SSW RETIREMENT SAVINGS PLAN (Formerly known as SSW Holding Company Retirement Savings Plan)

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2020 AND 2019, AND FOR THE YEAR ENDED DECEMBER 31, 2020

1. DESCRIPTION OF THE PLAN

General—The following description of SSW Retirement Savings Plan (formerly known as SSW Holding Company Retirement Savings Plan) (the “Plan”). is provided for general information purposes only. Participants should refer to the Plan document for more information about the Plan. Effective February 21, 2020 the Plan name changed from SSW Holding Company Retirement Savings Plan to SSW Retirement Savings Plan.

SSW Holding Company, LLC was the former Plan administrator. Effective February 21, 2020 SSW Advanced Technologies, LLC, is the Plan administrator. The Plan is available to qualifying employees of Straits Steel and Wire LLC; Southern Steel & Wire, LLC; Collis, LLC; Alabama Wire Products, LLC; Tatano, LLC; American Appliance Products, LLC; and SSW Premier, LLC (collectively, the “Company”). The Plan is subject to the Department of Labor’s Rules and Regulations for Reporting and Disclosure under the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The Plan is a defined contribution retirement plan established effective January 1, 1997. Eligibility to participate in the Plan and to receive Company contributions varies by entity within the Company, as well as the union and nonunion status of the employee.

Trustee—Reliance Trust Company serves as trustee of the Plan. Reliance Trust Company has entered into a sub custodial agreement with Great West Trust Company, LLC to provide sub custodial services over the Plan as of December 31, 2020 and 2019, and for the year ended December 31, 2020.

Contributions—Participants may contribute to the Plan an amount not to exceed 80% of their annual compensation, subject to certain limitations and collective bargaining agreements. The Company matches a portion of participant contributions. This match also varies by entity and collective bargaining agreement. Participants should refer to the Plan document for Company match percentages. The Plan also provides for an additional annual Company discretionary contribution that is determined by those charged with governance and applicable collective bargaining agreements. Additional amounts may be contributed at the discretion of the Company’s board of directors. No such additional discretionary contributions were made for the year ended December 31, 2020.

Participant Accounts—Individual accounts are maintained for each participant of the Plan. Each participant’s account is credited with the participant’s contribution, the Company’s matching contributions, as well as Plan earnings. The participant accounts are also charged with withdrawals and an allocation of Plan losses and expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Investment of Plan Assets—Participants direct the investment of their contributions and any Company contributions into various investment options offered by the Plan. The Plan currently offers mutual

fund investment options, a stable value fund option, and a self-directed brokerage account (SDBA) option.

Vesting—Participants are immediately vested in their account balances maintained under the Plan.

Notes Receivables from Participants—The Plan provides loans to participants, limited to the lesser of \$50,000 or 50% of the amount of the respective participants' vested accounts, with a minimum loan amount of \$1,000. A loan to a participant is secured by the balance in the participant's account and bears interest at rate equal to 1% over the prime lending rate published in The Wall Street Journal on the date of the loan. Loans are repaid through payroll deductions over a period of five years or less.

Distributions and Withdrawals—A participant is eligible to receive a distribution from the Plan of his or her total vested account balance when one of the following events occurs: (1) death, (2) total disability, (3) termination of employment, (4) in-service withdrawal at age 59 1/2, (5) attainment of the age of 70 1/2, or (6) hardship withdrawals as defined in the Plan document. Most participants receive a single lump-sum payment; however, certain participants may elect to receive the benefit in installment payments.

Forfeited Accounts—As of December 31, 2020 and 2019, forfeited nonvested accounts totaled \$10,319 and \$9,549, respectively. The remaining balance in the forfeitures accounts will be used to reduce future Company contributions and to pay Plan administrative expenses. In 2020, the Plan used \$0 of forfeitures to pay for plan administrative expenses.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting—The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates—The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets available for benefits and changes therein. Actual results could differ from those estimates.

Risks and Uncertainties—The Plan utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate fluctuations, credit risk, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the accompanying financial statements.

Coronavirus disease 2019 ("COVID-19") was first reported in late 2019 and has since dramatically impacted the global health and economic environment, including millions of confirmed cases, business slowdowns or shutdowns, government challenges and market volatility. In March 2020, the World Health Organization characterized COVID-19 as a global pandemic, and the President of the United States declared a national emergency concerning the COVID-19 outbreak. The global community continues to face tremendous challenges, and Plan management cannot predict how this dynamic situation will evolve or estimate the impact it will have on the Plan's net assets available for benefits, the impact may be material.

In March 2020, the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") was enacted. Plan management adopted and implemented certain provisions of the CARES Act and as a result, participants impacted by COVID-19 were able to:

- Withdraw, penalty free, up to \$100,000 of vested account balances through December 31, 2020.
- Defer current active loan payments for the 2020 plan year.
- Take new loans up to \$100,000 of vested account balances before September 22, 2020.
- Suspend 2020 required minimum distributions (“RMD”) altogether or for RMD distributions made prior to the enactment of the CARES Act, roll them over to another eligible retirement plan within the prescribed timeframe according to IRS notice 2020-03.

Investment Valuation and Income Recognition—The Plan’s investments are stated at fair value. Fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants as of the measurement date. Mutual fund investments are stated at fair value, which is measured by quoted market prices in active markets. The Plan also offers a SDBA, which is composed of common stock and mutual funds. The common stock and the mutual funds are valued at the daily closing price that is reported on the active market.

The J.P. Morgan stable value fund (the “Fund”) is a collective trust fund sponsored by J.P. Morgan. The beneficial interest of each participant is represented by units. Units are issued and redeemed daily at the Fund’s constant net asset value (NAV) of \$1 per unit. Distributions to the Fund’s unit holders are declared daily from the net investment income and automatically reinvested in the Fund on a monthly basis, when paid. It is the policy of the Fund to use its best efforts to maintain a stable NAV of \$1 per unit, although there is no guarantee that the Fund will be able to maintain this value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan’s gains and losses on investments bought and sold, as well as held during the year.

Management fees and operating expenses charged to the Plan for investments in mutual funds and the stable value fund are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments. The operating expenses for the SDBA are charged directly to the participant accounts on a quarterly basis and are shown separately as administrative expenses.

Notes Receivable from Participants—Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Delinquent participant loans are recorded as distributions based on the terms of the Plan document.

Administrative Expenses—Administrative expenses of the Plan are paid by the Plan, unless the Company chooses to pay such administrative expenses. Participants pay administrative costs for loans, distributions and qualified domestic relation orders.

Payment of Benefits—Benefits are recorded upon distribution. As of December 31, 2020 and 2019, there were no account balances pertaining to persons who had elected to withdraw from the Plan, but had not yet been paid.

Excess Contributions Payable—The Plan is required to return contributions received during the Plan year in excess of Internal Revenue Code (IRC) limits. There were no excess contributions payable as of December 31, 2020 and 2019.

3. FAIR VALUE MEASUREMENTS

ASC 820, *Fair Value Measurements and Disclosures*, provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value, as follows: Level 1, which refers to securities valued using unadjusted quoted prices from active markets for identical assets; Level 2, which refers to securities not traded on an active market, but for which observable market inputs are readily available; and Level 3, which refers to securities valued based on significant unobservable inputs. Assets are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

Asset Valuation Techniques—Valuation methodologies used by the Plan maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The following is description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2020 and 2019.

Mutual Funds—Mutual funds are valued at their daily closing prices, as reported by each fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These mutual funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are recorded based on quoted market prices in an active market.

Stable Value Fund—The Fund is valued at the NAV of the units of the bank collective trust. The NAV, as provided by the issuer of the Fund, is used as a practical expedient to estimate fair value. The NAV is based on the contract value of the underlying investments held by the Fund, less its liabilities.

Self-Directed Brokerage Account—The Plan offers an SDBA for Plan participants. As of December 31, 2020 and 2019, the underlying investments in the account are composed of a publicly traded common stock and mutual funds. The common stock is based on quoted market prices in an active market.

