Note 1: Description Of Plan

The following description of the DeCrescente Distributing Co., Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering all employees of DeCrescente Distributing Co., Inc. (the Company) who have completed 60 days of full-time service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions - Participants may contribute 100% of eligible compensation, as defined in the Plan. The total amount of this contribution, however, is subject to (1) the maximum amount allowed by the Internal Revenue Code in any plan year, and (2) the Internal Revenue Code mandated discrimination tests. Employees who have attained age fifty before the close of the Plan year shall be eligible to make catch-up contributions in accordance with Internal Revenue Code provisions. Participants may also contribute amounts representing distributions from other qualified retirement plans.

The Company may make a matching contribution, determined by the Company annually, equal to a discretionary percentage, of the participant's salary reduction. For the years ended October 31, 2020 and 2019, the Company match was 50% of the employee deferrals on the first 7% of the participant's compensation.

Participant accounts - Each participant's account is credited or charged, as applicable, with the participant's contribution, investment earnings, the Company's contributions, transfers, payments, forfeitures, withdrawals, expenses, or other distributions made to or from such accounts during the period. Allocations are based on participant earnings or account balances in accordance with terms of the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account. Investments are chosen by the participant from investment vehicles offered through Great-West Life & Annuity Insurance Company of New York, and Great-West Trust Company, LLC.

Vesting - Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting of the Company's discretionary contributions is based on the number of years of service as follows:

Years Of Service	Vesting
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Note 1: Description Of Plan (Continued)

Participants' loans - Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum of the lesser of $50,000 or 50% of the vested interest of the participant's account in the Plan. Loan terms range from one to five years, or up to 25 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus 1.5% as of the date of the loan. Principal and interest are paid ratably through weekly payroll deductions. The CARES Act provisions, adopted in 2020, impacted the Plan's loan terms and are described in Note 9.

Payment of benefits - On termination of service or separation of service, due to death, disability, or retirement, a participant or their beneficiary will be entitled to receive a distribution of their total vested account balance. Benefits will be paid in accordance with the terms of the Plan. The CARES Act provisions, adopted in 2020, impacted the Plan's benefit payment terms and are described in Note 9.

Plan termination - Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions set forth in ERISA. In the event the Plan terminates, each participant's account will become fully vested and be distributed in accordance with the Plan Agreement.

Forfeited accounts - Forfeitures may be used to reinstate previously forfeited account balances of former participants, if any, or applied to reduce employer contributions or pay plan expenses. Forfeitures used to reduce employer contributions and plan expenses during the years ended October 31, 2020 and 2019 amounted to $14,232 and $13,601, respectively. Forfeited non-vested accounts at October 31, 2020 and 2019 amounted to $11,551 and $7,924, respectively.

Expense budget account - The expense budget account was established for the purpose of paying plan expenses, and is considered a plan holding included in the Key Guaranteed Portfolio Fund. The expense budget account amounted to $8,014 and $1,280 at October 31, 2020 and 2019, respectively. Plan expenses paid from the account during the years ended October 31, 2020 and 2019 amounted to $41,930 and $9,593, respectively.

Note 2: Summary Of Significant Accounting Policies

Investment valuation and income recognition - Accounting principles generally accepted in the United States of America establish a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 or Level 2 inputs are not available. The three levels of the fair value hierarchy in accordance with accounting principles generally accepted in the United States of America are described below:

Level 1: Unadjusted quoted prices in active markets for identical, unrestricted assets, or liabilities that the Plan has the ability to access at the measurement date;

Level 2: Quoted prices which are not active, quoted prices for similar assets or liabilities in active markets, or inputs other than quoted prices that are observable (either directly or indirectly) for substantially the full term of the asset or liability; and

Level 3: Significant unobservable prices or inputs (including the Plan's own assumptions in determining the fair value of investments) where there is little or no market activity for the asset or liability at the measurement date.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Purchases and sales of securities are recorded on a trade-date basis with the gain or loss based upon the average-cost method and actual cost of the securities sold. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Notes receivable from participants - Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest.

Income taxes - The Plan is exempt from federal income tax under applicable regulations of the Internal Revenue Code. Tax positions are evaluated and recognized in the financial statements when it is more-likely-than-not the position will be sustained upon examination by the tax authorities.

The Plan has adopted a prototype Plan which has an advisory letter dated March 31, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan Administrator believes that the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code. Therefore, they believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Note 2: Summary Of Significant Accounting Policies (Continued)

Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. The application of these accounting principles involves the exercise of judgment and use of assumptions as to future uncertainties and, as a result, actual results could differ from these estimates. The Plan periodically evaluates estimates and assumptions used in the preparation of the financial statements and makes changes on a prospective basis when adjustments are necessary.

