Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustee as of October 31, 2020 and 2019, and for the years then ended, that the information provided to the Plan administrator by the trustee is complete and accurate.

Other Matter - Change in Plan Sponsor

As discussed in Note 2, on August 30, 2020, Shiloh Industries, Inc., the Plan Sponsor, filed for bankruptcy. In November 2020, the U.S. Bankruptcy Court for the District of Delaware approved the asset purchase agreement with Grouper Holdings, LLC ("Grouper"), a subsidiary of MiddleGround Capital LLC ("MiddleGround"). As part of the Stock and Asset Purchase Agreement, the Plan was assumed by Grouper as purchaser. Effective December 1, 2020, the Plan Sponsor was changed to Grouper Acquisition Company, LLC d/b/a Shiloh Industries. Our opinion is not modified with respect to this matter.

Other Matter - Supplemental Schedule

The supplemental schedule, Schedule H, Line 4i - Schedule of Assets (Held at End of Year), as of October 31, 2020 is required by the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statement. Shiloh Industries, Inc. 401(k) Plan for Salaried and Non-Union Employees

Notes to Financial Statements

1. Description of Plan

The following description of the Shiloh Industries, Inc. 401(k) Plan for Salaried and Non-Union Employees (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering substantially all non-union employees, who are age 18 or older of Shiloh Industries, Inc. (the “Company”) and its domestic subsidiaries. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Company has given Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company, (the “Trustee”), the authority to hold the assets of the Plan and to invest, control and disburse all assets of the Plan in accordance with the Plan agreement.

The Plan agreement was amended and restated effective November 1, 2016.

Eligibility

Employees may become participants and are eligible for matching contributions in the Plan after attaining the age 18 and upon date of hire. Eligible employees are automatically enrolled in the Plan.

Contributions

Each year, participants may contribute up to 100% of pre-tax annual compensation, as defined in the Plan agreement. Unless a different percentage is selected, new participants are automatically enrolled to defer 3% of compensation and the automatic elective deferral contribution shall be automatically increased each February 1st by 1%, up to a maximum automatic elective deferral contribution of 8%. Effective November 1, 2013, the automatic enrollment and automatic deferral percentage increases were changed to become effective each November 1st. Additionally, participants with deferral elections less than 3% will be automatically increased to 3% each November 1 and increase by 1%, up to a maximum automatic elective deferral contribution of 10%. Participants may also contribute amounts representing distributions from other qualified plans. Eligible participants may make additional “catch-up” contributions to the Plan. The Company shall make matching contributions in an amount equal to 100% of elective deferral contributions up to 3% of compensation, plus 50% of elective deferral contributions in excess of 3% of compensation but do not exceed 5% of compensation. Additional profit sharing amounts may be contributed at the option of the Company’s Board of Directors. No such contribution was made for the Plan years ended October 31, 2020 and 2019 Contributions are subject to certain limitations.

Participant Accounts

Each participant’s account is credited with the participant’s contribution and an allocation of (a) the Company’s contribution, and (b) Plan earnings and losses (net of administrative expenses) and charged with the participant’s withdrawals. Allocations are based on participant contributions, earnings, or account balances, as defined in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Shiloh Industries, Inc. 401(k) Plan for Salaried and Non-Union Employees

Notes to Financial Statements

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Participants are also immediately vested in all Company contributions.

Investment Options

Participants direct the investment of contributions into their accounts into the various investment options offered under the Plan. The Company common stock held by the Plan is not an option as it is closed to new contributions and transfers in.

Payment of Benefits

On termination of service, participants are entitled to receive the value of the vested interest in their accounts. On termination of service due to death, disability or retirement, participants may elect to receive a lump-sum amount, annual installments, or various annuity options. For terminations of service due to other reasons, participants will receive their benefit as a lump-sum distribution. Participants may also receive a distribution for reasons of proven financial hardship, up to the amount the employee has deferred (excluding earnings thereon) under the Plan. See CARES Act in Note 2 for additional provisions.

