INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Murcor, Inc. 401(k) Profit Sharing Plan
Pomona, California

We were engaged to audit the accompanying financial statements of Murcor, Inc. 401(k) Profit Sharing Plan (the "Plan"), which comprise the statements of net assets available for benefits - modified cash basis as of December 31, 2020 and 2019, and the related statement of changes in net assets available for benefits - modified cash basis for the year ended December 31, 2020, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any audit procedures with respect to the information referred to in Note 3 which was certified by Great-West Trust Company, LLC, the trustee ("Trustee") of the Plan as of December 31, 2020 and 2019, and for the year ended December 31, 2020, except for comparing the information with the related information included in the financial statements. We have been informed by the Plan administrator that the Trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the Trustee as of December 31, 2020 and 2019, and for the year ended December 31, 2020, that the information provided to the Plan administrator by the Trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Emphasis of Matter

As further discussed in Note 2, on March 11, 2020, the World Health Organization declared the novel strain of coronavirus ("COVID-19") a global pandemic and recommended containment and mitigation measures worldwide. The COVID-19 outbreak in the United States caused economic disruption through mandated and voluntary closings of businesses and shelter-in-place orders and financial market disruption resulting in significant volatility to the Plan's investments. It is at least reasonably possible that this matter will continue to negatively impact the Plan. However, the financial impact and duration cannot be reasonably estimated at this time. Our opinion is not modified with respect to this matter.

Other Matter

The supplemental schedules - modified cash basis of assets (held at end of year) and delinquent participant contributions ("supplemental schedules") as of and for the year ended December 31, 2020, are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedules.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the Trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

December 31, 2020 and 2019

1. DESCRIPTION OF THE PLAN

The following description of the Murcor, Inc. 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan, a defined contribution savings plan sponsored by Murcor, Inc., pursuant to Section 401(a) and related provisions of the Internal Revenue Code ("IRC"), was established effective January 1, 1998 to provide retirement benefits to eligible employees. Participating employers consist of the following affiliated companies: Vendor Resource Management, Inc.; Hightide Settlement Services, LLC; and VRM Lending, Inc. and Subsidiary, together with Murcor, Inc., referred to as the "Company". The Plan is designed to provide participants with a means to defer a portion of their compensation for retirement and to provide benefits in the event of disability, death, termination or financial hardship. The Plan covers all employees of the Company who meet certain eligibility requirements as defined by the Plan. The Plan is subject to the provisions of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA") and subsequent laws.

Plan administration

The Company is the administrator of the Plan and, as such, carries out the duties imposed by ERISA. The Company has delegated certain responsibilities for the operation and administration of the Plan. The Plan's investments are held by the trustee of the Plan, Great-West Trust Company, LLC (the "Trustee"). Trustee and recordkeeping services are provided by the Trustee, or one of its affiliates.

Eligibility

Employees who have completed three (3) months of service, are age eighteen (18) or older and who are not included in collective bargaining units, part-time employees, temporary employees, seasonal employees, leased employees, non-resident aliens, or whose regular scheduled service is less than 1,000 hours, are eligible to participate in the Plan. The Plan is a safe harbor plan.

Contributions

Participants may elect to contribute through payroll deductions amounts up to 100% of their annual eligible compensation, as defined by the Plan, on a tax-deferred or after-tax basis, up to the maximum amount allowed by the IRC. Maximum allowed deferral amounts were $19,500 for 2020. Participants age 50 or over may also contribute an additional $6,500 to the Plan for 2020. The Plan includes an automatic enrollment feature at a deferral rate of 2% on a pre-tax basis which enrolls eligible participants who have not opted out of the Plan or elected a different deferral percentage. Until elected otherwise by participants, the deferral election increases 1% each year, up to a maximum deferral of 5%. Participants are also allowed to rollover contributions from other qualified employer-sponsored retirement plans.

1. DESCRIPTION OF THE PLAN (continued)

Contributions (continued)

The Company makes a safe harbor matching contribution every year equal to 100% of the participant's salary deferrals that do not exceed 3% of participant's eligible compensation plus 50% of participant's salary deferrals in excess of 3% to 5% of participant's eligible compensation. The Company may make a non-elective profit sharing contribution for eligible employees, as defined, who are actively employed at the end of the Plan year and who completed at least 1,000 hours of service, as defined by the Plan, during the Plan year. The Company did not make a non-elective profit sharing contribution during 2020. The Company may also make employer matching contributions at their discretion. The Company did not make a discretionary employer matching contribution during 2020.

Participant accounts

Each participant's account is credited with the participant's contributions (including rollovers from the participant's previous plan), and allocations of (a) the Company's contributions, if applicable and (b) Plan earnings or losses, and charged with an allocation of administrative expenses not paid by the Company. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants direct their investments in the various fund options offered by the Plan.

Vesting

Participants are immediately vested in their contributions plus actual earnings or losses thereon. Vesting in the Company's safe harbor matching contributions, plus actual earnings and losses thereon are immediately vested.