At December 31, 2020, the following table sets forth by level within the fair value hierarchy a summary of the Plan's investments measured at fair value on a basis:

	Fair Value Measurements at December 31, 2020, Using			Total

At December 31, 2019, the following table sets forth by level within the fair value hierarchy a summary of the Plan's investments measured at fair value on a basis:

	Fair Value Measurements at December 31, 2019, Using			Total
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)

Collective Trust Fund ⁽¹⁾				<u>1,935,708</u>
Total Plan investments				<u>\$ 24,297,764</u>

⁽¹⁾ This class represents investments in the Fund that invests primarily in guaranteed investment contracts, separate account contracts, fixed income securities, wrapped contracts, and short-term investments. Stable Value Fund units may be redeemed on a daily basis to meet benefit payments

and other participant-initiated withdrawals permitted by the Plan. There were no unfunded commitments with this class.

4. STABLE VALUE FUND

The Fund is a comingled pension trust fund sponsored by J.P. Morgan. The beneficial interest of each participant is represented by units. The Fund's primary goal is to seek current income, while maintaining stability of the invested principal.

Participants ordinarily may direct the withdrawal or transfer of all or a portion of their investment at contract value. Contract value represents contributions made to the Fund, plus earnings, less participant withdrawals and administrative expenses. The Fund has no restrictions or notice periods with respect to redemptions and no unfunded commitments. The Fund itself may be subject to circumstances that affect its ability to transact at contract value, such as a complete or partial termination of the Plan or its merger with another plan or a failure of the Plan to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Plan management believes that the occurrence of events that would cause the stable value fund to transact at less than contract value is not probable.

The Plan uses NAV as a practical expedient to determine the fair value of the Fund. The NAV for the Fund reflects contract value for the fully benefit-responsive investment contracts held by the Fund. Contract value is the amount Plan participants would receive if they were to initiate permitted transactions under the terms of the Plan.

The Fund invests primarily in guaranteed investment contracts, separate account contracts, fixed income securities, wrapped contracts, and short-term investments. All investment contracts purchased by the Fund are benefit responsive. The Fund also invests in other comingled trust funds managed by J.P. Morgan.

5. EXEMPT PARTIES-IN-INTEREST TRANSACTIONS

The Plan issues loans to participants, which are secured by the vested balances in the participants' accounts.

Certain Plan investments are shares of mutual funds and a collective trust fund managed by J.P. Morgan, the recordkeeper, as defined by the Plan. Fees paid for investment management services were included as a reduction of the return earned on each fund. As of December 31, 2020 and 2019, the Plan held investments in such securities for \$6,776,953 and \$5,248,115, respectively.

Additionally, certain investments in the SDBA are shares of Charles Schwab mutual funds, the custodian of the SDBA. Therefore, these transactions qualify as exempt party-in-interest transactions. As of the December 31, 2020 and 2019, the Plan held investments in such securities for \$1,060,574 and \$883,298, respectively.

6. FEDERAL INCOME TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated March 2, 2017 (the "determination letter"), that the Plan and related trust were designed in accordance with the applicable regulations of the IRC. The Plan has been amended since receiving the determination letter. However, the Company and Plan management believe that the Plan is currently designed and operated in compliance with the applicable requirements of the IRC, and that the Plan

and related trust continue to be tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

7. INFORMATION CERTIFIED BY GREAT WEST TRUST COMPANY, LLC ACTING AS A SUB CUSTODIAN FOR RELIANCE TRUST COMPANY, THE TRUSTEE OF THE PLAN

8. COMPLIANCE

During 2020, the Company failed to timely remit certain employee deferrals and loan repayments to the Plan aggregating to \$34,473. The Company computed the lost earnings of \$837 on these 2020 deposits and subsequently remitted the deposits and made a contribution for lost earnings to the Plan. The Company plans to file For 5330 with the IRS and pay the required excise tax on the transaction.

9. PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions set forth in ERISA.

10. SUBSEQUENT EVENTS

Management has evaluated subsequent events through July 29, 2021, the date the financial statements were available to be issued. There were no items that required recording or disclosure.
