PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 DESCRIPTION OF PLAN

The following description of the itelligence Group 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution plan covering substantially all employees of itelligence, Inc. and itelligence Outsourcing, Inc. (collectively, the Company) on their date of hire and who have attained age twenty one or older. The Company pays certain administrative costs of the Plan, and controls and manages the operation and administration of the Plan. Great-West Trust Company, LLC, serves as the trustee of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

CONTRIBUTIONS

Each year, participants may contribute up to 75 percent of annual compensation as defined by the Plan. During the 2020 tax year, participants could contribute up to \$19,500 if the participant's age is 49 or less, and \$26,000 if the participant's age is 50 or above. (This figure will be adjusted in the future by the Secretary of the Treasury for cost of living increases.) Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may choose any legally permissible investment, including investment funds which the plan trustee makes available. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 5 percent of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant.

The Company contributes a safe harbor matching amount equal to 100 percent of each participant's elective deferrals not exceeding 3 percent of the participant's compensation, plus 50 percent of the participant's elective deferrals in excess of 3 percent but not in excess of 5 percent of the participant's compensation. These contributions will be nonforfeitable and subject to withdrawal restrictions. Effective June 1, 2020, the Plan was amended to suspend the Company's safe harbor matching contribution.

The Company may contribute a qualified nonelective amount determined in its sole judgment. This additional contribution, if any, will be allocated to all qualified participants eligible to receive a contribution of this type as set forth in the Plan. These contributions will be nonforfeitable and subject to withdrawal restrictions.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution, (b) participant forfeitures and, (c) Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participants are immediately vested in their contributions, rollover contributions, and the Company's safe harbor matching and nonelective contributions plus actual earnings thereon. Prior to 2003, vesting in the Company's contribution was based on years of service and a participant was 100 percent vested after five years of credited service.

PARTICIPANT LOANS

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50 percent of their vested account balance, whichever is less. The loans are secured by 50 percent of the participant's account balance and must bear a reasonable rate of interest and must be repaid within no more than five years, except for certain principal residence related loans. Principal and interest are payable ratably over the term of the loan not less frequently than quarterly.

INTELLIGENCE GROUP 401(K)
PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

PAYMENT OF BENEFITS

On termination of service, a participant (or a participant's beneficiary in the event of death) may elect to receive a lump-sum amount or installment payments equal to the value of the participant's vested interest in his or her account.

FORFEITED ACCOUNTS

Forfeitures of Company contributions are allocated to participants in the Plan who are employed on the last day of the Plan year in proportion to each participant's compensation for such Plan year. As of December 31, 2020 and 2019, forfeited nonvested accounts totaled \$19,084 and \$18,276, respectively. During 2020, the Plan did not dispose of forfeited nonvested accounts.

ERISA EXPENSE ACCOUNT

Included in the forfeitures and asset holding account are contributions related to the Service Provider Payment Agreement (refer to Note 3), which may be used by the Plan to pay direct expenses. As of December 31, 2020 and 2019, the ERISA expense account totaled \$15,198 and \$30,730, respectively. During 2020, \$16,260 of administrative expenses were offset from this account.

CARES ACT PROVISIONS

The Coronavirus Aid, Relief, and Economic Security ("CARES") Act was signed into law March 27, 2020. The distribution provision of the CARES Act allows the Plan's participants to take a COVID-19 related distribution up to \$100,000 from the Plan beginning on or after January 1, 2020 and before December 31, 2020.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following is a summary of significant accounting policies followed in the preparation of these financial statements. The financial statements and notes are the representation of the Plan's management, who is responsible for their integrity and objectivity. The policies conform to accounting principles generally accepted in the United States of America and have been consistently applied.

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared using the accrual basis of accounting.

CASH AND CASH EQUIVALENTS

The Plan considers money market accounts as cash equivalents.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2020 or 2019. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

FAIR VALUE MEASUREMENTS

Topic 820, *Fair Value Measurement*, of the Accounting Standards Codification (Topic 820), establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under Topic 820 are described below:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2

Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2020 and 2019.

Value of interests in registered investment companies (mutual funds) including money market accounts (cash and cash equivalents) are valued at the net asset value (NAV) of shares held by the plan at year end (Level 1).

Included in self directed brokerage accounts are mutual funds, cash and cash equivalents, common stocks, U.S. Treasury Bills, and corporate debt instruments. Common stocks are valued at the closing price reported on the active market on which the individual securities are traded (Level 1). U.S. Treasury Bills and corporate debt instruments are valued at quoted prices for similar assets in active markets (Level 2).

Common collective trust is comprised primarily of fully benefit-responsive investment contracts that are valued at the net asset value of units of a bank collective trust. The net asset value, as provided by the trustee, is used as a practical expedient to estimate fair value (NAVPE). The NAVPE is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

SUBSEQUENT EVENTS

The Plan evaluates events and transactions occurring subsequent to the date of the financial statements for matters requiring recognition or disclosure in the financial statements. The accompanying financial statements consider events through July 30, 2021, the date on which the financial statements were available to be issued.

NOTE 3 RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of a collective trust managed by Putnam Investments, LLC. Putnam Investments, LLC is a subsidiary of Great-West Life and Annuity Financial, Inc. which is the parent company of Great-West Trust Company, LLC, the trustee and record keeper for the Plan and, therefore, these transactions qualify as party-in-interest transactions. Participant loans also qualify as party-in-interest investments. Certain administrative fees related to the administration of the Plan are paid by the Plan. Other administrative fees are paid by the plan sponsor on behalf of the Plan.

Effective October 15, 2013, Putnam Investor Services, Inc. (Putnam), provides certain administrative services to the Plan pursuant to a Service Provider Payment Agreement (SPPA) between the Company and Putnam. Putnam receives revenue from mutual fund service providers for services Putnam provides to the funds. This revenue is used to offset certain amounts owed to Putnam for its administrative services to the Plan.

If the revenue received by Putnam from such mutual fund service providers exceeds the amount owed under the SPPA, Putnam remits the excess to the Plan on an annual basis. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of participants. During 2020, excess amounts of \$4,767 were remitted to the Plan and used to offset administrative expenses. The Plan or Plan Sponsor may make a payment to the trustee for administrative expenses not covered by revenue sharing.

NOTES TO FINANCIAL STATEMENTS

NOTE 4 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

NOTE 5 TAX STATUS

Effective April 15, 2015, the Plan most recently adopted a non-standardized form of a prototype plan sponsored by Great-West Trust Company, LLC. The prototype plan obtained its latest opinion letter on March 31, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the opinion letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believes the Plan is qualified.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2020, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress.

NOTE 6 INFORMATION CERTIFIED BY THE TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Great-West Trust Company, LLC, the trustee of the plan, has certified to the completeness and accuracy of all investments reflected in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2020 and 2019, the supplemental Schedule of Assets (Held at End of Year) as of December 31, 2020, and the related investment activity reflected in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2020.

NOTE 7 RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, credit and market risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 8 SUBSEQUENT EVENT

Effective April 1, 2021, the Plan was restated to change the Plan name to NTT DATA Business Solutions Inc. 401(k) Profit Sharing Plan. In addition, the Plan reinstated the Company's safe harbor matching contribution and changed the Plan's fiscal year end to March 31.
