Weiss Technik North America – Cincinnati 401(k) Plan

Cincinnati, OH

Except as discussed in the following paragraph, in planning and performing our audit of the financial statements of the Weiss Technik North America – Cincinnati 401(k) Plan as of and for the year ended September 30, 2020, in accordance with auditing standards generally accepted in the United States of America, we considered the Weiss Technik North America – Cincinnati 401(k) Plan's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of issuing our report on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

We were engaged to perform a DOL limited-scope audit of those financial statements as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Our audit did not include all of the procedures required by auditing standards generally accepted in the United States of America and did not include a consideration of internal control relating to the information summarized in Note 8 to those financial statements. Because of the significance of the information that we did not audit, we were unable to, and did not, express an opinion on those financial statements.

Our consideration of internal control was for the limited purpose described in the preceding paragraphs and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as discussed below, we identified certain deficiencies in internal control that we consider to be significant deficiencies.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Plan's financial statements will not be prevented, or detected and corrected, on a timely basis. We did not identify any deficiencies in internal control that we consider to be material weaknesses.

A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider the following deficiencies in the Weiss Technik North America – Cincinnati 401(k) Plan’s internal control to be significant deficiencies:

Forfeitures and Vested Balances

During our testing, we noted two participants that had an error in the calculation of their vested balance. One participant should have been paid out at 80%, but was incorrectly paid out at 40% and the other should have been paid out at 100%, but was incorrectly paid out at 60%. Both instances resulted in underpayments.

We recommend the Plan sponsor work with ADP to distribute the additional money owed to the participants and verify the vested balances were calculated correctly on all other distributions. We also recommend the Plan Sponsor and ADP work together to implement procedures to ensure vesting is correctly determined before distributions are made to withdrawing participants.

Ineligible Compensation

During our testing, we noted participants were withholding on car allowance; however, allowances are excluded from the definition of eligible compensation per the adoption agreement.

We recommend the Plan Sponsor either update their payroll system to prevent employees from withholding on car allowance or amend the adoption agreement to include car allowance in eligible compensation. We also recommend the Plan Sponsor work with ADP to verify all other earnings types are correctly set up in the payroll system to be in accordance with the definition of eligible compensation in the adoption agreement.

Generally accepted auditing standards require that we communicate the following items to the officers and directors at the conclusion of the audit:

- Our audit procedures included evaluating the qualitative aspects of the Plan’s significant accounting practices; items such as accounting policies, accounting estimates, and financial statement disclosures. Based on our evaluation, the Plan’s significant accounting practices are consistent with generally accepted accounting principles.
- There were no difficulties encountered in dealing with management while performing our audit.
- There were no significant financial statement misstatements identified in the course of the audit.
- We did not have any disagreements with management during the course of our audit.

This communication is intended solely for the information and use of management, the officers and directors, and others within the Plan, and is not intended to be and should not be used by anyone other than these specified parties.

We wish to thank your staff for their support and assistance during the audit engagement.

Sincerely,

DOLINKA, VANNOORD & COMPANY, P.L.L.P.

INDEPENDENT AUDITORS' REPORT

Officers and Directors

Weiss Technik North America – Cincinnati 401(k) Plan

Cincinnati, Ohio

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Weiss Technik North America – Cincinnati 401(k) Plan, which comprise the statements of net assets available for benefits as of September 30, 2020 and December 31, 2019, the related statements of changes in net assets available for benefits for the nine months ended September 30, 2020 and the eight months ended December 31, 2019, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 8, which was certified by Reliance Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the nine months ended September 30, 2020 and the eight months ended December 31, 2019, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter – Supplemental Schedule

The supplemental Schedule of Delinquent Contributions as of the nine months ended September 30, 2020, is required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Other Matter – 2019 Financial Statements

The financial statements of the Plan as of December 31, 2019, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Reliance Trust Company, the trustee of the plan. Their report, dated October 2, 2020, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the Custodian, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Respectfully submitted,

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

Plan Merger

On February 1, 2019, the industrial and testing divisions of Cincinnati Sub-Zero Products, LLC was purchased by Weiss Technik North America, Inc. As a result of the transaction, the plan assets related to the industrial and testing divisions were transferred out of the Cincinnati Sub-Zero Products, LLC Profit Sharing 401(k) Plan and into the newly created Weiss Technik North America – Cincinnati 401(k) Plan. Prior to the merger, the plan covered eligible employees at Cincinnati Sub-Zero Products, LLC. The transferred net assets were recognized in the accounts of the Weiss Technik North America – Cincinnati 401(k) Plan as of May 1, 2019 at their balances as previously carried in the accounts of the Cincinnati Sub-Zero Products, LLC Profit Sharing 401(k) Plan. The change in net assets of the combined plans were included in the accompanying statement of changes in net assets available for benefits. Net assets transferred to this Plan totaled \$9,658,323.

Effective September 30, 2020, the Plan merged into the Weiss Technik – North America, Inc. 401(k) Profit Sharing Plan. As a result of the transaction, the plan assets were transferred out of the Plan and into the Weiss Technik – North America, Inc. 401(k) Profit Sharing Plan. The transferred net assets were recognized in the accounts of Weiss Technik – North America, Inc., 401(k) Profit Sharing Plan as of October 1, 2020 at their balances as previously carried in the accounts of the Plan. Net assets transferred out of this Plan totaled \$10,364,243.

