GROSS RESIDENTIAL 401K PLAN

Notes to Financial Statements

December 31, 2020 and 2019 and Year Ended December 31, 2020

NOTE A - DESCRIPTION OF PLAN

The following description of Gross Residential 401k Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of I. & M.J. Gross Company (the Company, Plan Sponsor, and Plan Administrator) who have completed six months of service, worked at least 1,000 hours, and attained the age of 21. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE ACT), passed in December 2019, and the Coronavirus Aid, Relief, and Economic Security Acts (the CARES act), passed in March 2020, allowed certain eligible individuals to receive coronavirus-related distributions and relief of loan repayment, suspended required distributions, and delayed the commencement date for required minimum distributions. As of July 29, 2021, the Plan had permitted and was in the process of amending the plan to permit these options. Written amendments to reflect these operational changes will be adopted at a later date in accordance with applicable laws and IRS guidance.

Contributions

Participants may elect to defer up to 100% of their compensation as defined by the Plan on either a pre-tax or after-tax basis. The Plan provides for a discretionary employer matching contribution for each participant, which was 25% of the first 6% of annual compensation that a participant contributed to the Plan for the year ended December 31, 2020. The Plan also provides for a discretionary employer profit sharing contribution. There was no discretionary employer profit sharing contribution during the year ended December 31, 2020. The Plan provides for the acceptance of rollover contributions from other plans qualified under the Internal Revenue Code (the Code). The Plan also provides for catch-up contributions for participants who reach the age of 50 by the end of the Plan year. Participants direct the investment of their contributions into various options offered by the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and Company matching contributions, as well as an allocation of the Company's profit sharing contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, compensation, specific participant transactions, or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes to Financial Statements

December 31, 2020 and 2019 and Year Ended December 31, 2020

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are immediately vested in their deferral and rollover contributions plus actual earnings thereon. Vesting in discretionary employer matching and profit sharing contributions plus actual earnings thereon is based on years of continuous service at a rate of 20% per year after the first year of service. Participants are fully vested in their discretionary employer matching contributions after six years of credited service.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance subject to certain Department of Labor and IRS requirements. Notes receivable terms range from 1 - 5 years. Notes receivable are secured by the balance in the participants' accounts and bear interest at the prime rate. Interest rates on notes receivable ranged from 4.25% to 6.50% at December 31, 2020. Principal and interest are paid ratably through semi-monthly payroll deductions.

Payment of Benefits

Upon reaching age 59½ or termination of service, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. If the value of the vested benefits credited to the participant's account is \$1,000 or less at the time of termination, the entire amount will be distributed to a participant without the participant's consent. In the event of a mandatory distribution of amounts greater than \$1,000 but not exceeding \$5,000, the entire amount will be distributed in the form of a direct rollover to an individual retirement account as designated by the Plan Sponsor.

Active participants may make hardship withdrawals of the vested employee contribution portion of their account balances, subject to Plan provisions.

Forfeited Accounts

Forfeitures are used to reduce discretionary employer contributions or to pay Plan expenses. The unallocated forfeiture balance was \$-0- and \$207 at December 31, 2020 and 2019, respectively. Forfeitures of \$548 were used to reduce employer contributions during 2020.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

GROSS RESIDENTIAL 401K PLAN

Notes to Financial Statements

December 31, 2020 and 2019 and Year Ended December 31, 2020

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the trustee. See Note D for discussion of fair value measurements.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2020 and 2019. If a participant ceases to make repayments on a note receivable and the Plan Administrator deems the note receivable to be in default, the balance on the note receivable from the participant is reclassified to benefits paid to participants.

Investment Income Recognition

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions

Participant and employer contributions are recorded and credited to each participant's account when received by the trustee from the Company. Any contributions attributable to the Plan year but not received by the trustee by the last day of the Plan year are recorded as a receivable.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Code are recorded as a liability with a corresponding reduction to contributions. The Plan distributed \$6,222 and \$-0- in excess contributions payable at December 31, 2020 and 2019, respectively, to the applicable participants.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Participant accounts are charged a fee ratably based on their account balances for expenses incurred to maintain the Plan. Fees related to the administration of notes receivable from participants and benefits paid to participants are charged directly to the participants' accounts and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments in the accompanying statement of changes in net assets available for benefits.

