Report on the Financial Statements

We have audited the accompanying financial statements of Lyons & Company, Inc. Multiple Employer Plan (the Plan), which comprise the statements of net assets available for benefits as of December 31, 2020 and 2019, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2020 and 2019, and the changes in net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of December 31, 2020 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

LYONS & COMPANY, INC. MULTIPLE EMPLOYER PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2020 AND 2019

NOTE 1 DESCRIPTION OF PLAN

The following description of Lyons & Company, Inc. Multiple Employer Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions. The Plan is sponsored by Lyons & Company, Inc. Copies of these documents are available from the Plan sponsor or the participating employer.

General

The Plan is a multiple-employer defined contribution plan originally effective March 31, 2008. The Plan has been amended throughout the years to comply with tax legislation and most recently amended effective June 1, 2018. The Plan excludes employees covered by a collective bargaining agreement. The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The 401K Committee of the Board of Directors is responsible for the oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan's Board of Directors.

Eligibility

An employee shall be eligible to participate in the Plan on the first day of the following calendar quarter which the employee satisfies all eligibility requirements set forth by their Participating Employer. The Participating Employer shall determine the eligibility of each employee for participation in the Plan.

Contributions

Based upon the Plan options that each Participating Employer selects in their adoption agreement, eligible employees are permitted to elect to have a percentage or dollar value of their compensation deferred as pre-tax or Roth contributions to the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Subject to the provisions of the Internal Revenue Code (IRC), the Plan offers participants the option to elect an in-plan Roth contribution conversion.

The Participating Employer, as elected in their adoption agreement, may elect to make a matching contribution up to 100% of the Participant's Elective Deferral. Participating Employers can also elect in their adoption agreement a 401K safe harbor plan design.

The Participating Employer, as elected in their adoption agreement, may elect to make a Nonelective Profit Sharing Contribution at the discretion of their Board of Directors. Allocations of these contributions to participants are made in accordance with the formula elected in the adoption agreement.

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of contributions into various investment options offered by the Plan. If the participant does not make investment elections, their contributions will be deposited into a target retirement fund based on the participant's date of birth. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

LYONS & COMPANY, INC. MULTIPLE EMPLOYER PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2020 AND 2019

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's contributions, the Participating Employer's contribution, if any, and an allocation of Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, or participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided by the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Participants are vested in their matching and nonelective portion of their account balance, based on the elections made by the Participating Employer in their adoption agreement. The Participating Employer may elect either immediate 100% nonforfeitability, 100% nonforfeitability after three years of service, or a graded vesting schedule (three, four, five, or six years). Notwithstanding the above, a participant is fully vested upon reaching normal retirement age, death, or permanent disability.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Note terms range from one to five years or up to 15 years for the purchase of a principal residence. The notes are secured by the balance in the participant's account and bear interest at a rate of prime plus 1%. Principal and interest is paid ratably through payroll deductions.

Benefit Payments

Upon termination of service due to death, disability, or retirement, a participant may elect to receive the value of the vested interest in his or her account in the form of a lump sum distribution or installments. The Plan allows for in-service distributions if a participant reaches age 59½ and hardship distributions subject to Plan provisions. If a participant terminates employment and the participant's account balance does not exceed \$1,000, the Plan administrator will authorize the benefit payment without the participant's consent. If the balance of the terminated participant's account is between \$1,000 and \$5,000, the Plan Sponsor may authorize that the benefit payment be rolled into an individual retirement account in the participant's name.

Trust to Trust Transfers

During the years ended December 31, 2020 and 2019, there was \$1,075,605 and \$641,355 in transfers out as a result of participating employers withdrawing their participation in the Plan.

During the years ended December 31, 2020 and 2019, there were \$7,216,174 and \$4,164,733 in transfers in as a result of participating employers adopting the Plan and transferring balances from another qualified Plan.

LYONS & COMPANY, INC. MULTIPLE EMPLOYER PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2020 AND 2019

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Forfeited Accounts

Forfeited nonvested accounts can be used to reduce administrative expenses or to reduce future Participating Employer contributions. Forfeited nonvested accounts as of December 31, 2020 and 2019 totaled \$50,617 and \$60,643, respectively. There were no forfeitures used to pay administrative expenses for the years ended December 31, 2020 and 2019. There were \$14,411 and \$-0- of forfeitures used to reduce participating employer contributions for the years ended December 31, 2020 and 2019, respectively.

