based upon participant earnings or account balances, as defined in the Plan. Forfeited balances of terminated participants' nonvested accounts are first applied to pay administrative expenses. Any remaining forfeitures are then added to the employer's contribution and allocated to participants. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and employer safe harbor contributions plus actual earnings thereon. Vesting in discretionary profit-sharing and matching contributions allocated to individual participants, plus actual earnings thereon, is based upon years of continual service as defined in the Plan. A participant is 100% vested after six years of service.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lessor of $50,000 or 50% of their vested account balance. Loan terms range from 1 to 5 years, or 30 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest ranging from 4.25% to 6.50% as of December 31, 2020. Principal and interest are paid ratably through regular payroll deductions.

NOTE 1 – DESCRIPTION OF PLAN (continued)

Payment of Benefits

On termination of service due to death, disability, retirement, or any other reason, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. In addition, hardship withdrawals and in-service distributions are permitted if certain criteria are met.

Forfeited Accounts

At December 31, 2020 and 2019, unallocated plan assets resulting from forfeited nonvested accounts totaled $4, respectively. These accounts will be used to reduce future administrative expenses and or employer contributions.

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Cash and cash equivalents

Cash and cash equivalents include deposits in financial institutions and short-term investments with original maturities of 90 days or less.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value except for the fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest, with no allowance for uncollectible balances. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES (continued)

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation of fair value of investments. The Plan made direct payments for administration fees of $67,898 for the year ended December 31, 2020.

Subsequent Events

Management has evaluated subsequent events through July 19, 2021, the date the financial statements were available to be issued (Note 11).

NOTE 3 – INFORMATION PREPARED AND CERTIFIED BY CUSTODIANS

The following information included in the accompanying financial statements and supplemental information was obtained from data that has been prepared and certified to as complete and accurate by the custodians of the Plan, Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC:

	2020	2019
Investments, at fair value:		
Mutual funds	$ 14,888,806	$ 14,417,098
Common/collective trust	499,380	404,955
Investment, at contract value:		
Group annuity contract	2,179,374	1,217,883
Notes receivable from participants	104,872	129,116

The custodians also certified the completeness and accuracy of $1,506,137 of net appreciation in the fair value of investments, $397,779 of dividends and interest, $17,319 of other income, and $5,320 of interest income on notes receivable from participants related to the aforementioned assets for the year ended December 31, 2020.

NOTE 4 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board Accounting Standards Codification 820, *Fair Value Measurements and Disclosures* ("ASC 820"), provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

NOTE 4 – FAIR VALUE MEASUREMENTS (continued)

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation on methodology include the following:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2020 and 2019.

Mutual funds (level 1): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/collective trusts: Units are valued using the NAV practical expedient of the common/collective trust ("CCT") as reported by the CCT managers. The NAV practical expedient is based on the fair value of the underlying assets owned by the CCT, minus its liabilities, and then divided by the number of units outstanding. The CCT may be redeemed at NAV daily without notice or restrictions and has no unfunded commitments.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020 and 2019:

	Assets at Fair Value as of December 31, 2020			
	Level 1	*Level 2*	*Level 3*	*Total*
Mutual funds	$14,888,806	$ -	$ -	$ 14,888,806
Total assets in the fair value hierarchy	$14,888,806	$ -	$ -	14,888,806
Investments measured at NAV*				499,380
Investments at fair value				**$** 15,388,186

NOTE 4 – FAIR VALUE MEASUREMENTS (continued)

	Assets at Fair Value as of December 31, 2019			
	Level 1	*Level 2*	*Level 3*	*Total*
Mutual funds	$14,417,098	$ -	$ -	$ 14,417,098
Total assets in the fair value hierarchy	$14,417,098	$ -	$ -	14,417,098
Investments measured at NAV*				404,955
Investments at fair value				$ 14,822,053

*Certain investments that were measured at NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in these tables for such investments are intended to permit reconciliation of the fair value hierarchy to the investments, at the fair value line item presented in the statements of net assets available for benefits.

The following tables summarize investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2020 and 2019, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

	As of December 31, 2020			
	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice
Common/collective trust	$ 499,380	$ -	Daily	5 business days
	$ 499,380	$ -		

	As of December 31, 2019			
	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice
Common/collective trust	$ 404,955	$ -	Daily	5 business days
	$ 404,955	$ -		

NOTE 5 – GROUP ANNUITY CONTRACT WITH INSURANCE COMPANY

The Plan entered into a traditional fully benefit-responsive guaranteed investment contract with Great-West Life & Annuity Insurance Company ("Great West") totaling $2,179,374 and $1,217,883 at December 31, 2020 and 2019, respectively. Great-West maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 1.00%. The crediting rate is reviewed on a quarterly basis for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

NOTE 5 – GROUP ANNUITY CONTRACT WITH INSURANCE COMPANY (continued)

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Great-West, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, (4) a material amendment to the agreement without the consent of the issuer.