Presentation - Certain reclassifications, when applicable, are made to the prior year financial statement presentation to correspond to the current year's format. Reclassifications, when made, have no effect on net assets available for benefits or changes in net assets available for benefits.

Note 3: Investments

The statements of net assets available for benefits, the investment activities included in the statements of changes in net assets available for benefits for the years ended October 31, 2020 and 2019, and the accompanying notes to the financial statements (other than the assignment of levels) were prepared in part or entirely from information certified by Principal Trust Company, Great-West Life & Annuity Insurance Company of New York, and Great-West Trust Company, LLC, the Custodians of the Plan, in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The information certified includes total investments and notes receivable from participants of $28,710,169 and $27,202,889 at October 31, 2020 and 2019, respectively, and related investment income of $1,269,035 and $3,139,737 for the years ended October 31, 2020 and 2019, respectively.

Note 4: Fair Value Measurements

The following is a description of the valuation methodologies used for assets at fair value at October 31, 2020 and 2019:

Mutual funds and Self-directed brokerage accounts: Valued at quoted market prices at year end.

The preceding methods may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in different fair value measurements at the reporting date.

Fair Value Measurements At Reporting Date Using:

	Quoted Prices In Active Markets For Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total Fair Value
October 31, 2020				
Mutual funds	$ 24,516,033	$ -	$ -	$ 24,516,033
Self-directed brokerage accounts	2,041,713	-	-	2,041,713
Total Investments At Fair Value	$ 26,557,746	$ -	$ -	$ 26,557,746
October 31, 2019				
Mutual funds	$ 23,148,586	$ -	$ -	$ 23,148,586
Self-directed brokerage accounts	1,776,502	-	-	1,776,502
Total Investments At Fair Value	$ 24,925,088	$ -	$ -	$ 24,925,088

Note 5: Investment Contracts With Insurance Companies

The Plan had a fully benefit-responsive annuity contract with the Principal Financial Group, and currently has a fully benefit-responsive annuity contract with Great-West Life & Annuity Insurance Company of New York, and Great-West Trust Company, LLC called Principal Fixed Income Guaranteed Option, and Key Guaranteed Portfolio Fund, respectively. These investments are single group annuity contracts with a fixed rate of interest. As a result, the average yield earned by the Plan is the yield earned (i.e., interest credited) on the group annuity contracts. Principal Financial Group, Great-West Life & Annuity Insurance Company of New York, and Great-West Trust Company, LLC maintain the contributions in a general account, which is credited with earnings on the underlying investment and charged for participant withdrawals and administrative expenses. The contracts are included in the financial statements at contract value as reported to the Plan by Principal Financial Group, Great-West Life & Annuity Insurance Company of New York, and Great-West Trust Company, LLC. Contract values represent contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. Principal Financial Group, Great-West Life & Annuity Insurance Company of New York, and Great-West Trust Company, LLC may not terminate the contracts at any amount less than contract value.

Note 6: Related Party Transactions

Fees for certain administrative expenses may be paid by the Company.

Certain Plan investments are managed by Great-West Life & Annuity Insurance Company of New York, and Great-West Trust Company, LLC as denoted on the supplementary Schedule H, Line 4i - Schedule of Assets (Held at End of Year). Great-West Life & Annuity Insurance Company of New York, and Great-West Trust Company, LLC are the Custodians and record-keepers for the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund.

Note 7: Risks And Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

As a result of the spread of COVID-19 coronavirus, economic uncertainties have arisen which could negatively impact the Plan's operating results and cause volatility in financial markets. However, the duration and any related financial impact is unknown at this time.

Note 8: Commitments And Contingencies

The Plan follows the guidance for uncertainty in income taxes. As of October 31, 2020, the Plan believes that it has appropriate support for the income tax positions taken and to be taken based on an assessment of many factors including experience and interpretations of tax laws applied to the facts of each matter. The Plan has concluded that there are no significant uncertain tax positions requiring disclosure, and there are no material amounts of unrecognized tax benefits.

Note 9: Plan Amendments

During 2020, the Plan adopted the distribution and loan provisions of the Coronavirus Aid, Relief, and Economic Security (CARES) Act, which was signed into law on March 27, 2020. The CARES Act permits the Plan to implement provisions immediately and to retroactively amend the Plan on or before December 31, 2022. The CARES Act provisions allow participants to waive required minimum distributions and also waive the 10% early withdrawal penalty on Coronavirus-related distributions, up to $100,000. Loan provisions of the CARES Act include the option to temporarily defer loan repayments until December 31, 2020 and to borrow a maximum loan amounting to the lesser of $100,000 or 100% of the participant's vested account balance.

Note 10: Subsequent Events

Subsequent events have been evaluated through August 6, 2021, which is the date the financial statements were available to be issued.