Non-elective contributions and discretionary matching contributions, if any, are subject to a 6-year graded vesting schedule as follows:

Years of Service	Percentage
Less than 2	0 %
2	20 %
3	40 %
4	60 %
5	80 %
6	100 %

1. DESCRIPTION OF THE PLAN (continued)

Notes receivable from participants

Participants may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's accounts and bear interest at a fixed rate equal to the prime rate at the time the loan is taken, plus 1%. The repayment of principal plus interest is generally required by the Plan to be made through payroll deductions over five years unless the loan is used for the purchase of a primary residence. Loans outstanding during 2020 carried interest rates that ranged between 4.25% and 6.50%. Principal and interest is paid ratably through monthly payroll deductions.

Effective March 2020, as further discussed in Note 2, the Plan adopted the provisions of the Coronavirus Aid, Relief and Economic Security ("CARES") Act related to notes receivable from participants and distributions. The provisions allowed for a loan limit increase to the lesser of $100,000 or all of vested account balance, delay of loan repayments due between the date of CARES Act enactment and Plan year-end delayed one year, and participant self-certification of Coronavirus impact.

Payment of benefits

Distributions and withdrawals are payable upon retirement, termination, financial hardship, disability or death. In addition, an in-service distribution may be taken prior to termination of employment under certain conditions. If a participant's account balance is equal to or less than $1,000, the balance will be distributed immediately in a lump-sum payment unless a direct rollover into another qualified benefit plan is requested. If a participant's account balance is between $1,000 and $5,000, the balance will be directly rolled over to an individual retirement account (IRA) as designated by the Plan administrator, unless a direct rollover into another qualified benefit plan or a lump-sum cash payment is requested. If the account balance is over $5,000, the participant can consent to either a distribution paid in the form of a lump-sum cash payment, a direct rollover into another qualified plan or postpone payment to a later date and remain in the Plan as described in the Plan document.

The Plan also allows participants to obtain a distribution to satisfy certain immediate and heavy financial needs, as defined in the Plan document. Immediate and heavy financial needs include: (1) medical expenses; (2) purchase of a principal residence; (3) to prevent eviction from principal residence; (4) to pay for education expenses; (5) funeral expenses; or (6) repair damage on principal residence. Participants must first exhaust all other assets reasonably available prior to obtaining a hardship withdrawal.

The CARES Act allows for: (1) suspension of required minimum distributions; (2) waiver of 20% mandatory tax withholding and 10% early withdrawal penalty; (3) Coronavirus-related hardship distributions up to the lesser of $100,000 or 100% of their vested account balance from January 1, 2020 through December 31, 2020; (4) ability to repay the distribution within three years; (5) option to pay ordinary income taxes over a three-year period; and (6) participant self-certification of Coronavirus impact.

1. DESCRIPTION OF THE PLAN (continued)

Forfeiture accounts

As of December 31, 2020 and 2019, forfeited nonvested accounts totaled $1,275 and $3,563, respectively. The Plan document allows that forfeitures be used to pay Plan administrative expenses or reduce the Company's nonelective contributions, if any. During the year ended December 31, 2020, $2,413 of forfeitures were used to pay Plan administrative expenses.

Administrative expenses

Certain administrative expenses of the Plan were paid directly by the Company during the year ended December 31, 2020. The Plan is not required to reimburse the Company for expenses paid on its behalf. Loan setup and maintenance fees are paid by the individual participants receiving a loan. Investment fees, which may vary according to the individual funds selected, are deducted directly from participants' investment returns. Investment advisory and management fees paid by the Plan amounted to $102,792 for the year ended December 31, 2020.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements have been prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America ("GAAP"). Under this basis, investments are recorded at fair value on the settlement date, contributions are recorded when received and benefits are recorded when paid.

Use of estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market fluctuation and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Risks and uncertainties (continued)

On March 11, 2020, the World Health Organization declared the novel strain of coronavirus ("COVID-19") a global pandemic and recommended containment and mitigation measures worldwide. The COVID-19 outbreak in the United States has caused economic disruption through mandated and voluntary closings of businesses and shelter-in-place orders. As a result, equity markets have experienced significant volatility throughout 2020, continuing into 2021. While the economic disruption is currently expected to be temporary and markets typically recover, there is considerable uncertainty around the duration of the closings and shelter-in-place orders and the shorter term market volatility. In response, the U.S. Government enacted the CARES Act, which includes significant provisions to provide relief and assistance to affected organizations. As there is considerable uncertainty around the duration of the closings and shelter-in-place orders and the ultimate impact of the CARES Act and other governmental initiatives, it is at least reasonably possible that these matters could negatively impact the Plan. However, the financial impact and duration cannot be reasonably estimated at this time.

