Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note C, which was certified by Fidelity Management Trust Company ("Fidelity"), the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the Plan Administrator that Fidelity holds the Plan's investment assets and executes investment transactions. The Plan Administrator has obtained a certification from the trustee as of October 31, 2020, and for the year ended October 31, 2020, that the information provided to the Plan Administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the 2020 financial statements referred to in the first paragraph.

Other Matter

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of October 31, 2020, is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Other Matter – 2019 Financial Statements

The financial statements of the Plan as of October 31, 2019, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Fidelity Management Trust Company, the trustee of the Plan. Their report, dated June 1, 2020, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the Trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the 2020 financial statements and supplemental schedule, other than that derived from the information certified by the trustee, has been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, is presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

A. PLAN DESCRIPTION

The following description of the Law Bulletin Media (the "Company" or "Plan Sponsor") Employees Profit Sharing Plan & Trust (the "Plan") provides only general information. Participants should refer to the Plan document and adoption agreement for a more complete description of the Plan's provisions.

General **-** The Plan, established November 1, 1961, is a defined contribution plan with an Internal Revenue Service ("IRS") Code Section 401(k) arrangement which allows Plan participants to elect to contribute a portion of their salaries to the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligibility **-** Employees are eligible to participate immediately upon date of hire. Eligibility with respect to discretionary employer matching and profit sharing contributions require employment on the last day of the Plan year and completion of one year of service as defined by the Plan document.

Contributions **-** Participants may voluntarily contribute up to 100% of their compensation on a pre-tax or post-tax ("Roth") deferral basis. The Plan has an automatic enroll provision at a rate of 3% with an automatic annual increase of 1% up to a maximum rate of 10%. Participants who have attained age fifty before the end of the Plan year are eligible to make catch-up contributions. The Company, however, may be required to limit contributions of certain participants to comply with certain IRS limitations.

The Company may make profit sharing contributions or matching contributions based on the amount of participants' salary deferral contributions. The profit sharing and matching percentage is discretionary. There was no profit sharing or matching contribution for the year ended October 31, 2020.

The Plan also permits rollover contributions from other qualified retirement plans. Effective July 17, 2020, the Plan was amended to allow for In-Plan Roth Rollover Contributions.

Participant Accounts **-** Each participant's account is credited with the participant's contributions, employer contributions, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which the participant is entitled is the benefit that can be provided from the participant's vested account.

Participants may direct their contributions to any or all of the investment options provided. Participants may change their allocation of contributions or transfer money between investment options any time during the year.

Vesting - Participants are 100% vested in their contributions and investment earnings thereon. Employer contributions are vested on a graded schedule based on years of continuous service. A participant is 100% vested after six years of credited service.

Payment of Benefits -The Plan provides for in-service, hardship, retirement, disability and death benefits, as well as benefits upon termination of employment. Upon termination of service, the participant determines whether the distribution will be made in one lump sum or in installments. In the event the distribution is made in installments, the undistributed portion of the participant's account will continue to participate in the earnings of the Plan. The Plan Administrator may automatically make a lump-sum distribution for account balances less than $5,000. Participants terminated are entitled to receive their benefits as soon as administratively feasible. Distributions of a participant's 401(k) account balance may be authorized at any time by the Plan administrator under certain hardship conditions.

Forfeitures - Unvested amounts forfeited by terminated employees may be used to pay Plan expenses or used to reduce employer match contributions. For the Plan year ended October 31, 2020, forfeitures of $1,068 were used to pay Plan expenses. The balance in the forfeiture account as of October 31, 2020 and 2019 was $8,874 and $6,970, respectively.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting **-** The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates **-** The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies using information provided by the investment advisors, trustees, and insurance company. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits - Benefits are recorded when paid.

Administrative Expenses - Administrative expenses of the Plan, Plan recordkeeping and trustee fees, may be charged directly to the assets of the Plan's trust unless the Company, at its discretion, pays such expenses. Investment related expenses are included in net appreciation in fair value of investments.

Subsequent Events **-** The Plan has evaluated subsequent events through July 22, 2021, the date that the Plan's annual financial statements were available to be issued.

C. INFORMATION CERTIFIED BY THE TRUSTEE

The Plan Administrator has elected to restrict the scope of the auditor's examination with regard to statements or information prepared and certified by Fidelity, the trustee of the Plan.

Fidelity has certified as to the completeness and accuracy of the investments it holds and changes in net assets arising from said investment activity as of October 31, 2020 and 2019, and for the year ended October 31, 2020.

Fidelity has certified as to the completeness and accuracy of the schedule of assets (held at end of year) for the year ended October 31, 2020.

D. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The levels of the fair value hierarchy under FASB guidance in these financial statements are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual Funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trusts ("CCT") – Valued at the NAV of units of a collective investment trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of October 31:

	Assets at fair value as of October 31, 2020	
	Level 1	Total
Mutual funds	$ 17,876,326	$ 17,876,326

Investments at fair value	$ 17,876,326	$ 18,639,424

The following table summarizes investments measured at fair value based on NAV per share as of October 31, 2020:

E. PARTY-IN-INTEREST TRANSACTIONS

Fidelity provides certain administrative services to the Plan pursuant to a Service Agreement ("SA") between the Company and Fidelity. Fidelity receives revenue from certain mutual fund service providers for services Fidelity provides to the funds. This revenue is used to offset certain amounts owed to Fidelity for its administrative services to the Plan. If the revenue received by Fidelity from such mutual fund service providers exceeds the amount owed under the SA, Fidelity remits the excess to the Plan's trust. During 2020, there were no excess amounts. The Plan or Plan Sponsor may make a payment to Fidelity for administrative expenses not covered by revenue sharing.

F. PLAN TERMINATION

Although it has not expressed intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination or partial termination of the Plan, the rights of all the participants to benefits accrued through the date of such termination or discontinuance are non-forfeitable, and their accounts shall become 100% vested at that date.

G. FEDERAL INCOME TAX STATUS

The Company has chosen not to obtain a determination letter on its Plan agreement as it is using Fidelity's prototype document which received IRS approval on April 30, 2014. The Plan Administrator believes that the Plan is currently being operated in compliance with the applicable requirements of the Internal Revenue Code ("IRC") and has no income subject to unrelated business income tax. Therefore, the Plan Administrator believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

H. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks.

The COVID-19 pandemic during 2020 has significantly disrupted financial markets, economies and other events. As noted above, investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The Plan adopted the distribution provision of the Coronavirus Aid, Relief, and Economic Security ("CARES") Act that was signed into law on March 27, 2020. A CARES Act distribution allows the Plan's participants to take a COVID-19 related distribution up to $100,000 from the Plan beginning on or after January 1, 2020 and before December 31, 2020.