NOTE 6 – RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC, the custodians of the Plan; and therefore, these transactions qualify as party-in-interest transactions.

As described in Note 2, the Company may pay certain administrative expenses related to Plan operations to various service providers. In addition, employees of the Company provide administrative services to the Plan for which no fees are charged. Notes receivable from participants also qualify as party-in-interest transactions under ERISA.

NOTE 7 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

NOTE 8 – TAX STATUS

On March 31, 2014, the Internal Revenue Service stated that the prototype adopted by the Plan, as then designed, qualified under Section 401(a) of the Internal Revenue Code ("IRC"). Although the Plan has not received a determination letter specific to the Plan itself, and the Plan has been amended since the prototype plan was adopted, the plan administrator believes that the Plan is designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, the plan administrator believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions. However, as of December 31, 2020 and 2019, there were no audits in progress for any open tax periods.

NOTE 9 – RISKS AND UNCERTANTIES

The Plan invests in a variety of investment securities. Investment securities are exposed to various risks such as interest rate risk, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 10 – PLAN AMENDMENTS

Effective January 1, 2020, the Plan was amended to add an additional trustee to the Plan.

Effective January 1, 2020, the Plan was amended to allow special Coronavirus-related distributions under the CARES Act for the period beginning January 1, 2020 and ending December 31, 2020.

Effective June 1, 2020, the Plan was amended to add an auto-enrollment provision, whereby participants are automatically enrolled in the Plan, unless they affirmatively elect not to participate in the Plan or elect another deferral rate. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation, subject to a 1% annual increase until the deferral rate percentage equals 6%.

NOTE 11 – SUBSEQUENT EVENT

Effective January 1, 2021, the Plan was amended to allow employees of Benchmark Technology Group, Inc. to participate in the Plan.

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Digital Check Corp. 401(k) Plan ("the Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a qualified defined contribution plan sponsored by Digital Check Corp. ("the Company"). The Plan covers all employees who have reached 18 years of age and who have completed 30 days of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may contribute up to the maximum dollar amount allowable as established by the Internal Revenue Service, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. Effective June 1, 2020, participants are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan or elect another deferral rate. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation, subject to a 1% annual increase until the deferral rate percentage equals 6% (Note 10). The Plan currently offers investment choices through Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC, the custodians of the Plan's investments, which include a common collective trust fund, a group annuity contract, as well as mutual funds through various registered investment companies. The Company contributes an employer safe harbor contribution amounting to 3% of compensation of eligible participants. Employer profit-sharing contributions may be made at the option of the Company on behalf of each participant allocation group. Discretionary employer matching contributions can also be made by the Company up to 4% of employee compensation. The Company made safe harbor matching contributions of $476,541 to the Plan for the year ended December 31, 2020. The Company accrued discretionary profit-sharing contributions of $47,798 to the Plan for the year ended December 31, 2020.

Participant Accounts

Each participant's account is credited with the participant's contributions; qualified rollover contributions; allocations of the Company's contributions, if any; and Plan earnings. It is also charged with an allocation of administrative expenses. Allocations are based upon participant earnings or account balances, as defined in the Plan. Forfeited balances of terminated participants' nonvested accounts are first applied to pay administrative expenses. Any remaining forfeitures are then added to the employer's contribution and allocated to participants. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and employer safe harbor contributions plus actual earnings thereon. Vesting in discretionary profit-sharing and matching contributions allocated to individual participants, plus actual earnings thereon, is based upon years of continual service as defined in the Plan. A participant is 100% vested after six years of service.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lessor of $50,000 or 50% of their vested account balance. Loan terms range from 1 to 5 years, or 30 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest ranging from 4.25% to 6.50% as of December 31, 2020. Principal and interest are paid ratably through regular payroll deductions.

NOTE 1 – DESCRIPTION OF PLAN (continued)

Payment of Benefits

On termination of service due to death, disability, retirement, or any other reason, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. In addition, hardship withdrawals and in-service distributions are permitted if certain criteria are met.

Forfeited Accounts

At December 31, 2020 and 2019, unallocated plan assets resulting from forfeited nonvested accounts totaled $4, respectively. These accounts will be used to reduce future administrative expenses and or employer contributions.

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Cash and cash equivalents

Cash and cash equivalents include deposits in financial institutions and short-term investments with original maturities of 90 days or less.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value except for the fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest, with no allowance for uncollectible balances. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES (continued)

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation of fair value of investments. The Plan made direct payments for administration fees of $67,898 for the year ended December 31, 2020.

Subsequent Events

Management has evaluated subsequent events through July 19, 2021, the date the financial statements were available to be issued (Note 11).

