NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2020 AND 2019

1. DESCRIPTION OF THE PLAN

The following brief description of Muskingum Valley Health Center 401(k) Profit Sharing Plan & Trust (the "Plan") is provided for general information only. Participants should refer to the plan agreement for more information.

General

The Plan was is a defined contribution plan covering eligible employees of Muskingum Valley Health Center (the "Organization"). Eligible employees for elective deferral and safe harbor match include all full-time employees (1,000 hours or more) who are age eighteen or older. Eligible employees for any non-elective contributions includes employees who have one year of service (1,000 hours) and are age twenty-one or older. Excluded from participation are employees covered by collective bargaining agreements and nonresident aliens. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Board of Directors is responsible for oversight of the Plan. The Plan's Finance Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan's Board of Directors.

Contributions

Each year, participants may elect to contribute up to 96 percent of pretax annual compensation (including pretax and roth elective deferrals), as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants also may contribute amounts representing distributions from other qualified plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. Matching contributions are equal to 100 percent of the first 3 percent, and an additional 50 percent on the next 2 percent of eligible compensation that a participant contributes to the Plan. The Organization can also make discretionary profit sharing contributions. For the years ended December 31, 2020 and 2019, no profit sharing contributions were made. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Rollovers

The Plan allows participants to rollover funds from another approved plan into this plan upon employment or anytime while employed. Participants are 100 percent vested in rollover funds and any earnings on those rollovers.

MUSKINGUM VALLEY HEALTH CENTER 401(K) PROFIT SHARING PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2020 AND 2019

Participant Accounts

Each participant's account is credited with the participant's contributions and the Organization's contributions, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participant-Directed Investment Options

Upon enrollment in the Plan, a participant may direct the investment of their contributions into any of several investment options with varying degrees of risk and volatility, allowing participants to allocate their investments in accordance with their own risk tolerances and time horizons. Participants may change their investments options at any time.

Vesting

Participants are immediately vested in their contributions and the Organization's matching contributions, plus actual earnings thereon. Vesting in the Organization's discretionary profit sharing contribution is based on years of service and a participant is 100% vested in those contributions after six years.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. The loans are secured by the balance in the participant's account. The loan interest rate, determined at inception, is set at 2% above the Prime interest rate (5.50% and 5.25% at December 31, 2020 and 2019, respectively), as defined, in accordance with the Plan's loan policy. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount or installment payments equal to the value of the participant's vested interest in his or her account. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her accounts in a lump sum distribution. The Plan also provides for hardship withdrawals, which are subject to conditions stated in the Plan document.

Forfeited Accounts

Forfeited balances of terminated participant's non-vested accounts are used to reduce nonelective employer contributions. There were no forfeited non-vested account balances at December 31, 2020 and 2019.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that may affect the reported amounts of assets and liabilities and changes in those assets and liabilities, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Organization's Finance Committee determines the Plan's valuation policies utilizing information provided by the investment advisor and trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net change in fair value of investments includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2020 and 2019. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan agreement.

Payment of Benefits

Benefits are recorded when paid.

MUSKINGUM VALLEY HEALTH CENTER 401(K) PROFIT SHARING PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2020 AND 2019

Expenses

The Plan's administrative expenses are paid either by the Plan or the Organization as provided by the Plan agreement. Expenses that are paid by the Organization are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative fees. Investment related expenses are netted against plan earnings.

Subsequent Events

The Plan has evaluated subsequent events through July 27, 2021, the date the financial statements were available to be issued.

3. INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Peoples Bank, the custodian of the Plan, has certified to the completeness and accuracy of all investments reflected on the accompanying statement of net assets available for benefits as of December 31, 2020 and 2019, and investment related activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2020.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described as follows:

- *Level 1:* Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- *Level 2:* Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- *Level 3:* Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

MUSKINGUM VALLEY HEALTH CENTER 401(K) PROFIT SHARING PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2020 AND 2019

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value as of December 31, 2020 and 2019:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020 and 2019. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

Assets at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 11,827,997	\$ -	\$ -	\$ 11,827,997

5. RELATED-PARTY TRANSACTIONS AND PARTIES-IN-INTEREST TRANSACTIONS

Peoples Bank is the trustee as defined by the Plan. Fees incurred are paid directly by the Plan for the investment management services.

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Organization and certain others. Investment management fees are paid to Peoples Bank, the trustee. Blue & Co., LLC is the independent auditor for the Plan. The aforementioned parties generally receive payment from the Organization.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

MUSKINGUM VALLEY HEALTH CENTER 401(K) PROFIT SHARING PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2020 AND 2019

In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

7. TAX STATUS

The Plan obtained its latest determination letter on March 31, 2014, in which the Internal Revenue Service stated that the restated volume submitter/prototype plan document was in compliance with applicable requirements of the Internal Revenue Code (IRC). The plan sponsor adopted this restated volume submitter/prototype plan document on January 1, 2015. The Plan was amended January 1, 2018. The volume submitter/prototype plan opinion letter has been relied upon by this Plan. The plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax exempt.

In accordance with GAAP, Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2020, there are no uncertain positions taken.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Because of the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statements of net assets available for benefits.

9. CONTINGENCY

On March 11, 2020, the World Health Organization declared Coronavirus (COVID-19) a pandemic. The continued spread of COVID-19, or any similar outbreaks in the future, may adversely impact the local, regional, national, and global economies. The extent to which COVID-19 impacts the Plan's operating results is dependent on the breadth and duration of the pandemic and could be affected by other factors management is not currently able to predict. Potential impacts include, but are not limited to, reduced employee participation, and investment portfolio declines. Management believes the Plan is taking appropriate actions to respond to the pandemic; however, the full impact is unknown and cannot be reasonably estimated at the date the financial statements were available to be issued.