Notes to Financial Statements

December 31, 2020 and 2019 and Year Ended December 31, 2020

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Income Taxes

The Company adopted a volume submitter profit sharing plan with a cash or deferred arrangement which received an opinion letter from the IRS dated September 21, 2017 stating that the Plan was designed in accordance with applicable sections of the Code. Although the Plan has been amended since receiving the opinion letter, the Plan Sponsor believes that the Plan is currently being operated in compliance with the applicable requirements of the Code and therefore believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Sponsor has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2020 and 2019, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Subsequent Events

The Plan has evaluated subsequent events through July 29, 2021, the date which the financial statements were available to be issued.

NOTE C - CERTIFICATION

Investment information disclosed in the accompanying financial statements and supplemental schedules, including investments and notes receivable from participants held at December 31, 2020 and 2019, and net appreciation in fair value of investments and interest and dividend income for the year ended December 31, 2020 were obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by the trustee.

Notes to Financial Statements

December 31, 2020 and 2019 and Year Ended December 31, 2020

NOTE D - FAIR VALUE MEASUREMENTS

The three levels of the fair value hierarchy, which are based upon the inputs used to measure fair value, are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices in active markets that are accessible at the measurement date for identical unrestricted assets or liabilities (for example, exchange quoted prices).

Level 2 - Inputs to the valuation methodology are observable inputs, other than Level 1 prices, such as quoted prices for similar assets or liabilities in active markets, quoted prices in markets that are not sufficiently active to qualify as Level 1, other observable inputs, or inputs that can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Inputs to the valuation methodology are significant to the fair value measurement and unobservable (for example, supported by little or no market activity).

Financial assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The Plan's assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the valuation of fair value assets and liabilities and their placement within the fair value hierarchy levels.

The Plan's investments accounted for at fair value as of December 31, 2020 are summarized below:

	<u>Level 1</u>	<u>Total</u>
Mutual funds	<u>\$ 6,226,536</u>	<u>\$ 6,226,536</u>
Total investments in the fair value hierarchy	<u>\$ 6,226,536</u>	6,226,536
Investments measured at net asset value:		
Common collective trust		<u>616,143</u>
Total investments at fair value		<u>\$ 6,842,679</u>

GROSS RESIDENTIAL 401K PLAN

Notes to Financial Statements

December 31, 2020 and 2019 and Year Ended December 31, 2020

NOTE D - FAIR VALUE MEASUREMENTS (CONTINUED)

The Plan's investments accounted for at fair value as of December 31, 2019 are summarized below:

	Level 1	Total
Mutual funds	\$ 5,334,941	\$ 5,334,941
Total investments in the fair value hierarchy	<u>\$ 5,334,941</u>	5,334,941
Investments measured at net asset value:		
Common collective trust		<u>359,404</u>
Total investments at fair value		<u>\$ 5,694,345</u>

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used as of December 31, 2020 and 2019.

Mutual funds are valued at the net asset values of shares held by the Plan at year end, as reported on the active markets in which the investments are traded.

The common collective trust (see Note E) is valued at the net asset value of units held by the Plan at year end. The net asset value, as provided by the trustee, is used as a practical expedient to estimate fair value. Net asset value is based on the fair value of the trust's underlying assets less its liabilities. This practical expedient is not used when it is determined to be probable that the trust will sell the investment for an amount different than the reported net asset value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable values or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair values of certain financial instruments could result in different fair value measurements as of the reporting date.

Notes to Financial Statements

December 31, 2020 and 2019 and Year Ended December 31, 2020

NOTE E - INVESTMENT IN COMMON COLLECTIVE TRUST

The Plan had an investment in the PNC Stable Value Fund Z (the PNC Fund), which is a common collective trust fund. Participants were ordinarily direct permitted withdrawals or transfers of all or a portion of their account balance within the PNC Fund on a daily basis, except to a competing investment option. Participant transfers to a competing investment fund were required to first be directed into a non-competing investment option for 90 days. Plan sponsor initiated withdrawals required a twelve month advance notice and may be subject to a market value adjustment.

The Plan has an investment in the T Rowe Price Stable Value Common Trust (the Fund), which is a common collective trust fund. Participants may ordinarily direct permitted withdrawals or transfers of all or a portion of their account balance within the Fund on a daily basis, except to a competing investment option. Participant transfers to a competing investment fund must first be directed into a non-competing investment option for 90 days. Plan sponsor initiated withdrawals require a twelve month advance notice and may be subject to a market value adjustment.

NOTE F - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their total participant account balances.

NOTE G - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE H - TRANSACTIONS WITH PARTIES-IN-INTEREST

Parties-in-interest transactions include the investment in the funds of the trustee of the Plan and related investment income and the payment of investment and administrative expenses by the Plan to the trustee. Such transactions are exempt from being prohibited transactions.