NOTE 3 – INFORMATION PREPARED AND CERTIFIED BY CUSTODIANS

The following information included in the accompanying financial statements and supplemental information was obtained from data that has been prepared and certified to as complete and accurate by the custodians of the Plan, Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC:

	2020	2019
Investments, at fair value:		
Mutual funds	$ 14,888,806	$ 14,417,098
Common/collective trust	499,380	404,955
Investment, at contract value:		
Group annuity contract	2,179,374	1,217,883
Notes receivable from participants	104,872	129,116

The custodians also certified the completeness and accuracy of $1,506,137 of net appreciation in the fair value of investments, $397,779 of dividends and interest, $17,319 of other income, and $5,320 of interest income on notes receivable from participants related to the aforementioned assets for the year ended December 31, 2020.

NOTE 4 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board Accounting Standards Codification 820, *Fair Value Measurements and Disclosures* ("ASC 820"), provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

NOTE 4 – FAIR VALUE MEASUREMENTS (continued)

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation on methodology include the following:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2020 and 2019.

Mutual funds (level 1): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/collective trusts: Units are valued using the NAV practical expedient of the common/collective trust ("CCT") as reported by the CCT managers. The NAV practical expedient is based on the fair value of the underlying assets owned by the CCT, minus its liabilities, and then divided by the number of units outstanding. The CCT may be redeemed at NAV daily without notice or restrictions and has no unfunded commitments.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020 and 2019:

	Assets at Fair Value as of December 31, 2020			
	Level 1	*Level 2*	*Level 3*	*Total*
Mutual funds	$14,888,806	$ -	$ -	$ 14,888,806
Total assets in the fair value hierarchy	$14,888,806	$ -	$ -	14,888,806
Investments measured at NAV*				499,380
Investments at fair value				**$** 15,388,186

NOTE 4 – FAIR VALUE MEASUREMENTS (continued)

	Assets at Fair Value as of December 31, 2019			
	Level 1	*Level 2*	*Level 3*	*Total*
Mutual funds	$14,417,098	$ -	$ -	$ 14,417,098
Total assets in the fair value hierarchy	$14,417,098	$ -	$ -	14,417,098
Investments measured at NAV*				404,955
Investments at fair value				$ 14,822,053

*Certain investments that were measured at NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in these tables for such investments are intended to permit reconciliation of the fair value hierarchy to the investments, at the fair value line item presented in the statements of net assets available for benefits.

The following tables summarize investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2020 and 2019, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

	As of December 31, 2020			
	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice
Common/collective trust	$ 499,380	$ -	Daily	5 business days
	$ 499,380	$ -		

	As of December 31, 2019			
	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice
Common/collective trust	$ 404,955	$ -	Daily	5 business days
	$ 404,955	$ -		

NOTE 5 – GROUP ANNUITY CONTRACT WITH INSURANCE COMPANY

The Plan entered into a traditional fully benefit-responsive guaranteed investment contract with Great-West Life & Annuity Insurance Company ("Great West") totaling $2,179,374 and $1,217,883 at December 31, 2020 and 2019, respectively. Great-West maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 1.00%. The crediting rate is reviewed on a quarterly basis for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

NOTE 5 – GROUP ANNUITY CONTRACT WITH INSURANCE COMPANY (continued)

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Great-West, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, (4) a material amendment to the agreement without the consent of the issuer.

NOTE 6 – RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC, the custodians of the Plan; and therefore, these transactions qualify as party-in-interest transactions.

As described in Note 2, the Company may pay certain administrative expenses related to Plan operations to various service providers. In addition, employees of the Company provide administrative services to the Plan for which no fees are charged. Notes receivable from participants also qualify as party-in-interest transactions under ERISA.

NOTE 7 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

NOTE 8 – TAX STATUS

On March 31, 2014, the Internal Revenue Service stated that the prototype adopted by the Plan, as then designed, qualified under Section 401(a) of the Internal Revenue Code ("IRC"). Although the Plan has not received a determination letter specific to the Plan itself, and the Plan has been amended since the prototype plan was adopted, the plan administrator believes that the Plan is designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, the plan administrator believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions. However, as of December 31, 2020 and 2019, there were no audits in progress for any open tax periods.

NOTE 9 – RISKS AND UNCERTANTIES

The Plan invests in a variety of investment securities. Investment securities are exposed to various risks such as interest rate risk, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 10 – PLAN AMENDMENTS

Effective January 1, 2020, the Plan was amended to add an additional trustee to the Plan.

Effective January 1, 2020, the Plan was amended to allow special Coronavirus-related distributions under the CARES Act for the period beginning January 1, 2020 and ending December 31, 2020.

Effective June 1, 2020, the Plan was amended to add an auto-enrollment provision, whereby participants are automatically enrolled in the Plan, unless they affirmatively elect not to participate in the Plan or elect another deferral rate. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation, subject to a 1% annual increase until the deferral rate percentage equals 6%.

NOTE 11 – SUBSEQUENT EVENT

Effective January 1, 2021, the Plan was amended to allow employees of Benchmark Technology Group, Inc. to participate in the Plan.
