INDEPENDENT AUDITORS' REPORT

To the Trustees of
Cedar Avenue Recycling Transfer Station, L.P. 401(k) Plan
Fresno, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Cedar Avenue Recycling Transfer Station, L.P. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2020 and 2019, and the related statement of changes in net assets available for benefits for the year ended December 31, 2020, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Cedar Avenue Recycling Transfer Station, L.P. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2020, stating that the certified investment information, as described in Note 1 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Cedar Avenue Recycling Transfer Station, L.P. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Cedar Avenue Recycling Transfer Station, L.P. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are

considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Cedar Avenue Recycling Transfer Station, L.P. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Cedar Avenue Recycling Transfer Station, L.P. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year), as of or for the year ended December 31, 2020, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. DESCRIPTION OF PLAN:

The following brief description of the Plan provides only general information. Participants should refer to the Plan document for complete information.

General

The Cedar Avenue Recycling Transfer Station, L.P. 401(k) Plan (the "Plan") is a defined contribution plan and was adopted effective April 1, 2005 for all eligible full-time employees (participants) of Cedar Avenue Recycling Transfer Station, L.P. (the Company). The Plan is subject to the provisions of the Employees Retirement Income Security Act of 1974 (ERISA).

Management has evaluated subsequent events through July 30, 2021, the date at which the financial statements were available to be issued. No significant subsequent events were discovered by management.

Eligibility and Vesting

An employee becomes eligible for participation in the Plan upon attainment of his eighteenth birthday, and after completing six months of service. Participants are immediately vested in their voluntary contributions, matching contributions, and rollover contributions, plus actual earnings thereon. Vesting in the Company's discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100 percent vested after six years of credited service for the discretionary contributions.

Participant Loans

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum of $50,000 or 50% of their vested account balance, reduced by any outstanding loan balance. Loan terms range from 1-5 years. The loans are secured by the vested balance in the participant's account and bear interest at a rate similar to loans from commercial lending institutions.

Administrative Expenses

The Plan pays a portion of the Plan administrative expenses. Some of the Plan administrative expenses are also paid from the total investment expense of one or more of the Plan's investment options. Plan administrative expenses typically include items such as recordkeeping, accounting, and compliance and consulting services. The Plan may also impose specific charges against individual participant accounts for certain transactions.

Certified Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedules, including investments and notes receivable from participants held at December 31, 2020 and 2019, and net appreciation in fair value of investments and interest for the year ended December 31, 2020, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Standard Insurance Company (the trustee of the Plan).

1. DESCRIPTION OF PLAN (CONTINUED):

Contributions

Participants may elect to contribute, on a tax-deferred basis, a portion of their compensation up to the maximum deferral limit. The Company contributes matching amounts equal to 100% of the employee's elective deferral which is not over 3% of the employee's pay, plus 50% of employee's elective deferral which is over the 3% of employee's pay, but not exceeding 5% of employee's pay. The Company may also make a discretionary contribution at the end of each plan year at the option of the Company's Board of Directors. Contributions are subject to certain limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution and (a) the Company's matching contribution, (b) plan earnings, and (c) forfeitures are used to pay plan expenses or supplement employer contributions. Allocations are based on participant earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Forfeited Accounts

At December 31, 2020 and 2019, there were $74 and $453 of forfeited accounts, respectively. Forfeited accounts will be used to reduce future employer contributions.

Payment of Benefits

Benefits are recorded when paid. On termination of service, participants may elect to receive a lump-sum amount equal to the value of the participant's vested value of their account, or for vested accounts greater than $5,000, participants can leave the value of their vested account in the Plan until normal retirement (age 65). Distribution of vested value will also occur in the case of death. If a participant's vested balance account is $5,000 or less, they will automatically receive payment of the form of a lump-sum. Federal law requires the Plan to automatically roll vested account balances of $1,000 up to $5,000 into an IRA if the participant has not reached age 65 and has not elected to have the amount paid in a single sum or rolled into another retirement plan of their choice. Participants with vested account balances greater than $5,000 can either choose an annuity or a single sum payment. At December 31, 2020 and 2019, amounts allocated to withdrawing participants for benefit claims that have been processed and approved for payment, but not yet paid is $0 and $0, respectively.

Termination

Although termination of the Plan is not presently contemplated, the Company has the right to terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, participants become 100% vested in their respective accounts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Accounting Method

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with generally accepted accounting principles.

Use of Estimates

Management uses estimates and assumptions in preparing these financial statements in accordance with generally accepted accounting principles. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenue and expenses. Actual results could vary from the estimates that were used.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. No allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the entire principal balance and interest will become immediately due and payable. The amount of the outstanding loan is treated as a taxable distribution to the participant.