Plan Transfers

As permitted by the Plan, funds totaling \$65,159 and \$178,506 were transferred out between the Plan and Shiloh Industries, Inc. 401(k) Plan for Salaried and Non-Union Employees and Shiloh Manufacturing LLC Union 401(k) Plan (affiliate plans sponsored by the Company) during 2020 and 2019, respectively, based on changes in job status of certain employees that correspondingly affected their eligibility to participate in these affiliated plans.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. Participants may only have one loan outstanding at a time. The loans are secured by the balance in the participant's account. The interest rate for the loan is computed at the prime rate as published in the Wall Street Journal as of the date the loan is made, plus 1%. Principal and interest are paid through payroll deductions. See CARES Act in Note 2 for additional provisions.

Administrative and Investment Management Expenses

Certain administrative expenses and participant-directed expenses (i.e. participant loan fees) are paid by the Plan and charged to the respective participants' accounts. Certain additional administrative expenses of the Plan are paid for by the Company.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Shiloh Industries, Inc. 401(k) Plan for Salaried and Non-Union Employees

Notes to Financial Statements

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes in those assets and liabilities, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the Statements of Net Assets Available for Benefits.

On January 30, 2020, the World Health Organization (“WHO”) announced a global health emergency because of a new strain of coronavirus originating in Wuhan, China (“the COVID-19 outbreak”) and the risks to the international community as the virus spreads globally beyond its point of origin. In March 2020, the WHO classified the COVID-19 outbreak as a pandemic, based on the rapid increase in exposure globally.

The full impact of the COVID-19 outbreak continues to evolve. This pandemic has adversely affected global economic activity and contributed to volatility in financial markets. Since the values of the Plan’s individual investments have and will fluctuate in response to changing market conditions, the Plan’s liquidity cannot be determined at this time.

CARES Act

On March 27, 2020, President Trump signed into law the “Coronavirus Aid, Relief, and Economic Security (“CARES”) Act. The CARES Act, among other things, includes several relief provisions available to tax-qualified retirement plans and their participants. Plan management evaluated the relief provisions available to Plan participants under the CARES Act and implemented the following provisions:

- Special coronavirus distribution up to \$100,000 and other tax-favored withdrawal options, effective through December 31, 2020.
- Increase the available loan amount as described in Note 1 to the lesser of \$100,000 or 100% of the participant’s vested account balance
- Extend the period for loan repayments, if applicable, up to one year

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan’s Pension and Finance Committee determines the Plan’s valuation policies utilizing information provided by the Trustee. See Note 5 for discussion of fair value measurements.

Shiloh Industries, Inc. 401(k) Plan for Salaried and Non-Union Employees

Notes to Financial Statements

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest, with no allowance for credit losses, as repayments of principal and interest are received through payroll deductions and the notes are collateralized by the participants' account balances. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan agreement.

Benefit Payments

Benefits are recorded when paid.

Administrative Expenses

Investment management fees and operating expenses charged to the Plan for investments in mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

3. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

4. Information Certified by Plan's Trustee

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Trustee has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

The Plan's independent auditors did not perform auditing procedures with respect to this information except for comparing such information to the related information included in the financial statements and supplemental schedule.

5. Fair Value Measurements

Fair value is defined as the price that would be received by the Plan for an asset or paid by the Plan to transfer a liability (an exit price) in an orderly transaction between market participants on the measurement date in the Plan's principal or most advantageous market for the asset or liability. Fair value measurements are determined by maximizing the use of observable inputs and minimizing the use of unobservable inputs. The hierarchy places the highest priority on unadjusted quoted market prices in active markets for identical assets or liabilities (Level 1) and gives the lowest priority to unobservable inputs (Level 3). The three levels of inputs within the fair value hierarchy are defined as follows:

Level 1 - Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified contractual term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs that are unobservable inputs for the asset or liability.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at October 31, 2020 and 2019.

Common Stock - Valued at the closing price reported on the active market on which the individual securities are traded.