Investment valuation and income recognition

The Plan's investments in mutual funds and a collective trust fund are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a settlement-date basis. Investment income is recorded when received. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year and are net of related investment fees.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. No allowance for credit losses was recorded as of December 31, 2020 and 2019. If a participant ceases to make loan repayments and, upon the occurrence of a distributable event, the Plan administrator deems the participant loan to be a distribution, the participant loan balance is reduced and a benefit payment is recorded.

Payment of benefits

Benefits are recorded when paid.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Accounting standards update

In August 2018, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update No. 2018-13 ("ASU 2018-13"), *Fair Value Measurement (Topic 820) Disclosure Framework Changes to the Disclosure Requirements for Fair Value Measurement*. The amendment eliminates, adds, and modifies certain fair value disclosure requirements. ASU 2018-13 is effective for fiscal years beginning after December 15, 2019, and interim periods within those fiscal years. The Plan elected to adopt ASU 2018-13 as of and for the year ended December 31, 2020. The adoption of this standard did not have a material effect on the Plan's financial statements.

3. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The Plan administrator has elected the method of annual reporting permitted by 29 CFR 2520.103-8 of ERISA. The Trustee has certified to the completeness and accuracy of:

- Investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits - modified cash basis as of December 31, 2020 and 2019;

- Net appreciation in fair value of investments, dividends and interest (including interest income from notes receivable from participants) reflected on the accompanying statement of changes in net assets available for benefits - modified cash basis for the year ended December 31, 2020;

- Investments and notes receivable from participants reflected on the schedule of assets (held at end of year) - modified cash basis as of December 31, 2020.

Accordingly, as permitted under such election, the Plan administrator has instructed the Plan's independent auditor not to perform any auditing procedures with respect to the information, and related activity, certified by the Trustee as accurate and complete, except for comparing such information to corresponding information included in the Plan's financial statements and supplemental schedule of assets (held at end of year).

4. FAIR VALUE MEASUREMENTS

Accounting standards require that fair value be determined based on the price that would be received for an asset or paid to transfer a liability ("exit price") in the principal or most advantageous market, in an orderly transaction between market participants. Such fair value is a market-based measurement, not an entity-specific measurement. GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements).

4. FAIR VALUE MEASUREMENTS (continued)

At December 31, 2020 and 2019, all mutual fund investments were considered to be Level 1.

- *Level 1* - inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan has the ability to access at the measurement date.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2020 and 2019.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the United States Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective trust: a stable value fund that is composed primarily of fully benefit-responsive investment contracts that is valued at the NAV of units of the collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. The collective trust fund is a direct filing entity.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

4. FAIR VALUE MEASUREMENTS (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's investments, by type, at fair value as of December 31, 2020:

	Level 1	Fair Value
Mutual funds	$ 27,126,542	$ 27,126,542
Investments measured at NAV*		3,187,676
		$ 30,314,218

The following table sets forth by level, within the fair value hierarchy, the Plan's investments, by type, at fair value as of December 31, 2019:

	Level 1	Fair Value
Mutual funds	$ 23,524,158	$ 23,524,158
Investments measured at NAV*		2,418,581
		$ 25,942,739

* In accordance with Subtopic 820-10 of the Financial Accounting Standards Codification, certain investments that were measured at net asset value per share practical expedient (or its equivalent) have not been classified in the fair value hierarchy. The fair value presented in this table is intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2020. There are no participant redemption restrictions for these investments; the redemption notice period is only applicable to the Plan.

Type	Fair Value	Unfunded Commitments	Redemption Frequency
Reliance Metlife Series 25053	$ 3,187,676	N/A	Daily

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2019. There are no participant redemption restrictions for these investments; the redemption notice period is only applicable to the Plan.

4. FAIR VALUE MEASUREMENTS (continued)

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2019. There are no participant redemption restrictions for these investments; the redemption notice period is only applicable to the Plan.

Product	NAV in Funds	Unfunded Commitments	Redemption Frequency
Reliance Metlife Series 25053	$ 3,296,412	NA	Daily

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of a Plan termination, participants will become 100% vested in unvested non-elective contributions, if any, that were subject to the 6-year vesting schedules.

6. TAX STATUS

The Plan has adopted a prototype plan that obtained its latest opinion letter on March 31, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC, and that any employer adopting this form of the prototype plan will be considered to have a plan qualified under applicable sections of the IRC. The prototype plan has been amended since receiving the opinion letter, however, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

7. PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined by ERISA as any fiduciary of the Plan, any party rendering services to the Plan, the Company, and certain others. As such, transactions conducted by the Trustee qualify as party-in-interest transactions. In addition, the Plan sponsor pays certain fees and expenses on behalf of the Plan. These transactions qualify as party-in-interest transactions permitted under provisions of ERISA.

During the years ended December 31, 2020 administrative fees paid to the Trustee and other Plan advisors totaled $102,792.

8. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through July 30, 2021, the date the financial statements were available to be issued. No other subsequent events have occurred that would have a material impact on the Plan's financial statements.