Investments

As of December 31, 2020, and 2019, investments of the Plan are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Standard Insurance Company determines the Plan's valuation policies. Purchases and sales of investments are accounted for as of the trade date. Interest is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

3. INVESTMENTS:

The Plan's investments held by Standard Insurance Company, party-in-interest, (including investments bought, sold and held during the year) are stated at fair value. Fair values and appreciation in value are summarized as follows:

	Net Increase In Value	Fair Value
December 31, 2020		
Investments consisted of:		
Insurance company guaranteed interest	$ 0	$ 261,484
Pooled separate accounts	879,820	6,716,619
	$ 879,820	$ 6,978,103
December 31, 2019		
Investments consisted of:		
Insurance company guaranteed interest	$ 0	$ 109,257
Pooled separate accounts	1,078,299	5,682,111
	$ 1,078,299	$ 5,791,368

The fair value of investments that represent 5% or more of the Plan's net assets available for benefits is as follows:

	2020	2019
Goldman Sachs Int Eq Isghts	$ 384,653	$ 364,305
Cohen & Steers Instl Realty	423,654	472,029
T Rowe Price Blue Chip	0	359,753
J Hancock Bond	624,076	616,671
Fidelity 500 Index	2,399,689	1,202,433
	$ 3,832,072	$ 3,015,191

4. FAIR VALUE MEASUREMENTS:

Generally accepted accounting principles establish a framework for measuring fair value. This framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy are described as follows:

Level 1 Fair Value Measurements: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Fair Value Measurements: Inputs to the valuation methodology include:

1. quoted prices for similar assets or liabilities in active markets;
2. quoted prices for identical or similar assets or liabilities in inactive markets;
3. inputs other than quoted prices that are observable for the asset or liability;
4. inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Fair Value Measurements: Fair values are based on inputs other than quoted prices included within Level 1 that are unobservable and significant to the fair value measurements.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2020 and 2019.

Insurance company guaranteed interest: Not traded on an open market and public prices are not available. Backed by a general account and does not have specific underlying assets assigned.

4. FAIR VALUE MEASUREMENTS (CONTINUED):

Pooled separate accounts: An investment where each plan shares in a pooled fund on a participation unit basis. The Plan's interest in the account is the cumulative record of the number of participation units credited to the account and the number of units allocated or withdrawn from the account. The participation unit value is adjusted periodically to reflect investment results under the separate account.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

		Fair Value Measurements Using:	
	Fair Value	Significant Other Observable Inputs (Level 2)	Unobservable Inputs (Level 3)
December 31, 2020			
Insurance company guaranteed interest	$ 261,484	$ 0	$ 261,484
Pooled separate accounts	6,716,619	6,716,619	0
Total	$ 6,978,103	$ 6,716,619	$ 261,484
December 31, 2019			
Insurance company guaranteed interest	$ 109,257	$ 0	$ 109,257
Pooled separate accounts	5,682,111	5,682,111	0
Total	$ 5,791,368	$ 5,682,111	$ 109,257

5. RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H, FORM 5500:

At December 31, 2020 and 2019, there were no differences between assets available for benefits per the financial statements and the assets available per Schedule H, Form 5500. Also, there were no differences in benefits paid to participants per the financial statements and Schedule H, Form 5500.

6. INCOME TAXES:

The Plan obtained its latest determination letter on March 31, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provisions for income taxes have been included in the Plan's financial statements.

The income tax returns for the three prior years for federal and the four prior years for state income tax purposes are subject to examination by appropriate tax authorities. Interest and penalties, if imposed from tax positions, are recognized in the financial statements as general and administrative expenses.

7. RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

8. RELATED PARTIES:

Certain Plan investments are shares of pooled separate accounts and insurance company guaranteed interest managed by Standard Insurance Company. Standard Insurance Company is the funding medium as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services are included in the investment fair value amount.

9. SIGNIFICANT EVENT:

The outbreak and spread of the novel coronavirus ("COVID-19"), a highly transmissible and pathogenic disease, has adversely affected, and is expected to continue to affect, global economic activity including the impact of increased volatility in global capital and credit markets on investment securities valuations. As of the time of this filing, the COVID-19 pandemic continues to evolve and it is not possible to predict the extent to which the coronavirus will adversely impact the Plan's net assets or operations. Management is reviewing the impact to the Plan of the Coronavirus Aid, Relief, and Economic Security Act, enacted on March 27, 2020, which provides for, among other things, penalty-free distributions of up to $100,000 for participants who meet certain qualifying criteria.