Mutual Funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Shiloh Industries, Inc. 401(k) Plan for Salaried and Non-Union Employees

Notes to Financial Statements

Pooled Separate Accounts (“PSAs”) - Units held in PSAs are valued based on the underlying investments (i.e. common stock, mutual funds, short-term securities). While the majority of the underlying assets values are based on quoted prices, the NAV of the PSAs are not publicly quoted. The NAV is reported by the fund managers as of the financial statement date based on recent transaction prices. THE PSAs held by the Plan provide for daily redemptions by the Plan at reported NAV with no advance notice requirement. The Plan is permitted to redeem investment units at NAV on the measurement date.

Collective Investment Trusts (“CITs”) - Units held in CITs are valued at the NAV as reported by the trustee. The CITs held by the Plan provide for daily redemptions by the Plan at reported NAV with no advance notice requirement. The Plan is permitted to redeem investment units at NAV on the measurement date. The investment strategy of an investor who expects to retire in a specified target year.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables sets forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of October 31, 2020 and 2019.

The fair value amounts represented in this table are intended to permit reconciliation of the fair value to the amounts presented in the Statements of Net Assets Available for Benefits. There are no unfunded commitments.

6. Party-In-Interest Transactions

Parties-in-interest are defined under DOL regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Certain pooled separate accounts are managed by Principal Life Insurance Company, an affiliate of the Trustee, and certain collective investment trusts are managed by Principal Global Investors Trust Company, an affiliate of the Trustee; therefore, these transactions qualify as party-in-interest transactions. Notes receivable from participants held by the Plan are also considered party-in-interest transactions. Fees for the administration of the Plan were paid to the Trustee by the Plan and Company which qualify as party-in-interest transactions. Investment management fees are paid for by the Plan to investment managers who qualify as parties-in-interest.

7. Tax Status

On August 8, 2014, the Internal Revenue Service ("IRS") stated that the prototype plan agreement adopted by the Plan as then designed, is in accordance with the applicable sections of the Internal Revenue Code ("IRC") and is exempt from federal income tax. Although the Plan has been amended since receiving the opinion and determination letter, Plan management believes that the Plan is designed and being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained by the taxing authorities. The

8. Subsequent Events

On August 30, 2020, Shiloh Industries Inc., formerly listed on the NASDAQ as SHLO, filed for bankruptcy. In November 2020, the U.S. Bankruptcy Court for the District of Delaware approved the asset purchase agreement with Grouper Holdings, LLC (“Grouper”), a subsidiary of MiddleGround Capital LLC (“MiddleGround”) to acquire substantially all of the Company’s assets, including the equity interests of certain of the Company’s direct and indirect subsidiaries. As part of the Stock and Asset Purchase Agreement, the Plan was assumed by Grouper Holdings as purchaser. Effective December 1, 2020, the Plan Sponsor was changed to Grouper Acquisition Company, LLC d/b/a Shiloh Industries.

On April 12, 2021, the Company’s CastLight Division (consisting of the following plants: Alma, Auburn, Clarksville, Pierceton and Pleasant Praire) was sold to Aluydne. There is a transitional agreement in place whereby these employees remained on the Company’s payroll and benefits (including the Plan) until June 27, 2021 as which time they were terminated and hired by Aluydne.

On June 8, 2021, the Company’s BlankLight Division (consisting of the following plants: Bowling Green, Canton, VC-Innovation and VC-Wegman) was sold to Worthington Steel/Taylor Welded Blank. There was no transitional agreement and employees were immediately terminated as of June 8, 2021.

On July 29, 2021, the Company acquired two manufacturing plants from Benteler Automotive. There is a transitional agreement in place whereby these employees will remain on Benteler’s payroll and benefits (including the 401(k) Plan) until the sale has formerly closed which is currently estimated to be September 30, 2021. They will become Shiloh employees as of October 1, 2021.

Plan management has evaluated subsequent events for recognition and disclosure through August 16, 2021, which is the date the financial statements were available to be issued. The Plan is not aware of any other subsequent events which would require recognition or disclosure in the financial statements.