General

The Plan is a defined contribution plan covering all employees of Weiss Technik NA - Cincinnati (the Company) who have completed three months of services and are 18 years or older at the enrollment dates (January 1, April 1, July 1 or October 1). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan has implemented certain provisions of the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") in response to the COVID-19 pandemic. Specifically, the CARES Act allowed Plan participants to withdraw up to \$100,000 due to adverse financial consequences related to COVID-19.

Participant and Employer Contributions

Contributions to the Plan are made as follows:

Participants

Each year, participants may contribute up to 90% of compensation up to the statutory limit, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and a common collective trust fund as investment options for participants.

Participant and Employer Contributions – Continued

Participants - Continued

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 3% of eligible compensation. There are no scheduled automatic increases due to the default deferral rate. Contributions are automatically invested in a designated balanced fund until changed by the participant.

Employer Matching Contribution

The Company may make a discretionary matching contribution to the Plan on behalf of each participant that contributes to the Plan. For the nine months ended September 30, 2020 and the eight months ended December 31, 2019, the Company made matching contributions equal to 50% of employee deferrals up to a maximum of 4% of the participant's compensation. Contributions are subject to certain statutory limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's matching contribution, as well as allocations of Plan earnings, and is charged with an allocation of any administrative expenses paid by the Plan. NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Recently Adopted Accounting Pronouncements

In August 2018, the Financial Accounting Standards Board issued Accounting Standards Update (“ASU”) 2018-13, *Fair Value Measurement (Topic 820) - Disclosure Framework - Changes to the Disclosure Requirements for Fair Value Measurement*. The provisions of ASU 2018-13 modify the disclosure requirements on fair value measurements in Accounting Standards Codification 820. The Plan adopted ASU 2018-13 on January 1, 2020. The adoption did not have a material impact on the financial statements and related disclosures.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. Investment-related expenses are included in net appreciation in fair value of investments.

See independent auditors' report.

FOR THE NINE MONTHS ENDED SEPTEMBER 30, 2020 AND

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Date of Management’s Review

Management has evaluated subsequent transactions and events through July 13, 2021, the date these financial statements were available to be issued, and has determined that no items require additional disclosure.

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. As a result of the previously mentioned plan merger, the Plan held no investments at September 30, 2020.

Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual Funds: The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

Common Collective Trust Fund: These investments are public investment securities valued using the Net Asset Value (NAV) provided by Principal Global Investors Trust Company. The NAV is quoted on a private market that is not active; however, the unit price is based on underlying investments which are traded on an active market. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following tables set forth by level, within the fair value hierarchy, the Plan’s assets at fair value:

See independent auditors’ report.

WEISS TECHNIK NORTH AMERICA – CINCINNATI 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE NINE MONTHS ENDED SEPTEMBER 30, 2020 AND
EIGHT MONTHS ENDED DECEMBER 31, 2019

NOTE 3 – FAIR VALUE MEASUREMENTS - Continued

Assets Measured at Fair Value on a Recurring Basis at December 31, 2019

Assets	Level 1 Quoted Prices in Active Markets for Identical Assets	Total
Mutual Funds	\$ 9,819,445	\$ 9,819,445
Investments Measured at Net Asset Value (a)	-	678,740
Investments at Fair Value	\$ 9,819,445	\$ 10,498,185

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the nine months ended September 30, 2020 and the eight months ended December 31, 2019, are reported in the net appreciation in fair value of investments.

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

As a result of the previously mentioned Plan merger, the Plan held no investments at September 30, 2020. The following tables set forth additional disclosures for the fair value measurement of investments in certain entities that calculate net asset value per share (or its equivalent) as of:

<u>Investment Type</u>	<u>December 31, 2019</u>			
	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (If Currently Eligible)</u>	<u>Redemption Notice Period</u>
Common Collective Trust Fund	\$ 678,740	n/a	Daily	12 Months

NOTE 4 – PARTY-IN-INTEREST TRANSACTIONS

The Plan made payments to ADP for recordkeeping and administrative services. This amount is included in net appreciation in fair value of investments. ADP is the Plan's third-party administrator, and therefore, these transactions qualify as party-in-interest transactions.

Administrative expenses include payments made to Baker Tilly Investment Advisors for investment advisory services. Baker Tilly Investment Advisors is the Plan's investment advisor and therefore, these transactions qualify as party-in-interest transactions.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

See independent auditors' report.

NOTE 5 – PLAN TERMINATION

Effective September 30, 2020, the Plan merged into the Weiss Technik – North America, Inc. 401(k) Profit Sharing Plan. As a result of the merger, the Plan was terminated. All participant accounts were transferred into Weiss Technik – North America, Inc. 401(k) Profit Sharing Plan.

NOTE 6 – TAX STATUS

The Company has adopted ADP's prototype profit sharing plan. It has been determined to be acceptable under the Internal Revenue Code (IRC) by a letter dated July 16, 2014. The plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to September 30, 2017.

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8 – INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE
