INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
HOP Energy, LLC 401(k) Plan
Harrison, New York

Scope and Nature of ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of HOP Energy, LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year then ended December 31, 2020, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

CITRINCOOPERMAN
Accountants and Advisors

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Information Required by ERISA

The supplemental schedule H - line 4i - assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Supplemental Information Required by ERISA (Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
HOP Energy, LLC 401(k) Plan
Harrison, New York

We were engaged to audit the accompanying statement of net assets available for benefits of HOP Energy, LLC 401(k) Plan (the "Plan") as of December 31, 2019, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of the financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2019 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 5, which was certified by Vanguard Fiduciary Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustee as of December 31, 2019, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2019 financial statement. Accordingly, we do not express an opinion on the 2019 financial statement.

1. DESCRIPTION OF PLAN

The following description of HOP Energy, LLC 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established on January 1, 1996, and restated effective January 1, 2013. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan is administered by HOP Energy, LLC (the "Plan Sponsor"). Vanguard Fiduciary Trust Company (the "Trustee") serves as the trustee to the Plan.

Eligibility

Nonunion employees of the Plan Sponsor are eligible to participate in the Plan on the first day of the month following their date of hire. Also, certain union employees are eligible to participate in the Plan as defined in the Plan agreement.

Contributions

Participants may contribute a portion of their annual eligible compensation as a pre-tax deferral, up to the maximum allowed by the Internal Revenue Code ("IRC"), as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan includes an auto enrollment provision whereby all newly eligible employees are automatically enrolled in the plan unless they affirmatively elect not to contribute to the plan. Automatically enrolled participants have their deferral rate set at 2% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. In addition, each year the automatic elective deferral will increase by 1%, up to a maximum of 6% of compensation. Participants may also make rollover contributions from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers a money market fund and various mutual funds as investment options for participants.

The Plan Sponsor's matching contributions are equal to 50% of the first 6% of compensation that a participant contributes to the Plan. Plan Sponsor contributions are invested directly in the investment options as directed by the participant. Participants are eligible for matching contributions if they are credited with at least 1,000 hours of service (a "year of service") within the Plan year.

Participant Accounts

Individual accounts are maintained for each Plan participant to reflect the participant's contributions, the Plan Sponsor's matching contribution, and Plan income or loss. Income and losses are allocated by funds based on the ratio of a participant's account invested in a particular fund to all participants' investment in that fund. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1. DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are immediately vested in their voluntary contributions and any income or loss thereon. Vesting in the Plan Sponsor's matching contribution portion of their accounts plus actual earnings thereon is based on years of service as follows:

Years of Service Completed	Vesting Percentage
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5	100%

Participants who attain the age of 65 while still employed with the Plan Sponsor are 100% vested in the Plan Sponsor's matching contributions.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of the participant's vested account balance. The loans are secured by the balance in the participant's accounts and bear interest at a rate commensurate with market rates for similar loans. For the years ended December 31, 2020 and 2019, interest rates on outstanding loans ranged from 4.25% to 6.50%. Principal and interest are paid ratably through payroll deductions over a period of five years or less, unless the withdrawal was for the purchase of a primary residence, in which case the period can be extended to 15 years. A participant cannot have more than two loans outstanding at any time.

Payments of Benefits

Upon termination of service due to death, disability, retirement, or separation, a participant or participant's beneficiary will be entitled to receive a lump-sum amount equal to the value of the vested interest in the participant's account balance. Participants with a vested account balance of greater than $1,000, who had a severance of employment not due to death, may elect to receive their distribution prior to the time they attain age 65. Otherwise, those benefits shall be held by the Trustee and distributed once the participant attains the age of 65. Distributions are subject to the applicable provisions of the Plan agreement.

In 2020, the Plan adopted certain provisions of the Coronavirus Aid, Relief and Economic Security Act, as amended (the "CARES Act"), however, the Vanguard Basic Plan has not yet been amended for the adoption of these provisions. The CARES Act provisions that were adopted pertained to distributions and repayment of notes receivable by participants, including the following:

(a) Participants that meet eligible CARES Act criteria can take penalty free withdrawals of up to $100,000 from January 1, 2020 through December 30, 2020.

(b) A CARES Act distribution will not be considered a hardship distribution, therefore a participant does not have to first obtain a loan or other available distributions under the Plan before requesting for a distribution.

Benefits are recorded when paid.

1. DESCRIPTION OF PLAN (CONTINUED)

Forfeited Accounts

Forfeitures of nonvested accounts are available to be used by the Plan Sponsor to reduce future employer matching contributions or to pay for the Plan's administrative expenses.

At December 31, 2020 and 2019, forfeited nonvested accounts totaled $22,115 and $28,089, respectively. Also, in 2020 and 2019, employer contributions and administrative expenses were reduced by $36,952 and $16,637, respectively, from forfeited nonvested accounts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements were prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and changes in net assets available for benefits during the year. Actual results could differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year such adjustments are determined.