Coronavirus Aid, Relief, and Economic Security Act

In March 2020, certain provisions under the Coronavirus Aid, Relief, and Economic Security (CARES) Act relating to participant distributions and participants loans were enacted. The CARES Act allows of utilization of these provisions immediately but requires formal adoption of the amendment no later than the last day of the Plan Year beginning on or after January 1, 2022. As of July 27, 2021, the Plan has not been formally amended to adopt these provisions; however, has elected to allow participants to utilize them.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2020 AND 2019

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2020 or 2019. Delinquent notes receivable are recorded as distributions on the basis of the terms of the Plan document.

Benefit Payments

Benefits are recorded when paid.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding addition to corrective distributions. The Plan distributed the 2020 and 2019 excess contributions to the applicable participants prior to March 15, 2021 and March 15, 2020, respectively.

Administrative Expenses

The Plan's expenses are paid by the Plan Administrator and the Plan, as provided by the Plan document. Expenses paid directly by the Plan Administrator are excluded from these financial statements, unless they are submitted for reimbursement by the Plan. The Plan Administrator submits expenses for reimbursement quarterly, and the expenses are not due from the Plan until the Plan Administrator seeks reimbursement. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as administrative expense in the accompanying statements of changes in net assets available for benefits. In addition, certain investment related expenses are included in net appreciation of fair value of investment presented in the accompanying statements of changes in net assets available for benefits.

Subsequent Events

The Plan has evaluated subsequent events through July 27, 2021, the date the financial statements were available to be issued.

NOTE 3 FAIR VALUE OF INVESTMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

LYONS & COMPANY, INC. MULTIPLE EMPLOYER PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2020 AND 2019

NOTE 3 FAIR VALUE OF INVESTMENTS (CONTINUED)

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at December 31, 2020 and 2019.

Money Market and Mutual Funds: Valued at the daily closing price as reported by the fund. Money market and mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Investment Trust: Valued based on the NAV of units, which are based on observable prices for the underlying assets, held by the Plan at year end. NAV is a readily determinable fair value and is the basis for current transactions. Participant transactions (purchases and sales) may occur daily. This fund is included in Level 2.

Self-Directed Brokerage Accounts: Consists primarily of mutual funds, common stocks, money market funds, corporate bonds, and certificate of deposits. Common stocks are valued at the closing price reported on the active market on which the individual securities were traded. Corporate Bonds are generally valued at market prices furnished by an independent pricing service. In the absence of quoted values, securities are valued at fair value as determined by the Trustee in consultation with the Plan's investment managers. Certificates of Deposit are valued at amortized cost. These are all considered to be Level 1 measurements within the fair value hierarchy.

NOTE 4 GUARANTEED INVESTMENT CONTRACT

The Plan was invested in a traditional fully benefit responsive guaranteed investment contract through Nationwide Financial Services, Inc. (Nationwide). Amounts were held in Nationwide Life Insurance Company's general account. The account was credited with earnings on the underlying investments and charged for the participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 2.2%. The crediting rate is reviewed on a quarterly basis for resetting.

This contract met the fully benefit-responsive investment contract criteria and therefore was reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Nationwide, represented contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

During 2015, it was determined the contract would be terminated with an installment payout over five years ending in 2019. The final payout was made during 2019.

LYONS & COMPANY, INC. MULTIPLE EMPLOYER PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2020 AND 2019

NOTE 5 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 6 PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the participants would become 100% vested in their Employer contributions.

NOTE 7 PLAN TAX STATUS

The Plan is placing reliance on an opinion letter dated March 31, 2014, received from the IRS on the prototype plan indicating that the Plan is qualified under Section 401 of the IRC and is therefore not subject to tax under current income tax law. The prototype Plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 PARTY-IN-INTEREST TRANSACTIONS

The Plan Sponsor has an expense reimbursement agreement with the Plan to cover various administrative expenses. The agreement calls for the reimbursement of Plan administrative expenses to be remitted to the Plan Administrator through a quarterly asset fee. For the year ended December 31, 2020 and 2019, the annual expense reimbursement was \$64,411 and \$47,639, respectively.

LYONS & COMPANY, INC. MULTIPLE EMPLOYER PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2020 AND 2019

NOTE 8 PARTY-IN-INTEREST TRANSACTIONS (CONTINUED)

Certain Plan investments are managed by Fidelity Management Trust Company (Fidelity), Reliance Trust Company (Reliance), LPL Financial and Nationwide Life Insurance Company (Nationwide). Fidelity and LPL Financial are custodians, Reliance is the trustee, and Nationwide is the insurance company as defined by the Plan and, therefore, the investment transactions qualify as party-in-interest transactions. Fees incurred by the Plan for investment management services and from Mid Atlantic Trust Company, the recordkeeper, are included in administrative expenses. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 9 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500
