The Company has appointed the Administrative Committee of the American Association of Advertising Agencies Benefits, Inc. (AAAA Benefits) as trustee. The Plan is part of the American Association of Advertising Agencies Retirement Fund for Member Agencies (the AAAA Fund). The AAAA Fund is organized as a 103-12 investment entity, as defined by 29 CFR 2520.103-12 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (the investment entity), and is a party-in-interest to the Plan. The trustee holds the Plan's investment assets and executes investment transactions for the Plan.

SECURE and CARES Acts

The Setting Every Community Up for Retirement Enhancement Act of 2019 (SECURE Act) became law on December 20, 2019. The SECURE Act contains both mandatory and optional features. The Plan is being administered to comply with the SECURE Act's mandatory provisions relating to required minimum distributions. No optional features of the SECURE Act were adopted by the Plan. On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) was signed into law. The CARES Act provided a substantial stimulus and assistance package intended to address the impact of the COVID-19 pandemic. The Plan has implemented provisions of the CARES Act related to required minimum distributions, which allow participants under the Plan to waive their 2020 required minimum distributions.

Contributions

Each year, participants may make voluntary pre-tax contributions and Roth contributions to the Plan up to 100% of their eligible compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). The Company may, at its discretion, make matching contributions. Matching contributions are limited to a maximum of 6% of compensation each pay period for eligible participants, as defined. For 2020, the Company matched 50% of the first 6% of the compensation contributed by participants. The Company may also authorize discretionary profit sharing contributions to the Plan for the related year. These contributions are funded in the year subsequent to their authorization. The Company authorized discretionary profit sharing contributions of \$402,474 for the year ended December 31, 2020. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

NOTES TO THE FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN (Continued)

Participant Accounts

A separate account is maintained for each participant. Each participant's account is credited with the participant's contribution, rollover contributions, allocations of the Company's contributions, and investment entity earnings or losses as defined by the Plan agreement. Allocations of the Company's profit sharing contribution are given only to participants employed at the end of the Plan year who have completed at least 1,000 hours of service during the Plan year, and are based on participants' compensation for the Plan year relating to the contribution. Investment entity earnings or losses are allocated daily based on each participant's account balance. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after three years of credited service.

Notes Receivable from Participants

Participants may borrow money within certain limits from their individual accounts. The notes are secured by the balance in the participant's account. The loan interest rate, determined at inception, is set at Prime (3.25% and 4.75% at December 31, 2020 and 2019, respectively) plus 2%, in accordance with the Plan's loan policy. Principal and interest is paid ratably through payroll deductions. The Plan did not adopt the optional loan provisions granted under the CARES Act.

Payment of Benefits

Upon termination of service, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or periodic installments over a future period. If the participant's account balance is between \$1,000 and \$5,000, the plan administrator directs the trustee to make a lump-sum distribution or makes an automatic rollover of the account balance to a qualified individual retirement account. If the participant's account balance is less than \$1,000, the plan administrator directs the trustee to make a lump-sum distribution. Distributions of a participant's 401(k) account balance may be authorized at any time by the plan administrator under certain hardship conditions. The Plan did not adopt the optional distribution provisions granted under the CARES Act.

Forfeited Accounts

Forfeited nonvested accounts are used to reduce administrative expenses or to reduce future employer contributions. At December 31, 2020, forfeited nonvested accounts had no remaining balance. At December 31, 2019, forfeited nonvested accounts totaled \$3,061. During 2020, \$14,847 was used to reduce discretionary employer contributions and administrative expenses.

NOTES TO THE FINANCIAL STATEMENTS

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

New Accounting Pronouncement

During 2020, the Plan adopted Accounting Standards Update (ASU) No. 2018-13, *Fair Value Measurement (Topic 820): Disclosure Framework - Changes to the Disclosure Requirements for Fair Value Measurement*. As a result of the adoption of ASU No. 2018-13, the Plan removed and modified certain disclosure requirements related to fair value measurements. This standard was adopted retrospectively. The adoption of this ASU did not have an impact on the Plan's net assets or changes in net assets.

Use of Accounting Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value by AAAA Benefits, the trustee of the Plan. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisors and trustee. See Note 4 for a discussion of fair value measurement.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Assets of the Plan are held in a separate account of a trust administered by AAAA Benefits as of December 31, 2020 and 2019, representing investments in mutual funds and a common/collective trust fund.

Investment of participant's contributions and the Company's contributions into these investments are at the direction of each participant.

NOTES TO THE FINANCIAL STATEMENTS

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded at December 31, 2020 and 2019. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Plan Expenses

The Plan's administrative expenses are paid by either the Plan or the Company, as provided by the Plan agreement. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Income Taxes

In accordance with GAAP, the plan administrator is required to evaluate tax positions taken by the Plan and recognize a tax liability for any significant uncertain positions that more likely than not would not be sustained upon examination by the IRS. As of December 31, 2020 and 2019, and for the year ended December 31, 2020, the Plan did not have a liability for unrecognized tax benefits.

Subsequent Events

Plan management has evaluated subsequent events through July 29, 2021, the date the financial statements were available to be issued.

3. INFORMATION CERTIFIED BY THE TRUSTEE

AAAA Benefits, the trustee, has made a direct filing with the Department of Labor as required under 29 CFR 2520.103-12 for the AAAA Fund. Accordingly, the plan administrator has elected the alternative method of compliance permitted by 29 CFR 2520.103-12 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

AAAA Benefits has certified as to the completeness and accuracy of the investments it holds, changes in net assets arising from investment activity, and the schedule of assets held at end of year as of December 31, 2020 and 2019, and for the year ended December 31, 2020.

NOTES TO THE FINANCIAL STATEMENTS

4. FAIR VALUE MEASUREMENT

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

- Level 1 Inputs are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access
- Level 2 Other significant observable inputs including: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; or inputs that are derived principally from or corroborated by observable market data by correlation or other means
- Level 3 Inputs are significant and unobservable (including the Plan's own assumptions used to determine value)

The assets' fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at December 31, 2020 and 2019.

Investment entity: The mutual funds held in the investment entity are valued based on the quoted net asset values (NAVs) of the shares held by the 103-12 investment entity at year end. The common/collective trust fund held in the investment entity is valued at the NAV of units of the common/collective trust fund at year end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Assets measured at fair value at December 31, 2020 and 2019 totaled \$26,132,795 and \$21,480,531, respectively, and are comprised of an investment in a 103-12 investment entity. The investment is valued using NAV as a practical expedient and is thus excluded from the fair value hierarchy.

The Plan did not hold any Level 3 assets during the year.

NOTES TO THE FINANCIAL STATEMENTS

5. AAAA FUND 103-12 INVESTMENT ENTITY ALLOCATION

The Plan's interest in the assets of the AAAA Fund is included in the accompanying statement of net assets available for benefits. The AAAA Fund permits the commingling of the Plan's assets with the assets of other member agency-sponsored defined contribution plans. Each member agency signs a joinder agreement and operates through AAAA Fund's volume submitter plan. Although the Plan's assets are commingled in the AAAA Fund, the trustee maintains supporting records for the purpose of allocating the net gain (loss) of the investment accounts to the member agency plans based on each Plan's specific interest in the AAAA Fund.

The AAAA Fund had 70 and 72 participating plan sponsors as of December 31, 2020 and 2019. As of December 31, 2020 and 2019, the Company had a 5.93% and 5.30% interest, respectively, in the AAAA Fund 103-12 investment entity fund. The Plan's interest in the 103-12 investment entity fund will fluctuate based on the investment elections made by the Plan's participants and the fair value of the investments held by the Plan's participants in relation to the fair value of all investments held by the 103-12 investment entity fund.

A summary of the net assets of the AAAA Fund as of December 31, 2020 and 2019, is as follows:

	<u>2020</u>	<u>2019</u>
103-12 investment entity assets:		
Mutual funds	\$ 402,484,689	\$ 364,912,136
Common/collective trust fund	38,334,061	36,549,860
Due from custodian for securities sold		3,732,065
Accrued administrative expenses	<u>(101,112)</u>	<u>(90,356)</u>
	<u>\$ 440,717,638</u>	<u>\$ 405,103,705</u>

The Plan's interest in the AAAA Fund as of December 31, 2020 and 2019, is as follows:

	<u>2020</u>	<u>2019</u>
103-12 investment entity assets:		
Mutual funds	\$ 23,368,490	\$ 19,841,182
Common/collective trust fund	<u>2,764,305</u>	<u>1,639,349</u>
	<u>\$ 26,132,795</u>	<u>\$ 21,480,531</u>

The AAAA Fund's investment gain, dividends, and interest allocated to the participating plans for the year ended December 31, 2020, was \$57,201,400. The Plan's share of this amount is based on the investment gain, dividends, and interest of the investments held by the Plan's participants.

6. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by AAAA Benefits. AAAA Benefits is the trustee and recordkeeper, as defined by the Plan and, therefore, such transactions qualify as party-in-interest transactions.

NOTES TO THE FINANCIAL STATEMENTS

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

8. TAX STATUS

The Plan has adopted a volume submitter plan provided by AAAA Benefits. AAAA Benefits has received an opinion letter dated March 31, 2014, from the IRS stating that the volume submitter plan is acceptable under Section 401 of the Internal Revenue Code for use by employers for the benefit of their employees. Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax exempt.

9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, as well as heightened market risk and volatility associated with the COVID-19 pandemic, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

10. SUBSEQUENT EVENT

The Plan was formally amended as of March 31, 2021, to change the name of the plan sponsor from IRA Thomas Associates, Inc. to Marcus Thomas, LLC.