Notes Receivable from Participants

Notes receivable from participants are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Delinquent participant loans are considered to be deemed distributions and are reclassified as distributions based upon the terms of the Plan document. Cumulative deemed distributions amounted to $44,505 and $35,475 as of December 31, 2020 and 2019, respectively.

Fair Value Measurement

Financial Accounting Standards Board ("FASB") issued Accounting Standards Codification ("ASC") 820, *Fair Value Measurement*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fair Value Measurement (Continued)

Level 3 - inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Under this standard, fair value is defined as the exit price, or the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants as of the measurement date.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Administrative Expenses

The Plan is responsible for the payment of administrative expenses. Transaction fees for loan transactions are paid by the participants by reducing the account balances of those participants initiating the transactions. For the years ended December 31, 2020 and 2019, administrative expenses totaled $63,919 and $37,445, respectively.

Subsequent Events

In accordance with FASB issued ASC 855, *Subsequent Events*, the Plan has evaluated subsequent events through July 21, 2021, the date on which these financial statements were available to be issued.

3. FAIR VALUE MEASUREMENTS

The following tables summarize the Plan's assets measured at fair value on a recurring basis, categorized by U.S. GAAP's valuation hierarchy as of December 31, 2020 and 2019:

Description	Fair Value at December 31, 2020	Level 1	Level 2	Level 3
Investments in fair value hierarchy:				
Mutual funds	$ 43,851,296	$43,851,296	$ -	$ -
Money market fund	3,495,572	3,495,572	-	-
Total investments at fair value	$ 47,346,868	$47,346,868	$ -	$ -

3. FAIR VALUE MEASUREMENTS (CONTINUED)

Description	Fair Value at December 31, 2019	Level 1	Level 2	Level 3
Investments in fair value hierarchy:				
Mutual funds	$ 39,732,226	$39,732,226	$ -	$ -
Money market fund	1,660,100	1,660,100	-	-
Total investments in fair value	$ 41,392,326	$41,392,326	$ -	$ -

In determining fair value, the fair value hierarchy prioritizes the inputs to valuation methods and techniques used to measure fair value. Valuation techniques should maximize the use of relevant observable inputs and minimize the use of unobservable inputs. There have been no changes in the methodologies used for the years ended December 31, 2020 and 2019.

Following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2020 and 2019:

Mutual funds - are valued at the daily closing prices as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money market fund - shares in the short-term money market fund are valued at cost plus accrued interest, which approximates fair value. Units of this fund can be redeemed on a daily basis at their NAV and have no redemption restrictions. This fund seeks to invest primarily in short-term U.S. Treasury securities, including repurchase agreements collateralized by U.S. Treasury securities.

4. RISKS AND UNCERTAINTIES

The Plan provides for various investment options in combinations of mutual funds and other investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the related statements of changes in net assets available for benefits.

During 2020, the World Health Organization declared COVID-19 to constitute a "Public Health Emergency of International Concern." The pandemic has disrupted economic markets and the financial impact, duration and spread of the COVID-19 virus are uncertain at this time. The financial performance of the Plan's investments may be impacted by the market's response to the uncertainty of the situation; however, the duration of disruption and related financial impact cannot be reasonably estimated at this time.

5. INFORMATION CERTIFIED BY THE TRUSTEE (UNAUDITED)

The following tables summarize investment and other asset information regarding the Plan as of December 31, 2020 and 2019, and for the years then ended, included in the Plan's financial statements and supplemental schedule, which was prepared by, or derived from, information prepared by the Trustee, and furnished to the Plan administrator. The Plan administrator has obtained a certification from the Trustee that such information is complete and accurate.

	2020		2019	
Investments:				
Mutual funds	$ 43,851,296		$ 39,732,226	
Money market fund	3,495,572		1,660,100	
Total investments	47,346,868		41,392,326	
Notes receivable from participants	637,589	*	677,246	*
Total certified assets	$ 47,984,457		$ 42,069,572	

** Excludes adjustment for loans deemed delinquent in the current and prior years, as noted in Note 2, amounting to $44,505 and $35,475 as of December 31, 2020 and 2019, respectively.*

Investment income certified to by the Trustee is as follows for the years ended December 31:

	2020	2019
Dividends and interest income	$ 1,732,841	$ 1,920,359
Net appreciation in fair value of investments	$ 4,269,563	$ 5,875,894
Interest income on notes receivable from participants	$ 31,767	$ 36,980

6. TAX STATUS

The Plan obtained its latest determination letter, dated April 2, 2014, in which the IRS stated that the Plan, as designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC").

Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore, believe that the Plan is qualified and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2020 and 2019, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

8. RELATED-PARTY TRANSACTIONS

Certain administrative functions are performed by officers or employees of the Plan Sponsor. No such officer or employee receives compensation from the Plan. Additionally, certain administrative expenses are paid directly by the Plan Sponsor.

Certain investments options consist of shares managed by an affiliate of the Trustee. Transactions in such investments qualify as party-in-interest transactions. Fees paid to such party amounted to $63,920 and $37,748 for the years ended December 31, 2020 and 2019, respectively.
